- SECTION 8. Chapter 29 of the General Laws is hereby amended by adding the following section:-
- 64 Section 2XX. (a) There shall be established and set up on the books of the Commonwealth a separate fund to be known as the Tobacco Use Reduction and Prevention 65 Fund. There shall be credited to the said Fund all sums received pursuant to the excise imposed 67 on tobacco products by sections 6, 7A, 7B and 7C of chapter 64C, together with any penalties, forfeitures, interest, costs of suits and fines in connection therewith, less all amounts refunded or abated in connection therewith. There shall additionally be credited to the said Fund all sums 69 70 received, in any year after 2008, pursuant to the Master Settlement Agreements or Consent Decrees concerning tobacco product manufacturers, together with any penalties, forfeitures, 71 interests, costs of suits, fines and all other proceeds in connection therewith, less all amounts 72 refunded or abated in connection therewith. On an annual basis, not less than three percent of all 73 amounts credited to the fund shall be held in trust and used solely for the purposes of preventing 74 75 and reducing tobacco use and shall be available for expenditure by the Commissioner of the 76 Department of Public Health. These funds shall not be used to replace existing funding allocated

to state tobacco prevention efforts but solely to increase the total amount of expenditures toprevent and reduce tobacco use and its harms.

- 79 (b) The funds directed to the Department of Public Health pursuant to paragraph (a) shall be allocated by the Commissioner consistent with tobacco reduction and prevention 80 programmatic recommendations of the Centers for Disease Control and Prevention and as 81 determined by the Commissioner, in consultation with the oversight committee created pursuant 82 83 to paragraph (c), to engage youth in educating their communities and exposing tobacco industry tactics; to monitor the retail environment for compliance with local and state laws and to document tobacco industry advertising and pricing strategies; to promote smoking cessation 85 86 resources including those offered through MassHealth's smoking cessation benefit; to provide training and technical assistance to healthcare providers to ensure that smokers have 87 88 opportunities to receive brief interventions and medicines and are referred to behavioral 89 counseling; to enforce the Commonwealth's smoke-free workplace law; to ensure children and other vulnerable people are not exposed to secondhand smoke; and to conduct interventions to 90 reduce smoking among high risk populations including veterans, pregnant/parenting women, 92 people with disabilities, people with mental illness, people in recovery from addiction and lowincome smokers
- (c) Within 90 days after this section goes into effect, an oversight committee of nine members shall be established to assist the Commissioner in developing, implementing, and maintaining a strategic plan for allocating the funds directed to the Department, pursuant to paragraph (a), in monitoring and evaluating the use of the funds and all other state expenditures to prevent and reduce tobacco use and its harms, and in assessing the efficacy of all such expenditures to prevent and reduce tobacco use and its harms. Three members of the oversight

100 committee shall be appointed by the Governor, three by the President of the Senate, and three by the Speaker of the House of Representatives. The members of the oversight committee shall be 101 persons with experience and expertise regarding public health, tobacco reduction and prevention 102 policies and programs, public education and counter-marketing, and program oversight and 103 104 evaluation. No member of the oversight committee shall, during the member's tenure on the 105 committee and for three years before joining the committee, receive any salary, grants, or other 106 payments or support from any business that manufactures, distributes, markets, or sells cigarettes or other tobacco products or serve as a director, employee, or consultant of any organization that 107 108 receives grants or contributions from any such business or that provides legal, lobbying, public relations, marketing, or advertising services to any such business. Each member of the oversight 109 committee shall also agree not to enter into any such financial or business relationships with the 110 111 tobacco industry for a period of two years after that member's tenure on the oversight committee ends. The oversight committee shall annually provide a publicly available report on tobacco use 112 113 and its related harms, including but not limited to those appropriated pursuant to paragraph (a), the effectiveness of such funding allocations, and related surveillance and evaluation findings to 114 the governor and the legislature. 115

(d) The Department of Public Health shall have the authority to promulgate reasonablerules to implement this section.
