11 hereby amended by striking out subsection (b) and inserting in place thereof the following new
12 subsection:-

13 (b)(1) Except as provided by subsection (b)(2), if the financial institution has income
14 from business activity which is taxable both within and without this commonwealth, its net
15 income shall be apportioned to this commonwealth by multiplying its net income by the
16 applicable apportionment percentage. For purposes of subsection (b)(1), the applicable
17 apportionment percentage is determined by adding the taxpayer's receipts factor, property factor
18 and payroll factor together and dividing the sum by three. If one of the factors is missing, the two
19 remaining factors are added and the sum is divided by two. If two of the factors are missing, the
20 remaining factor is the apportionment percentage. If all three factors are missing, the whole of
21 the financial institution's net income shall be taxable under section two. A factor is missing if
22 both its numerator and denominator are zero, but it is not missing merely because its numerator
23 is zero.

24 (b)(2), Notwithstanding subsection (b)(1), a financial institution that has income from
25 business activity which is taxable both within and without this commonwealth, may elect to have
26 its net income apportioned to this commonwealth by multiplying said taxable net income by the
27 resulting percentage as determined in the following formulas:

28 (i) For taxable years beginning on or after January 1, 2012 but before January 1, 2013,
29 20 percent of the property factor plus 20 percent of the payroll factor plus 60 percent of the
30 receipts factor.

31 (ii) For taxable years beginning on or after January 1, 2013 but before January 1, 2014,
32 15 percent of the property factor plus 15 percent of the payroll factor plus 70 percent of the
33 receipts factor.

34 (iii) For taxable years beginning on or after January 1, 2014 but before January 1,
35 2015, 10 percent of the property factor plus 10 percent of the payroll factor plus 80 percent of the
36 receipts factor.

37 (iv) For taxable years beginning on or after January 1, 2015 but before January 1,
38 2016, 5 percent of the property factor plus 5 percent of the payroll factor plus 90 percent of the
39 receipts factor.

46 taxable net income pursuant to subsection (b)(2) of this section shall apply the rules applicable to
47 the receipts factor as set forth in this section, with the following exceptions:

48 (A) In lieu of sourcing receipts pursuant to paragraph (xi), receipts from services not
49 otherwise apportioned under this section are sourced to this commonwealth if the gross receipts
50 are derived from customers in this commonwealth or otherwise attributable to this
51 commonwealth's marketplace.

52 (B) In lieu of sourcing receipts pursuant to paragraph (xii), the numerator of the receipts
53 factor includes the income described in paragraph (xii)(A) multiplied by a fraction, the
54 numerator of which is the total amount included in the numerator of the receipts factor pursuant

55 to paragraphs (iii), (iv), (vi) and (xiv)(A) and the denominator of which is the taxpayer's total
56 amount of (1) interest and fees or penalties in the nature of interest from loans, (2) interest and
57 fees or penalties in the nature of interest from credit card receivables and receipts from fees
58 charged to card holders, such as annual fees, and (3) receipts from services subject to
59 apportionment pursuant to (xiv)(A).

78 The credit allowed under this section for any taxable year shall not reduce the excise to
79 less than the amount due under section thirty-two (b), thirty-nine (b) or sixty-seven and under
80 any act in addition thereto.

81 Any corporation entitled to a credit for any taxable year in accordance with the provisions
82 of this section may carry over and apply to its excise for any one or more of the next succeeding
83 three taxable years, the portion, as reduced from year to year, of its credit which exceeds its
84 excise for the taxable year.

85 SECTION 9. Said chapter 63 of the General Laws is hereby amended by inserting the
86 following section:-

87 Section 31O: For the purposes of this section, the following words shall have the
88 following meanings:

89 ‘Application year’, the calendar year for which a qualifying small business submits the
90 information required for a determination as to a jobs incentive payment.

91 ‘Commissioner’, the commissioner of revenue.

92 ‘Eligible jobs’, a number determined by first multiplying each of the local jobs created by
93 a small business during a single calendar year by the job qualifier for that job, and then totaling
94 the number for all the local jobs created.

95 ‘Full time employee’, a person who is employed for consideration for at least 35 hours
96 per week and whose salary is subject to withholding as provided in chapter 62B.

