29 66 § 1 General state policy on public records

30 (1) It is the policy of this state that all state, county, and municipal records are open for
31 personal inspection and copying by any person. Providing access to public records is a duty of
32 each agency.

33 (2)(a) Automation of public records must not erode the right of access to those records.
34 As each agency increases its use of and dependence on electronic recordkeeping, each agency
35 must provide reasonable public access to records electronically maintained and must ensure that
36 exempt or confidential records are not disclosed except as otherwise permitted by law.

37 (b) When designing or acquiring an electronic recordkeeping system, an agency must
38 consider whether such system is capable of providing data in some common format such as, but
39 not limited to, the American Standard Code for Information Interchange.

40 (c) An agency may not enter into a contract for the creation or maintenance of a public
41 records database if that contract impairs the ability of the public to inspect or copy the public
42 records of the agency, including public records that are online or stored in an electronic
43 recordkeeping system used by the agency.

44 (d) Subject to the restrictions of copyright and trade secret laws and public records
45 exemptions, agency use of proprietary software must not diminish the right of the public to
46 inspect and copy a public record.

47 (e) Providing access to public records by remote electronic means is an additional method
48 of access that agencies should strive to provide to the extent feasible. If an agency provides
49 access to public records by remote electronic means, such access should be provided in the most
50 cost-effective and efficient manner available to the agency providing the information.

51 (f) Each agency that maintains a public record in an electronic recordkeeping system
52 shall provide to any person, pursuant to this chapter, a copy of any public record in that system
53 which is not exempted by law from public disclosure. An agency must provide a copy of the
54 record in the medium requested if the agency maintains the record in that medium, and the
55 agency may charge a fee in accordance with this chapter. For the purpose of satisfying a public
56 records request, the fee to be charged by an agency if it elects to provide a copy of a public
57 record in a medium not routinely used by the agency, or if it elects to compile information not
58 routinely developed or maintained by the agency or that requires a substantial amount of
59 manipulation or programming, must be in accordance with c. 66 § 4(4).

60 (3) If public funds are expended by an agency in payment of dues or membership
61 contributions for any person, corporation, foundation, trust, association, group, or other
62 organization, all the financial, business, and membership records of that person, corporation,
63 foundation, trust, association, group, or other organization which pertain to the public agency are
64 public records and subject to the provisions of c. 66 § 4.

65 66 § 2 Definitions

93 certain information required by law or agency rule to be given to the person arrested be

94 maintained in a confidential manner and exempt from the provisions of c. 66 § 4(1) until released
95 at trial if it is found that the release of such information would:

96 a. Be defamatory to the good name of a victim or witness or would jeopardize the safety
97 of such victim or witness; and

98 b. Impair the ability of a state attorney to locate or prosecute a codefendant.

99 6. Informations and indictments except as ordered by the court, a grand juror, reporter,
100 stenographer, interpreter, or officer of the court shall not disclose that an indictment for a felony
101 has been found against a person not in custody or under recognizance, except by issuing or
102 executing process on the indictment, until the person has been arrested.

103 (a) The word "active" shall have the following meaning:

104 1. Criminal intelligence information shall be considered "active" as long as it is related to
105 intelligence gathering conducted with a reasonable, good faith belief that it will lead to detection
106 of ongoing or reasonably anticipated criminal activities.

107 2. Criminal investigative information shall be considered "active" as long as it is related
108 to an ongoing investigation which is continuing with a reasonable, good faith anticipation of
109 securing an arrest or prosecution in the foreseeable future.

110 In addition, criminal intelligence and criminal investigative information shall be
111 considered "active" while such information is directly related to pending prosecutions or appeals.

117 (c) Any agency having custody of criminal intelligence information or criminal

130 computer networking programs.

131 (7) "Duplicated copies" means new copies produced by the process of reproducing an
132 image or images from an original to a final substrate through the electrophotographic,
133 xerographic, laser, or offset process or any combination of these processes, by which an operator

135 (8) "Exemption" means a provision of general law which provides that a specified record

138 and services, communications, supplies, personnel, facility resources, maintenance, and training.

139 (10) "Paratransit" means those elements of public transit which provide service between

141 at a time that is agreed upon by the user and provider of the service. Paratransit service is

143 are characterized by their nonscheduled, nonfixed route nature.

144 (11) "Proprietary software" means data processing software that is protected by copyright
145 or trade secret laws.

