Letter from Commissioner of Banks Mary L. Gallagher

The Division of Banks presents its Annual Report to the General Court for the year 2025 as mandated by General Laws chapter 167, section 13. Guided by our commitment to effective supervision, consumer protection, innovation, and workforce development, the Division strives to strengthen public confidence in the Commonwealth's financial services industry while promoting a regulatory environment that supports both safety and competition.

Massachusetts-chartered banks and credit unions remained financially resilient throughout 2025 despite a dynamic economic environment and continued competitive pressures. Institutions maintain strong liquidity positions, improved earnings performance, and continued to serve the needs of consumers, businesses, and communities across the Commonwealth. These results reflect both the strength of our financial institutions and the effectiveness of a supervisory framework that promotes safety, soundness, and consumer confidence.

The Division continues to invest significantly in our workforce and operational capabilities—providing leadership on a multitude of regulatory associations which aim to shape supervisory practices and policy nationwide. We participate in networked supervision initiatives, expanding our use of the State Examination System, coordinating and often leading multistate examinations. Focused risk areas over the past year include anti-money laundering compliance and operational/fundamental risk management. Throughout 2025, the Division's supervisory and enforcement activities resulted in \$1.75 million in reimbursements to Massachusetts consumers and \$3.5 million in administrative penalties.

A defining agency accomplishment for 2025 was the passage and implementation of Chapter 312 of the Acts of 2024, *An Act Relative to the Regulation of Money Transmission*—landmark legislation to modernize the agency's oversight of money transmission activities. The Division worked methodically throughout 2025 to promulgate our newest regulation in anticipation of the January 1, 2026 effective date.

The Division also dedicated resources to numerous regulatory updates and amendments as part of the Healey-Driscoll Administration's "Mass Means Business" effort to streamline regulatory burden where possible. Mindful of the Commonwealth's reputation as a stronghold for consumer protection, the Division's regulatory review focused on aligning Massachusetts and federal standards thereby promoting regulatory consistency across the financial services industry. At a time when federal regulatory partner policy and resources are evolving, we are proud to maintain and uphold our value proposition with a consistent regulatory framework balancing risk management and consumer protection compliance.

As we look ahead, the Division remains committed to a responsive regulatory framework capable of addressing emerging opportunities and risks, ensuring consumer protections, and supporting the continued development of a skilled workforce. I am proud of the dedication and professionalism demonstrated by Division staff throughout the year and pleased to present the Division of Banks' 2025 Annual Report.

Thank you,

Mary L. Gallagher
Commissioner of Banks

2025 Division of Banks Year in Review Highlights

Staffing/Training:

- The Division hired staff to fill 7 positions: 6 Bank Examiners and 1 Administrative position.
- Training reflected a combination of in-person and virtual courses, providing greater increased opportunities for staff participation. Division examiners receive ongoing opportunities for skill development and refinement as the agency leverages partnerships with federal and industry partners. Nineteen examiners attended FFIEC conferences, 17 examiners completed 1 or more FDIC courses, 60 examiners attended 1 or more regulatory/compliance trainings, 31 examiners attended industry and trade association conferences, and 31 examiners participated in skill building classes for a total of 237 completed courses in 2025.
- Division examiners averaged 47 hours of training in 2025.
- Division examiners achieved 17 new certifications in 2025.
- 39 Division staff serve on 66 industry and national regulatory committees demonstrating the agency's reach, engagement, collaboration, and leadership as a financial regulator.
- 21 Division staff reviewed and scored Chapter 206 grant applications and interim reports. These grants are awarded to organizations that support first-time homebuyer education and foreclosure counseling throughout the Commonwealth.

Notable Actions:

- On January 2, 2025, Governor Healey signed *An Act Relative to the Regulation of Money Transmission, Chapter 312 of the Acts of 2024*, which puts consumer protections in place for Massachusetts residents who use payment apps like Venmo, PayPal, and CashApp while also leveling the regulatory playing field for businesses in the banking and finance industry. The Domestic Money Transmission Bill modernizes the statutory framework, aligning Massachusetts with national standards and strengthening its ability to effectively oversee and regulate domestic money transmission. On January 24, 2025, the Division issued FAQs related to the passage of this act.
- On January 15, 2025, the Massachusetts Division of Banks served on a multi-state enforcement team that led a coordinated enforcement action against Block, Inc., the entity that operates Cash App, a mobile payment service. Block, Inc. will pay an \$80 million fine and undertake corrective action for violations of the Bank Secrecy Act (BSA) and anti-money laundering (AML) laws that safeguard the financial system from illicit use. More information can be found in the Conference of State Bank Supervisors press release and in the Office of Consumer Affairs and Business Regulation blog post.
- On March 13, 2025, the State Treasurer's Office of Economic Empowerment (OEE), in partnership with the Division of Banks and the Office of Consumer Affairs and Business Regulation (OCABR), announced the 2024-2025 recipients of the Financial Education Innovation Fund Grant. This funding allows Massachusetts high schools and special education programs to host financial education fairs, known as Credit for Life Fairs, for their students.
- On April 22, 2025, the Division issued a consumer alert strongly advising consumers to avoid payday loans with predatory terms, including from tribal lenders. The alert outlines Massachusetts consumer lending law and offers alternatives to payday loans.

