An Act providing for the safety of bicyclists traveling on bicycle paths.

*Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:*

1 Chapter 89 § 11 is hereby amended by inserting the words “and bicyclists” after the word  
2 “pedestrian” in the heading and adding the words “or bicyclists” or “and bicyclists” throughout  
3 the text, and by adding the sentence “Nor shall the fact that the bicyclist may have had a “Yield”  
4 sign, “Stop” sign or other traffic control device to warn of the upcoming roadway crossing be a  
5 defense to any civil claim arising from any crash or collision in or at the marked crossing”, so  
6 that the four paragraphs of the current statute shall read as follows:

7 When traffic control signals are not in place or not in operation the driver of a vehicle  
8 shall yield the right of way, slowing down or stopping if need be so to yield, to a pedestrian or  
9 bicyclist crossing the roadway within a crosswalk marked in accordance with standards  
10 established by the department of highways if the pedestrian is on that half of the traveled part of  
11 the way on which the vehicle is traveling or if the pedestrian or bicyclist approaches from the  
12 opposite half of the traveled part of the way to within 10 feet of that half of the traveled part of  
13 the way on which said vehicle is traveling.

14 No driver of a vehicle shall pass any other vehicle which has stopped at a marked  
15 crosswalk to permit a pedestrian or bicyclist to cross, nor shall any such operator enter a marked  
16 crosswalk while a pedestrian or bicyclist is crossing or until there is a sufficient space beyond the  
17 crosswalk to accommodate the vehicle he is operating, notwithstanding that a traffic control  
18 signal may indicate that vehicles may proceed. Nor shall the fact that the bicyclist may have had  
19 a “Yield” sign, “Stop” sign or other traffic control device to warn of the upcoming roadway  
20 crossing be a defense to any civil claim arising from any crash or collision in or at the marked  
21 crossing.

22 Whoever violates any provision of this section shall be punished by a fine of not more  
23 than \$200.

24 Whenever a pedestrian or bicyclist is injured by a motor vehicle in a marked crosswalk,  
25 the department of state police or the municipal police department with jurisdiction of the street,  
26 in consultation with department of state police if deemed appropriate, shall conduct an  
27 investigation into the cause of the injury and any violation of this section or other law or  
28 ordinance and shall issue the appropriate civil or criminal citation or file an application for the  
29 appropriate criminal complaint, if any. This section shall not limit the ability of a district attorney  
30 or the attorney general to seek an indictment in connection with the operation of a motor vehicle  
31 which causes injury or death and which violates this section.
