

Pension Reserves Investment Management Board

January 15, 2026

Office of the Massachusetts Attorney General
Office of the Clerk of the Senate
Office of the Clerk of the House

Dear Attorney General Andrea Campbell, Senate Clerk Michael Hurley, and House Clerk Timothy Carroll:

Per Chapter 42 of the Acts of 2022 of the Massachusetts Session Laws (the "Act"), the Pension Reserves Investment Management Board ("PRIM") is required to annually report PRIM's divestment from Russian restricted securities. PRIM Staff provides Investment Managers with quarterly lists of restricted securities. Subject to market availability the managers are required to divest from said securities according to the timeline laid out in the Act, which requires that 50% of PRIM's restrictive holdings be divested within 6 months of the security being added to the restriction list and 100% divested within 12 months of the security being added.

Per Section 64(f) of the Act, PRIM reports the following securities were held as of December 31, 2025:

Company	Date Added to Restriction List	Restricted Shares at Jan 1, 2025	Activity	Restricted Shares at December 31, 2025	Corporate Action Activity	Divestment
MMC NORILSK NICKEL PJSC	June 01, 2022	8,414,900	-	8,414,900	0%	0%
MOSCOW EXCHANGE MICEX-RTS PJSC	June 01, 2022	2,167,360	-	2,167,360	0%	0%
POLYUS PJSC*	June 01, 2022	25,151	226,359	251,510	1000%	0%
SBERBANK OF RUSSIA PJSC	June 01, 2022	4,761,052	-	4,761,052	0%	0%
*Corporate Action						

With markets at PRIM's investment managers' disposal being suspended from trading in the Russian securities and markets, our investment managers have been unable to liquidate out of the majority of positions. They continue to monitor the investments and their ability to liquidate.

Further, PRIM reports that investment managers with indirect holdings of restricted securities have not removed restricted companies from their funds (except as part of their trading strategy – not because of divestment concerns) nor have these managers created similar actively managed funds which exclude these restricted securities. Per Section 64(f) of the Act, attached is the most recent scrutinized companies list, effective January 1, 2026.

If you have any questions regarding this letter or scrutinized companies list, please do not hesitate to contact Riya Shah, Investment Compliance Analyst, at (617)-946-8426 or via email at rshah@mapension.com.

Deborah B. Goldberg, Treasurer and Receiver General, Chair
Michael G. Trotsky, CFA, Executive Director and Chief Investment Officer

Sincerely,

Anthony J. Falzone
Deputy Executive Director and Chief Operating Officer
