6 employed by agencies of the commonwealth who exercise police powers and receive this
7 training from the municipal police training committee, including but not limited to
8 environmental police officers and campus police officers of the University of Massachusetts and
9 state universities who exercise police powers, shall be paid to the commissioner of insurance by
10 property and casualty insurance companies writing motor vehicle insurance policies in the
11 commonwealth by means of a policy surcharge imposed upon the policyholder of any private
12 passenger automobile policy issued by any property and casualty insurance company writing
13 motor vehicle insurance policies in the commonwealth. These programs shall include new recruit

28 policies in the commonwealth on a quarterly basis on or before the twenty-fifth day of the month
29 succeeding the end of the quarter in which it is collected. Any company failing or refusing to
30 collect and remit to the commissioner of insurance any policy surcharge or whose surcharge
31 payments are not postmarked by the due dates for quarterly filing shall be liable for a penalty of
32 up to \$100 for each day of delinquency, to be assessed by the commissioner of insurance. The
33 estimated costs shall include an amount equal to the cost of fringe benefits as established by the
34 secretary of administration and finance under section 5D of chapter 29. Any surcharge collected