146 (12) "Public records" means all documents, papers, letters, maps, books, tapes,

150 (13) "Redact" means to conceal from a copy of an original public record, or to conceal
151 from an electronic image that is available for public viewing, that portion of the record
152 containing exempt or confidential information.

153 (14) "Sensitive," for purposes of defining agency-produced software that is sensitive,
154 means only those portions of data processing software, including the specifications and

157 (b) Collect, process, store, and retrieve financial management information of the agency,

158 such as payroll and accounting records; or

159 (c) Control and direct access authorizations and security measures for automated systems.

160 66 § 3 Custodial requirements; maintenance, preservation, and retention of public records

161 (1) Public records shall be maintained and preserved as follows:

162 (a) All public records should be kept in the buildings in which they are ordinarily used.

163 (b) Insofar as practicable, a custodian of public records of vital, permanent, or archival

164 records shall keep them in fireproof and waterproof safes, vaults, or rooms fitted with

165 noncombustible materials and in such arrangement as to be easily accessible for convenient use.

166 (c)1. Record books should be copied or repaired, renovated, or rebound if worn,

167 mutilated, damaged, or difficult to read.

168 2. Whenever any state, county, or municipal records are in need of repair, restoration, or

169 rebinding, the head of the concerned state agency, department, board, or commission; the board

170 of county commissioners of such county; or the governing body of such municipality may

171 authorize that such records be removed from the building or office in which such records are

172 ordinarily kept for the length of time required to repair, restore, or rebind them.

173 3. Any public official who causes a record book to be copied shall attest and certify under

174 oath that the copy is an accurate copy of the original book. The copy shall then have the force

175 and effect of the original.

176 (2)(a) The Division of Library and Information Services of the Department of State shall
177 adopt rules to establish retention schedules and a disposal process for public records.

178 (b) Each agency shall comply with the rules establishing retention schedules and disposal
179 processes for public records which are adopted by the records and information management
180 program of the division.

181 (c) Each public official shall systematically dispose of records no longer needed, subject
182 to the consent of the records and information management program of the division Secretary of
183 State.

184 (d) The division may ascertain the condition of public records and shall give advice and
185 assistance to public officials to solve problems related to the preservation, creation, filing, and
186 public accessibility of public records in their custody. Public officials shall assist the division by
187 preparing an inclusive inventory of categories of public records in their custody. The division
188 shall establish a time period for the retention or disposal of each series of records. Upon the
189 completion of the inventory and schedule, the division shall, subject to the availability of
190 necessary space, staff, and other facilities for such purposes, make space available in its records
191 center for the filing of semicurrent records so scheduled and in its archives for noncurrent
192 records of permanent value, and shall render such other assistance as needed, including the
193 microfilming of records so scheduled.

194 (3) Agency orders that comprise final agency action and that must be indexed or listed
195 pursuant to the Secretary of State have continuing legal significance; therefore, notwithstanding
196 any other provision of this chapter, each agency shall permanently maintain records of such
197 orders pursuant to the applicable rules of the Secretary of State.

198 (4)(a) Whoever has custody of any public records shall deliver, at the expiration of his or
199 her term of office, to his or her successor or, if there be none, to the records and information
200 management program of the Secretary of State all public records kept or received by him or her
201 in the transaction of official business.

202 (b) Whoever is entitled to custody of public records shall demand them from any person
203 having illegal possession of them, who must forthwith deliver the same to him or her. Any
204 person unlawfully possessing public records must within 10 days deliver such records to the
205 lawful custodian of public records unless just cause exists for failing to deliver such records.

206 66 § 4 Inspection and copying of records; photographing public records; fees; exemptions

207 (1)(a) Every person who has custody of a public record shall permit the record to be
208 inspected and copied by any person desiring to do so, at any reasonable time, under reasonable
209 conditions, and under supervision by the custodian of the public records.

210 (b) A custodian of public records or a person having custody of public records may
211 designate another officer or employee of the agency to permit the inspection and copying of
212 public records, but must disclose the identity of the designee to the person requesting to inspect
213 or copy public records.

214 (c) A custodian of public records and his or her designee must acknowledge requests to
215 inspect or copy records promptly and respond to such requests in good faith. A good faith
216 response includes making reasonable efforts to determine from other officers or employees
217 within the agency whether such a record exists and, if so, the location at which the record can be
218 accessed.

