**The Commonwealth of Massachusetts**

**In the One Hundred and Ninety-Fourth General Court  
(2025-2026)**

An Act relative to health equity and community health workers.

*Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:*

1 SECTION 1. Section 259 of chapter 112 of the General Laws, as so appearing in the  
2 2022 Official Edition, is hereby amended by striking out, in lines 40 through 51, the definition of  
3 “Core competencies” and inserting in place thereof the following:-

4 "Core competencies", a set of overlapping and mutually reinforcing skills and knowledge  
5 essential for effective community health work in core areas that include, but are not limited to:

6 (a) outreach methods and strategies;

7 (b) client and community assessment;

8 (c) effective communication;

9 (d) culturally-based communication and care;

10 (e) health education for behavior change;

11 (f) support, advocacy and coordination of care for clients;

12 (g) navigation and connection to resources for health needs, including but not

13 limited to behavioral health, mental health and substance use disorder services;

14 (h) application of public health concepts and approaches;

15 (i) community capacity building; and

16 (j) writing and technical communication skills.

17 SECTION 2. Section 260 of said chapter 112, as so appearing in the 2022 Official

18 Edition, is hereby amended by striking out the third paragraph in its entirety.

19 SECTION 3. (a) As used in this section, the following term shall have the following

20 meaning:

21 “Community health worker services,” services provided by a community health worker,

22 including but not limited to, health education, information, and outreach; health promotion and

23 coaching; navigation of health care and community-based services, resources and systems; care

24 coordination; socioemotional support; and self-advocacy skill-building.

25 (b) Notwithstanding any general or special law to the contrary, the group insurance

26 commission public employee plans under Chapter 32A; the division of medical assistance under

27 chapter 118E and its contracted health insurers, health plans, health maintenance organizations,

28 accountable care organizations, behavioral health management firms and third-party

29 administrators under contract to a managed care organization or primary care clinician plan;

30 insurance companies organized under Chapter 175; non-profit hospital service corporations

31 organized under Chapter 176A; medical service corporations organized under chapter 176B; and

32 health maintenance organizations organized under chapter 176G shall provide coverage and

33 reimbursement for community health worker services delivered by a certified community health  
34 worker, as defined by Section 259 of Chapter 112, or a community health worker in the process  
35 of obtaining certification, who is employed by a health care provider entity, community-based  
36 organization, or municipality, including entities that provide only non-medical health-related  
37 services and support.

38 (c) The executive office of health and human services shall obtain any federal  
39 authorization necessary to implement this section and maximize federal financial participation  
40 for the coverage and benefits provided under this section.

41 (d) The office of Medicaid, the division of insurance and the group insurance commission  
42 shall promulgate regulations or other guidance necessary to effectuate this section, including  
43 establishing provider organization enrollment pathways for non-health care entities.

44 SECTION 4. (a) There shall be a Community Health Worker Workforce Development  
45 Taskforce. The taskforce shall be chaired by the president of the senate or their designee and the  
46 speaker of the house of representatives or their designee, and shall consist of the following  
47 members: the senate chair of the joint committee on health care financing, the house chair of the  
48 joint committee on health care financing, the senate chair of the joint committee of public health,  
49 the house chair of the joint committee on public health, the secretary of health and human  
50 services or their designee, the secretary of labor and workforce development or their designee,  
51 the assistant secretary for MassHealth or their designee, the commissioner of public health or  
52 their designee, the commissioner of mental health or their designee, the commissioner of the  
53 division of insurance or their designee, the executive director of the Health Policy Commission  
54 or their designee, a representative of the Massachusetts Association of Community Health

55 Workers, a representative of the Massachusetts League of Community Health Centers, a  
56 representative of Health Care For All, a representative of the Massachusetts Health and Hospital  
57 Association, a representative of the Association for Behavioral Healthcare, a representative of  
58 the Massachusetts Public Health Alliance, a representative of a municipality employing  
59 community health workers, a representative of a provider organization employing community  
60 health workers, and a representative of a community-based organization employing community  
61 health workers.

62 (b) The taskforce shall study and assess: (i) the existing community health worker  
63 workforce, including but not limited to: the current supply and distribution of community health  
64 workers by demographics, including age, race, ethnicity, language, disability status, sexual  
65 orientation, gender identity and other characteristics currently available through existing data  
66 sources; certification status; city, municipality or region of the state; role and scope of services  
67 provided; and employer type; (ii) the state of certification of community health workers,  
68 including barriers to certification; (iii) the sustainability of reimbursement of community health  
69 workers in health care and community-based settings; and (iv) opportunities and challenges in  
70 community health worker recruitment, retention, and career pathway development, including  
71 advancement in the health care workforce.

72 (c) The taskforce shall issue a report with the findings under subsection (b) and  
73 recommendations on: (i) making data on community health workers collected by state agencies  
74 and contracted entities publicly available and actionable; (ii) addressing barriers to community  
75 health worker certification; (iii) standardizing community health worker roles based on core  
76 competencies; (iv) increasing community health worker recruitment, retention and career  
77 pathways for clinical and non-clinical roles; (v) building capacity among employers to

78 effectively support and supervise community health workers; and (vi) creating a sustainable  
79 reimbursement structure for community health worker services, including considerations for  
80 providing a living wage.

81 (d) The taskforce shall file its report, including any recommendations for proposed  
82 legislation or regulations, to the clerks of the house of representatives and senate, the joint  
83 committee on health care financing and the joint committee on public health no later than March  
84 31, 2026.
