[SIMILAR MATTER FILED IN PREVIOUS SESSION
SEE SENATE, NO. 1466 OF 2023-2024.]

The Commonwealth of Massachusetts

**In the One Hundred and Ninety-Fourth General Court
(2025-2026)**

An Act to protect essential health services.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1 SECTION 1. Section 51G of Chapter 111 of the General Laws is hereby amended in
2 Subsection (4) by inserting, after the first sentence, the following:-

3 Any such notification shall include, but not be limited to, the following:

4 1. The reasons for which the closing or discontinuance is being proposed.

5 2. An analysis of the economic feasibility of retaining the essential health service or
6 hospital and the economic impacts of the proposed closing or discontinuance

7 3. An analysis of the clinical safety of retaining the essential health service or hospital
8 and any threats to public health and safety that would be caused by the proposed closing or
9 discontinuance

10 SECTION 2. Section 51G of Chapter 111 of the General Laws is hereby amended in
11 Subsection (4) by adding, after the word “services” in the fourth sentence the following:-

12 The department may, if it determines that an essential health service can be retained in a
13 clinically safe manner without depriving the hospital of a fair net operating income, deny the
14 proposed discontinuance and require the retention of the essential health service either in its
15 original condition or any modification which the department deems to be satisfactory.

16 In the event that a hospital proposed for closure is owned or controlled by an entity which
17 holds a license for facilities other than the hospital proposed for closure, and the department
18 determines that the hospital can be retained in a clinically safe manner and without depriving that
19 entity of a fair net operating income, the department may require the retention of said hospital
20 either in its original configuration or any modification which the department deems to be
21 satisfactory.