219 (d) A person who has custody of a public record who asserts that an exemption applies to
220 a part of such record shall redact that portion of the record to which an exemption has been
221 asserted and validly applies, and such person shall produce the remainder of such record for
222 inspection and copying.

223 (e) If the person who has custody of a public record contends that all or part of the record
224 is exempt from inspection and copying, he or she shall state the basis of the exemption that he or
225 she contends is applicable to the record, including the statutory citation to an exemption created
226 or afforded by statute.

227 (f) If requested by the person seeking to inspect or copy the record, the custodian of
228 public records shall state in writing and with particularity the reasons for the conclusion that the
229 record is exempt or confidential.

230 (g) In any civil action in which an exemption to this section is asserted, if the exemption
231 is alleged to exist under or by virtue of c. 66 § 5(1)(d) or (f), (2)(d),(e), or (f), or (4)(c), the public
232 record or part thereof in question shall be submitted to the court for an inspection in camera. If
233 an exemption is alleged to exist under or by virtue of c. 66 § 5(2)(c), an inspection in camera is
234 discretionary with the court. If the court finds that the asserted exemption is not applicable, it
235 shall order the public record or part thereof in question to be immediately produced for
236 inspection or copying as requested by the person seeking such access.

237 (h) Even if an assertion is made by the custodian of public records that a requested record
238 is not a public record subject to public inspection or copying under this subsection, the requested
239 record shall, nevertheless, not be disposed of for a period of 30 days after the date on which a
240 written request to inspect or copy the record was served on or otherwise made to the custodian of

241 public records by the person seeking access to the record. If a civil action is instituted within the
242 30-day period to enforce the provisions of this section with respect to the requested record, the
243 custodian of public records may not dispose of the record except by order of a court of
244 competent jurisdiction after notice to all affected parties.

245 (i) The absence of a civil action instituted for the purpose stated in paragraph (g) does not
246 relieve the custodian of public records of the duty to maintain the record as a public record if the
247 record is in fact a public record subject to public inspection and copying under this subsection
248 and does not otherwise excuse or exonerate the custodian of public records from any
249 unauthorized or unlawful disposition of such record.

250 (2)(a) As an additional means of inspecting or copying public records, a custodian of
251 public records may provide access to public records by remote electronic means, provided
252 exempt or confidential information is not disclosed.

253 (b) The custodian of public records shall provide safeguards to protect the contents of
254 public records from unauthorized remote electronic access or alteration and to prevent the
255 disclosure or modification of those portions of public records which are exempt or confidential
256 from subsection (1).

257 (c) Unless otherwise required by law, the custodian of public records may charge a fee
258 for remote electronic access, granted under a contractual arrangement with a user, which fee may
259 include the direct and indirect costs of providing such access. Fees for remote electronic access
260 provided to the general public shall be in accordance with the provisions of this section.

261 (3)(a) Any person shall have the right of access to public records for the purpose of
262 making photographs of the record while such record is in the possession, custody, and control of
263 the custodian of public records.

264 (b) This subsection applies to the making of photographs in the conventional sense by use
265 of a camera device to capture images of public records but excludes the duplication of microfilm
266 in the possession of the clerk of the circuit court where a copy of the microfilm may be made
267 available by the clerk.

268 (c) Photographing public records shall be done under the supervision of the custodian of
269 public records, who may adopt and enforce reasonable rules governing the photographing of
270 such records.

271 (d) Photographing of public records shall be done in the room where the public records
272 are kept. If, in the judgment of the custodian of public records, this is impossible or
273 impracticable, photographing shall be done in another room or place, as nearly adjacent as
274 possible to the room where the public records are kept, to be determined by the custodian of
275 public records. Where provision of another room or place for photographing is required, the
276 expense of providing the same shall be paid by the person desiring to photograph the public
277 record pursuant to paragraph (4)(e).

278 (4) The custodian of public records shall furnish a copy or a certified copy of the record
279 upon payment of the fee prescribed by law. If a fee is not prescribed by law, the following fees
280 are authorized:

281 (a)1. Up to 15 cents per one-sided copy for duplicated copies of not more than 14 inches
282 by 8 1/2 inches;

283 2. No more than an additional 5 cents for each two-sided copy; and

284 3. For all other copies, the actual cost of duplication of the public record.

285 (b) The charge for copies of county maps or aerial photographs supplied by county
286 constitutional officers may also include a reasonable charge for the labor and overhead
287 associated with their duplication.

