356 (g) The commission shall appoint an executive director. The executive director shall  
357 serve at the pleasure of the commission, shall receive such salary as may be determined by the

378 executive director shall prepare and keep current a plan of the organization of the commission, of  
379 the assignment of its functions to its various administrative units, offices and employees, and of  
380 the places at which and the methods whereby the public may receive information or make

390 provided, however, that his service in such position shall be determined by the civil service  
391 commission in accordance with the standards applied by said commission in administering said  
392 chapter 31. Such restoration shall be made without impairment of his civil service status or  
393 tenure under said section 9A of chapter 30 and without loss of seniority, retirement or other  
394 rights to which uninterrupted service in such prior position would have entitled him. During the  
395 period of such appointment, each person so appointed from a position in the classified civil  
396 service shall be eligible to take any competitive promotional examination for which he would  
397 otherwise have been eligible. The executive director shall consider current employees of the state

437 other gainful employment outside of the commission without the prior written approval of the

1039 that may impact the policy goals established pursuant to section 1.

1040           (b) No other gaming license, or authorization to increase the gaming positions in a  
1041 category 2 or category 3 license, shall be issued by the commonwealth for a period of 15 years;  
1042 provided, however, that such exclusivity shall not include the interests of the commonwealth in  
1043 compacting with any federally recognized Native American tribe for gaming rights in the  
1044 commonwealth.

1045           (c) No category 1 licensee shall transfer a license or any direct or indirect interest in the  
1046 license or licensed premises without the majority approval of the commission. Any person  
1047 seeking to acquire a license through a transfer shall satisfy the requirement for licensure pursuant  
1048 to this chapter. The commission shall reject any license transfer or transfer of interest to an  
1049 unsuitable person and may reject a proposed transfer that, in the opinion of the commission,  
1050 would be disadvantageous to the interests of the commonwealth in the gaming establishment.

1051 (d) The commission may issue 2 category 2 licenses; provided, however, that the  
1052 commission shall issue 1 category 2 license to a qualified harness horse racing facility and 1  
1053 category 2 license to a qualified thoroughbred horse racing facility. A category 2 license issued  
1054 shall be contingent upon the licensee's completion of the annual live racing season pursuant to  
1055 chapter 128A. An applicant who is eligible for a category 2 license pursuant to this section may  
1056 apply for a category 1 license; provided, however, that upon receipt of a category 1 license said  
1057 applicant shall continue to conduct live racing and abide by all the live racing terms pursuant to  
1058 section 23 and shall continue to pay the applicable live racing tax required of category 2  
1059 licensees.

1060 (e) The commission may issue 2 category 3 licenses; provided, however, that the  
1061 commission shall issue each category 3 license to a qualified greyhound racing facility. Any  
1062 category 3 license issued shall be contingent upon the licensee's simulcasting of live  
1063 thoroughbred, harness or greyhound races pursuant to chapter 128A. An applicant who is eligible  
1064 for a category 3 license pursuant to this section may apply for a category 1 license.

1065 A category 3 licensee shall maintain a simulcasting license pursuant to chapter 128C.  
1066 Upon failure to conduct simulcast wagering the commission shall suspend the category 3 license.

1067 (f) A category 2 license and a category 3 license issued pursuant to this chapter shall not  
1068 be transferrable or assignable without the approval of the commission; provided, however, that  
1069 for 5 years after the initial issuance of a category 2 or category 3 license the commission shall  
1070 only approve such a transfer if: (i) the licensee experiences a change in ownership; or (ii) the  
1071 licensee fails to maintain suitability or other circumstances which the commission may consider,  
1072 which, in the opinion of a majority of members of the commission, impact a licensee's ability to

1073 successfully operate a gaming establishment.(g) Notwithstanding the foregoing, and upon  
1074 approval by the commission, a category 3 licensee may merge its license with a category 2  
1075 licensee and locate the total number of slot machines allotted to each licensee at a thoroughbred  
1076 or harness racing track. A category 2 licensee may not merge with more than 1 category 3  
1077 licensee.

1078 An applicant for a category 2 license shall apply for a merged license with an eligible  
1079 applicant for a category 3 license in their initial application to the commission. The commission  
1080 shall approve any merger agreement and shall require parties to the merger to be qualified for  
1081 licensure pursuant to the criteria set forth in sections 13 and 19.

1082 (h) A category 1 license issued pursuant to this chapter shall be for a period of 15 years  
1083 from the date of first issuance; provided, however, that 5 years after issuance, and every 5 years  
1084 thereafter, the commission shall perform a thorough review of the business strategy of the resort  
1085 casino which shall include plans for expansion and marketing submitted by the licensee. The  
1086 commission shall establish procedures for renewal and set the renewal fee based on the cost of  
1087 fees associated with the evaluation of a licensee requesting a renewed category 1 license.

1088 A category 2 and category 3 license issued pursuant to this chapter shall be for a period  
1089 of 5 years. The commission shall establish procedures for renewal and set the renewal fee based  
1090 on the cost of fees associated with the evaluation of a licensee; provided, however, that the cost  
1091 of renewal shall not be less than \$100,000. A category 1, category 2, or category 3 licensee shall  
1092 issue an annual report to the commission explicitly stating its progress on meeting each of the  
1093 stated goals and stipulations put forth in the licensee's original application. Inability to meet  
1094 stated goals within a reasonable time frame, as determined by the commission, shall result in

1095 additional fees as deemed fair and reasonable by the commission. Failure to meet stated goals  
1096 may also result in revocation of the license at any time by the commission.

1097           Nothing in this section shall preclude the commission at any time from reviewing the  
1098 business operations of any gaming licensee to ensure that the conditions of licensure are being  
1099 met, including, but not limited to, the suitability of the licensee and any affiliates and the fiscal  
1100 stability of the gaming establishment.

1101           (i) The commission shall have the power to condition, suspend or revoke any gaming  
1102 license upon a finding that a licensee: (i) has committed a criminal or civil offense under this  
1103 chapter or any other laws of the commonwealth; (ii) is not in compliance with gaming  
1104 regulations or is under criminal investigation in another jurisdiction; (iii) has breached a  
1105 condition of licensure; (iv) has affiliates, close associates or employees that are not qualified or  
1106 licensed pursuant to this chapter with whom the gaming licensee continues to conduct business  
1107 or employ; (v) is no longer capable of maintaining operations at a gaming establishment; or (vi)  
1108 whose business practice, upon a determination by the commission, is injurious to the policy  
1109 objectives of this chapter.

1110           (j) Whenever any person contracts to transfer any property relating to an ongoing gaming  
1111 operation, including a security holding in a gaming licensee or holding or intermediary company,  
1112 under circumstances which require that the transferee obtain licensure under this chapter, the  
1113 contract shall not specify a closing or settlement date which is earlier than the 121st day after the  
1114 submission of a completed application for licensure or qualification, which application shall  
1115 include a fully executed and approved trust agreement.

