An Act relative to fluoridation warnings.

*Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:*

1           The department of public health, in consultation with the United States Environmental  
2 Protection Agency, shall develop, to the extent necessary, warning notices regarding the impacts  
3 of drinking water fluoridation, for distribution in an appropriate manner to customers of public  
4 water suppliers who supply water that contains fluoride.

5           Such notices shall be clear and understandable, and based on the best science and public  
6 health research and analysis at the time of their development.

7           Said notices, to the extent they are developed, shall be provided to such public water  
8 suppliers for distribution in a manner and form prescribed by the department.
