

*Shared Services Legislative Report  
Fiscal Year 2026*

Submitted by:

Executive Office of Labor and Workforce Development  
and Office of the Comptroller

## Overview

In accordance with Chapter 9 of the Acts of 2025, the following information outlines expenditures detailed within line item 7003-0101, Labor and Workforce Development Shared Services.

These funds cover the cost of secretariat-wide core administrative functions within the Executive Office of Labor and Workforce Development (EOLWD) for FY 2026, such as human resources, financial management, information technology, legal, procurement, and asset management. EOLWD centralized these services to support needs across the secretariat, whereas other secretariats may maintain similar services within each department within the secretariat.
