An Act authorizing the town of Needham to convey a parcel of land and grant an easement to support natural gas transmission.

*Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:*

1           SECTION I. The board of selectmen and the conservation commission of the town of  
2 Needham may convey a certain parcel of conservation land, containing approximately 375  
3 square feet, located at Ridge Hill Reservation, off Mary Chilton road in the town of Needham, to  
4 Algonquin Gas, for the purpose of correcting an encroachment of a building by said Algonquin  
5 Gas Transmission, LLC and operating and maintaining a gas transmission line utility. The parcel  
6 is identified as Tract N-215A on a plan prepared by the town of Needham conservation  
7 commission and dated May 27, 2011.

8           SECTION 2. In consideration for the conveyance authorized in section I, Algonquin Gas  
9 shall make a payment in the amount of \$50,000 to the Conservation Trust Fund of the town of  
10 Needham.

11           SECTION 3. The town of Needham, acting by and through its conservation commission  
12 and board of selectmen may transfer to its board of selectmen the care, custody and control of a  
13 cellaln parcel of land acquired for conservation purposes to be used for general municipal use

14 for the purpose of installing and maintaining a cathodic protection system for a gas transmission  
15 line for Algonquin Gas. The parcel contains approximately 18,764 square feet of land, is located  
16 at Ridge Hill Reservation, 461 Charles River Street, and is shown on a plan entitled "Ridge Hill  
17 Cathodic Protection System Permitting Plan" prepared in 2010 by Vanasse Hangen Brustlin, Inc.,  
18 of Watertown, MA.

19 SECTION 4. The town of Needham, acting by and through its board of selectmen, may  
20 grant and convey a cathodic protection easement to Algonquin Gas on 19,564 square feet of land  
21 within Ridge Hill Reservation described in section 3 containing 18,764 square feet and another  
22 parcel of land containing approximately 800 square feet that is held by the town for municipal  
23 purposes. The purpose of the easement is for the installation and maintenance of the cathodic  
24 protection system for a gas transmission line for Algonquin Gas.

25 SECTION 5. In consideration for the grant of the easement set forth in section 4,  
26 Algonquin Gas shall make a payment in the amount of \$20,000 to the Conservation Trust fund of  
27 the town of Needham.

28 SECTION 6. If the lands conveyed and transferred pursuant to sections 1, 3 and 4 cease  
29 to be used for the purposes described in said sections, the lands shall revert to the town of  
30 Needham and shall be dedicated to conservation purposes within Ridge Hill Reservation.