1116           The commission shall hold a hearing and render a decision on the interim authorization of  
1117 the applicant. If the commission grants interim authorization, then the closing or settlement may  
1118 occur without interruption of casino operations. If the commission denies interim authorization,  
1119 there shall be no closing or settlement until the commission makes a determination on the  
1120 qualification of the applicant, and if the commission then denies qualification the contract shall  
1121 thereby be terminated for all purposes without liability on the part of the transferor.

1122           The commission shall promulgate further regulations for interim authorization of a  
1123 gaming establishment.

1124           (k) No person or affiliate shall be awarded, purchase or otherwise hold or have a financial  
1125 interest in more than 1 license issued by the commission.

1126           (l) The commission shall take into consideration the physical distance in selecting the two  
1127 resort casinos as they relate to each other and how they maximize benefits to the commonwealth.

1128           Section 21. (a) Applicants for a category 1 license shall invest not less than \$500,000,000  
1129 into the resort casino which shall include the gaming facility, at least 1 hotel, and other amenities  
1130 as proposed in the application for a category 1 license. Upon award of a category 1 license by the  
1131 commission, the applicant shall be required to deposit 10 per cent of the total investment  
1132 proposed in the application into an interest-bearing account. Monies received from the applicant  
1133 shall be held in escrow until the final stage of construction, as approved by the commission, at  
1134 which time the deposit shall be returned to the applicant to be applied for such final stage.  
1135 Should the applicant be unable to complete the resort casino, the deposit shall be forfeited to the  
1136 commonwealth. In place of a cash deposit, the commission may allow for an applicant to secure

1137 a deposit bond insuring that 10 per cent of the proposed capital investment shall be forfeited to  
1138 the commonwealth.

1139 (b) Applicants for a category 1 license shall submit their proposed capital investment  
1140 with their application to the commission which shall include stages of construction of the resort  
1141 casino and the deadline by which construction and any infrastructure improvements will be  
1142 completed. In awarding a category 1 license, the commission shall determine at what stage of  
1143 construction a licensee shall be approved to open for business; provided, however, that a licensee  
1144 shall not be permitted to open for business until the commission has determined that at least the  
1145 gaming facility and hotel have been built and are of a superior quality as set forth in the  
1146 conditions of licensure; provided, further, that total infrastructure improvements onsite and  
1147 around the vicinity of the resort casino, including projects to account for traffic mitigation, shall  
1148 be completed before the resort casino shall be approved for opening by the commission.

1149 (c) A category 1 licensee shall pay to the commission a fee of \$100,000,000 within 30  
1150 days of the final award of the license which sets forth the conditions to be satisfied by the  
1151 licensee before the gaming facility may be opened to the public. The commission shall set any  
1152 renewal fee for such license based on the cost of fees associated with the evaluation of a category  
1153 1 licensee pursuant to section 20 of this chapter, and such renewal fee will be exclusive of any  
1154 subsequent license fees under this section.(d) The commission shall determine the sources and  
1155 total amount of an applicant's proposed capitalization to develop, construct, maintain and operate  
1156 a proposed gaming establishment under this chapter. Upon award of a gaming license, the  
1157 commission shall continue to assess the capitalization of a licensee for the duration of  
1158 construction of the proposed gaming establishment and the term of the license.

1159           Section 22. (a) Applicants for a category 2 or category 3 license shall invest not less than  
1160 \$75,000,000 into the gaming facility and racecourse, if applicable.

1161           The investment required under this section shall be made within 2 years of receiving a  
1162 gaming license; provided, however, that any infrastructure improvements necessary to increase  
1163 visitor capacity and account for traffic mitigation, as determined by the commission, shall be  
1164 completed before the category 2 or category 3 licensee shall be authorized to operate any slot  
1165 machine at the gaming facility.

1166           (b) The required licensing fee for a category 2 or category 3 license shall be not less than  
1167 \$15,000,000. The commission shall raise the license fee if an applicant for a category 2 or  
1168 category 3 license cannot demonstrate to the satisfaction of the commission that the applicant  
1169 will advance any of the objectives set forth in section 19.

1170           (c) If the commission approves the merger of a category 2 and category 3 licensee  
1171 pursuant to section 20 and grants a merged license, the applicants shall pay \$30,000,000 and  
1172 shall agree to invest \$150,000,000 into the gaming facility and racecourse.

1173           (d) The commission shall determine the sources and total amount of an applicant's  
1174 proposed capitalization to develop, construct, maintain and operate a proposed gaming  
1175 establishment under this chapter. Upon award of a gaming license, the commission shall  
1176 continue to assess the capitalization of a licensee for the duration of construction of the proposed  
1177 gaming establishment and the term of the license.

1178           Section 23. (a) An applicant for a category 2 licensee shall maintain any racing facility on  
1179 the premises; provided, however, that said licensee shall increase the number of live racing days  
1180 to a minimum of 125 days according to the following schedule:

1181 (i) in the first calendar year of operation a licensee shall hold 105 racing days;  
1182 (ii) in the second calendar year of operation a licensee shall hold 115 racing days; and  
1183 (iii) in the third calendar year of operation a licensee shall hold 125 racing days.

1184 (b) A category 2 licensee may increase the number of live racing days if said licensee is  
1185 holding a minimum of 125 racing days within 3 years of receiving a category 2 license. If a  
1186 category 2 licensee does not conduct live racing for the minimum number of days set forth in  
1187 subsection (a), the commission shall suspend the category 2 license.

1188 (c) After 3 years of operation, and in consultation with the parties to the purse agreement,  
1189 the commission may adjust the amount of required racing days at a category 2 facility based on  
1190 fields, demand and racing performance.

1191 (d) A category 2 licensee shall have an annual purse agreement in effect by December  
1192 thirty-first of each year for the following year's racing; provided, however, that if the parties to a  
1193 purse agreement at a category 2 facility cannot in good faith negotiate an agreement by  
1194 December thirty-first, the purse agreement shall be arbitrated by the commission.

1195 Section 24. (a) No person shall be employed by a gaming licensee unless such person has  
1196 been licensed by or registered with the commission.

1197 (b) Any person seeking a valid key gaming employee license or a gaming employee  
1198 license shall file an application with the commission. Such application shall be on a form  
1199 prescribed by the commission and shall include, but shall not be limited to, the following: (1) the  
1200 name of the applicant; (2) the address of the applicant; (3) a detailed employment history of the  
1201 applicant; (4) fingerprints; (5) a criminal and arrest record; and (6) any civil judgments obtained

1202 against the person pertaining to antitrust or security regulation. Each applicant shall be a resident  
1203 of the commonwealth prior to the issuance of a gaming employee license, provided, however,  
1204 that the commission may waive this requirement upon certification from the gaming licensee that  
1205 an applicant's particular position will require the applicant to be reside outside of the  
1206 commonwealth. The commission may require such other information as it deems appropriate  
1207 including, without limitation, information related to the financial integrity of the applicant and  
1208 may require the applicant to submit other documentation it deems appropriate including, without  
1209 limitation, bank accounts and records, bank references, business and personal income and  
1210 disbursement schedules, tax returns and other reports filed by government agencies, and business  
1211 and personal accounting check records and ledgers.