- On May 29, 2025, the Division awarded \$3.5 million in grants to support foreclosure counseling and first-time homebuyer education through its Chapter 206 Grant Program. Twenty-four organizations across the state received funding through the program which assists homeowners who may be experiencing financial hardship as well as prospective homebuyers who are determining if homeownership is right for them. Since the inception of the grant program in 2008, the Division has awarded more than \$30 million to organizations that have assisted more than 109,000 consumers.
- On June 20, 2025, the Division published proposed amendments to regulations 209 CMR 20.00, 32.00, 42.00, 43.00, 50.00, 54.00, 55.00, and 57.00. A public hearing on these proposed amendments was held on July 15, 2025, at 10:00 am at One Federal Street, Boston, MA 02110.
- On June 23, 2025, the Massachusetts Division of Banks published the 2024 Annual Report of the Commissioner. The report denotes agency achievements and provides a snapshot of the financial industry regulated by the Division.
- On July 7, 2025, the Division, in coordination with state financial regulatory agencies from California, Minnesota, Nebraska, New York, and Texas, took enforcement action against Wise US, Inc. (Wise) for violations related to its anti-money laundering compliance program. In the multistate settlement Wise agreed to pay a \$4.2 million penalty, correct deficiencies in its anti-money laundering program, hire an independent third party to verify corrective actions in the program, and submit quarterly reports for two years to the states.
- On August 5, 2025, the Division, in partnership with OEE and OCABR announced the 2025 Operation Money Wise grant recipients. Organizations will use the grant funds to offer financial education programming to the military community.
- On September 12, 2025, the Division finalized and published amendments to regulations 209 CMR 18.00, 43.00, 48.00, 54.00, 55.00, and 57.00. The amendments became effective on September 26, 2025.
- On September 18, 2025, the Division hosted a community event, *Innovation Meets Regulation: Trends in AI, Risk Management, and Licensing*, during Boston Fintech Week. A panel of state regulators discussed fintech regulation, AI trends, risk management, and licensing requirements with the audience. This is the fourth year that the Division of Banks hosted a community event at Boston Fintech Week.
- In recognition of National Cybersecurity Awareness Month, on October 1, 2025, the Division published information from the Cybersecurity and Infrastructure Security Agency (CISA) on ways to stay safe online. Each week in October, the Division posted the following bulletins relating to cybersecurity:
 - October 6: Update Software
 - October 13: Strong Passwords
 - October 20: Multifactor Authentication
 - October 27: Recognize and Report Phishing
- On October 6, 2025, the Division, in partnership with OEE and OCABR announced funding for the 2026 Financial Education Innovation Fund Grant. Created in 2015, the Financial Education Innovation Fund provides students with the opportunity to experience real-world financial simulations without the real-world consequences.

- The Division finalized amendments to 6 existing regulations and promulgated a new regulation during the fourth quarter.
 - On October 10, 2025, final amendments to 209 CMR 20.00: *Small Loans, Sales Finance Companies and Insurance Premium Finance Companies*, 209 CMR 32.00: *Truth in Lending*, and 209 CMR 42.00: *The Licensing of Mortgage Lenders and Mortgage Brokers* became effective. The amendments to these regulations were part of Governor Healey's Massachusetts Means Business Initiative.
 - Governor Healey signed into law Chapter 312 of the Acts of 2024 (Chapter 312) which expands licensing, supervision, and other consumer protections to cover domestic money transmissions for Massachusetts residents on January 1, 2025. On November 7, 2025, 209 CMR 44.00: *The Licensing and Regulation of Money Transmitters* became effective. This regulatory framework establishes licensing and compliance obligations for businesses engaged in money transmission in the Commonwealth.
 - On November 7, 2025, final amendments to regulations 209 CMR 45.00: *The Licensing and Regulation of Check Cashers* (formerly entitled *The Licensing and Regulation of Money Services Businesses*), 209 CMR 48.00: *Licensee Record Keeping*, and the Executive Office for Administration and Finance's regulation 801 CMR 4.02: *Rates* became effective. These amendments further implement the provisions of Chapter 312.
 - On December 19, 2025, final amendments to 209 CMR 50.00: *Parity with Federal Credit Unions* became effective. The amendments to this regulation were also part of Governor Healey's Massachusetts *Means Business Initiative*.

Division Funded Grant Programs:

- On May 29, 2025, the Division of Banks awarded \$3,577,755 in grants to 24 organizations to fund first-time homeownership education programs and foreclosure prevention counseling centers throughout Massachusetts. The funds were awarded through the Chapter 206 Grant Program, which assists homeowners who may be experiencing financial hardship as well as prospective homebuyers who are determining if homeownership is right for them. The Division administers this grant program with fees associated with the licensing of mortgage loan originators. This year's grant recipients include nine regional foreclosure education centers and 15 consumer counseling organizations.
- On August 5, 2025, the Division in collaboration with OEE and OCABR, announced the 2025 Operation Money Wise grant recipients. This grant funding promotes financial education programming for nonprofit organizations, public agencies, and higher education institutions that serve the military community in Massachusetts. This year, six organizations received \$5,000 each to create new or improve pre-existing financial programs. Funding is possible through Division settlements over alleged unlawful lending practices.
- On October 6, 2025, the Division in collaboration with OEE and OCABR, announced funding for the 2026 Financial Education Innovation Fund Grant. Created in 2015, the Financial Education Innovation Fund provides funding to Massachusetts public or charter high schools and Massachusetts Department of Elementary and Secondary Education (DESE) approved special education programs to host Credit for Life Fairs. These fairs include interactive simulations that offer a fun and unique opportunity for students to learn about personal finance and often serve as a supplement or capstone to financial education classes and engage students in real-world saving, spending, and budgeting.

Since 2015, over 65,000 Massachusetts students have attended Credit for Life Fairs funded by the Financial Education Innovation Fund. The Grant was established as an ongoing effort to strengthen access to financial literacy throughout Massachusetts. This financial education program is funded entirely by the Division of Banks Settlement Trust. Recipients of this round of funding will be announced in early 2026.

