Re: Plan of Correction – Old Colony Correctional Center, Bridgewater

Dear Superintendent Gonsalves:

The Massachusetts Department of Public Health, Division of Environmental Health Regulations and Standards (EHRS) has received your Plan of Correction (POC) in response to my inspection on December 17, 2025. After review, the EHRS finds the plan appropriately addresses all of the violations noted with the following exception:

In regards to the issue of overcrowding, the EHRS appreciates the limitations of correctional facilities and the need to accommodate the ever-increasing population; however we remain concerned with the overcrowded conditions.

Thank you for your prompt attention to this matter, should you have any questions please contact me at the address listed above.

Sincerely,

A handwritten signature in blue ink that reads "Patrick Wallace".
