An Act requiring automated external defibrillators in schools.

*Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:*

1                   Section 1. Chapter 111 of the General Laws is hereby amended by inserting  
2 after section 57D the following section:—

3                   Section 57E. All public schools shall have a automatic external defibrillator on  
4 its premises and shall have AED providers, as defined in section 12V½ of chapter 112 available.  
5 The provisions of said section 12V½ of said chapter 112 shall be applicable to any action under  
6 this section.

7                   Section 2. On-site cardiac automated external defibrillator. 1. All Schools as  
8 defined by Chapter 32 Section 1 shall provide and maintain on-site in each instructional school  
9 facility automated external defibrillator (AED) equipment, as defined in section (1) in quantities  
10 and types deemed by the commissioner of education in consultation with the commissioner of

11 health to be adequate to ensure ready and appropriate access for use during emergencies. 2.  
12 Whenever public school facilities pursuant to subdivision one of this section are used for school  
13 sponsored or school approved curricular or extracurricular events or activities and whenever a  
14 school-sponsored athletic contest is held at any location, the public school officials and  
15 administrators responsible for such school facility or athletic contest shall ensure the presence of  
16 at least one staff person who is trained, as defined in Chapter 112 section 12V in the operation  
17 and use of an AED. Where a school-sponsored competitive athletic event is held at a site other  
18 than a public school facility, the public school officials shall assure that an AED is provided on-  
19 site. 3. Public school facilities and staff pursuant to subdivisions one and two of this section shall  
20 be deemed a "public access defibrillation provider" as defined in Chapter 112 Section 12V1/2  
21 subject to the requirements and limitations of such section. 4. Pursuant to Chapter 112 Section  
22 12V any public access defibrillation provider, or any employee or other agent of the provider  
23 who, in accordance with the provisions of this section, voluntarily and without expectation of  
24 monetary compensation renders emergency medical or first aid treatment using an AED which  
25 has been made available pursuant to this section, to a person who is unconscious, ill or injured,  
26 shall be liable only pursuant to section 12V of Chapter 112.