Agency Strategic Goals

The Division's 2024-2026 Strategic Plan reflects the agency's commitment to the mission of ensuring a sound, competitive, and accessible financial services environment throughout the Commonwealth. The Plan focuses on our agency's vision and core values, as reflected and strived for in the daily work of Division staff.

We support a culture of inclusion within the Commonwealth that values and promotes diversity and equal opportunity for all individuals. We align agency diversity and inclusion initiatives with EOED's Diversity Plan and goal to build robust, sustainable, and measurable diversity, equity, and inclusion initiatives across the agencies.

Throughout the year, agency staff have made significant steps in working to achieve our vision of a financial services environment in which:

- the public has confidence in its financial institutions;
- consumers have the information needed to make wise financial choices; and
- financial institutions can compete both within the Massachusetts system and with federally chartered entities.

We worked toward our mission and vision by focusing on the following goals:

Supervision and Regulatory Environment

Effectively supervise and examine the Division's regulated entities through a regulatory framework which ensures consumer protection while promoting a competitive industry. The Division will strive to develop and maintain a real-time, networked supervision program utilizing data to satisfactorily complete its core supervisory functions through examination, licensing, consumer complaint review and response, and initiation of regulatory actions where appropriate. Key objectives are:

- real-time supervision
- data analytics
- networked supervision
- climate risk
- legislative priorities and legal guidance; and,
- innovation in financial services.

Administration, Staffing, and Development

Review and plan for operational improvements to ensure the Division functions effectively and efficiently amidst the changing workplace landscape. Strive to develop the Workforce of Tomorrow by leveraging collaborations, technology, and maximizing partnerships. Key objectives are:

- technology and administration
- pandemic response and preparedness; and,
- workforce development.

Non-Depository Institution Supervision

The Non-Depository Institution Supervision (NDIS) unit licenses and examines the over 16,000 non-depository financial institutions in Massachusetts. These institutions include:

- Mortgage lenders
- Mortgage brokers
- Consumer finance companies
- Money services businesses
- Debt collectors
- Loan servicers
- Check Cashers
- Check Sellers
- Student Loan Servicers

In order to evaluate the overall safety and soundness of the non-depository financial institutions in Massachusetts, while complying with our mission to ensure sound, competitive, and accessible financial services, NDIS examiners conduct periodic examinations of these companies to assess the level of compliance with consumer protection laws.

Mortgage Supervision

The Division’s Mortgage Exam Unit (MEU) continued to improve its exam scoping, scheduling and access to all available resources in an ongoing effort to manage risk and increase efficiencies. Where applicable, the MEU participated in coordinated multistate exam efforts (One Company One Exam) through the Multi-State Mortgage Committee (MMC). In addition, the MEU participates in targeted and full-scoped examinations that utilize the State Examination System (SES) through the national innovative strategy known as Network Supervision. All examiners in the MEU have been fully trained in the use of SES and the leveraging of other states’ examination work lending to the MEU’s ongoing strive for efficiency. The MEU continues its proficiency in the examination of complex loan servicers and debt collectors. In doing so, the MEU is well versed in and regularly takes advantage of the Nationwide Multistate Licensing System and Registry (NMLS), analytics and mortgage call reporting functions, through better risk scoping during the pre-exam phase of all examinations. The MEU has competency in IT & cyber-security examinations to be better prepared for ever-increasing global cyber threats. The MEU serves as the Agency monitor for all cyber reporting through the Office of Consumer Affairs and Business Regulation data breach reporting portal. The MEU uses all resources at its disposal to help protect Massachusetts consumers against cyber-attacks and cyber-terrorism. Finally, MEU personnel maintain national leadership positions on the governing boards of both the MMC and the American Association of Mortgage Regulators (AARMR).

CRA requirements are in place for certain mortgage lenders in accordance with M.G.L. c. 255E, § 8. These provisions require a CRA evaluation of mortgage lenders that have originated 50 or more Home Mortgage Disclosure Act (HMDA) reportable mortgage loans in the previous two calendar years. The Division conducted 16 CRA examinations of mortgage lenders during 2025. There are currently 98 Public Evaluations of mortgage lenders posted on the Division’s website.

Consumer Finance/Money Services Business Activity (CF/MSB)

In 2025, the Consumer Finance/Money Services Business Unit's many accomplishments helped promote the Division's mission of ensuring a sound, competitive, and accessible financial services environment throughout the Commonwealth.

