70 provided by the Depositors Insurance Fund or the Massachusetts Credit Union Share Insurance  
71 Corporation to such credit union, mutual savings bank, or co-operative bank remains unpaid or  
72 has not been compromised or settled. Any such repayment, compromise or settlement shall be  
73 approved by the commissioner.

74 (b) A mutual savings bank, co-operative bank or credit union shall file with the  
75 commissioner, at the same time, notices, disclosures and communications required by or sent to  
76 the National Credit Union Administration or the Federal Deposit Insurance Corporation. The

78 except as required by federal law or regulation.

79 (c) A mutual savings bank, co-operative bank or credit union that is adequately  
80 capitalized and has received at least a satisfactory rating in its most recent examination for

97 taken for the conversion and shall include but not be limited to:

98 (1) a statement as to why the board is considering the conversion;

99 (2) a statement of the major positive and negative business effects of the proposed  
100 conversion;

101 (3) the impact on the member's financial and other interests in the credit union;

102 (4) in the case of a credit union converting to a mutual savings bank or co-operative bank,  
103 (a) a disclosure that the conversion from a credit union to a mutual savings bank or co-operative  
104 bank could lead to a member losing ownership interest in the credit union if the mutual savings  
105 bank or co-operative bank subsequently converts to a stock institution and the member does not  
106 become a stockholder; and (b) a disclosure of any conversion related economic benefit a director  
107 or senior management official may receive including receipt of or an increase in compensation  
108 and an explanation of any foreseeable stock related benefits associated with a subsequent  
109 conversion to a stock institution. The explanation of stock related benefits shall include a  
110 comparison of the opportunities to acquire stock that are available to officials and employees,  
111 with those opportunities available to the general membership.

112 (e) A converting credit union shall file with the commissioner a plan of conversion and  
113 an information statement at least 120 days before the date of the proposed special meeting of the  
114 members. The commissioner may require reasonable changes to the plan of conversion and  
115 information statement. The commissioner may also require any equitable disclosure he  
116 determines applicable to the proposed conversion. The commissioner may specify the form, type  
117 and other material aspects of the plan of conversion and information statement to be sent to  
118 members except to the extent that it does not conflict with federal law or regulation.

119 (f) The commissioner shall review the contents of the plan before the board of directors  
120 of the credit union presents the conversion plan to the members for a vote. The commissioner  
121 shall authorize the distribution of the conversion plan and information statement only if the  
122 commissioner is satisfied of all of the following:

123 (1) the plan discloses to the members information concerning the advantages and  
124 disadvantages of the proposed conversion;

125 (2) the information statement discloses the impact on the member's financial and other  
126 interests in the credit union; and

127 (3) the conversion would not be made to circumvent a pending supervisory action that is  
128 initiated by the commissioner or other regulatory agency because of a concern over the safety  
129 and soundness of the credit union.

130 (g) The commissioner shall render a decision within 30 days from the date of the filing of  
131 the plan or any amendment thereof. Upon authorization by the commissioner of the distribution  
132 of the contents of the conversion plan and information statement, the converting credit union  
133 shall call a special meeting of the members to vote on the conversion plan. At least 30 days  
134 before the special meeting, the converting credit union shall mail to each member a notice of the  
135 special meeting, the conversion plan and information statement.

136 (h) The plan of conversion of a credit union shall be approved by a majority vote of those  
137 members voting. A member may vote on the proposal to convert in person or by electronic  
138 means at the special meeting held on the date set for the vote or by written ballot filed by the  
139 qualified voter. The vote on the conversion proposal shall be by secret ballot and conducted by  
140 an independent entity. The independent entity shall be a company with experience in conducting

141 corporate elections. A director or officer of the converting credit union, or an immediate family  
142 member of a director or officer, shall not have an ownership interest in, or be employed by, the  
143 entity.

144 (i) A converting credit union or an officer or director thereof shall not directly or  
145 indirectly give or offer or provide a chance to win a lottery or anything of substantial value, as  
146 determined by the commissioner, to the membership or a member of the credit union, for an  
147 action related to the conversion to a mutual bank or as an inducement to vote on the plan of  
148 conversion.

149 (j) The provisions on notice to members and voting procedures in this section shall  
150 govern the process for converting to a mutual bank notwithstanding other provisions of this  
151 chapter or a by-law of the converting credit union to the contrary.

152 (k) Certified copies of the results of the board of the converting mutual savings bank, co-  
153 operative bank or credit union meetings and votes of the membership meetings of the credit  
154 union shall be filed with the commissioner. The credit union shall also certify that the  
155 information statement, plan, and other written materials provided to members were identical to  
156 those materials considered satisfactory by the commissioner.

157 (l) If the commissioner disapproves of the methods by which the membership votes were  
158 taken or the procedures applicable to the votes, the commissioner may direct that a new vote be  
159 taken. If the commissioner does not disapprove of the methods by which the membership vote  
160 was taken within 10 days after the notification is given, the vote shall be considered approved.

161 (m) If the conversion to a mutual savings bank or co-operative bank is approved by the  
162 credit union members or if the conversion to a credit union is approved by the boards of a mutual

163 savings or co-operative bank and the commissioner receives notification from the converting  
164 mutual savings bank, co-operative bank or credit union that approvals required under state and  
165 federal law and regulations, including approvals needed for deposit insurance by the Federal  
166 Deposit Insurance Corporation or the National Credit Union Administration have been obtained,  
167 and that any waiting period prescribed by federal law has expired, and in the case of conversion  
168 to a mutual savings or co-operative bank, it will become a member of the Depositors Insurance  
169 Fund and of the deposit insurance fund thereof, and further, in the case of conversion to a credit  
170 union, it will become a member of the Massachusetts Credit Union Share Insurance Corporation  
171 and of the share insurance fund thereof and has made all applicable payments thereto as  
172 determined by the commissioner, a certificate to transact business shall be issued by the  
173 commissioner as applicable. A conversion to a mutual savings, co-operative bank or a credit  
174 union under this section shall not be consummated until arrangements satisfactory to the  
175 Depositors Insurance Fund or to Massachusetts Credit Union Share Insurance Corporation, as  
176 applicable, have been made and notice thereof has been received by the commissioner. After  
177 receipt of the certificate to transact business, the converting mutual savings bank, co-operative  
178 bank or credit union shall promptly file the certificate and its articles of organization with the  
179 secretary of state. Upon the filing, the charter of the converting mutual savings bank, co-  
180 operative bank or credit union shall automatically cease and the converting mutual savings bank,

184 organization and by the laws applicable to the type of mutual savings bank, co-operative bank or  
185 credit union charter into which it converted, and all of the assets and business of the converting

191 savings bank, co-operative bank or credit union, whether as debtor, depository or otherwise, and  
192 shall be liable to pay and discharge the debts and liabilities, to perform all the duties in the same  
193 manner and to the same extent as if the converted mutual savings bank, co-operative bank or  
194 credit union had itself incurred the obligation or liability or assumed the duty or relation. Rights

196 upon the property of such mutual savings, co-operative bank or credit union shall be preserved  
197 unimpaired and the converted mutual savings bank, co-operative bank or credit union shall be  
198 entitled to receive, accept, collect, hold and enjoy all gifts, bequests, devises, conveyances and  
199 appointments in favor of or in the name of the converting mutual savings bank, co-operative  
200 bank or credit union and whether made or created to take effect before or after the conversion.
