An Act to close the achievement gap by addressing disparities in children's vision.

*Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:*

1 SECTION 1. Section 57 of chapter 71, as appearing in the 2022 Official Edition, is  
2 hereby amended by striking out, in line 4, the words “the individual request of a parent or  
3 guardian of a pupil in”.

4 SECTION 2. Said section 57 of said chapter 71, as so appearing, is hereby further  
5 amended by inserting after the word “entering”, in line 27, the following words:- “preschool or”.

6 SECTION 3. Said section 57 of said chapter 71, as so appearing, is hereby further  
7 amended by striking out the second paragraph.

8 SECTION 4. Said section 57 of said chapter 71, as so appearing, is hereby further  
9 amended by inserting, in line 52, after the word “personnel”, the following words:- “and the  
10 children’s vision registry established in section 38A of chapter 69.”

11 SECTION 5. Chapter 69 of the General Law, as so appearing, is hereby amended by  
12 adding after section 37 the following section:-

13 Section 38. There shall be a children’s vision and eye health advisory council within the  
14 department.

15 The council shall be appointed by the commissioner, who shall serve as chair, and shall  
16 consist of 13 additional members, including the commissioner of the Department of Public  
17 Health, or a designee; the Commissioner of Early Education and Care, or a designee; the  
18 Assistant Secretary for MassHealth, or a designee; 1 member of the Massachusetts School Nurse  
19 Organization; 1 member of the Massachusetts Society of Optometrists; 1 member of the  
20 Massachusetts Society of Eye Physicians and Surgeons; 1 member of the Massachusetts Chapter  
21 of the American Academy of Pediatrics; 1 member of the Massachusetts Academy of Family  
22 Physicians; 1 representative from the Massachusetts League of Community Health Centers; 1  
23 member of the Massachusetts Federation for Children with Special Needs; 1 member of the  
24 Children’s Vision Massachusetts Coalition; 3 parents to be appointed by the commissioner, one  
25 of whom shall be a recipient of MassHealth, and one of whom shall reside in a gateway city. The  
26 commissioner may appoint additional members that the commissioner deems appropriate.

27 Council members shall receive no compensation for their services but shall be allowed  
28 actual and necessary expenses in the performance of their council duties.

29 The council shall consult with and advise the department on matters related to the  
30 establishment, maintenance, operation and evaluation of children’s vision and eye health in the  
31 Commonwealth, including but not limited to the universal children’s vision surveillance registry,  
32 public health campaigns designed to encourage improved children’s eye health, and expansion of

33 screening systems to other age groups. The council shall establish recommendations for  
34 improved children's vision and eye health to facilitate short and long-term vision and eye health  
35 goals.

36 The advisory council shall report findings and recommendations annually to the Joint  
37 Committee on Public Health and Joint Committee on Ways and Means.

38 SECTION 6. Chapter 69 of the General Laws, as so appearing, is further amended by  
39 adding after section 38 the following section:-

40 Section 38A. The department shall establish, maintain, and operate a computerized  
41 registry of children's vision screening and eye care. The registry shall record the results of vision  
42 and eye health screenings and follow-up eye care and shall include appropriate controls to  
43 protect the security of the system and the privacy of the information.

44 The department shall promulgate rules and regulations to implement children's vision  
45 registry.

46 All licensed healthcare providers practicing who administer vision and eye health  
47 screenings and eye exams shall report to the registry such data related to screenings as the  
48 department determines is necessary to ensure adequate and equitable eye care.

49 Information in the registry shall only be released from the registry to the following  
50 individuals and agencies without further express consent of the individual or the individual's  
51 parent or guardian if the individual is a minor, unless the individual or the parent or guardian  
52 objects to such disclosure: (1) licensed health care providers providing direct care to the  
53 individual patient; (2) preschool, elementary and secondary school nurses; (3) staff of state

54 agencies or state programs whose duties include education and outreach related to the  
55 improvement of children's eye care amongst their clients.

56 The department may designate appropriate users who shall have access only to the  
57 individually identifiable information for which access is authorized. Authorized users, including  
58 employees of the department, who in good faith disclose or refuse to disclose information to the  
59 immunization registry, shall not be liable in any cause of action arising from the disclosure or  
60 nondisclosure of such information. The department may revoke access privileges for just cause.

61 Persons authorized by the commissioner may conduct research studies to further enhance  
62 understanding of children's vision needs in the Commonwealth; provided, however, that the  
63 researcher shall submit a written request for information and shall execute a research agreement  
64 that protects the confidentiality of the information provided.

65 Information contained in the children's vision registry shall be confidential, shall not  
66 constitute a public record, and shall not otherwise be disclosed, except in accordance with this  
67 section. Such confidential information shall not be subject to subpoena or court order and shall  
68 not be admissible as evidence in any action of any kind before a court, tribunal, agency, board or  
69 person.

70 The department shall establish procedures that allow for an individual, or if the individual  
71 is a minor, then the individual's parent or guardian to amend incorrect information in the  
72 children's vision registry and shall provide, upon request, a record of all individuals and agencies  
73 that have accessed an individual's information.
