Attachment # 1: MGL Chapter 29, Section 5G

After each quarter, the department of revenue shall certify to the state comptroller the amount of tax revenues estimated to have been collected during the preceding quarter from capital gains income. If the department of revenue certifies that the amount of tax revenues estimated to have been collected from capital gains income exceeds \$1,000,000,000 in a fiscal year, the comptroller shall transfer quarterly any such amount that exceeds \$1,000,000,000 collected during that fiscal year as follows: *(i)* 90 per cent shall be transferred to the Commonwealth Stabilization Fund established in section 2H; *(ii)* 5 per cent shall be transferred to the State Retiree Benefits Trust Fund established in section 24 of chapter 32A; and *(iii)* 5 per cent shall be transferred to the Commonwealth's Pension Liability Fund established in subsection (e) of subdivision 8 of section 22 of chapter 32. The \$1,000,000,000 threshold established in the preceding sentence shall be adjusted annually to reflect the average annual rate of growth in United States gross domestic product over the preceding 5 years based on the most recently available data published by the Bureau of Economic Analysis in the United States Department of Commerce.

The transfers shall be made before the certification of the consolidated net surplus for the previous fiscal year under section 5C. The department of revenue shall report by November 30 to the state comptroller, the executive office for administration and finance and the house and senate committees on ways and means tax revenues estimated to have been collected during the preceding fiscal year from capital gains income. The comptroller shall not make adjustment to amounts previously transferred if the capital gains revenue reported on November 30 differs from the amounts estimated during the preceding fiscal year.

 Office of the Comptroller
 Commonwealth of Massachusetts

Dear Comptroller McNamara:

Pursuant to Section 5G of Chapter 29 of the General Laws, the Department of Revenue (DOR) is required to certify to the State Comptroller, after each quarter during the fiscal year, the amount of tax revenues estimated to have been collected during the quarter from capital gain income.

Because capital gains tax payments are remitted unevenly throughout the fiscal year according to tax filing deadlines, to ensure accurate reporting DOR certifies capital gains tax collections on the following schedule:

- Period 1 (July 1 through September 30)
- Period 2 (October 1 through January 31)
- Period 3 (February 1 through May 31)
- Period 4 (June 1 through June 30)

The table below shows capital gains tax revenue estimates for each of the first three certification periods, and on a year-to-date basis during fiscal year 2026.

Capital Gains Tax Collections (\$)

Period	Period total	Fiscal year-to-date total
Period 1 (July 1, 2025 to September 30, 2025)	\$418,672,414.53	\$418,672,414.53
Period 2 (October 1, 2025 to January 31, 2026)	\$671,542,684.85	\$1,090,215,099.38
Period 3 (February 1, 2026 to May 31, 2026)	\$1,822,010,322.88	\$2,912,225,422.26

Based on currently available data, DOR hereby certifies that tax revenue estimated to have been collected from capital gains income was \$1,822,010,322.88 during the FY2026 Period 3 (February 1, 2026 through May 31,

2026). The year-to-date (July 1, 2025 through May 31, 2026) tax revenue estimated to have been collected from capital gains income was \$2,912,225,422.26. Please note that these amounts are subject to revision in the Period 4 certification as DOR further analyzes tax data. The FY2026 Period 3 estimate of \$1,822,010,322.88 and the FY2026 year-to-date estimate of \$2,912,225,422.26 do not include estimates of capital gains tax revenue collected from the additional 4% income tax levied pursuant to Article XLIV of the Amendments of the Constitution of the Commonwealth.¹
