The Commonwealth of Massachusetts

In the Year Two Thousand Eleven

An Act to establish a special commission on high school graduation..

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1 The Governor shall appoint a special commission to analyze graduation requirements for
2 all public school students in the commonwealth, which shall be composed of one individual
3 nominated by the Massachusetts Department of Education, the Chairperson of the Massachusetts
4 Board of Education or his nominee, one individual nominated by the Massachusetts Association
5 of School Committees, one individual nominated by the Massachusetts Secondary Schools
6 Administrators' Association, Inc., one individual nominated by the Massachusetts AFL-CIO, one
7 individual nominated by the Massachusetts Teachers Association, one individual nominated by
8 the Massachusetts Federation of Teachers, one parent of a child attending a public school in
9 Massachusetts to be nominated by the remaining members of the Board and one child attending a
10 public school in Massachusetts to be nominated by the remaining members of the Board. Said

11 nominations shall be submitted to the office of the Governor no later than ninety days from the
12 date of the enactment hereof and shall first meet in a location to be chosen by the Governor no
13 later than sixty days thereafter. The commission shall issue a report containing recommended
14 graduation requirements which shall create standards for special education, vocational-technical
15 education and regular education students and which shall be comprised of students' results on the
16 Massachusetts Comprehensive Assessment System examinations, students' community service,
17 students' classroom grades and such other factors as the commission shall determine. Such
18 standards shall ensure that a student's failure to meet any one component requirement shall not
19 alone prevent said student from receiving a high school diploma. The commission shall also
20 issue draft legislation to implement these recommendations and shall submit both the
21 recommendations and the draft legislation to the Joint Committee on Education of the General
22 Court within one hundred twenty days of the commission's first meeting.

23 SECTION 2. Section 1D of chapter 69, as appearing in the 2008 Official Edition, is
24 hereby amended by inserting in line 59, after the word "graduation," the following:
25 Notwithstanding any other provision of law, the requirements of the competency determination
26 shall not be used as a graduation requirement in any school system until said system's students
27 have completed their education in said system entirely under the curriculum frameworks
28 established by Chapter 71 of the Acts of 1993.