- Over \$1.6 million was reimbursed to over 44,000 Massachusetts consumers during 2025 as a result of examinations conducted on licensed finance companies, debt collectors, registered loan servicers and check cashers.
- The Division maintains membership in regulatory trade groups to aid in the supervision of regulated entities, including the National Association of Consumer Credit Administrators (NACCA), the North American Collection Agency Regulatory Association (NACARA), and the Money Transmitters Regulatory Association (MTRA). The Division actively participates in boards and committees for these trade groups:
 - Senior Deputy Commissioner Christopher Pope sits on the MTRA Board, the Industry Advisory Council, and the Multistate MSB Engagement Taskforce (MSET).
 - Deputy Commissioner Andrea Cipolla serves on NACCA's Executive Board and is Chairperson of the NACCA Emerging Issues Committee.
 - Chief Director Liam O'Driscoll serves on the NACARA Board.
 - Division staff also serve on the NACARA Regulatory Supervision Committee, the NACCA Multistate Consumer Finance Examinations Committee, the NACCA Multistate Exam Standards Update Working Group, the MTRA Multistate MSBCR committee, the NACARA Debt Standards Working Group and the NACCA/NACARA Student Loan Supervisory Taskforce Examinations and Debt Collection sub-committees.
 - Several CF/MSB Unit staff members also participate on NMLS committees and working groups focusing on Networked Supervision, Consumer Finance Call Reports, Licensing Standards and Examination Standards.
- The Division's CF/MSB Unit completed 14 joint multi-state examinations in 2025. Twelve joint money transmitter examinations were conducted, as well as 1 joint examination of a large national debt collector and 1 joint examination of a large national auto finance company.
- The Division engaged in coordinated supervisory activity that led to three formal multistate regulatory actions with licensees to address AML/CFT and financial deficiencies identified during recent examinations. Block, Inc. and Wise US, Inc. entered into multi-state settlement agreements to resolve alleged inadequacies in their AML/CFT programs and were required to pay administrative penalties totaling \$80 million and \$4.2 million, respectively, of which \$2.5 million was allotted to Massachusetts. Sigue Corporation entered into a multi-state settlement agreement to memorialize the wind-down of the company due to the company's financial condition and its inability to satisfy all of its outstanding transmission liabilities.
- The Division entered into five independent formal regulatory actions with consumer finance and money services businesses to address deficiencies identified during recent examinations. Most noteworthy, the actions were related to unlicensed check cashing at Hidalgo Multiservices, Inc., Rio Brazilian Fashion and Andy Market Corporation; and a cease and desist order against debt collector ATG Credit, LLC for failure to provide books and records and maintain financial responsibility.
- The Division entered into 29 informal regulatory actions with licensees to address deficiencies identified during recent examinations, including unlicensed activity, excessive payment convenience fees and other reimbursable violations, record keeping issues, financial deficiencies, repossession and disposition deficiencies at finance companies, commingling client funds with operating funds by debt collectors, violations of the Bank Secrecy Act by money services businesses, including Currency Transaction Report filing issues, and information security systems weaknesses.
- The CF/MSB Unit began the implementation and adoption of the CSBS State Examination System, also known as SES, for managing examinations, including examination communications and file exchange. The Unit trained staff on the use of the system and piloted the use of the system on several examinations.
- Throughout 2025, the CF/MSB Unit began preparing for the implementation of Chapter 312 of the Acts of 2024, which established a single statutory framework for the licensing, examination, and regulation by the Division for all money transmitters in Massachusetts under newly established M.G.L. c. 169B. Refer to the page in this report titled Money Transmission Law for details.

Licensing

On January 1, 2025, the new Massachusetts money transmission law was enacted. The law established a new chapter, Chapter 169B, and creates a single statutory framework for the licensing, examination, and regulation by the Division for all money transmitters, including those engaging in both foreign and domestic money transmissions. The law became effective as of January 1, 2026.

The Division's Licensing Unit spent a significant portion of 2025 preparing for the implementation and onboarding of the new license type onto the Nationwide Multistate Licensing System (NMLS) while also simultaneously ensuring that current licenses that would be subject to Chapter 169B-inclusive of check sellers and foreign transmittal agencies-were informed of an upcoming transition of their current licenses to the new money transmitter license. The Division's Licensing Unit began accepting new applications for money transmitters on the NMLS beginning on July 1, 2025.

In addition, the Division's Licensing Unit continued to process a high volume of Non-Depository license applications spanning over twelve distinct licenses and registrations from Mortgage Loan Originators, Mortgage Lenders, Mortgage Brokers and Student Loan Servicers to Debt Collectors and Motor Vehicle Sales Finance Companies. The Licensing Unit continued to evaluate complex business plans for Non-Depository entities. Fintech company applications have increased significantly and those entities expansion in the Commonwealth has continued in 2025. The majority of Fintech's operate through a bank partnership model by offering various consumer loan products and services to Massachusetts consumers. The Licensing Unit has also processed a growing number of mortgage broker and mortgage lender applications. Mortgage Broker applicants continue to grow as the number of sole proprietors entering the market continues to increase year over year. Mortgage Lender applicants are increasing as established entities are expanding their footprint nationwide. The Licensing Unit regularly evaluates the overall state of the Massachusetts economy and the ever-changing markets while evaluating all Non-Depository applications.

Depository Institution Supervision

The main objective of the Depository Institution Supervision (DIS) unit is to evaluate the overall safety and soundness of the depository financial institutions in Massachusetts in order to comply with the Division's mission to "ensure a sound, competitive, and accessible financial services environment throughout the Commonwealth." This process includes an assessment of each institution's risk management systems, financial condition, and compliance with applicable banking laws and regulations.

The DIS unit examiners and managers supervise the Commonwealth's 142 state-chartered banks and credit unions, 2 limited purpose trust companies, and 2 excess-deposit insurers to ensure their compliance with federal and state laws and regulations. As prescribed in MGL c. 167, the DIS unit conducts examinations of these institutions for:

- Risk management (also known as safety and soundness)
- Consumer protection compliance
- Community Reinvestment Act (CRA) and Fair Lending

Bank Summary: Balance Sheet and Income Statement

The Massachusetts banking industry experienced tempered growth and a cautious outlook in 2025. Rate cuts in the second half of 2025 allowed some relief for many institutions experiencing tight net interest margins. Supervised institutions' total assets and deposits grew 4% in 2025. Asset growth was centered on loans & leases and cash & deposits, which increased by 5% and 13%, respectively. While loans grew modestly over the period, loan growth was outpaced by cash & deposits due to weakened loan demand for most of the year. Massachusetts institutions chose to remain liquid rather than invest in security markets, given the uncertain interest rate environment, contributing to the rise in cash balances. Given this liquidity, institutions remain well-positioned for any potential increase in loan demand, as falling interest rates in the latter half of 2025 helped net loan and leases grow by 4.21% since Q1 2025. Despite marginal loan growth during the year, institutions increased the year-end bottom-line net income by 11%. Institutions were able to take advantage of declining interest rates and reduce the yield on deposit products, resulting in a 7% decline in total interest expense. Institutions experienced a modest growth of noninterest income of 6%, primarily attributable to fiduciary activities. Net profitability was negatively impacted by a 22% increase in provisions for credit losses, suggesting that strong loan portfolios in recent years have begun to show signs of weakening. Net Charge-offs as a percentage of Total Loans remain low at 0.16%. Non-interest expense grew by 4%, which is reasonable in the current environment. Given the uncertainty regarding international conflict, tariffs, the job market, and further potential rate action from the Federal Reserve, consumers may turn reactionary in the coming year. Despite these concerns, Massachusetts-chartered banks are financially sound and well positioned to meet consumer banking demand and continue to serve customer needs.

