1217 beverages control commission shall apply to a gaming establishment and a gaming beverage  
1218 license unless otherwise provided by this section.

1237 commission. If, at any time, a licensee elects temporary suspension of their gaming license due  
1238 to violations of this section, said licensee shall owe the commonwealth the average tax on gross  
1239 gaming revenue based on an appropriate period of time as determined by the commission for the  
1240 number of days operation was suspended.

1241                   (7) A gaming beverage license shall be nontransferable without prior approval  
1242 from the commission. If the license granted under this section is cancelled, revoked or no longer  
1243 in use, it shall be returned physically, with all the legal rights, privileges and restrictions  
1244 pertaining to the license, to the commission and the commission may then grant the license to a  
1245 new gaming licensee under the same conditions as specified in this section.

1246 (8) A license granted under this section shall not decrease the number of such  
1247 licenses authorized to be granted to the host community under chapter 138.

1248 (e) A gaming license issued under this chapter shall be valid for a period of 10 years from  
1249 the date of first issuance. Ten years after issuance, and every 10 years thereafter, the

1251 establishment which shall include plans for expansion and marketing submitted by the licensee.

1254 A gaming licensee shall issue an annual report to the board explicitly stating its progress  
1255 on meeting each of the stated goals and stipulations from the licensee's original application. If a  
1256 licensee is unable to meet stated goals within a reasonable time frame, as determined by the  
1257 board, the board may levy additional fees, so long as the fees are fair and reasonable and the  
1258 commission may revoke the license, so long as the licensee has been afforded a proper hearing  
1259 on the matter.

1260 Nothing in this section shall preclude the board at any time from reviewing the business  
1261 operations of a gaming licensee to ensure that the conditions of licensure are being met,  
1262 including, but not limited to, the suitability of the licensee and any affiliates and the fiscal  
1263 stability of the gaming establishment.

1264 (f) The commission may condition, suspend or revoke a gaming license upon a finding  
1265 that a licensee: (i) has committed a criminal or civil offense under this chapter or any other laws

1267 investigation in another jurisdiction; (iii) has breached a condition of the gaming license; (iv) is

1268 conducting business with or employing a person or entity subject to license or registration under  
1269 this chapter that is not licensed or registered; (v) is no longer capable of maintaining operations  
1270 at a gaming establishment; or (vi) whose business practice, upon a determination by the  
1271 commission, is injurious to the policy objectives of this chapter.

1272 (g) Whenever any person contracts to transfer any property relating to an ongoing gaming  
1273 establishment, including a security holding in a gaming licensee or holding or intermediary  
1274 company, under circumstances which require that the transferee obtain licensure under this  
1275 chapter, the contract shall not specify a closing or settlement date which is sooner than 121 days  
1276 after the submission of a completed application for licensure or qualification, which application  
1277 shall include a fully executed and approved trust agreement.

1278 The commission shall hold a hearing and render a decision on the interim authorization of  
1279 the applicant. If the commission grants interim authorization, then the closing or settlement may  
1280 occur without interruption of gaming operations. If the commission denies interim authorization,  
1281 there shall be no closing or settlement until the commission makes a determination on the  
1282 qualification of the applicant. If the commission then denies qualification the contract shall be  
1283 terminated for all purposes without liability on the part of the transferor.

1284 (h) No person or affiliate shall be awarded, purchase or otherwise hold or have a financial  
1285 interest in more than 1 gaming license issued by the commission.

1286 (i) When granting the gaming licenses, the commission shall take into consideration the  
1287 physical distance in of the proposed gaming establishments as they relate to each other and how  
1288 to maximize the benefits to the commonwealth. No gaming establishment shall be located  
1289 within 40 miles of any other gaming establishment in the commonwealth.

1290 (j) The commission shall evaluate all gaming license applications to determine which  
1291 application provides the highest and best value to the region and to the commonwealth based on  
1292 the criteria set out in this chapter, and any other terms the commission determines by regulation.  
1293 If there is more than 1 applicant in a region who is determined by the commission to be eligible  
1294 for a gaming license under this section, the commission shall allow each eligible applicant to  
1295 resubmit its application. An eligible applicant may, in its resubmitted application, voluntarily  
1296 increase the license fee required by subsection (k) and may modify any portion of their  
1297 application related to the factors listed in section 16. The commission shall consider the entire  
1298 application and not base its decision solely on the additional license fee payments in determining  
1299 which applicant shall be awarded a license.