1212 (c) All other employees in a gaming establishment who are not considered to be gaming  
1213 employees, key gaming employees, or who have restricted access to an area of the gaming  
1214 establishment or knowledge of security procedures, shall be required to register with the  
1215 commission as a gaming service employee and shall produce such information as the  
1216 commission may require to become registered under this chapter.

1217 (d) Upon receipt of an application for a key gaming employee license and a gaming  
1218 employee license the commission shall conduct an investigation of each applicant which shall  
1219 include obtaining criminal offender record information from the criminal history systems board  
1220 as well as exchanging fingerprint data and criminal history with the state police and the federal  
1221 bureau of investigation.

1222 (e) Upon petition by a gaming licensee, the commission may issue a temporary license to  
1223 an applicant for a gaming key employee license or a gaming employee license provided that: (i)

1224 the applicant for a gaming key employee license or gaming employee license has filed a  
1225 complete application with the commission; and (ii) the gaming licensee certifies, and the  
1226 commission finds, that the issuance of a temporary license is necessary for the operation of the  
1227 gaming facility and is not designed to circumvent the normal licensing procedures.

1228 Unless otherwise stated by the commission, a temporary license issued pursuant to this  
1229 section shall expire 6 months from the date of its issuance and may be renewed, at the discretion  
1230 of the commission, for an additional 6 month period.

1231 (f) The commission may deny any application for a key gaming employee or gaming  
1232 employee license or the registration of any other employee of a gaming establishment if the  
1233 commission finds that any applicant or registrant is disqualified pursuant to section 14 or may be  
1234 unsuitable for licensure under any of the criteria set forth in section 19; provided, however, that  
1235 the commission, in its discretion, may issue a license to an applicant for a gaming employee  
1236 license or register a gaming service employee who has a prior conviction if said applicant or  
1237 registrant can affirmatively demonstrate his rehabilitation. In considering the rehabilitation of an  
1238 applicant for a license under this section, the commission shall consider the following: (i) the  
1239 nature and duties of the position of the applicant; (ii) the nature and seriousness of the offense or  
1240 conduct; (iii) the circumstances under which the offense or conduct occurred; (iv) the date of the  
1241 offense or conduct; (v) the age of the applicant when the offense or conduct was committed; (vi)  
1242 whether the offense or conduct was an isolated or repeated incident; (vii) any social conditions  
1243 which may have contributed to the offense or conduct; and (viii) any evidence of rehabilitation,  
1244 including recommendations and references of persons supervising the applicant since the offense  
1245 or conduct was committed.

1246 Any orders denying an application under this section shall be accompanied with an  
1247 explanation of why an applicant did not meet the qualifications for licensure under this chapter.

1248 (g) The commission shall be authorized to condition, suspend or revoke any license or  
1249 registration under this section if the commission finds that a licensee or registrant has: (i) been  
1250 arrested or convicted of a crime while employed by a gaming establishment and failed to report  
1251 charges or the conviction to the commission; (ii) failed to comply with the provisions of section  
1252 12; or (iii) failed to comply with any of the provisions of this chapter pertaining to licensees.

1253 (h) A license or registration issued pursuant to this section shall be issued for a term of 3  
1254 years. It shall be the responsibility of the employee to ensure that their license is current.

1255 (i) The commission shall establish fees for a key gaming employee and a gaming  
1256 employee license which shall include costs incurred for conducting a background investigation  
1257 into an applicant said license.

1258 Section 25. (a) No person or business shall conduct any business with a gaming licensee  
1259 unless such person has been licensed by or registered with the commission.

1260 (b) Any person seeking a gaming vendor license shall file an application with the  
1261 commission. Such application shall be on a form prescribed by the commission and shall include,  
1262 but shall not be limited to, the following: (i) the name of the applicant; (ii) the post office address  
1263 and if a corporation, the name of the state under the laws of which it is incorporated, the location  
1264 of its principal place of business and the names and addresses of its directors and stockholders;

1266 to antitrust or security regulation; (v) the identity of every person having a direct or indirect  
1267 interest in the business, and the nature of such interest; provided further, that if the disclosed

1268 entity is a trust, the application shall disclose the names and addresses of all beneficiaries;  
1269 provided further, that if the disclosed entity is a partnership, the names and addresses of all  
1270 partners, both general and limited; and provided further, that if the disclosed entity is a limited  
1271 liability company, the names and addresses of all members; (vi) an independent audit report of  
1272 all financial activities and interests including, but not limited to, the disclosure of all

1275 including, but not limited to, bank references, business and personal income and disbursement

1277 accounting check records and ledgers. The commission may require such other information as it  
1278 deems appropriate including, without limitation, information related to the financial integrity of  
1279 the applicant and may require the applicant to submit other documentation it deems appropriate  
1280 including, without limitation, bank accounts and records, bank references, business and personal  
1281 income and disbursement schedules, tax returns and other reports filed by government agencies,  
1282 and business and personal accounting check records and ledgers.

1283 (c) No person shall manufacture, sell, distribute, test or repair slot machines, other than  
1284 antique slot machines as defined in section 5A of chapter 271, without a valid gaming vendor  
1285 license issued by the commission

1287 including, but not limited to, construction companies, vending machine providers, linen  
1288 suppliers, garbage handlers, maintenance companies, limousine services, food purveyors or  
1289 suppliers of alcoholic beverages, shall be considered non-gaming vendors and shall be required  
1290 to register with the commission and shall produce such information as the commission may

1291 require; provided, however, that the commission may require any vendor regularly conducting  
1292 over \$250,000 of business with a gaming licensee within a 12 month period, or \$100,000 of  
1293 business within a 3 year period, to be licensed as a gaming vendor.

1294 (e) Any person owning more than 5 per cent of the common stock of a company required  
1295 to be licensed as a gaming vendor, or a holding, intermediary or subsidiary of such company,  
1296 shall be required to file for licensure. The commission may waive the licensing requirements for  
1297 institutional investors holding up to 15 per cent of the stock of the company, or holding,  
1298 intermediary or subsidiary company of the such company, upon a showing by the person  
1299 seeking the waiver that the applicant purchased the securities for investment purposes only and  
1300 does not have any intention to influence or affect the affairs or operations of the company or a  
1301 holding, intermediary or subsidiary of the such company. Any institutional investor granted a  
1302 waiver which subsequently determines to influence or affect the affairs or operations of the  
1303 gaming vendor, or a holding, intermediary or subsidiary of the gaming vendor, shall provide not  
1304 less than 30 days notice to the commission of such intent and shall file an application and be  
1305 subject to the licensing requirements of this chapter before taking any action that may influence  
1306 or affect the affairs of the applicant company or a holding, intermediary or subsidiary of the  
1307 applicant company. Any company holding over 15 per cent of a gaming vendor, or a holding,  
1308 intermediary or subsidiary of a gaming vendor, shall be deemed to be a qualifier and shall file an  
1309 application form with the commission and be subject to the licensing requirements of this  
1310 chapter.