288 (c) An agency may charge up to \$1 per copy for a certified copy of a public record.

289 (d) If the nature or volume of public records requested to be inspected or copied pursuant
290 to this subsection is such as to require extensive use of information technology resources or
291 extensive clerical or supervisory assistance by personnel of the agency involved, or both, the
292 agency may charge, in addition to the actual cost of duplication, a special service charge, which
293 shall be reasonable and shall be based on the cost incurred for such extensive use of information
294 technology resources or the labor cost of the personnel providing the service that is actually
295 incurred by the agency or attributable to the agency for the clerical and supervisory assistance
296 required, or both.

297 (e)1. Where provision of another room or place is necessary to photograph public
298 records, the expense of providing the same shall be paid by the person desiring to photograph the
299 public records.

300 2. The custodian of public records may charge the person making the photographs for
301 supervision services at a rate of compensation to be agreed upon by the person desiring to make
302 the photographs and the custodian of public records. If they fail to agree as to the appropriate
303 charge, the charge shall be determined by the custodian of public records.

304 (5) When ballots are produced under this section for inspection or examination, no
305 persons other than the supervisor of elections or the supervisor's employees shall touch the
306 ballots. If the ballots are being examined before the end of the contest period, the supervisor of
307 elections shall make a reasonable effort to notify all candidates by telephone or otherwise of the
308 time and place of the inspection or examination. All such candidates, or their representatives,
309 shall be allowed to be present during the inspection or examination.

310 (6) An exemption contained in this chapter or in any other general or special law shall not
311 limit the access of the Auditor General, the Office of Program Policy Analysis and Government
312 Accountability, or any state, county, municipal, university, board of community college, school
313 district, or special district internal auditor to public records when such person states in writing
314 that such records are needed for a properly authorized audit, examination, or investigation. Such
315 person shall maintain the exempt or confidential status of that public record and shall be subject
316 to the same penalties as the custodian of that record for public disclosure of such record.

317 (7) The provisions of this section are not intended to expand or limit the provisions of
318 Mass. Rules of Criminal Procedure, regarding the right and extent of discovery by the
319 state or by a defendant in a criminal prosecution or in collateral postconviction proceedings. This
320 section may not be used by any inmate as the basis for failing to timely litigate any
321 postconviction action.

322 66 § 5 General exemptions from inspection or copying of public records

323 (1) AGENCY ADMINISTRATION

324 (a) Examination questions and answer sheets of examinations administered by a
325 governmental

326 agency for the purpose of licensure, certification, or employment are exempt from c. 66 §
327 4(1).

328 A person who has taken such an examination has the right to review his or her own
329 completed examination.

330 (b)1.a. Sealed bids or proposals received by an agency pursuant to invitations to bid or
331 requests for proposals are exempt from c. 66 § 4(1) until such time as the agency provides notice
332 of a decision or intended decision or within 10 days after bid or proposal opening, whichever is
333 earlier.

334 b. If an agency rejects all bids or proposals submitted in response to an invitation to bid
335 or request for proposals and the agency concurrently provides notice of its intent to reissue the
336 invitation to bid or request for proposals, the rejected bids or proposals remain exempt from c. 66
337 § 4(1) until such time as the agency provides notice of a decision or intended decision
338 concerning the reissued invitation to bid or request for proposals or until the agency withdraws
339 the reissued invitation to bid or request for proposals. This sub-subparagraph is subject to the
340 Public Record Law in accordance with c. 66 § 16.

341 2.a. A competitive sealed reply in response to an invitation to negotiate, is exempt from
342 c. 66 § 4(1) until such time as the agency provides notice of a decision or intended decision or
343 until 20 days after the final competitive sealed replies are all opened, whichever occurs earlier.

344 b. If an agency rejects all competitive sealed replies in response to an invitation to
345 negotiate and concurrently provides notice of its intent to reissue the invitation to negotiate and
346 reissues the invitation to negotiate within 90 days after the notice of intent to reissue the
347 invitation to negotiate, the rejected replies remain exempt from c. 66 § 4(1) until such time as the
348 agency provides notice of a decision or intended decision concerning the reissued invitation to
349 negotiate or until the agency withdraws the reissued invitation to negotiate. A competitive sealed
350 reply is not exempt for longer than 12 months after the initial agency notice rejecting all replies.