1300 (k) A gaming licensee which has received a license in region 1 or 2 shall pay to the board  
1301 a fee of not less than \$75,000,000 and a gaming licensee which has received a license in region 3  
1302 shall pay to the board a fee of not less than \$50,000,000. These fees shall be paid not later than

1332 a factor in determining the amount of the payment the market value of said license, property or

1334 commission may place additional conditions or restrictions on said transfer that the commission

1407           (25) Each gaming licensee shall keep conspicuously posted in the gaming area a notice  
1408 containing the name and a telephone number for problem gambling assistance. The board may  
1409 require the licensee to provide this information in more than 1 language.

1410           (26) Each gaming licensee shall provide a process for individuals to exclude such  
1411 individuals' names and contact information from the gaming licensee's database or any other list  
1412 held by the gaming licensee for use in marketing or promotional communications.

1413           (27) Each gaming licensee shall meet the requirements under clause (22) of subsection  
1414 (a) of section 13 to the satisfaction of the board.

1415           (28) Each gaming licensee shall institute additional public health strategies as required  
1416 by the board.

1417 (29) No gaming licensee or gaming establishment shall authorize or conduct direct  
1418 marketing and promotional communications relative to gaming targeted towards persons under  
1419 the age of 21.

1420 (b) The board may include any reasonable additional requirements to the license  
1421 conditions.

1422 Section 19. (a) No person or business shall conduct any business with a gaming licensee  
1423 regarding the licensee's gaming establishment unless such person has been licensed by the  
1424 commission or registered by the board.

1425 (1) No person or business shall manufacture, sell, distribute or repair gaming equipment  
1426 or slot machines, other than antique slot machines as defined in section 5A of chapter 271,  
1427 without a valid gaming vendor license issued by the commission.

1428 (2) Non-gaming vendors shall be required to register with the board and shall produce  
1429 such information as the board may require; provided, however, that the board may require any  
1430 vendor otherwise considered a non-gaming vendor, which regularly conducts over \$250,000 of  
1431 business with a gaming licensee within a 12 month period, or \$100,000 of business within a 3  
1432 year period, to be licensed as a gaming vendor.

1433 (b) Any person seeking a gaming vendor license shall file an application with the board.  
1434 Such application shall be on a form prescribed by the board and shall include, but shall not be  
1435 limited to, the following:

1436 (1) the name of the applicant;

1437 (2) the mailing address and if a corporation, the name of the state under the laws of which  
1438 the corporation is incorporated, the location of the corporation's principal place of business and  
1439 the names and addresses of the corporation's directors and stockholders;

1440 (3) any criminal or arrest record;

1441 (4) any civil judgments obtained against the person pertaining to antitrust or security  
1442 regulation;

1443 (5) the identity of every person or entity having a direct or indirect interest in the business  
1444 and the nature of such interest; provided, that, if the entity is a trust, the application shall disclose  
1445 the names and addresses of all beneficiaries; provided, further, that if the entity is a partnership,  
1446 the names and addresses of all partners, both general and limited; and provided, further, that if  
1447 the disclosed entity is a limited liability company, the names and addresses of all members;

1448 (6) an independent audit report of all financial activities and interests including, but not  
1449 limited to, the disclosure of all contributions, donations, loans or any other financial transactions  
1450 to or from any gaming licensee or operator of a gaming establishment in the past 5 years; and

1451 (7) clear and convincing evidence of financial stability including, but not limited to, bank  
1452 accounts, records, references, business and personal income and disbursement schedules, tax  
1453 returns and other reports filed by government agencies and business and personal accounting  
1454 check records and ledgers.

1455 The board may require such other information as it deems appropriate including, without  
1456 limitation, information related to the financial integrity of the applicant and may require the  
1457 applicant to submit other documentation the board considers appropriate.

1458 (c) Any person owning more than 5 per cent of the common stock of a company required  
1459 to be licensed as a gaming vendor, or a holding, intermediary or subsidiary of such company,  
1460 shall be required to file for licensure. The commission may waive the licensing requirements for  
1461 institutional investors holding up to 15 per cent of the stock of the company, or holding,  
1462 intermediary or subsidiary company of the company, upon a showing by the person seeking the  
1463 waiver that the applicant purchased the securities for investment purposes only and does not have  
1464 any intention to influence or affect the affairs or operations of the company or a holding,  
1465 intermediary or subsidiary of the such company. Any institutional investor granted a waiver  
1466 which subsequently determines to influence or affect the affairs or operations of the gaming  
1467 vendor, or a holding, intermediary or subsidiary of the gaming vendor, shall provide not less than  
1468 30 days notice to the board of such intent and shall file an application and be subject to the  
1469 licensing requirements of this chapter before taking an action that may influence or affect the  
1470 affairs of the applicant company or a holding, intermediary or subsidiary of the applicant  
1471 company.