1311 (f) If an applicant for a gaming vendor license or vendor or supplier registration is  
1312 licensed or registered in another jurisdiction within the United States and is in good standing in  
1313 all the jurisdictions in which it holds a license or registration, the commission may enter into a

1314 reciprocal agreement with the applicant and to allow for an abbreviated licensing or registration  
1315 process and issue a gaming vendor license or registration pursuant to this section, provided,  
1316 however, that the commission shall reserve its rights to investigate the qualifications of an  
1317 applicant at any time and may require the applicant to submit to a full application for a gaming  
1318 vendor license or provide further information for registration.

1319 (g) The commission shall deny any application for a gaming vendor license or the  
1320 registration of any other vendor or supplier if the commission finds that any applicant or  
1321 registrant is disqualified pursuant to section 14 or may be unsuitable for licensure under any of  
1322 the criteria set forth in section 19.

1323 (h) The commission shall be authorized to condition, suspend or revoke any license or  
1324 registration under this section if the commission finds that a licensee or registrant has: (i) been  
1325 arrested or convicted of a crime; (ii) failed to comply with the provisions of section 12; or (iii)  
1326 failed to comply with any of the provisions of this chapter pertaining to licensees.

1327 (i) The commission shall establish a master vendor list to monitor all vendor contracts  
1328 with a gaming establishment. Any vendor doing business with a gaming establishment who has  
1329 failed to submit an application for licensure or registration shall be prohibited from engaging in  
1330 any future business with any gaming establishment; provided further that the commission shall  
1331 be authorized to terminate any contracts that have been entered into with an unlicensed or  
1332 unregistered vendor.

1333 (j) Gaming licensees shall have a continuing duty to inform the commission of all vendor  
1334 contracts.

1335 (k) A license or registration issued pursuant to this section shall be issued for a term of 3  
1336 years. It shall be the responsibility of the employee to ensure that their license is current.

1337 (l) The commission shall establish fees for gaming vendor licenses which shall include  
1338 costs incurred for conducting a background investigation into an applicant for said license.

1339 Section 26. (a) Each labor organization, union or affiliate seeking to represent employees  
1340 who are employed at a gaming establishment, including any related facilities, shall register with  
1341 the commission.

1342 (b) Neither a labor organization, nor its officers who are not otherwise licensed or  
1343 registered under this chapter, may hold any financial interest in a gaming establishment whose  
1344 employees they represent.

1345 Section 27. (a) No category 1, category 2 or category 3 licensee shall conduct gaming  
1346 without an operations certificate issued by the commission. An operations certificate shall only  
1347 be issued upon compliance with the requirements of this chapter including; (1) implementation  
1348 of all management controls required by the commission including, without limitation, controls on  
1349 accounting, wagering and auditing; (2) implementation of all security precautions required by the  
1350 commission; (3) an up to date listing of all gaming employees; (4) licensing of all gaming  
1351 employees; (5) the provision of office space at the facility for use by the commission employees;  
1352 (6) the hours of operation of the facility; and that its personnel and procedures are efficient and  
1353 prepared to entertain the public.

1354 The operations certificate shall be conspicuously posted and shall state the number of slot  
1355 machines, table games or other authorized games, if applicable.

1356 (b) A category 1, category 2, or category 3 licensee may operate a gaming establishment  
1357 from 6:00 am to 5:59 am; provided, however, that said licensee registers their hours of operation  
1358 with the commission.

1359 (c) Each gaming licensee shall arrange its gaming facility in such a manner as to promote  
1360 optimum security for the gaming facility operations , including but not limited to: (1) a closed  
1361 circuit television system according to specifications approved by the commission, with access on  
1362 the licensed premises to the system or its signal provided to the commission; (2) one or more  
1363 rooms or locations approved by the commission for use by commission employees; and (3)  
1364 design specifications that insure that visibility in a facility is not obstructed in any way that might  
1365 interfere with the ability of the commission or the division to supervise facility operations.

1366 (d) Each applicant for a gaming license shall submit to the commission a description of  
1367 its minimum system of internal procedures and administrative and accounting controls for  
1368 gaming and any simulcast wagering operations accompanied by a certification by its chief legal  
1369 officer that the submitted procedures conform to the provisions of this chapter and any  
1370 regulations promulgated thereunder as well as a certification by its chief financial officer that the  
1371 submitted procedures provide adequate and effective controls, establish a consistent overall  
1372 system of internal procedures and administrative and accounting controls and conform to  
1373 generally accepted accounting principles and any additional standards required by the  
1374 commission. Each applicant shall make its submission at least 30 business days before such  
1375 operations are to commence unless otherwise directed by the commission; provided, however,  
1376 that no gaming licensee shall commence gaming operations or alter its minimum internal  
1377 controls until such system of minimum controls is approved by the commission. The

1378 commission shall establish regulations for the information required in said internal control  
1379 submission.

1380 Any proposed changes to a gaming licensee's system of internal procedures and controls  
1381 shall be submitted to the commission along with 2 new certifications from its chief legal and  
1382 financial officers. Pending no objections from the commission, the gaming licensee may make  
1383 said changes 15 business days after submitting a description of the changes to the commission.

1384 (e) Gaming equipment shall not be possessed, maintained or exhibited by any person on  
1385 the premises of a gaming establishment except in a gaming area approved by the commission or  
1386 in a restricted area used for the inspection, repair or storage of such equipment and specifically  
1387 designated for that purpose.

1388 (f) Each gaming facility shall contain a count room and such other secure facilities as  
1389 may be required by the commission for the counting and storage of cash, coins, tokens, checks,  
1390 plaques, gaming vouchers, coupons and other devices or items of value used in wagering and  
1391 approved by the commission that are received in the conduct of gaming and for the inspection,  
1392 counting and storage of dice, cards, chips and other representatives of value.

1393 (g) A dealer may accept tips or gratuities from a patron at the table game where such  
1394 dealer is conducting play; provided, however, that such tips or gratuities shall be placed in a pool  
1395 for distribution among other dealers. The commission shall determine how tips and gratuities  
1396 shall be set aside for the dealer pool as well as the manner of distribution among dealers.

1397 (h) No person under the age of 21 shall be permitted to wager or be in an area of a facility  
1398 where gaming is conducted; provided, however, that a person 18 years or over of age who is a

1399 licensed employee of the gaming operation may be in an area of a facility where gaming is  
1400 conducted if in the performance of the duties he is licensed to undertake.

1401 (i) No category 1, category 2 or category 3 licensee shall operate unless the facility  
1402 manager or his designee is on the premises and representatives of the commission are present at  
1403 the facility; provided, further that the commission may allow a gaming licensee to conduct  
1404 gaming operations for a period not to exceed 48 hours pursuant to a duly filed emergency  
1405 operations plan previously filed with, and approved by, the commission that addresses the  
1406 internal procedures to be followed during such an emergency to ensure that the gaming licensee  
1407 and its employees comply with all pertinent statutes and regulations.

