Payroll Projection

Payroll Type	Amount	Source	Comment	Notes
Annualized base payroll via payroll report	$25,402,056	Calculated	Base payroll per report x pay periods per year.	
Annualized base payroll, backfills, and CBA adjustment	$25,874,978	Calculated from CBA input & hiring tabs	Base payroll per report x pay periods per year + CBA increases	This amount is the FY27 base pay plus step increases and mid year collective bargaining COLA for all bargaining units.
Projected overtime	$5,236,311	Office input	Enter current FY27 projection, explain context in notes.	The amount in this cell is projected overtime for FY27 only. It includes a planned adjustments to reduce the number of overtime shifts between now and the end of the fiscal year. That overtime is reallocated to Shift differential and longevity pay which were increased by collective bargaining agreement but the budget was level funded. ***The FY25-FY26 retroactive costs for overtime were paid from the FY27 budget. The Barnstable County Sheriff's Office (BCSO) cannot meet this estimate unless the retroactive costs are allocated back to FY26.***
Projected shift differential	$269,155	Office input	Enter current FY27 projection, explain context in notes.	The amount in this cell is the estimated FY27 shift differential cost only. ***But the FY25-FY26 retroactive payments were paid from the FY27 budget, not the FY26 budget. The BCSO cannot meet this spending plan target unless the retroactive costs are allocated back to FY26.***
Projected one-time payroll	$2,394,247	Office input	Enter only if applicable to current FY27 projection. Examples include workers comp, retirement buyout, etc.	The amount indicated here are the FY27 certain stipends, education incentive and longevity pay costs only. ***FY25-FY26 Retroactive payments for certain stipends, Education incentive were paid from the FY27 budget. This item will not be able to stay within the spending plan unless the retroactive payments are reallocated back to FY26.***
Other current FY payroll spending		Office input	Use for payroll items not listed above; explain and breakdown expenses in notes.	Details
Calculated current FY payroll spending	**$33,774,690**			
FY27 AA Spending Plan Submission	$33,785,889	Taken from offices spending plan submissions	If payroll spending plan submission substantially differs from calculation, please note why.	***The Correctional Officer FY25-FY26 collective bargaining retroactive payments for all pay types, and the COLA have been paid from the FY27 budget. The cost is NOT calculated in this sheet. There is no possibility for the BCSO to absorb that added cost and stay within the approved spending plan bottom line.***

Notes/Narrative

Use this tab to elaborate on the given categories. Please include any details that would help us understand your offices payroll and hiring.

Staffing Model

Example: *What practices or standards does your office follow by in terms of staffing ratios/structure? Do you have a structure of correctional officers to inmates? Something else?*

Other Staffing

Example: *What staff does your office have that are not on the payroll line-item? Are these contract workers? What are the costs of these employees?*

Other

Example: *What would be helpful in understanding your offices payroll and FTE levels?*

FY 2026 Medication-Assisted Treatment (MAT) Report to the Legislature

Purpose	Standard template for Sheriffs' Offices to report on medication-assisted treatment (MAT) programs as required by the line-item language below.
Due date	November 2, 2026
Submit to	Executive Office for Administration and Finance; House and Senate Committees on Ways and Means
Line-item language	For the delivery of a medication-assisted treatment program in the sheriff's office facilities across the county; provided, that no funds in this item shall be expended from the AA or DD object classes; provided further, that not later than November 2, 2026, the sheriff's office shall submit a report to the executive office for administration and finance and the house and senate committees on ways and means that shall include, but not be limited to: (i) the number of participants in said program; (ii) the breakdown of dosage and type of medications administered; and (iii) the cost breakdown of said medications.

How to complete

Step 1	Each of the 13 Sheriffs' Offices completes its own tab (tabs are in alphabetical order by county).
Step 2	The reporting period is pre-filled as FY 2026 (July 1, 2025 – June 30, 2026). Enter the line item (if not shown) and a contact person at the top of the tab.
Step 3	Program Overview & Narrative: choose the delivery model from the drop-down and describe how MAT is provided (e.g., contracted vendor, hybrid of in-house and contracted staff).
Step 4	Section (i): enter the total number of unique individuals who received MAT while in custody during the reporting period.
Step 5	Section (ii): enter the dosage (mg), participants and total doses received for each medication used. Leave rows blank for medications not offered; add rows above "Other" if needed.
Step 6	Section (iii): enter medication cost and funding source. Doses carry over from Section (ii) and cost per dose calculates automatically.
Step 7	The Summary tab fills in automatically from the office tabs — do not type in it.

Legend

Input	Yellow cells with blue text — to be completed by the Sheriff's Office.
Calculated	Gray cells — formulas; do not overwrite.
Linked	Green text on the Summary tab — pulled from the office tabs.

Example entry (Section ii)

Format example	Buprenorphine/naloxone | Sublingual film (e.g., Suboxone) | Sublingual | 2 mg/0.5 mg; 8 mg/2 mg | 145 participants | 12,480 doses received | Illustrative only — not actual data.

SAMHSA Grant funded **Expanded Medication Assisted Treatment Program**	From 2012 through 2017, the Vivitrol Program was typically reserved for those inmates ending a sentence or being released on parole; however, in 2018 that practice changed to allowing any inmate, sentenced or pre-sentenced, with an Alcohol or Opioid Use Disorder to receive Vivitrol. The treatment practice was to thoroughly evaluate the inmate who requested Vivitrol and inject prior to release. After care appointments were set up for the inmate in the community with hopes of increased continuity of care. In September 2018, the BCSO was awarded a 3 year MAT PDOA Grant through SAMSHA. This program was known as VIPS. The VIPS program coupled the Vivitrol recipient with a community based recovery coach. Since that time, the program changed to the E-MAT Program under a 5-year SAMHSA Grant, whereby the components are essentially the same as the VIPS- access to a recovery coach, one to one counseling, and continued care for 6 months once in the comunity from incarceration.