Credit Union Summary: Balance Sheet and Income Statement

During 2025, Massachusetts state-chartered credit unions continued to operate in an increasingly competitive banking market. Mergers & acquisitions persisted during the year, allowing larger credit unions to enhance efficiency and expand their membership base. Competition for deposits extended into 2025, forcing institutions to maintain competitive rates to retain members. Our supervised institutions' total assets and shares & deposits increased by 1% and 2%, respectively in 2025. Shares & deposits growth was utilized to increase cash balances and pay down borrowings. During 2025, total cash & deposits grew by 16%, as credit unions strengthened their liquidity position to meet future membership needs. Borrowings declined by 16%, as credit unions reduced reliance on more expensive sources of liquidity. Total loans remained stable during the year, as the figure declined by less than 1% due to reduced demand. 2025 was a positive year for bottom line net income, as the figure increased 98% from 2024. The growth was primarily achieved through net interest margin expansion, as net interest income during the year increased by 5%, accounting for the bulk of net income growth. Interest income benefited from increased yields on loans and investments. The margin also benefited from total interest expense declining by 2%, as rate cuts and the reduction in borrowings allowed for a decrease in cost of funds. Non-interest income grew by 10% in 2025, providing a marginal boost to net income, while non-interest expense increased by 4%. The non-interest expense growth was reasonable, consisting of increases in employee compensation and office occupancy expense. In 2026, credit unions will continue to face a competitive environment which will be particularly impactful on smaller credit unions. Institutions will need to determine the best way to meet the needs of their membership, while juggling changes at large in the macroenvironment.

Consumer Protection

The Consumer Protection Examination Unit has played a crucial role in addressing significant consumer protection regulatory issues over the past year. In 2025, the unit continued to work closely with our federal counterparts to review various banking practices, particularly those related to deposit accounts and the assessment of associated fees. This ongoing collaboration is aimed at ensuring transparency and fairness in banking operations to safeguard consumer interests. Furthermore, the unit is actively engaged in monitoring and examining the state's largest state-chartered banks, specifically those with assets exceeding \$10 billion. By strengthening its examination and supervision of these large financial institutions, the unit aims to ensure compliance with regulations and to foster a safe banking environment for consumers. In addition to its ongoing efforts, the Consumer Protection Examination Unit has also become a valuable resource for other state banking regulatory agencies across the United States. In recent years, several of these agencies have reached out to our unit for information and guidance as they undertake the development of state-level regulations and examination programs tailored to the Community Reinvestment Act (CRA). This collaborative effort underscores the unit's expertise and commitment to enhancing consumer protection laws at both the state and federal levels. By sharing knowledge and best practices, the unit aims to support its counterparts in creating effective regulatory frameworks that benefit all consumers.

In accordance with the Massachusetts Community Reinvestment Act (CRA), M.G.L. c. 267 s. 14, the Division examines state-chartered banks and credit unions to assess the institution's record of meeting the credit needs of its entire assessment area. The Division conducted 37 CRA examinations of banks and credit unions during 2025. There are currently 131 Public Evaluations of banks and credit unions published on the Division's website.

Massachusetts CRA evaluations published in 2025 highlight the importance of flexible mortgage products, first-time homebuyer programs, and other tailored lending solutions that expand access to credit for borrowers in low- and moderate-income (LMI) census tracts. Examiners also recognized financing activities that support the development, preservation, and rehabilitation of affordable housing in underserved communities. In addition, climate-related lending and investment activities, including energy-efficiency upgrades that benefit affordable housing and LMI communities are recognized as responsive community development activities under CRA evaluation standards.

Consumer Assistance and Enforcement and Investigation

In 2025, the Enforcement and Investigation Unit worked with the Depository Institution Supervision and Non-Depository Institution Units in resolving several examination matters of regulatory concern that have included the issuance of several regulatory actions. The Enforcement and Investigation Unit has heavily focused on unlicensed activity, issuing a number of enforcement actions against a number of various unlicensed entities in the areas of check cashing, debt collection and money transmission. Additionally, the Enforcement and Investigation Unit has actively participated in negotiation and execution of multi-state enforcement actions and settlement agreements. In 2025, the Consumer Assistance Unit closed 326 complaints and fielded 3714 phone calls. The unit reimbursed \$94,816.00 to 57 Massachusetts consumers in 2025 and collected \$888,000.00 in administrative penalties resulting from 9 enforcement actions.

Cyber/IT/Fintech

The Cyber/IT/Fintech Unit remains committed to improving cybersecurity resilience throughout Massachusetts' financial services industry by collaborating with state and federal partners, participating in cybersecurity working groups, and leveraging known strategies to safeguard information systems. The Unit onboarded one additional IT examiner in June of 2025 to assist with the supervision and education of depository and non-depository institutions. Members of the Unit also conducted examinations of regulated entities to ensure conformance with the Interagency Guidelines Establishing Information Security Standards and Massachusetts's regulatory standards for protecting personal information.