1408 (j) Each gaming establishment shall file an emergency response plan with the fire  
1409 department and police department of the host community which shall include without limitation:  
1410 (1) a layout identifying all areas within the facility and grounds including support systems and  
1411 the internal and external access routes; (2) the location and inventory of emergency response  
1412 equipment and the contact information of the emergency response coordinator for the facility; (3)  
1413 the location of any hazardous substances as well as a description of any public health or safety  
1414 hazards present on site; (4) a description of any special equipment needed to respond to an  
1415 emergency at the facility; (5) an evacuation plan; and (6) any other information relating to  
1416 emergency response as requested by the fire department or the police department of the host  
1417 community.

1418 Section 28. (a) Notwithstanding any general or special law, rule or regulation to the  
1419 contrary, an applicant for a category 1 license may request with their gaming license application,  
1420 and the commission may grant, a resort casino beverage license for the sale and distribution of

1421 alcoholic beverages to be drunk on the premises of a resort casino including any associated hotel  
1422 and individual rooms and mini-bars at such hotels. No alcoholic beverages shall be sold or  
1423 distributed on the premises of a gaming establishment without such a license. The authority to  
1424 enforce, regulate and control the distribution of alcoholic beverages in the resort casino shall be  
1425 exclusively vested in the commission.

1426 (b) Except as otherwise provided in this section, or by regulations promulgated by the  
1427 commission, the provisions of chapter 138 and the rules and regulations promulgated by the  
1428 alcoholic beverages control commission shall apply to a resort casino and a resort casino  
1429 beverage license.

1430 (c) Issuance fees for the casino beverage license shall be included with the gaming  
1431 application fee. If a category 1 licensee does not apply for a casino beverage license at the time  
1432 of application, said licensee shall be subject to an additional licensing fee determined by the  
1433 commission.

1434 (d) A licensee under this section shall be permitted to distribute alcohol free of charge  
1435 and for on-premise consumption to patrons on the casino floor or as a complimentary service or  
1436 item in the gaming establishment; provided, however, that the commission shall promulgate  
1437 regulations on such distribution as well as the forms of identification that may be presented to the  
1438 licensee to demonstrate proof that a person has attained the age of 21.

1439 (e) A licensee under this section shall be permitted to sell alcohol daily after 8  
1440 antemeridian and before 2 antemeridian.

1444 scope of the particular license and any restrictions and limitations.

1445 (g) A category 1 licensee shall be responsible for any violations of their casino beverages  
1446 license in the gaming establishment. The commission may revoke, suspend, refuse to renew or  
1447 refuse to transfer any resort casino beverage license for violations of any provision of chapter  
1448 138, regulations promulgated by the alcoholic beverages control commission and the regulations  
1449 promulgated by the commission. If, at any time, a licensee elects temporary suspension of their  
1450 category 1 license due to violations of this section, said licensee shall owe the commonwealth the  
1451 average tax on gross gaming revenue based on an appropriate period of time as determined by  
1452 the commission for the number of days operation was suspended.

1453 (h) A resort casino beverage license shall be nontransferable without prior approval from  
1454 the commission. If the license granted under this act is cancelled, revoked or no longer in use, it  
1455 shall be returned physically, with all the legal rights, privileges and restrictions pertaining  
1456 thereto, to the commission and the commission may then grant the license to a new gaming  
1457 licensee under the same conditions as specified in this section.

1458 (i) A license granted under this section shall not decrease the number of such licenses  
1459 authorized to be granted to the host community under the provisions of chapter 138.

1460 Section 29. (a) A gaming licensee shall be permitted to issue credit to a patron of a  
1461 gaming establishment in accordance with regulations promulgated by the commission. Such  
1462 regulations shall include, but not be limited to: (i) procedures for confirming that a patron has an  
1463 established credit history and is in good standing; (ii) whether the patron has a good credit  
1464 history with the gaming establishment; (iii) authorization of any credit instrument; (iv) methods

1465 for acknowledging a credit instrument and payment of debt; and (v) information to be provided  
1466 by the patron to the gaming establishment to be shared with the commission for auditing  
1467 purposes.

1468 (b) Except as otherwise authorized by the commission through regulations pursuant to  
1469 this chapter, no facility, nor any person acting on behalf of said facility shall: (1) cash any  
1470 check, make any loan, or otherwise provide or allow to any person any credit or advance of  
1471 anything of value, or which represents value, to enable any person to place a wager; or (2)  
1472 release or discharge any debt, either in whole or in part, or make any loan which represents any  
1473 losses incurred by any player in gaming or simulcast wagering activity, without maintaining a  
1474 written record thereof in accordance with the rules of the commission. Nothing in this section  
1475 shall prohibit a facility from accepting credit cards for non-gaming related purchases or services.

1476 (c) Checks cashed in conformity with the requirements of this chapter shall be valid  
1477 instruments enforceable under the laws of the commonwealth. Any check cashed, transferred,  
1478 conveyed or given in violation of this chapter or regulations promulgated thereunder shall be  
1479 invalid and unenforceable.

1480 (d) The commission shall establish, by regulation, procedures and standards for  
1481 approving promotional gaming credits, provided that no such credit shall be reported as a  
1482 promotional gaming credit by an operator of a licensed gaming establishment unless the operator  
1483 can establish that the credit was issued by the gaming establishment and received from a patron  
1484 as a wager at a slot machine in the gaming establishment, provided further that such promotional  
1485 gaming credit shall not be taxable for the purposes of determining gross revenue.

1486 (e) No other person or entity, other than a gaming licensee licensed pursuant to this  
1487 chapter, shall issue credit to a patron of a gaming establishment.

1488 (f) A person may petition the commission to place his name on a list of persons to whom  
1489 the extension of credit by a gaming establishment shall be prohibited. Any person filing such  
1490 petition shall submit to the commission the person's name, address, and date of birth. The person  
1491 shall not be required to provide a reason for said request. The commission shall provide this list  
1492 to the credit department of each gaming establishment; provided, however, that neither the  
1493 commission nor the credit department of a gaming establishment shall divulge the names on this  
1494 list to any person or entity other than those provided for in this subsection. If such a person  
1495 wishes to have their name removed from the list, the person shall petition the commission in  
1496 accordance with procedures for removal set forth by the commission. If the commission  
1497 approves the request, the commission shall so inform the credit department of the gaming  
1498 establishments no later than 7 days after approving the request.

1499 (g) Debt collections pursuant to this section and regulations promulgated thereunder shall  
1500 be limited to gaming key employees or attorneys acting directly on behalf of gaming licensees;  
1501 provided further that a gaming key employee shall be prohibited from making any such  
1502 collections if they serve as a junket representative for the gaming licensee.

1503 Section 30. (a) No junkets may be organized or permitted and no person may act as a  
1504 junket representative or junket enterprise except as authorized by the commission pursuant to  
1505 this chapter.

1506 (b) A junket representative employed by a gaming licensee or affiliate of said licensee  
1507 shall be licensed as a gaming employee in accordance with the provisions set forth in section 25,

1508 including provisions for the issuance of a temporary license; provided, however that said licensee  
1509 need not be a resident of the commonwealth. Any person who holds a valid gaming employee  
1510 license may act as a junket representative while employed by a gaming license or an affiliate.  
1511 No gaming licensee shall employ or otherwise engage a junket representative who is not licensed  
1512 pursuant to this chapter.