1472 (d) The board, by a majority vote of all members, may (i) make a recommendation to the  
1473 commission that it deny a gaming vendor license application; (ii) extend the period for issuing a  
1474 recommendation in order to obtain additional information necessary for a complete evaluation of  
1475 the gaming vendor license application; or (iii) recommend to the commission that it grant the  
1476 applicant a gaming vendor license.

1477 (e) The board may deny an application for registration of a non-gaming vendor or  
1478 supplier if the board finds that an applicant or registrant is disqualified under section 11 or may  
1479 be unsuitable for registration under section 14.

1480 (f) The commission or board, in the case of a non-gaming vendor, may condition,  
1481 suspend or revoke any license or registration under this section if the commission or board finds  
1482 that a licensee or registrant has:

1483 (i) been arrested or convicted of a crime;

1484 (ii) failed to comply with section 10; or

1485 (iii) failed to comply with this chapter pertaining to licensees.

1486 (g) The board shall establish a master vendor list to monitor all gaming and non-gaming  
1487 vendor contracts with a gaming establishment. A vendor doing business with a gaming  
1488 establishment which has failed to submit an application for licensure or registration shall be  
1489 prohibited from engaging in any future business with a gaming establishment; provided,  
1490 however, that the board may terminate any contracts that have been entered into with an  
1491 unlicensed or unregistered vendor.

1492 (h) Each gaming licensee shall have a continuing duty to inform the board of all gaming  
1493 and non-gaming vendor contracts.

1494 (i) A license or registration issued under this section shall be issued for a term of 3 years.  
1495 It shall be the responsibility of the vendor to ensure that the vendor's license or registration is  
1496 current.

1497 (j) The board shall establish fees for gaming vendor licenses which shall include costs  
1498 incurred for conducting a background investigation into an applicant for said license. The board  
1499 shall establish fees for non-gaming vendor registration which shall include costs incurred for  
1500 conducting a background investigation into an applicant for said registration.

1501 (k) The board shall monitor the conduct of all gaming vendors and other persons having a  
1502 material involvement, directly or indirectly, with a gaming vendor to ensure that gaming vendor  
1503 licenses are not issued to, or held by, and there is no direct or indirect material involvement with,  
1504 a gaming vendor by unqualified, disqualified or unsuitable persons.

1505 Section 20. (a) Each labor organization, union or affiliate seeking to represent employees  
1506 who are employed at a gaming establishment shall register with the board.

1507 (b) Neither a labor organization, nor its officers who are not otherwise licensed or  
1508 registered under this chapter, may hold any financial interest in a gaming establishment whose  
1509 employees are represented by the organization.

1510 Section 21. (a) A gaming licensee shall be permitted to issue credit to a patron of a  
1511 gaming establishment under regulations promulgated under section 5. Such regulations shall  
1512 include, but not be limited to: (i) procedures for confirming that a patron has an established  
1513 credit history and is in good standing; (ii) whether the patron has a good credit history with the  
1514 gaming establishment; (iii) authorization of a credit instrument; (iv) methods for acknowledging  
1515 a credit instrument and payment of debt; and (v) information to be provided by the patron to the  
1516 gaming establishment to be shared with the board for auditing purposes.

1517 (b) Except as otherwise authorized by the board through regulations under section 5, no  
1518 establishment, nor any person acting on behalf of an establishment shall: (1) cash any check,  
1519 make any loan or otherwise provide or allow to a person any credit or advance of anything of  
1520 value, or which represents value, to enable a person to place a wager; or (2) release or discharge  
1521 a debt, either in whole or in part, or make a loan which represents any losses incurred by a player  
1522 in gaming activity, without maintaining a written record of the release or discharge under the

1523 rules of the commission. Nothing in this section shall prohibit an establishment from accepting  
1524 credit cards for non-gaming related purchases or services.

1525 (c) Checks cashed in conformity with the requirements of this chapter shall be valid  
1526 instruments enforceable under the laws of the commonwealth. Any check cashed, transferred,  
1527 conveyed or given in violation of this chapter or regulations promulgated under section 5 shall be  
1528 invalid and unenforceable.

1529 (c 1/2) The commission shall, in consultation with the department of transitional  
1530 assistance, the department of labor and workforce development, the department of housing and  
1531 community development or the applicable administering agency, establish by regulation, under  
1532 section 5, procedures and standards to prohibit an establishment or any person acting on behalf  
1533 of an establishment from: (1) cashing a government-issued check; (2) from operating on its  
1534 premises any credit card or ATM machine that would allow a patron to obtain cash from a  
1535 government-issued Electronic Benefits Transfer Card; and (3) from extending or issuing credit to  
1536 a patron of a gaming establishment who receives any form of income-based public assistance  
1537 including, but not limited to, the Supplemental Nutrition Assistance Program, Temporary  
1538 Assistance for Needy Families, Emergency Aid to Elders, Disabled and Children, public housing  
1539 assistance, MassHealth and unemployment insurance. The procedures and standards established  
1540 shall ensure the privacy of all patrons receiving public assistance.

