**In the One Hundred and Ninety-Fourth General Court  
(2025-2026)**

An Act relative to the Bean New Deal.

*Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:*

1 SECTION 1. Chapter 7C of the General Laws is hereby amended by inserting the  
2 following new section:-

3 Section 74. The division shall ensure that all dining halls, cafeterias, canteens and similar  
4 facilities that are owned, operated or contracted by public institutions of higher education or  
5 executive offices, departments, divisions, centers, agencies or authorities of the commonwealth  
6 shall offer one or more plant-based protein sources at every meal they serve; provided, however,  
7 that this section shall not apply to facilities that are under contract prior to the effective date of  
8 this section until the contract expires or is terminated, renegotiated or renewed.

9 SECTION 2. Chapter 15A of the General Laws is hereby amended by inserting after  
10 section 47 the following new section:-

11 Section 48. All culinary arts degree and certificate programs offered by public institutions  
12 of higher education shall provide instruction concerning: (i) the health, climate, and  
13 environmental benefits of maintaining a diet that involves protein sources that are exclusively,

14 predominantly or partially plant-based; and (ii) how to integrate plant-based protein sources into  
15 a healthy diet and prepare healthy meals that involve protein sources that are exclusively,  
16 predominantly or partially plant-based.

17 SECTION 3. Chapter 19A of the General Laws is hereby amended by inserting the  
18 following new section:-

19 Section 45. In administering senior nutrition programs, including the hot lunch program  
20 described in section 37, the department shall ensure that every program participant receiving  
21 home-delivered meals has the ability to request and receive meals that reflect the participant's  
22 preference for a diet that involves protein sources that are exclusively, predominantly or partially  
23 plant-based, and that every program provider serving congregate meals shall offer one or more  
24 plant-based protein sources at every meal the program provider serves.

25 SECTION 4. Section 65 of chapter 23A of the General Laws, as so appearing, is hereby  
26 amended, in subsection (a), by inserting after the word "options" the following words:-

27 " , including plant-based protein sources, "

28 SECTION 5. Said section 65 of said chapter 23A is hereby further amended by striking  
29 subsection (d) and inserting in place thereof the following subsection:-

30 (d) The community development financial institution shall work in conjunction with  
31 local community colleges and vocational education institutions to develop programs designed to  
32 train and educate food sellers respecting the designating and marketing of nutritious foods,  
33 including plant-based protein sources, and to assist in the development of public education  
34 programs designed to make the buying public aware of the need for nutritious foods and the

35 identity of nutritious foods, including the health, climate, and environmental benefits of  
36 maintaining a diet that involves protein sources that are exclusively, predominantly or partially  
37 plant-based.

38 SECTION 6. Said section 65 of said chapter 23A is hereby further amended, in  
39 subsection (h), by inserting after the word “food” the following words:-

40 “, including plant-based protein sources,”

41 SECTION 7. Chapter 69 of the General Laws is hereby amended by inserting the  
42 following new section:-

43 Section 38. (a) The Office for Food and Nutrition Programs within the department shall  
44 offer, on at least an annual basis, voluntary training and resources concerning plant-based protein  
45 sources to schools and other organizations participating in the National School Lunch Program  
46 or the Child Adult Food Care Program. Said training and resources shall provide information  
47 including but not be limited to: (i) the health, climate, and environmental benefits of maintaining  
48 a diet that involves protein sources that are exclusively, predominantly or partially plant-based;  
49 and (ii) how to integrate plant-based protein sources into a healthy diet and prepare healthy  
50 meals that involve protein sources that are exclusively, predominantly or partially plant-based.

51 (b) In awarding all grants, including but not limited to the School Nutrition Equipment  
52 Assistance Grant for Schools, MA Farming Reinforces Education and Student Health, and the  
53 Summer Food Service Program, said Office for Food and Nutrition Programs shall give positive  
54 weight to applications that will: (i) increase access to meals involving plant-based protein  
55 sources; or (ii) increase awareness of the health, climate, and environmental benefits of

56 maintaining a diet that involves protein sources that are exclusively, predominantly or partially  
57 plant-based.

58 SECTION 8. Chapter 74 of the General Laws is hereby amended by inserting the  
59 following new section:-

60 Section 59. All culinary arts programs approved by the commissioner pursuant to section  
61 2 of this chapter shall provide instruction concerning: (i) the health, climate, and environmental  
62 benefits of maintaining a diet that involves protein sources that are exclusively, predominantly or  
63 partially plant-based; and (ii) how to integrate plant-based protein sources into a healthy diet and  
64 prepare healthy meals that involve protein sources that are exclusively, predominantly or  
65 partially plant-based.

66 SECTION 9. Section 5 of chapter 111I of the General Laws, as appearing in the 2022  
67 Official Edition, is hereby amended by striking out the second paragraph and inserting in place  
68 thereof the following paragraph:-

69 A monthly food package shall be provided to each participant and shall be prescribed by  
70 a competent professional authority at the local WIC program based solely on the participant's  
71 dietary needs; provided that in prescribing such monthly food package, the competent  
72 professional authority shall consider the health benefits of maintaining a diet that involves  
73 protein sources that are exclusively, predominantly or partially plant-based. Such competent  
74 professional authorities shall be allowed to choose from the full range of types and amounts of  
75 food authorized by federal rules in developing food packages for program participants. Program  
76 participants shall have the right to request and receive a food package that reflects the

77 participant's preference for a diet that involves protein sources that are exclusively,  
78 predominantly or partially plant-based.

79           SECTION 10. The department of elementary and secondary education shall, by not later  
80 than July 1, 2027, update the Comprehensive Health and Physical Education Framework to  
81 include standards concerning: (i) how to maintain a healthy diet that involves protein sources that  
82 are exclusively, predominantly or partially plant-based; (ii) the health, climate, and  
83 environmental benefits of maintaining a diet that involves protein sources that are exclusively,  
84 predominantly or partially plant-based.
