344 paragraphs:-

345 (L) (1) (a) At any time within one hundred eighty (180) days of the date of the order of
346 liquidation, the association may elect to succeed to the rights and obligations of the ceding

347 member insurer that relate to policies or annuities covered, in whole or in part, by the
348 association, in each case under one or more reinsurance contracts entered into by the insolvent
349 insurer and its reinsurers and selected by the association. Any such assumption shall be effective
350 as of the date of the order of liquidation. The election shall be effected by the association or the
351 National Organization of Life and Health Insurance Guaranty Associations (NOLHGA) on its
352 behalf sending written notice, return receipt requested, to the affected reinsurers.

353 (b) To facilitate the earliest practicable decision about whether to assume any of the
354 contracts of reinsurance, and in order to protect the financial position of the estate, the receiver
355 and each reinsurer of the ceding member insurer shall upon request make available to the
356 association or NOLHGA on its behalf as soon as possible after commencement of formal
357 delinquency proceedings (i) copies of in-force contracts of reinsurance and all related files and
358 records relevant to the determination of whether such contracts should be assumed, and (ii)
359 notices of any defaults under the reinsurance contracts or any known event or condition which
360 with the passage of time could become a default under the reinsurance contracts.

361 (c) The following subparagraphs (i) through (iv) shall apply to reinsurance contracts so
362 assumed by the association:

363 (i) The association shall be responsible for all unpaid premiums due under the
364 reinsurance contracts for periods both before and after the date of the order of liquidation and
365 shall be responsible for the performance of all other obligations to be performed after the date of
366 the order of liquidation, in each case which relate to policies or annuities covered, in whole or in
367 part, by the association. The association may charge policies or annuities covered in part by the
368 association, through reasonable allocation methods, the cost for reinsurance in excess of the

369 obligations of the association and shall provide notice and an accounting of these charges to the
370 liquidator;

371 (ii) The association shall be entitled to any amounts payable by the reinsurer under the
372 reinsurance contracts with respect to losses or events that occur in periods after the date of the
373 order of liquidation and that relate to policies or annuities covered, in whole or in part, by the
374 association, provided that, upon the receipt of any such amounts, the association shall be
375 obligated to pay to the beneficiary under the policy or annuity on account of which the amounts
376 were paid a portion of the amount equal to the lesser of:

377 (A) The amount received by the association; and

378 (B) The excess of the amount received by the association over the amount equal to the
379 benefits paid by the association on account of the policy or annuity less the retention of the
380 insurer applicable to the loss or event.

381 (iii) Within thirty (30) days following the associations election, (the “election date”), the
382 association and each reinsurer under contracts assumed by the association shall calculate the net
383 balance due to or from the association under each reinsurance contract as of the election date
384 with respect to policies or annuities covered, in whole or in part, by the association, which
385 calculation shall give full credit to all items paid by either the insurer or its receiver or the
386 reinsurer prior to the election date. The reinsurer shall pay the receiver any amounts due for
387 losses or events prior to the date of the order of liquidation, subject to any set-off for premiums
388 unpaid for periods prior to the date, and the association or reinsurer shall pay any remaining
389 balance due the other, in each case within five (5) days of the completion of the aforementioned
390 calculation. Any dispute over the amounts due to either the association or the reinsurer shall be

391 resolved by arbitration pursuant to the terms of the affected reinsurance contracts or, if the
392 contract contains no arbitration clause, as otherwise provided by law. If the receiver has
393 received any amounts due the association pursuant to subparagraph (c)(ii) of this (8)(L)(1), the
394 receiver shall remit the same to the association as promptly as practicable.

395 (iv) If the association, or the receiver, on the association's behalf within sixty (60) days
396 of the election date, pays the unpaid premiums due for periods both before and after the election
397 date that relate to policies or annuities covered, in whole or in part, by the association, the
398 reinsurer shall not be entitled to terminate the reinsurance contracts for failure to pay premium
399 insofar as the reinsurance contracts relate to policies or annuities covered, in whole or in part, by
400 the association, and shall not be entitled to set off any unpaid amounts due under other contracts,
401 or unpaid amounts due from parties other than the association, against amounts due the
402 association.