1541 (d) The commission shall establish by regulation, under section 5, procedures and  
1542 standards for approving promotional gaming credits; provided, that, no such credit shall be  
1543 reported as a promotional gaming credit by an operator of a gaming establishment unless the  
1544 operator can establish that the credit was issued by the gaming establishment and received from a

1545 patron as a wager at a game in the gaming establishment; provided, further, that such  
1546 promotional gaming credit shall not be taxable for the purposes of determining gross revenue.

1547 (e) No other person or entity, other than a gaming licensee licensed under this chapter,  
1548 shall issue credit to a person while the person is a patron of a gaming establishment.

1549 (f) Debt collections under this section and debt collection regulations promulgated under  
1550 section 5 shall be limited to key gaming employees or attorneys acting directly on behalf of  
1551 gaming licensees; provided further that a key gaming employee shall be prohibited from making  
1552 any such collections if the key gaming employee serves as a junket representative for the gaming  
1553 establishment.

1554 (g) On an annual basis, each gaming licensee shall report to the commission the number  
1555 of debt collection processes on patrons that the commission initiates and the total amount  
1556 recovered by the licensee. Notwithstanding any general or special laws to the contrary, this  
1557 report shall be considered public record.

1558 Section 22. (a) No junkets may be organized or permitted and no person may act as a  
1559 junket representative or junket enterprise except as authorized by the board under this chapter.

1560 (b) A junket representative employed by a gaming licensee or affiliate shall be licensed as  
1561 a gaming employee; provided, however, that a junket representative need not be a resident of the  
1562 commonwealth. A person who holds a valid gaming employee license may act as a junket  
1563 representative while employed by a gaming licensee or an affiliate. No gaming licensee shall  
1564 employ or otherwise engage a junket representative who is not licensed under this chapter.

1565 (c) The board shall deny an application for a license under this section if the board finds  
1566 that an applicant is disqualified under section 11 or may be unsuitable for licensure under section  
1567 14.

1568 (d) Each gaming licensee, junket representative or junket enterprise shall file a report  
1569 with the board with respect to each list of junket patrons or potential junket patrons purchased  
1570 directly or indirectly by the gaming licensee, junket representative or enterprise.

1571 (e) No junket enterprise or junket representative or person acting as a junket  
1572 representative shall: (i) engage in efforts to collect upon checks that have been returned by banks  
1573 without full and final payment; (ii) exercise approval authority with regard to the authorization or  
1574 issuance of credit under this chapter; (iii) act on behalf of or under any arrangement with a  
1575 gaming licensee or a gaming patron with regard to the redemption, consolidation or substitution  
1576 of the gaming patron's checks awaiting deposit; (iv) individually receive or retain any fee from a  
1577 patron for the privilege of participating in a junket; or (v) pay for any services, including  
1578 transportation, or other items of value provided to, or for the benefit of, any patron participating  
1579 in a junket.

1580 Section 23. (a) No gaming licensee shall offer complimentary services, gifts, cash or  
1581 other items of value to any person unless those complimentary services or items are provided  
1582 through a complimentary distribution program which shall be filed and approved by the board  
1583 upon the implementation of the program or maintained under regulations adopted under section  
1584 5.

1585 (b) Gaming licensees shall submit quarterly reports to the board covering all  
1586 complimentary services offered or engaged in by the licensee during the immediately preceding

1587 quarter. The reports shall identify regulated complimentary services and the costs of those  
1588 services, the number of people who received each service or item and such other information as  
1589 the board may require. The report shall also document any services or items valued in excess of  
1590 \$2,000 that were provided to patrons, including detailed reasons as to why they were provided.

1591 (c) Complimentary services or items shall be valued in an amount based upon the retail  
1592 price normally charged by the gaming licensee for the service or item. The value of a  
1593 complimentary service or item not normally offered for sale by a gaming licensee or provided by  
1594 a third party on behalf of a gaming licensee shall be the cost to the gaming licensee of providing  
1595 the service or item, as determined under rules adopted by the commission.