351 c. This subparagraph is subject to the Public Record Law in accordance with c. 66 § 16.

352 (c) Any financial statement that an agency requires a prospective bidder to submit in
353 order to prequalify for bidding or for responding to a proposal for a road or any other public
354 works project is exempt from c. 66 § 4(1).

355 (d)1. A public record that was prepared by an agency attorney (including an attorney
356 employed or retained by the agency or employed or retained by another public officer or agency
357 to protect or represent the interests of the agency having custody of the record) or prepared at the
358 attorney's express direction, that reflects a mental impression, conclusion, litigation strategy, or
359 legal theory of the attorney or the agency, and that was prepared exclusively for civil or criminal
360 litigation or for adversarial administrative proceedings, or that was prepared in anticipation of
361 imminent civil or criminal litigation or imminent adversarial administrative proceedings, is
362 exempt from c. 66 § 4(1) until the conclusion of the litigation or adversarial administrative
363 proceedings. For purposes of capital collateral litigation, the Attorney General's office is entitled
364 to claim this exemption for those public records prepared for direct appeal as well as for all

365 capital collateral litigation after direct appeal until execution of sentence or imposition of a life
366 sentence.

367 2. This exemption is not waived by the release of such public record to another public
368 employee or officer of the same agency or any person consulted by the agency attorney. When
369 asserting the right to withhold a public record pursuant to this paragraph, the agency shall
370 identify the potential parties to any such criminal or civil litigation or adversarial administrative
371 proceedings. If a court finds that the document or other record has been improperly withheld
372 under this paragraph, the party seeking access to such document or record shall be awarded
373 reasonable attorney's fees and costs in addition to any other remedy ordered by the court.

374 (e) Any videotape or video signal that, under an agreement with an agency, is produced,
375 made, or received by, or is in the custody of, a federally licensed radio or television station or its
376 agent is exempt from c. 66 § 4(1).

377 (f) Data processing software obtained by an agency under a licensing agreement that
378 prohibits its disclosure and which software is a trade secret and agency-produced data processing

1118 (h) If the county recorder accepts or stores official records in an electronic format, the
1119 county recorder must use his or her best efforts to redact all social security numbers and bank
1120 account, debit, charge, or credit card numbers from electronic copies of the official record. The
1121 use of an automated program for redaction shall be deemed to be the best effort in performing
1122 the redaction and shall be deemed in compliance with the requirements of this subsection.

1123 (i) The county recorder is not liable for the inadvertent release of social security numbers,
1124 or bank account, debit, charge, or credit card numbers, filed with the county recorder.

1125 66 § 10 Copyright of data processing software created by governmental agencies; sale
1126 price and licensing fee

1127 (1) As used in this section, "agency" has the same meaning as in c. 66 § 2(2), except that
1128 the term does not include any private agency, person, partnership, corporation, or business entity.

1129 (2) An agency is authorized to acquire and hold a copyright for data processing software
1130 created by the agency and to enforce its rights pertaining to such copyright, provided that the
1131 agency complies with the requirements of this subsection.

1132 (a) An agency that has acquired a copyright for data processing software created by the
1133 agency may sell or license the copyrighted data processing software to any public agency or
1134 private person. The agency may establish a price for the sale and a licensing fee for the use of
1135 such data processing software that may be based on market considerations. However, the prices
1136 or fees for the sale or licensing of copyrighted data processing software to an individual or entity
1137 solely for application to information maintained or generated by the agency that created the
1138 copyrighted data processing software shall be determined pursuant to c. 66 § 4(4).

1139 (b) Proceeds from the sale or licensing of copyrighted data processing software shall be
1140 deposited by the agency into a trust fund for the agency's appropriate use for authorized
1141 purposes. Counties, municipalities, and other political subdivisions of the state may designate
1142 how such sale and licensing proceeds are to be used.

1143 (c) The provisions of this subsection are supplemental to, and shall not supplant or repeal,
1144 any other provision of law that authorizes an agency to acquire and hold copyrights.

1145 66 § 11 Registration by federal employer's registration number

1146 Each state agency which registers or licenses corporations, partnerships, or other business
1147 entities shall include, by July 1, 1978, within its numbering system, the federal employer's
1148 identification number of each corporation, partnership, or other business entity registered or
1149 licensed by it. Any state agency may maintain a dual numbering system in which the federal
1150 employer's identification number or the state agency's own number is the primary identification
1151 number; however, the records of such state agency shall be designed in such a way that the
1152 record of any business entity is subject to direct location by the federal employer's identification
1153 number. The Department of State shall keep a registry of federal employer's identification
1154 numbers of all business entities, registered with the Division of Corporations, which registry of
1155 numbers may be used by all state agencies.

