

December 1, 2025

The Honorable Michael J. Rodrigues  
Chair, Senate Committee on Ways and Means  
State House, Room 212  
Boston, MA 02133

The Honorable Aaron Michlewitz  
Chair, House Committee on Ways and Means  
State House, Room 243  
Boston, MA 02133

Dear Chairs Rodrigues and Michlewitz:

Pursuant to Chapter 88 of the Acts of 2024, we are transmitting to you this report on Temporary Respite Centers.

Sincerely,

Secretary Matthew J. Gorzkowicz,  
Executive Office for Administration  
and Finance

Secretary Edward Augustus,  
Executive Office for Housing and  
Livable Communities

## MEMORANDUM

---

TO: House and Senate Committees on Ways and Means  
FR: Executive Office for Administration and Finance, Executive Office of Housing and Livable Communities  
DT: December 1, 2025  
RE: Monthly Rapid Track Shelter / TRC report

---

### Background/Narrative

The table below includes key datapoints outlined in Chapter 88 of the Acts of 2024. The data is updated as of November 26, 2025. The Administration continues to pursue key activities related to these datapoints below. Due to the stabilization of the Emergency Assistance Family Shelter Program, the Executive Office of Housing and Livable Communities (EOHLC) will be deactivating the Temporary Respite Centers, referred to as rapid track. Starting on December 15, 2025, EOHLC will pause new placements into these sites and begin placing newly eligible Priority 4 families into bridge track shelter.

### Caseload

Datapoint	Value as of 11/24/25	Notes
Number of families in Temporary Respite Centers (TRCs) and Clinical and Safety Risk Assessment Sites (CSRAs)	172	This currently includes three state-funded Temporary Respite Centers (Cambridge, Lowell, Fitchburg) and one clinical and safety risk assessment site (co-located at Lowell). Families at these two types of sites are placed in site based on site availability and a family's health and safety needs.
Number of families new to the TRC and CSRA sites since the last report	68	Number of families that were placed into TRC & CSRA sites between October 29 and November 24
Total number of individuals in TRC and CSRA sites	532	
Number of individuals new to the TRC and CSRA sites since the last report	207	Number of individuals that were placed into TRC & CSRA sites between October 29 and November 24

### Average Length of Stay

Datapoint	Value as of 11/24/25	Notes
Average length of stay, for individuals at TRCs & CSRA	40 days	

Family with the longest length of stay	174 days	This value reflects a family staying at a TRC
--	----------	---

## Exits

Datapoint	Value as of 11/24/25	Notes
Families that have been placed in EA from TRC or CSRA	52 families	Data from October 29 - November 24
Families that have left TRC or CRSA to a non-EA location	44 families	Data from October 29 – November 24