1596 Section 24. (a) Upon revocation or suspension of a gaming license under section 26 or  
1597 upon the failure or refusal to renew a gaming license the commission may appoint a conservator  
1598 to temporarily manage and operate the business of the licensee relating to the gaming  
1599 establishment. Such conservator shall be a person of similar experience in the field of gaming  
1600 management and, in the case of replacing a gaming licensee, shall have experience operating a  
1601 gaming establishment of similar caliber in another jurisdiction, and shall be in good standing in  
1602 all jurisdictions in which the conservator operates a gaming establishment.

1603 Upon appointment, a conservator shall agree to all licensing provisions of the former  
1604 licensee.

1605 (b) A conservator shall, before assuming managerial or operational duties, execute and  
1606 file a bond for the faithful performance of such duties payable to the board with such surety and  
1607 in such form and amount as the board shall approve.

1608 (c) The board shall require that the former or suspended licensee purchase liability  
1609 insurance, in an amount determined by the board, to protect a conservator from liability for acts  
1610 or omissions of the conservator during the conservator's appointment reasonably related to, and  
1611 within the scope of, the conservator's duties.

1612 (d) During the period of temporary management of the gaming establishment, the  
1613 commission shall initiate proceedings under this chapter to award a new gaming license to a  
1614 qualified applicant whose gaming establishment shall be located at the site of the preexisting  
1615 gaming establishment.

1616 (e) Applicants for a new gaming license shall be qualified for licensure under this  
1617 chapter; provided, however, that the commission shall determine an appropriate level of  
1618 investment by an applicant into the preexisting gaming establishment.

1619 (f) Upon award of a new gaming license, the new gaming licensee shall pay the licensing  
1620 fee.

1621 Section 25. (a) There shall be within the board an investigations and enforcement bureau,  
1622 which shall be the primary enforcement agent for regulatory matters under this chapter. The  
1623 bureau shall perform such functions as the chair of the board determines in relation to  
1624 enforcement, including the investigations of all licensees under this chapter. The bureau shall be  
1625 under the supervision and control of the deputy director for investigations and enforcement. The  
1626 deputy director shall be the executive and administrative head of the bureau and shall be  
1627 responsible for administering and enforcing the law relative to the bureau and to each  
1628 administrative unit of the bureau. The duties given to the deputy director in this chapter and in

1629 any other general or special law shall be exercised and discharged subject to the direction,  
1630 control and supervision of the chair of the board.

1631 (b) The bureau shall be a law enforcement agency and its employees shall have such law  
1632 enforcement powers as to effectuate the purposes of this chapter, including the power to receive  
1633 intelligence on an applicant or licensee under this chapter and to investigate a suspected violation  
1634 of this chapter.

1635 (c) Officers and employees of the gaming enforcement unit of the state police assigned to  
1636 the commission under section 70 of chapter 22C shall work with employees of the bureau, under  
1637 the direction of the deputy director, to investigate violations of this chapter by a licensee under  
1638 this chapter or any activity taking place on the premises of a gaming establishment. Officers  
1639 assigned to work with the bureau shall record their time and submit total hours to the bureau.  
1640 The board shall reimburse the state police.

1641 (d) The bureau shall notify the division of gaming enforcement in the office of the  
1642 attorney general of any criminal violations by a gaming licensee. The bureau and the division  
1643 shall cooperate on the regulatory and criminal enforcement of this chapter and may determine  
1644 whether to proceed with civil or criminal sanctions, or both against said licensee.

1645 (e) To further effectuate the purposes of this chapter with respect to the investigation and  
1646 enforcement of licensed gaming establishments and licensees, the bureau may obtain or provide  
1647 pertinent information regarding applicants or licensees from or to law enforcement entities or  
1648 gaming authorities and other domestic, federal or foreign jurisdictions, including the Federal  
1649 Bureau of Investigation and may send or receive such information electronically.

1650 (f) The gaming enforcement unit of the department of state police shall have exclusive  
1651 police jurisdiction of any criminal activity relating to the operation of a gaming establishment or  
1652 relating to games or gaming that occurs inside a gaming establishment; provided, however, that  
1653 the state police shall have concurrent jurisdiction with the law enforcement agency of the host  
1654 community on all other policing matters and, in consultation with the board, shall execute a  
1655 memorandum of understanding with the law enforcement agency of the host community that  
1656 shall include, but not be limited to, procedures involving: (i) assignment of police officers of the  
1657 host community to the gaming enforcement unit of the state police; (ii) first responder calls from  
1658 the gaming establishment; (iii) emergencies occurring within the gaming establishment,  
1659 including the gaming area; and (iv) criminal investigations involving employees or patrons of the  
1660 gaming establishment.

1661 Section 26. (a) The board shall have the authority to issue orders requiring persons to  
1662 cease activity which violates this chapter, a regulation adopted under this chapter or a law related  
1663 to gaming in the commonwealth. The board may, in its order, require compliance with such  
1664 terms and conditions as are reasonably necessary to effectuate the purposes of this chapter.

