An Act to reform mental health supports and increase public safety.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1 SECTION 1. Part I, Title XVII, Chapter 123, Section 12, Subsection A of the
2 Massachusetts General Laws is hereby amended by adding the following words immediately
3 after “such purposes by the department” but before “If an examination is not possible”:
4 “Psychiatric evaluation in a hospital emergency room is mandatory when a restraint or
5 authorization for restraint is given by a physician, qualified psychologist, qualified advanced

8 apply for the hospitalization of such person for a 3-day period at a public facility or a private
9 facility authorized for such purpose by the department.”