Today's cyber threat environment remains dynamic, and the Division continues to encourage institutions to leverage resources such as the Conference of State Bank Supervisors (CSBS) Ransomware Self-Assessment Tool 2.0 to help evaluate the resilience of cybersecurity and information security programs against ransomware and other threats. The Division also leveraged deliverables from the CSBS 2025 Cyber Hygiene campaign to amplify awareness and ongoing diligence around several cyber hygiene controls, including multi-factor authentication, end-of-life management, logging, and patch management. Regulated entities received monthly fact sheets and board questionnaires detailing these key controls throughout the year. Furthermore, the Unit remains engaged with Massachusetts institutions to educate management of supervised entities on numerous alternatives to the now-sunset FFIEC Cybersecurity Assessment Tool.

As emerging technologies and cyber threats continue to evolve, the Cyber/IT/Fintech Unit remains engaged with regulatory and industry partners by participating in numerous forums, conferences, and training events. The Unit attended and co-paned an event at the annual Boston Fintech Week, discussing the nexus of artificial intelligence and regulation among financial institutions. The Unit also remains apprised of continuing federal legislative activity regarding stablecoins and cryptocurrency. The newly implemented Massachusetts Money Transmission Law broadens the Division's regulatory scope for money transmitters at a time of increasing ubiquity of cryptocurrency remittances and payments. The Unit remains committed to working in the interest of Massachusetts consumers to ensure the appropriate safety of safeguards to foster the resilience of the institutions housing their financial assets and personally identifiable information.

Legal Unit

The Legal unit provides legal advice and representation to the Commissioner of Banks and Division. Representation and advice are given on matters related to the regulation of the Division's supervised financial institutions and licensees. The Legal unit drafts and coordinates all legislative and regulatory filings on behalf of the Division of Banks.

The Legal unit reviews and responds to:

- Applications submitted by regulated financial institutions
- Requests for regulatory approvals submitted by regulated entities or attorneys
- Requests for regulatory opinions submitted by regulated entities or attorneys

Major Depository Corporate Transactions

Money Transmission Law

On January 1, 2025, Governor Healey signed an Act Relative to the Regulation of Money Transmission by the Division of Banks, which expands licensing, supervision, and other consumer protections to cover domestic money transmission for Massachusetts residents. The new law is set forth in Chapter 312 of the Acts of 2024 (Chapter 312). The new money transmission law establishes a single framework for the licensing, examination, and regulation for all money transmitters.

Chapter 312 covers both foreign and domestic transmissions, as well as check sellers, pursuant to the establishment of new M.G.L. c. 169B: *Regulation of Money Transmission*. By modernizing existing Massachusetts law governing money transmission services to reflect the current day marketplace, this statute brings Massachusetts in line with the rest of the country in protecting consumers engaging in domestic money transfers.

In order to implement Chapter 312, the Division promulgated a new regulation and amended an existing regulation, as follows:

- **209 CMR 44.00: The Licensing and Regulation of Money Transmitters – effective 11/7/25**

209 CMR 44.00 is a new regulation that establishes procedures and requirements for the licensing and supervision of money transmitters under the provisions of M.G.L. c. 169B: *Regulation of Money Transmission*.
- **209 CMR 45.00: The Licensing and Regulation of Check Cashers (formerly entitled The Licensing and Regulation of Money Services Businesses) – effective 11/7/25**

209 CMR 45.00 was updated to remove the sections applicable to foreign transmittal companies and check sellers which are now covered by 209 CMR 44.00, leaving those requirements applicable to check cashers.

The Division's Licensing Unit spent a significant portion of 2025 preparing for the onboarding of domestic money transmitters onto the Nationwide Multistate Licensing System (NMLS) while also simultaneously ensuring that current licenses that would be subject to Chapter 169B, inclusive of check sellers and foreign transmittal agencies, were informed of an upcoming transition of their current licenses to the new money transmitter license. The Division's Licensing Unit began accepting new applications for money transmitters on the NMLS beginning on July 1, 2025.

In addition, throughout 2025 the CF/MSB Examination Unit has been preparing for the implementation of Chapter 312 as it relates to the examination of all money transmitters, including both foreign and domestic money transmissions, in Massachusetts under newly established M.G.L. c. 169B: *Regulation of Money Transmission*. The Division notified all existing licensees of the promulgation of the new regulation 209 CMR 44.00 *et seq.* as well as updates to 209 CMR 45.00 *et seq.* The unit also hired additional staff, provided training for examiners, and coordinated with MSB regulators in other states in order to prepare for the licensing and examination of domestic remittance companies.

Effective January 1, 2026, the Division will begin licensing and regulating money transmitters under M.G.L. c. 169B.

Legislative Summary

Legislation Signed into Law in 2025

- **Modernization of Money Transmission Licensure in the Commonwealth**

Chapter 312 of the Acts of 2024: An Act Relative to the Regulation of Money Transmission by the Division of Banks

Chapter 312 of the Acts of 2024 (Chapter 312 or the Act) establishes a single statutory framework for the licensing, examination, and regulation of all money transmitters, covering both foreign and domestic transmissions, as well as check sellers, in the Commonwealth by the Division of Banks, pursuant to the establishment of new M.G.L. c. 169B: *Regulation of Money Transmission*. By modernizing existing Massachusetts law governing money transmission services to reflect the current day marketplace, this statute brings Massachusetts in line with the rest of the country in protecting consumers engaging in money transfers. Chapter 312 also provides the Division with rulemaking authority. The Act utilizes the 2022 Conference of State Bank Supervisors (CSBS) Model Law as the foundation, with some amendments, to modernize the Division's supervision of this industry. Chapter 312 was signed into law on 1/1/25.