1665 (b) If the board finds, under the procedures established in this section and the regulations  
1666 adopted under said section 5, that a person is not in compliance with an order issued under this  
1667 section, it shall assess a civil administrative penalty on such person and the regulations adopted  
1668 under section 5. The penalty may be assessed whether or not the violation was willful. In  
1669 determining the amount of the civil penalty, the board shall consider: (i) the nature of the  
1670 violation; (ii) the length of time the violation occurred; (iii) the risk to the public and to the  
1671 integrity of gaming operations created by the conduct of the person; (iv) the seriousness of the  
1672 conduct of the person; (v) any justification or excuse for such conduct by the person; (vi) the

1673 prior history of the particular person involved with respect to gaming activity; (vii) any  
1674 corrective action taken by person to prevent future misconduct; and (viii) other relevant factors.

1675 (c) In addition to collecting any civil penalties recoverable under this chapter or any other  
1676 general or special law, the board may bring an action in the superior court to restrain, prevent or  
1677 enjoin any conduct prohibited by this chapter or to compel action to comply immediately and  
1678 fully with an order issued by the bureau. Except in the case of an emergency during which, in the  
1679 opinion of the court, immediate abatement of the unlawful conduct is required to protect the  
1680 public interest, the court may in its decree fix a reasonable time during which the person  
1681 responsible for the unlawful conduct may abate and correct the violation. The expense of the  
1682 proceeding shall be recoverable from the subject of the proceeding.

1683 (d) Upon a recommendation from the board, the commission may issue orders to  
1684 condition, suspend or revoke a license or permit issued under this chapter.

1685 (e) The board may issue an order to cease and desist any activity if the board finds that a  
1686 licensee has engaged in or is about to engage in an act or practice which constitutes a violation of  
1687 this chapter or laws of the commonwealth and may take such affirmative action to effectuate the  
1688 order. If the board finds that the licensee is engaged in an act or practice that would cause  
1689 irreparable harm to the security and integrity of the gaming establishment or the interests of the  
1690 commonwealth in ensuring the security and integrity of gaming under this chapter, the board  
1691 may issue a temporary suspension of the license.

1692 (f) Any licensee who has been issued a temporary order of suspension by the board shall  
1693 be entitled to a hearing before the commission on such suspension within 7 days of the day on

1694 which the order was issued. At the conclusion of the hearing, the commission may issue a final  
1695 order to condition, suspend or revoke the license in question.

1696 (g) Any licensee shall have the right to an adjudicatory hearing under chapter 30A on an  
1697 order issued by the board.

1698 Section 27. (a) The board may assess a civil administrative penalty on a licensee or  
1699 registrant who fails to comply with any provision of this chapter or any regulation or order  
1700 adopted by the commission; provided, however, that such noncompliance occurred after the  
1701 board had given the licensee or registrant written notice of such noncompliance and the time  
1702 stated in the notice for coming into compliance had elapsed. The board may assess a civil  
1703 administrative penalty on a licensee or registrant without providing written notice of such  
1704 noncompliance if the failure to comply: (i) was part of a pattern of noncompliance and not an  
1705 isolated instance; (ii) was willful or neglectful and not the result of error; (iii) resulted in a  
1706 significant breach to the integrity of the gaming establishment or gaming laws of the  
1707 commonwealth; and (iv) consisted of failure to promptly report to the board any knowledge of  
1708 evidence or circumstances that would cause a reasonable person to believe that a violation of this  
1709 chapter had been committed. The civil administrative penalty shall be in addition to any other  
1710 civil penalty that may be prescribed by law.

1711 (b) For the purpose of determining whether such noncompliance was part of a pattern of  
1712 noncompliance and not an isolated instance, the board shall consider without limitation the  
1713 following: (i) whether the board had previously notified the person of such noncompliance on  
1714 more than 1 occasion during the previous month or of any noncompliance similar to the current  
1715 noncompliance during the previous 6 months; or (ii) whether the current and previous instances

1716 of noncompliance, considered together, indicate a potential threat to the integrity of the gaming  
1717 establishment and gaming in the commonwealth or an interference with the commission's ability  
1718 to efficiently and effectively regulate gaming in the commonwealth and enforce any regulation,  
1719 license or order. If a licensee or registrant who has received a notice of noncompliance fails to  
1720 come into compliance within the time period stated in such notice, the civil administrative  
1721 penalty may be assessed by the board upon such licensee or registrant from the date of receipt of  
1722 such notice.