403 (2) During the period from the date of the order of liquidation until the election date (or,
404 if the election date does not occur, until one hundred eighty (180) days after the date of the order
405 of liquidation),

406 (a) (i) Neither the association nor the reinsurer shall have any rights or obligations under
407 reinsurance contracts that the association has the right to assume under subsection (8)(L)(1),
408 whether for periods prior to or after the date of the order of liquidation; and

409 (ii) The reinsurer, the receiver and the association shall, to the extent practicable, provide
410 each other data and records reasonably requested;

411 (b) Provided that once the association has elected to assume a reinsurance contract, the
412 parties' rights and obligations shall be governed by subsection (8)(L)(1).

413 (3) If the association does not elect to assume a reinsurance contract by the election date
414 pursuant to subsection (8)(L)(1), the association shall have no rights or obligations, in each case
415 for periods both before and after the date of the order of liquidation, with respect to the
416 reinsurance contract.

417 (4) When policies or annuities, or covered obligations with respect thereto, are transferred
418 to an assuming insurer, reinsurance on the policies or annuities may also be transferred by the
419 association, in the case of contracts assumed under subsection (8)(L)(1), subject to the following;

420 (a) Unless the reinsurer and the assuming reinsurer agree otherwise, the reinsurance
421 contract transferred shall not cover any new policies of insurance or annuities in addition to those
422 transferred;

423 (b) the obligations described in subsection (8)(L)(1) shall no longer apply with respect to
424 matters arising after the effective date of the transfer; and

425 (c) notice shall be given in writing, return receipt requested, by the transferring party to
426 the affected reinsurer not less than thirty (30) days prior to the effective date of the transfer.

427 (5) The provisions of this paragraph shall supersede the provisions of any law or of any
428 affected reinsurance contract that provides for or requires any payment of reinsurance proceeds,
429 on account of losses or events that occur in periods after the date of the order of liquidation, to
430 the receiver of the insolvent insurer or any other person. The receiver shall remain entitled to
431 any amounts payable by the reinsurer under the reinsurance contracts with respect to losses or
432 events that occur in periods prior to the date of the order of liquidation, subject to applicable
433 setoff provisions.

434 (6) Except as otherwise provided in this paragraph (L), nothing in this paragraph shall
435 alter or modify the terms and conditions of any reinsurance contract. Nothing in this said
436 paragraph shall abrogate or limit any rights of any reinsurer to claim that it is entitled to rescind a
437 reinsurance contract. Nothing in this said paragraph shall give a policyholder or beneficiary an
438 independent cause of action against a reinsurer that is not otherwise set forth in the reinsurance
439 contract. Nothing in this said paragraph shall limit or affect the association's rights as a creditor
440 of the estate against the assets of the estate. Nothing in this said paragraph shall apply to
441 reinsurance agreements covering property or casualty risks.

442 (M) In carrying out its duties in connection with guaranteeing, assuming or reinsuring
443 policies or contracts under paragraphs (8)(A) or (8)(B) the association may, subject to approval
444 of the receivership court, issue substitute coverage for a policy or contract that provides an
445 interest rate, crediting rate or similar factor determined by use of an index or other external
446 reference stated in the policy or contract employed in calculating returns or changes in value by
447 issuing an alternative policy or contract in accordance with the following provisions;

448 (a) In lieu of the index or other external reference provided for in the original policy or
449 contract the alternative policy or contract provides for (i) a fixed interest rate or (ii) payment of
450 dividends with minimum guarantees or (iii) a different method for calculating interest or changes
451 in value;

452 (b) There is no requirement for evidence of insurability, waiting period or other exclusion
453 that would not have applied under the replaced policy or contract, and;

454 (c) The alternative policy or contract is substantially similar to the replaced policy or
455 contract in all material terms.

456 (N) The Board of Directors of the Association shall have discretion and may exercise
457 reasonable business judgment to determine the means by which the Association is to provide the
458 benefits of this section in an economical and efficient manner.

459 (O) Where the Association has arranged or offered to provide the benefits of this section
460 to a covered person under a plan or arrangement that fulfills the Association's obligations under
461 this section, the person shall not be entitled to benefits from the Association in addition to or
462 other than those provided under the plan or arrangement.