- **Moratorium on Evictions and Foreclosures for Federal Workers Impacted by the Federal Government Shutdown**

Chapter 73 of the Acts of 2025: An Act Making Appropriations for the Fiscal Year 2025 to Provide for Supplementing Certain Existing Appropriations and for Certain Other Activities and Projects

Chapter 73 of the Acts of 2025, the final FY2025 Supplemental Budget (Chapter 73), in SECTION 55, added M.G.L. c. 244, § 42, a moratorium on evictions and foreclosures for federal workers who were impacted by the federal government shutdown. These provisions became effective when the Governor signed Chapter 73 into law on 11/26/25. The Governor also took immediate executive action to extend the moratorium for 75 days beyond the government re-opening which occurred on 11/12/25. The extended period expired on 1/26/26.

Testimony Provided during the 2025-2026 Session

Written Testimony

The Division provided written testimony to the Joint Committee on Financial Services on the following bills:

- House 1272 and Senate 751, both entitled An Act Relative to Mortgage Review Boards and a Small Business Loan Review Board within the Division of Banks on 5/8/25; and
- Senate 750, An Act Establishing Uniform Confidentiality and Enforcement Provisions Relative to Certain Licensees under the Jurisdiction of the Division of Banks on 10/7/25.

Regulations

The Division finalized amendments to 11 of its existing regulations, promulgated a new regulation, and assisted the Executive Office for Administration and Finance in amending its regulation regarding fees in 2025, as described below.

Massachusetts Means Business Initiative:

As part of Governor Maura Healey's Massachusetts Means Business Initiative, the Division held a public hearing on 7/15/25 and subsequently finalized amendments to the following 8 regulations:

- **209 CMR 20.00: Small Loans, Sales Finance Companies and Insurance Premium Finance Companies – effective 10/10/25**

209 CMR 20.00 establishes procedures and requirements for the licensing and supervision of small loan companies; motor vehicle sales finance companies; insurance premium finance companies; and retail installment sales finance companies. The amendments primarily create consistency across the Division's license types on matters including net worth changes, annual report requirements, and class action notifications.

- **209 CMR 32.00: Truth in Lending – effective 10/10/25**

209 CMR 32.00 establishes the disclosure requirements for open- and closed-end credit. The Commonwealth maintains its own Truth in Lending Act; however, it largely mirrors the federal Truth in Lending Act, 15 U.S.C. §§ 1601 et seq. The purpose of the amendment is to better align federal and state timing requirements for these disclosures for loans with an adjustable rate. The final amendments require that notices be provided at least 60, but no earlier than 120, days before the first payment at the adjusted level is due.

- **209 CMR 42.00: The Licensing of Mortgage Lenders and Mortgage Brokers – effective 10/10/25**

209 CMR 42.00 establishes procedures and requirements for the licensing and supervision of mortgage lenders and brokers under the provisions of M.G.L. c. 255E. The amendments change the former requirement for mortgage lenders and mortgage brokers to disclose their license type and number to a consumer when a fee is paid or a residential mortgage loan application is accepted to instead require that they disclose their unique identifier, which is a number assigned by the Nationwide Multi-State Licensing System & Registry (NMLS), a multistate licensing system.

- **209 CMR 43.00: Audit and Security Requirements for Credit Unions – effective 9/26/25**

The amendments to 209 CMR 43.00 update the regulation to reflect that credit unions are no longer required by law to have a credit committee; although credit committees are optional. The amendments also make a technical amendment to the definition of an "Auditing Committee Review" in 209 CMR 43.02. This definition references a National Credit Union Administration (NCUA) document setting forth the minimum standards for Supervisory Audits for credit unions. The amendments also update the reference to such document, which is now contained in 12 CFR Part 715: Supervisory Committee Audits and Verifications at Appendix A: Supervisory Audit Minimum Procedures.

- **209 CMR 50.00: Parity with Federal Credit Unions – effective 12/19/25**

The purpose of 209 CMR 50.00 et seq. (Parity Regulations) is to implement M.G.L. c. 171, § 6A, which authorizes the Commissioner of Banks to promulgate regulations to grant state-chartered credit unions certain expanded powers in parity with federally chartered credit unions. The final amendments include updates to reflect provisions in Chapter 338 of the Acts of 2020, An Act Modernizing the Credit Union Laws (Credit Union Modernization). The final amendments also include provisions with new authorities, expansion of additional authorities, and reduced regulatory burden for state-chartered credit unions seeking to engage in new activities.

- **209 CMR 54.00: Mortgage Lender Community Investment – effective 9/26/25**

209 CMR 54.00 carries out the Mortgage Lender Community Investment (MLCI) purpose of M.G.L. c. 255E, § 8 by establishing the framework and criteria by which the Commissioner of Banks assesses a mortgage lender's record of helping to meet the mortgage credit needs of the Commonwealth, including the low- and moderate-income neighborhoods and individuals, consistent with the safe and sound operation of the mortgage lender. The amendments to 209 CMR 54.00 update citations to federal Regulation C, regarding Home Mortgage Disclosures.

- **209 CMR 55.00: Reverse Mortgage Loans – effective 9/26/25**

209 CMR 55.00 implements consumer protections afforded by law to reverse mortgage borrowers that fall with a certain income and asset threshold. Under M.G.L. c. 167E, § 7 or M.G.L. c. 171, § 65C, a mortgagee is prohibited from making a reverse mortgage loan unless the mortgagor has affirmatively opted in to the reverse mortgage and has received counseling from a counselor employed by a third-party organization whose counseling program is approved by the Executive Office of Aging & Independence. The amendments update the regulation to reflect recent changes in the law authorizing the third-party counseling to take place via synchronous, real-time video conference or by telephone, in addition to in-person.