1723 (c) Whenever the board seeks to assess a civil administrative penalty on a licensee or  
1724 registrant, the board shall cause to be served upon such licensee or registrant, either by service,  
1725 in hand, or by certified mail, return receipt requested, a written notice of the board's intent to  
1726 assess a civil administrative penalty which shall include:

1727 (i) a concise statement of the alleged act or omission for which the board seeks to  
1728 assess the civil administrative penalty;

1729 (ii) each law, regulation, order, license or approval which has not been complied  
1730 with as a result of the alleged act or omission;

1731 (iii) the amount which the board seeks to assess as a civil administrative penalty  
1732 for each such alleged act or omission;

1733 (iv) a statement of the licensee's or registrant's right to an adjudicatory hearing on  
1734 the proposed assessment;

1735 (v) the requirements such licensee or registrant shall comply with to avoid  
1736 waiving the licensee's or registrant's right to an adjudicatory hearing; and

1737 (vi) the manner of payment of the penalty if the licensee or registrant elects to pay  
1738 the penalty and waive an adjudicatory hearing.

1739 After written notice of noncompliance or intent to assess a civil administrative penalty  
1740 has been given, each subsequent day during which such noncompliance occurs or continues shall  
1741 constitute a separate offense and may be subject to a separate civil administrative penalty if  
1742 reasonable efforts have not been made by the licensee or registrant to promptly come into  
1743 compliance.

1744 (d) Whenever the board seeks to assess a civil administrative penalty on a licensee or  
1745 registrant, such licensee or registrant shall have the right to an adjudicatory hearing. Chapter  
1746 30A shall apply to adjudicatory hearings under this chapter; provided, however, that if there is a  
1747 conflict between this chapter and said chapter 30A, this chapter shall govern.

1748 (e) A licensee or registrant shall be deemed to have waived the licensee's or registrant's  
1749 right to an adjudicatory hearing unless, within 21 days of the date of the board's notice that it  
1750 seeks to assess a civil administrative penalty, the licensee or registrant files with the board a  
1751 written statement denying the occurrence of the acts or omissions alleged by the board in such  
1752 notice or asserting that the amount of the proposed civil administrative penalty is excessive. In an  
1753 adjudicatory hearing the board shall be required to prove the occurrence of each act or omission  
1754 alleged by the board by a preponderance of the evidence.

1755 (f) If a licensee or registrant waives the licensee's or registrant's right to an adjudicatory  
1756 hearing, the proposed civil administrative penalty shall be final immediately upon such waiver.  
1757 If a civil administrative penalty is assessed at the conclusion of an adjudicatory hearing, the civil

1758 administrative penalty shall be final upon the expiration of 30 days if no action for judicial  
1759 review of the decision is commenced under chapter 30A.

1760 (g) A licensee or registrant who institutes proceedings for judicial review of the final  
1761 assessment of a civil administrative penalty shall place the full amount of the final assessment in  
1762 an interest-bearing escrow account in the custody of the clerk or magistrate of the reviewing  
1763 court. The establishment of such an interest-bearing escrow account shall be a condition  
1764 precedent to the jurisdiction of the reviewing court unless the party seeking judicial review  
1765 demonstrates in a preliminary hearing held within 30 days of the filing of the complaint an  
1766 inability to pay. Upon such a demonstration, the court may grant an extension or waiver of the  
1767 interest-bearing escrow account or may require, in lieu of such interest-bearing escrow account,  
1768 the posting of a bond payable directly to the commonwealth in the amount of 125 per cent of the  
1769 assessed penalty.

1770 (i) If, after judicial review, in a case where the requirement for an escrow account  
1771 has been waived, and in cases where a bond has been posted in lieu of such requirement, the  
1772 court affirms, in whole or in part, the assessment of a civil administrative penalty the board shall  
1773 be paid the amount of the penalty together with interest at the rate set forth in section 6C of  
1774 chapter 231.

1775 (ii) If, after such review in a case where an interest-bearing escrow account has  
1776 been established, the court affirms the assessment of such penalty, in whole or in part, the board  
1777 shall be paid the amount of the penalty together with the accumulated interest on the amount of  
1778 the penalty in such interest-bearing escrow account.

1779 (iii) If the court sets aside the assessment of a civil administrative penalty in a  
1780 case where the amount of such penalty has been deposited in an interest-bearing escrow account,  
1781 the licensee or registrant on whom the civil administrative penalty was assessed shall be repaid  
1782 the amount so set aside, together with the accumulated interest on the amount deposited.