1513 (c) The commission shall deny an application for a license under this section if the  
1514 commission finds that an applicant is disqualified pursuant to section 14 or may be unsuitable for  
1515 licensure under any of the criteria set forth in section 19.

1516 (d) Each gaming licensee, junket representative or junket enterprise shall file a report  
1517 with the bureau with respect to each list of junket patrons or potential junket patrons purchased  
1518 directly or indirectly by the gaming licensee, junket representative or enterprise.

1519 (e) No junket enterprise or junket representative or person acting as a junket  
1520 representative shall: (i) engage in efforts to collect upon checks that have been returned by banks  
1521 without full and final payment; (ii) exercise approval authority with regard to the authorization or  
1522 issuance of credit pursuant to this chapter; (iii) act on behalf of or under any arrangement with a  
1523 gaming licensee or a gaming patron with regard to the redemption, consolidation, or substitution  
1524 of the gaming patron's checks awaiting deposit; (iv) individually receive or retain any fee from a  
1525 patron for the privilege of participating in a junket; or (v) pay for any services, including  
1526 transportation, or other items of value provided to, or for the benefit of, any patron participating  
1527 in a junket.

1528 (f) The commission shall promulgate further regulations concerning the conduct of  
1529 junkets and conditions of junket agreements between gaming licensees and junket  
1530 representatives.

1531 Section 31. (a) No gaming licensee shall offer to provide any complimentary services,  
1532 gifts, cash or other items of value to any person unless the complimentary consists of room, food,  
1533 beverage, transportation, or entertainment expenses provided directly to the patron and his guests  
1534 by the licensee or indirectly to the patron and his guests on behalf of a third party, or the  
1535 complimentary consists of coins, tokens, cash or other complimentary items or services provided  
1536 through a complimentary distribution program which shall be filed and approved by the  
1537 commission upon the implementation of the program or maintained pursuant to regulation.

1538 (b) A gaming licensee may offer and provide complimentary cash or noncash gifts which  
1539 are not otherwise included in subsection (a) to any person, provided that any such gifts in excess  
1540 of \$2,000 are documented by the licensee and detail the reasons why such gifts were provided to  
1541 the patron.

1542 (c) Each gaming licensee shall maintain a regulated complimentary service account for  
1543 those complimentaries which are permitted under this section, and shall submit a quarterly report  
1544 to the commission based upon such account and covering all complimentary services offered or  
1545 engaged in by the licensee during the immediately preceding quarter. Such reports shall include  
1546 identification of the regulated complimentary service and their respective costs, the number of  
1547 persons by category of service who received the same and such other information as the  
1548 commission may require.

1549 (d) The furnishing of a complimentary service or item by a casino licensee shall be  
1550 deemed to constitute the indirect payment for the service or item by the casino licensee, and shall  
1551 be valued in an amount based upon the retail price normally charged by the casino licensee for  
1552 the service or item. The value of a complimentary service or item not normally offered for sale  
1553 by a casino licensee or provided by a third party on behalf of a casino licensee shall be the cost to  
1554 the casino licensee of providing the service or item, as determined in accordance with the rules  
1555 of the commission.

1556 Section 32. (a) Upon revocation or suspension of a gaming license pursuant to section 20,  
1557 or upon the failure or refusal to renew a gaming license the commission may appoint a  
1558 conservator to temporarily manage and operate the business of the licensee relating to the  
1559 gaming establishment. Such conservator shall be a person of similar experience in the field of  
1560 gaming management and, in the case of replacing a gaming licensee, shall have experience  
1561 operating a gaming facility of similar caliber in another jurisdiction, and shall be in good  
1562 standing in all jurisdictions in which they operate any gaming facility.

1563 Upon appointment, a conservator shall agree to all licensing provisions of the former  
1564 licensee.

1565 (b) A conservator shall, before assuming his duties, execute and file a bond for the  
1566 faithful performance of his duties payable to the commission with such surety and in such form  
1567 and amount as the commission shall approve.

1568 (c) The commission shall require that the former or suspended licensee purchase liability  
1569 insurance, in an amount determined by the commission, to protect a conservator from liability for

1570 any acts or omissions of the conservator during his appointment which are reasonably related to,  
1571 and within the scope of the conservator's duties.

1572 (d) During the period of temporary management of the resort casino, the commission  
1573 shall initiate proceedings pursuant to this chapter to award a new gaming license to a qualified  
1574 applicant whose gaming facility shall be located at the site of the preexisting gaming facility.

1575 (e) Applicants for a new gaming license shall be qualified for licensure pursuant to this  
1576 chapter; provided, however, that the commission shall determine an appropriate level of  
1577 investment by an applicant into the preexisting gaming facility.

1578 (f) Upon award of a gaming license, applicants shall pay the licensing fee for a category  
1579 1, category 2 or category 3 license.

1580 Section 33. (a) There shall be within the commission an investigations and enforcement  
1581 bureau, which shall be the primary enforcement agent for regulatory matters under this chapter  
1582 and shall perform such functions as the executive director may determine in relation to such  
1583 enforcement including the investigations of all licensees under this chapter..The bureau shall be  
1584 under the supervision and control of the deputy director. The deputy director shall be the  
1585 executive and administrative head of the bureau and shall be responsible for administering and  
1586 enforcing the provisions of law relative to the bureau and to each administrative unit thereof. The  
1587 duties given to the deputy director in this chapter and in any other general or special law shall be  
1588 exercised and discharged subject to the direction, control and supervision of the executive  
1589 director.

1590 (b) The bureau shall be a law enforcement agency and its employees shall have such law  
1591 enforcement powers as to effectuate the purposes of this chapter, including the power to receive

1592 intelligence on any applicant or licensee under this chapter and to investigate any suspected  
1593 violation of the provisions of this chapter.

1594 (c) Officers and employees of the gaming enforcement unit of the state police assigned to  
1595 the commission pursuant to section 70 of chapter 22C shall work with employees of the bureau,  
1596 under the direction of the deputy director, to investigate violations of this chapter by any  
1597 licensee under this chapter or any activity taking place on the premises of a gaming  
1598 establishment. Officers assigned to work with the commission shall record their time and submit  
1599 total hours to the commission. The commission shall reimburse the state police through monies  
1600 appropriated from the gaming control fund pursuant to section 8.

1601 (d) The bureau shall notify the division of gaming enforcement in the office of the  
1602 attorney general of any criminal violations by a gaming licensee. The bureau and the division  
1603 shall cooperate on the regulatory and criminal enforcement of this chapter and may determine  
1604 whether to proceed with civil or criminal sanctions, or both against said licensee.

1605 (e) To further effectuate the purposes of this chapter with respect to the investigation and  
1606 enforcement of licensed gaming establishments and licensees, the bureau may obtain or provide  
1607 pertinent information regarding applicants or licensees from or to law enforcement entities or  
1608 gaming authorities and other domestic, federal or foreign jurisdictions, including the federal  
1609 bureau of investigation, and may transmit such information to each other electronically.