- **209 CMR 57.00: Flood Insurance – effective 9/26/25**

209 CMR 57.00 implements the requirements of M.G.L. c. 183, § 69 applicable when a purchaser or owner of residential property is required to purchase or pay for flood insurance coverage on residential property located in a designated special flood hazard area. M.G.L. c. 183, § 69 also requires that creditors, creditors' representatives, and insurance producers provide borrowers with notice about flood insurance coverage before it is purchased (Notice About Flood Insurance Coverage). 209 CMR 57.04(3), as amended, continues to require the creditors and the creditor's representatives to agree among themselves which party will satisfy the Notice About Flood Insurance Coverage requirement, but eliminates the creditor's obligation to retain a record of the written assurance from the creditor's representative.

Money Transmission:

In order to implement Chapter 312 of the Acts of 2024: An Act Relative to the Regulation of Money Transmission by the Division of Banks, the Division promulgated a new regulation and finalized amendments to the following regulations. The public hearing for the Division's regulation and the joint hearing with the Executive Office for Administration and Finance for its regulation regarding fees were both held on 10/7/25.

- **209 CMR 44.00: The Licensing and Regulation of Money Transmitters – effective 11/7/25**

209 CMR 44.00 establishes procedures and requirements for the licensing and supervision of money transmitters under the provisions of M.G.L. c. 169B: Regulation of Money Transmission, as established by Chapter 312 of the Acts of 2024: An Act Relative to the Regulation of Money Transmission by the Division of Banks (Chapter 312). Chapter 312, which was signed into law on 1/1/25, establishes a single statutory framework for the licensing, examination, and regulation by the Division for all money transmitters, including both foreign and domestic money transmissions, in Massachusetts under newly established G.L. c. 169B. Note: A prior version of 209 CMR 44.00, entitled Licensing of Foreign Transmittal Agencies, was repealed effective 9/9/16, as part of a 2016 consolidation regarding certain licensees in 209 CMR 45.00.

- **209 CMR 45.00: The Licensing and Regulation of Check Cashers (formerly entitled The Licensing and Regulation of Money Services Businesses) – effective 11/7/25**

The previous purpose of 209 CMR 45.00 was to establish procedures and requirements for the licensing, regulation and supervision of check sellers, foreign transmittal agencies, and check cashers. As noted above, Chapter 312 established a single statutory framework for the licensing, examination, and regulation for all money transmitters in Massachusetts under M.G.L. c. 169B. Chapter 312 also repealed the statutory authority for check sellers pursuant to M.G.L. c. 167F, § 4 and foreign transmittal agencies pursuant to M.G.L. c. 169. The amendments to 209 CMR 45.00 delete the previous provisions relative to foreign transmittal agencies and check sellers and also changed the title of 209 CMR 45.00 et seq. to The Licensing and Regulation of Check Cashers.

- **209 CMR 48.00: Licensee Record Keeping – effective 11/7/25**

209 CMR 48.00 establishes procedures and requirements for record keeping by the Division's licensees. The amendments to 209 CMR 48.00 update this regulation to remove references to check sellers and foreign transmittal agencies and to include money transmitters in accordance with the provisions of Chapter 312 of the Acts of 2024.

- **801 CMR 4.02: Rates – effective 11/7/25**

801 CMR 4.00 is a regulation of the Executive Office for Administration and Finance regarding related fees. The purpose of 801 CMR 4.02 – 209 Division of Banks and Loans Agencies is to set forth the respective fees and assessments for state-chartered banks and state-chartered credit unions, as well as the provisions relative to the Division of Banks' licensees and registrants. The amendments establish a new fee relative to the licensure of money transmitters and the repeal of the existing fees relative to the licensure of check sellers and foreign transmittal agencies in accordance with the provisions M.G.L. c. 169B, as set forth in Chapter 312 of the Acts of 2024.

Debt Collection:

- **209 CMR 18.00: Conduct of the Business of Debt Collectors, Student Loan Servicers, and Third Party Loan Servicers – effective 9/26/25**

209 CMR 18.00 establishes standards, by defining unfair or deceptive acts or practices, for the servicing of loans and collection of debt from persons within Massachusetts by debt collectors, third party loan servicers, and student loan servicers; establishing procedures and requirements for the licensing and supervision of debt collectors and student loan servicers; and establishing procedures for the registration and supervision of third party loan servicers. The Consumer Financial Protection Bureau (CFPB) amended Regulation F, 12 CFR Part 1006, to prescribe federal rules governing the activities of debt collectors covered by the Fair Debt Collection Practices Act (FDCPA). The amendments, among other things, addressed communications in connection with debt collection; interpret and apply prohibitions on harassment or abuse, false or misleading representations, and unfair practices in debt collection; and clarify requirements for certain consumer-facing debt collection disclosures. The amendments to 209 CMR 18.00 adopt the majority of the revised 12 CFR 1006 to 209 CMR 18.00 to better align it with modern practices.

- **209 CMR 48.00: Licensee Record Keeping – effective 9/26/25**

209 CMR 48.00 establishes procedures and requirements for record keeping for the licensees of the Division of Banks. This round of amendments increased consistency with Regulation F to increase the record retention timeframe and related clarifications for debt collectors licensed by the Division; and to make the retention of telephone recordings to be consistent with Regulation F.

By the end of 2025, the Division had the following 22 regulations:

The Division has twenty-two effective regulations:

209 CMR 18.00	209 CMR 41.00	209 CMR 49.00
209 CMR 20.00	209 CMR 42.00	209 CMR 50.00
209 CMR 26.00	209 CMR 43.00	209 CMR 53.00
209 CMR 31.00	209 CMR 44.00	209 CMR 54.00
209 CMR 32.00	209 CMR 45.00	209 CMR 55.00
209 CMR 33.00	209 CMR 46.00	209 CMR 56.00
209 CMR 40.00	209 CMR 48.00	209 CMR 57.00
	209 CMR 58.00