1783 (h) Each licensee or registrant who fails to pay a civil administrative penalty in a timely  
1784 fashion, and each person who issues a bond under this section and who fails to pay to the board  
1785 in a timely fashion the required amount, shall be liable to the commonwealth for up to 3 times  
1786 the amount of the civil administrative penalty, or the amount of economic benefit realized by the  
1787 licensee or registrant as a result of noncompliance, whichever is greater, together with costs, plus  
1788 interest from the time the civil administrative penalty became final and attorneys' fees, including  
1789 all costs and attorneys' fees incurred directly in the collection of the penalty. The rate of interest  
1790 shall be the rate set forth in section 6C of chapter 231.

1938 publication under subsection (d), a person placed on the list of excluded persons may request an  
1939 adjudicatory hearing before the commission under chapter 30A and show cause as to why the  
1940 person should be removed from the list of excluded persons. Failure to demand a hearing within

1944 place for the hearing. This hearing shall be held not later than 30 days after receipt of the demand  
1945 for the hearing, unless the time of the hearing is changed by agreement of the commission and  
1946 the person demanding the hearing.

1947                   (3) If, upon completion of the hearing, the commission determines that the person  
1948 was wrongfully placed on the list of excluded persons, the commission shall remove the person's

1955 agreeing that, during any period of voluntary exclusion, the person may not collect any winnings  
1956 or recover any losses resulting from any gaming activity at a gaming establishment. The

1979 writing, a district court for an order of exclusion from gaming establishments applicable to a  
1980 person whom the petitioner has reason to believe is a problem gambler. Upon receipt of a  
1981 petition for an order of exclusion of a person and any sworn statements the court may request  
1982 from the petitioner, the court shall immediately schedule a hearing on the petition and shall cause  
1983 a summons and a copy of the petition to be served upon the person as provided by section 25 of  
1984 chapter 276. The person may be represented by legal counsel and may present independent  
1985 expert or other testimony. The court shall order examination by a qualified psychologist.

1986 If, after a hearing, the court based upon competent testimony finds that said person is a  
1987 problem gambler and there is a likelihood of serious harm as a result of the person's gambling,  
1988 the court may order that such person be prohibited from gaming in gaming establishments. The  
1989 court shall communicate this order to the board, which shall place the person's name on the list  
1990 of excluded persons.

1991 (j) A person who is prohibited from gaming in a gaming establishment under this section  
1992 shall not collect any winnings or recover losses arising as a result of prohibited gaming.

2010 section shall be monitored by the board. Individuals on the list of excluded persons or list of self-  
2011 excluded persons shall not be permitted to participate in a cashless wagering system.

2012           Section 37. A liability to the commonwealth under this chapter shall constitute a debt to  
2013 the commonwealth. Once a statement naming a licensee is recorded, registered or filed, any such  
2014 debt shall constitute a lien on all commercial property owned by a gaming licensee in the  
2015 commonwealth and shall have priority over an encumbrance recorded, registered or filed with  
2016 respect to any site.

2017           Section 38. (a) Prior to disbursement of cash or prizes in excess of \$600, a licensee shall

2019 department of revenue to ascertain whether the winner of the cash or prize owes past due child  
2020 support to the commonwealth or to an individual to whom the IV-D agency is providing services,  
2021 and to ascertain whether the winner of the cash or prize owes any past due tax liability to the  
2022 commonwealth.

2023           (b) If the winner of the cash or prize owes past due child support or a past due tax  
2024 liability, the licensee shall notify the IV-D agency or the commonwealth, respectively, of the

2026 withholding, the licensee shall first disburse to the IV-D agency the full amount of the cash or  
2027 prize or such portion of the cash or prize that satisfies the winner's past due child support

2029 (c) If funds remain available after the disbursement to the IV-D agency, or if no such  
2030 obligation to the IV-D agency is owed, the licensee shall disburse to the department of revenue  
2031 the full amount of the cash or prize or such portion of the cash or prize that satisfies the winner's  
2032 past due tax liability.

2033 (d) The licensee shall disburse to the winner only that portion of the cash or prize, if any,  
2034 remaining after the winner's past due child support obligation and the winner's past due tax  
2035 liability have been satisfied.

2036 Section 39. Gaming licensees shall, on a monthly basis, transmit to the department of  
2037 transitional assistance and to the IV-D agency, as set forth in chapter 119A, a list of all persons  
2038 who were awarded cash winnings, or a prize, valued in excess of \$600.00 in the prior month. The  
2039 information shall be provided in a format which is compatible with the automated data  
2040 processing systems of said department and said agency, to ensure the immediate identification of  
2041 persons who may be receiving public assistance benefits. The information provided shall include

2047 prize shall be deposited with the board.

2048 Section 41. If the person entitled to cash or a prize is under the age of 21 years, said cash  
2049 or prize shall be remitted to the board.
