## AN ACT AUTHORIZING THE TOWN OF MANCHESTER-BY-THE-SEA TO GRANT AN EASEMENT ON CERTAIN WATER PROTECTION LAND.

*Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:*

1           SECTION 1. The town of Manchester- by- the- Sea, acting by and through its board of  
2 selectmen, may grant a non-exclusive easement on a portion of land located on Lincoln street in  
3 said town containing 6.03 acres, more or less, to the Essex County Club, for the purpose of  
4 continuing the use of said land by the club as a golf course. The land on which the easement  
5 may be granted was acquired by the town for water supply purposes and the town shall continue  
6 to use the easement area for its water resources. The easement is shown on a plan entitled  
7 “Easement Plan, Lincoln Avenue, Town of Manchester-by-the-Sea,” dated September 18, 2008  
8 and prepared by North Shore Survey Corporation, which is on file in the office of the town clerk.

9  
10          SECTION 2. In consideration for and as a condition of the conveyance of the easement to the  
11 Essex County Club, the Club shall elect not to obtain any tax benefit from chapter 61B of the  
12 General Laws for as long as the easement is in effect. As further good and valuable  
13 consideration for the easement granted by the town to the Club, the Club shall grant an easement  
14 to the town of Manchester-by-the-Sea on land located on Mill street in said town, containing  
15 approximately .75 acres, shown on a plan entitled “Easement Plan, Mill Street, Town of  
16 Manchester-by-the-Sea,” dated September 18, 2008 and prepared by North Shore Survey  
17 Corporation, which is on file in the office of the town clerk. The value of said easement  
18 provided to the town is to link 2 water mains, currently dead-ended, for the benefit of residents  
19 of the town, to improve Mill street and other traveled ways in said town and to provide direct  
20 access to a main highway and for general municipal purposes.

22 SECTION 3. If the easement granted to the Essex County Club ceases to be used for the  
23 purposes described in section 1, the easement shall terminate and the land shall revert to the town  
24 for water resource purposes.

25

26 SECTION 4. This act shall take effect upon its passage.