1610 (f) The bureau, the division and the gaming enforcement unit of the department of state  
1611 police shall have exclusive enforcement of any criminal violation that occurs inside a licensed  
1612 gaming facility under this chapter; provided, however, that the state police shall execute a  
1613 memorandum of understanding with the law enforcement agency of the host community that

1614 shall include, but not be limited to, procedures involving: (i) first responder calls from the  
1615 gaming establishment; (ii) emergencies occurring within the gaming establishment, including the  
1616 gaming facility; and (iii) criminal investigations involving employees or patrons of the gaming  
1617 establishment; provided further that the bureau of investigations and enforcement shall have the  
1618 authority to restrict areas in the gaming establishment with direct access to the gaming facility.

1619           Section 34. (a) The bureau shall have the authority to issue orders requiring persons to  
1620 cease any activity which is in violation of the provisions of this chapter, any regulation adopted  
1621 hereunder, or any law related to gaming in the commonwealth. The commission or bureau may,  
1622 in its order, require compliance with such terms and conditions as are reasonably necessary to  
1623 effect the purposes of this chapter.

1624           (b) If the bureau finds, in accordance with the procedures established in section 35 and  
1625 the regulations adopted thereunder, that any person is not in compliance with any order issued  
1626 pursuant to this section, it shall assess a civil administrative penalty on such person as provided  
1627 in said section 35 and the regulations adopted thereunder. The penalty may be assessed whether  
1628 or not the violation was willful. In determining the amount of the civil penalty, the bureau shall  
1629 consider: (i) the nature of the violation; (ii) the length of time the violation occurred; (iii) the risk  
1630 to the public and to the integrity of gaming operations created by the conduct of the licensee or  
1631 registrant; (iv) the seriousness of the conduct of the licensee or registrant; (v) any justification or  
1632 excuse for such conduct by the licensee or registrant; (vi) the prior history of the particular  
1633 license or registrant involved with respect to gaming activity; (vii) any corrective action taken by  
1634 the licensee or registrant to prevent future misconduct; (viii) and other relevant factors.

1635 (c) In addition to collecting any civil penalties recoverable under this chapter or any other  
1636 general or special law, the bureau may bring an action in the superior court to restrain, prevent or  
1637 enjoin any conduct prohibited by this chapter or to compel action to comply immediately and  
1638 fully with any order issued by the bureau. Except in cases of emergency where, in the opinion of  
1639 the court, immediate abatement of the unlawful conduct is required to protect the public interest,  
1640 the court may in its decree fix a reasonable time during which the person responsible for the  
1641 unlawful conduct may abate and correct the violation. The expense of the proceeding shall be  
1642 recoverable from the licensee and deposited into the gaming revenue fund pursuant to section 52.

1643 (d) Upon a recommendation from the bureau, the commission shall issue orders to  
1644 condition, suspend or revoke a license or permit issued under this chapter.

1645 (e) Notwithstanding the foregoing, the bureau shall be authorized to issue an order to  
1646 cease and desist any activity if the bureau finds that a licensee has engaged in or is about to  
1647 engage in an act or practice which constitutes a violation of this chapter or laws of the  
1648 commonwealth and may take such affirmative action to effect the order. If the bureau finds that  
1649 the licensee is engaged in an act or practice that would cause irreparable harm to the security and  
1650 integrity of the gaming establishment or the interests of the commonwealth in ensuring the  
1651 security and integrity of gaming under this chapter, the bureau may issue a temporary suspension  
1652 of the license.

1653 (f) Any licensee who has been issued a temporary order of suspension by the bureau shall  
1654 be entitled to a hearing before the commission on such suspension within 7 days that the order  
1655 was issued. At the conclusion of the hearing, the commission may issue a final order to  
1656 condition, suspend or revoke the license in question.

1657 (g) Any licensee shall have the right to an adjudicatory hearing on an order issued by the  
1658 bureau or commission pursuant to chapter 30A.

1659 Section 35. (a) The bureau may assess a civil administrative penalty on a licensee or  
1660 registrant who fails to comply with any provision of this chapter or any regulation or order  
1661 adopted by the commission; provided, however, that such noncompliance occurred after the  
1662 bureau had given such person written notice of such noncompliance and the time stated in said  
1663 notice for coming into compliance had elapsed; provided, however, that the bureau may assess  
1664 such penalty without providing such written notice if such failure to comply: (i) was part of a  
1665 pattern of noncompliance and not an isolated instance; (ii) was willful or neglectful and not the  
1666 result of error; (iii) resulted in a significant breach to the integrity of the gaming establishment or  
1667 gaming laws of the commonwealth; and (iv) consisted of failure to promptly report any  
1668 knowledge of a potential violation of this chapter to the commission. Any such penalty shall be  
1669 in addition to any other civil penalty that may be prescribed by law.

1670 (b) For the purpose of determining whether such noncompliance was part of a pattern of  
1671 noncompliance and not an isolated instance, the bureau shall consider without limitation the  
1672 following: (i) whether the bureau had previously notified the person of such noncompliance on  
1673 more than one occasion during the previous month or of any noncompliance with the same  
1674 provision of a law, regulation, order, license or approval as the current noncompliance during the  
1675 previous 6 month period; or (ii) whether the current and previous noncompliances, considered  
1676 together, indicate a potential threat to the integrity of the gaming establishment and gaming in  
1677 the commonwealth or an interference with the commission's ability to efficiently and effectively  
1678 regulate gaming in the commonwealth and enforce any regulation, license or order. If a licensee  
1679 or registrant who has received a notice of noncompliance fails to come into compliance within

1680 the time period stated in such notice, the civil administrative penalty may be assessed by the  
1681 bureau upon such licensee or registrant from the date of receipt of such notice.

1682 (c) Whenever the bureau seeks to assess a civil administrative penalty on any licensee or  
1683 registrant, the bureau shall cause to be served upon such licensee or registrant, either by service,  
1684 in hand, or by certified mail, return receipt requested, a written notice of its intent to assess a  
1685 civil administrative penalty which shall include a concise statement of the alleged act or  
1686 omission for which such civil administrative penalty is sought to be assessed, each law,  
1687 regulation, order, license or approval which has not been complied with as a result of such  
1688 alleged act or omission, the amount which the bureau seeks to assess as a civil administrative  
1689 penalty for each such alleged act or omission, a statement of such licensee's or registrant's right  
1690 to an adjudicatory hearing on the proposed assessment, the requirements such licensee or  
1691 registrant must comply with to avoid being deemed to have waived the right to an adjudicatory  
1692 hearing and the manner of payment thereof if such person elects to pay the penalty and waive an  
1693 adjudicatory hearing. After written notice of noncompliance or intent to assess a civil  
1694 administrative penalty has been given, each such day thereafter during which such  
1695 noncompliance occurs or continues shall constitute a separate offense and shall be subject to a  
1696 separate civil administrative penalty if reasonable efforts have not been made to promptly come  
1697 into compliance.