97 'Job qualifier fraction', in the case of either a full-time employee or a part-time employee
98 of a small business, the figure that determines the extent to which that employee is employed in
99 the commonwealth during a single calendar year. The job qualifier fraction for each employer
100 shall be determined by multiplying the following percentages together: (i) the percentage of time
101 that an employee worked while employed by the company expressed as average hours worked
102 per week out of 35 hours, not to exceed 100 per cent; (ii) that employee's time attributable to
103 work in the commonwealth, as a portion of that employee's total work for the company; and (iii)
104 the portion of the year the employee worked for the company.

105 'Local jobs created', the total number of direct jobs created by a small business during a
106 single calendar year in which the new employees perform their duties in at least 1 in-state
107 location, including jobs performed by persons that are transferred within the company to work at
108 an in-state location from a location based outside the state.

109 'Part-time employee', a person who is employed for consideration for less than 35 hours
110 a week and whose salary is subject to withholding as provided in chapter 62B.

111 'Payment years', in the case of a small business that is determined to be eligible for a jobs
112 incentive payment, the 3 calendar years following the application year.

113 'Small business', a business that had total annual sales in its most recently completed
114 fiscal year of less than five million dollars, or has less than 100 employees, and has a principal
115 place of business in the commonwealth.

116 'Small business jobs incentive payment', a business employment incentive payment for
117 qualifying small businesses as provided for in this section.

118 ‘Weighted average employment’, for a calendar year, the total number of jobs maintained
119 by a small business in which the employees performed employment services at least 1 in-state
120 location. The number is to be determined by first multiplying each of the individual jobs
121 maintained by the company for that year by the job qualifier fraction for that job and then
122 totaling the number for all of these jobs.

123 (b) A small business that creates 5 or more eligible jobs in the commonwealth during a
124 single calendar year shall be entitled to a small business jobs incentive payment if its weighted
125 average employment for such year reflects a net increase of at least 5 jobs over the company’s
126 weighted average employment for the previous calendar year. The jobs incentive payment shall
127 be equal to 25 per cent of the amount paid by the company as salary attributable to eligible jobs
128 created by the company in such year to the extent that the salary was subject to Massachusetts
129 withholding pursuant to chapter 62B for such year, multiple by the applicable Massachusetts
130 income tax rate for such salary. For the purposes of this provision, an eligible job shall be
131 deemed created in the commonwealth on the first day for which Massachusetts withholding is
132 required in connection with the compensation paid to the employee.

133 (c) The small business jobs incentive payment shall be paid to the small business in 3
134 equal installments in each of the three calendar years commencing with the calendar year
135 subsequent to the application year. If, for the first or second payment year, the company’s
136 weighted average employment falls below its weighted average for the application year, the
137 company shall be disqualified from receiving its second installment payment. It may still receive
138 its third installment payment if its weighted average employment for its second payment year is
139 above its weighted average employment for its application year.

140 (d) A small business that seeks a small business jobs incentive payment shall apply to the
141 commissioner to receive such payment on a form to be prescribed by the commissioner. This
142 form shall reference the necessary information concerning the eligible jobs created by the
143 company in the commonwealth during the application year and also the company's weighted
144 average employment for such year and the previous calendar year. The commissioner shall
145 advise the company of his determination in writing.

146 (e) Not later than March 1 of each calendar year for which a small business has been
147 approved to receive a small business jobs incentive payment, the company shall submit to the
148 commissioner the information necessary to evaluate the company's previous year weighted
149 employment average.

150 (f) A small business previously approved to receive a small business jobs incentive
151 payment is entitled to re-apply for an additional payment for a second or third application year.
152 In such cases, the company may be entitled to receive a small business jobs incentive payment
153 that relates to a different application in the same calendar year. When a company had previously
154 been granted a jobs incentive payment for 3 application years, it shall not request an additional
155 small business jobs incentive payment.

156 (g) The commissioner shall issue payments, as authorized in subsection (b), without
157 further appropriation. The commissioner may issue rules and regulations as necessary or helpful
158 to implement this section, including rules and regulations to ensure compliance with this section.

177 allowed shall not reduce the excise to an amount less than the minimum excise.

179 and apply to its excise for any 1 or more of the next succeeding 5 taxable years, the portion, as
180 reduced from year to year, of those credits which exceed the excise for the taxable year. The tax
181 credit shall be applied to the earliest year for which there is a tax liability. If there are credits for
182 more than one year that are available to offset a liability, the earlier credit shall be applied first.

183 (e) A taxpayer that has previously been approved to receive a credit under this section
184 shall not be eligible to receive said payment for more than one calendar year. A taxpayer may