1698 (d) Whenever the bureau seeks to assess a civil administrative penalty on any licensee or  
1699 registrant, such licensee or registrant shall have the right to an adjudicatory hearing under  
1700 chapter 30A whose provisions shall apply except when they are inconsistent with the provisions  
1701 of this chapter.

1702 (e) Such licensee or registrant shall be deemed to have waived such right to an  
1703 adjudicatory hearing unless, within 21 days of the date of the bureau's notice that it seeks to  
1704 assess a civil administrative penalty, such licensee or registrant files with the bureau a written  
1705 statement denying the occurrence of any of the acts or omissions alleged by the bureau in such  
1706 notice, or asserting that the money amount of the proposed civil administrative penalty is  
1707 excessive. In any adjudicatory hearing authorized pursuant to chapter 30A, the bureau shall, by a  
1708 preponderance of the evidence, prove the occurrence of each act or omission alleged by the  
1709 bureau.

1710 (f) If a licensee or registrant waives his right to an adjudicatory hearing, the proposed  
1711 civil administrative penalty shall be final immediately upon such waiver. If a civil  
1712 administrative penalty is assessed at the conclusion of an adjudicatory hearing, said civil  
1713 administrative penalty shall be final upon the expiration of 30 days if no action for judicial  
1714 review of such decision is commenced pursuant to chapter 30A.

1715 (g) Any licensee or registrant who institutes proceedings for judicial review of the final  
1716 assessment of a civil administrative penalty shall place the full amount of the final assessment in  
1717 an interest-bearing escrow account in the custody of the clerk or magistrate of the reviewing  
1718 court. The establishment of such an interest-bearing escrow account shall be a condition  
1719 precedent to the jurisdiction of the reviewing court unless the party seeking judicial review  
1720 demonstrates in a preliminary hearing held within 20 days of the filing of the complaint either  
1721 the presence of a substantial question for review by the court or an inability to pay. Upon such a  
1722 demonstration, the court may grant an extension or waiver of the interest-bearing escrow account  
1723 or may require, in lieu of such interest-bearing escrow account, the posting of a bond payable  
1724 directly to the commonwealth in the amount of 125 per cent of the assessed penalty. If, after

1725 judicial review, in a case where the requirement for an escrow account has been waived, and in  
1726 cases where a bond has been posted in lieu of such requirement, the court affirms, in whole or in  
1727 part, the assessment of a civil administrative penalty the commission shall be paid the amount  
1728 thereof together with interest at the rate set forth in section 6C of chapter 231. If, after such  
1729 review in a case where an interest-bearing escrow account has been established, the court affirms  
1730 the assessment of such penalty, in whole or in part, the commission shall be paid the amount  
1731 thereof together with the accumulated interest thereon in such interest-bearing escrow account. If  
1732 the court sets aside the assessment of a civil administrative penalty in a case where the amount of  
1733 such penalty has been deposited in an interest-bearing escrow account, the licensee or registrant  
1734 on whom the civil administrative penalty was assessed shall be repaid the amount so set aside,  
1735 together with the accumulated interest thereon.

1736 (h) Each licensee or registrant who fails to pay a civil administrative penalty on time, and  
1737 each person who issues a bond pursuant to this section and who fails to pay to the commission on  
1738 time the amount required hereunder, shall be liable to the commonwealth for up to 3 times the  
1739 amount of the civil administrative penalty, together with costs, plus interest from the time the  
1740 civil administrative penalty became final and attorneys' fees, including all costs and attorneys'  
1741 fees incurred directly in the collection thereof. The rate of interest shall be the rate set forth in  
1742 section 6C of chapter 231. The bureau shall be authorized to require that the amount of a civil  
1743 administrative penalty imposed pursuant to this section exceed any economic benefit realized by  
1744 a person for noncompliance.

1745 Section 36. (a) Any person who willfully fails to report, pay, or truthfully account for and  
1746 pay over any license fee or tax imposed by the provisions of this chapter or by the regulations  
1747 promulgated hereunder, or willfully attempts in any manner to evade or defeat any such license

1748 fee, tax or payment thereof shall be punished by imprisonment in the state prison for not more  
1749 than 5 years or in a jail or house of correction for not more than 2 and one-half years, or a fine of  
1750 not more than \$100,000, or both such fine and imprisonment, and in the case of a person other  
1751 than a natural person, the amount of a fine up to \$5,000,000.

1752 (b) Any person who willfully resists, prevents, impedes, interferes with, or makes any  
1753 false, fictitious, or fraudulent statement or representation to the authority or to the division or to  
1754 their agents or employees in the performance of their duties pursuant to this chapter shall be  
1755 punished by imprisonment in the state prison for not more than 5 years or in a jail or house of  
1756 correction for not more than 2 and one-half years, or a fine of not more than \$25,000, or both  
1757 such fine or imprisonment.

1758 (c) Any person who conducts or operates, or permits to be conducted or operated, any  
1759 game, electronic gaming equipment in violation of the licensing provisions of this chapter or the  
1760 regulations adopted hereunder shall be punished by imprisonment in the state prison for not more  
1761 than 5 years or imprisonment in a jail or house of correction for not more than 2 and one-half  
1762 years, or a fine of not more than \$25,000, or both such fine or imprisonment, and in the case of a  
1763 person other than a natural person, the amount of a fine up to \$100,000.

1764 (d) Any licensee who, without the permission of the authority, (1) places controlled  
1765 games or electronic gaming equipment into play or displays such controlled games or electronic  
1766 gaming equipment in gaming establishment or (2) receives, directly or indirectly, any  
1767 compensation or reward or any percentage or share of the revenue, for keeping, running, or  
1768 carrying on any controlled game, or owning the real property or location in which any controlled  
1769 game occurs, shall be punished by imprisonment in a jail or house of correction for not more

1770 than 2 and one-half years, or by a fine of not more than \$25,000, or both, and in the case of a  
1771 person other than a natural person, the amount of a fine up to \$100,000.

1772 (e) Any person who conducts or operates any controlled game or electronic gaming  
1773 equipment after his license has expired and prior to the actual renewal thereof shall be punished  
1774 by imprisonment in a jail or house of correction for not more than 1 and one-half years, or a fine  
1775 of not more than \$25,000, or both such fine or imprisonment, and in the case of a person other  
1776 than a natural person, the amount of a fine up to \$100,000.

1777 (f) In addition to the provisions of section 75 of chapter 266, a person is guilty of  
1778 swindling and cheating if the person purposely or knowingly by any trick or sleight of hand  
1779 performance or by a fraud or fraudulent scheme, cards, dice, or other gaming equipment, for

1799 (h) Each episode or transaction of swindling or cheating may be the subject of a separate  
1800 prosecution and conviction. In the discretion of the prosecutor, multiple episodes or transactions  
1801 of swindling and cheating committed as part of a single scheme or course of conduct may be  
1802 treated as a single offense, and the amounts involved in acts of swindling and cheating