1166 66 § 13 Protection of victims of crimes or accidents

1167 Police reports are public records except as otherwise made exempt or confidential. Every
1168 person is allowed to examine nonexempt or nonconfidential police reports. A person who comes
1169 into possession of exempt or confidential information contained in police reports may not use
1170 that information for any commercial solicitation of the victims or relatives of the victims of the
1171 reported crimes or accidents and may not knowingly disclose such information to any third party
1172 for the purpose of such solicitation during the period of time that information remains exempt or
1173 confidential. This section does not prohibit the publication of such information to the general
1174 public by any news media legally entitled to possess that information or the use of such
1175 information for any other data collection or analysis purposes by those entitled to possess that
1176 information.

1177 66 § 14 Accelerated hearing; immediate compliance

1178 (1) Whenever an action is filed to enforce the provisions of this chapter, the court shall
1179 set an immediate hearing, giving the case priority over other pending cases.

1180 (2) Whenever a court orders an agency to open its records for inspection in accordance
1181 with this chapter, the agency shall comply with such order within 48 hours, unless otherwise
1182 provided by the court issuing such order, or unless the appellate court issues a stay order within
1183 such 48-hour period.

1184 (3) A stay order shall not be issued unless the court determines that there is a substantial
1185 probability that opening the records for inspection will result in significant damage.

1186 (4) Upon service of a complaint, counterclaim, or cross-claim in a civil action brought to
1187 enforce the provisions of this chapter, the custodian of the public record that is the subject matter
1188 of such civil action shall not transfer custody, alter, destroy, or otherwise dispose of the public

1189 record sought to be inspected and examined, notwithstanding the applicability of an exemption
1190 or the assertion that the requested record is not a public record subject to inspection and
1191 examination under c. 66 § 4(1), until the court directs otherwise. The person who has custody of
1192 such public record may, however, at any time permit inspection of the requested record as
1193 provided in c. 66 § 4(1) and other provisions of law.

1194 66 § 15 Attorney's fees

1195 If a civil action is filed against an agency to enforce the provisions of this chapter and if
1196 the court determines that such agency unlawfully refused to permit a public record to be
1197 inspected or copied, the court shall assess and award, against the agency responsible, the
1198 reasonable costs of enforcement including reasonable attorneys' fees.

1199 66 § 16 Legislative review of exemptions from public meeting and public records
1200 requirements

1201 (1) This section may be cited as the "Public Record Law."

1202 (2) This section provides for the review and repeal or reenactment of an exemption from
1203 c. 66 § 4(1). This act does not apply to an exemption that:

1204 (a) Is required by federal law; or

1205 (b) Applies solely to the Legislature or the State Court System.

1206 (3) In the 5th year after enactment of a new exemption or substantial amendment of an
1207 existing exemption, the exemption shall be repealed on October 2nd of the 5th year, unless the
1208 Legislature acts to reenact the exemption.

1209 (4)(a) A law that enacts a new exemption or substantially amends an existing exemption
1210 must state that the record or meeting is:

1211 1. Exempt from the State Constitution;

1212 2. Exempt from c. 66 § 4(1); and

1213 3. Repealed at the end of 5 years and that the exemption must be reviewed by the
1214 Legislature before the scheduled repeal date.

1215 (b) For purposes of this section, an exemption is substantially amended if the amendment
1216 expands the scope of the exemption to include more records or information or to include
1217 meetings as well as records. An exemption is not substantially amended if the amendment
1218 narrows the scope of the exemption.

1219 (c) This section is not intended to repeal an exemption that has been amended following
1220 legislative review before the scheduled repeal of the exemption if the exemption is not
1221 substantially amended as a result of the review.

1222 (5)(a) As part of the review process, the Legislature shall consider the following:

1223 1. What specific records or meetings are affected by the exemption?

1224 2. Whom does the exemption uniquely affect, as opposed to the general public?

1225 3. What is the identifiable public purpose or goal of the exemption?

1226 4. Can the information contained in the records or discussed in the meeting be readily
1227 obtained by alternative means? If so, how?

1228 5. Is the record or meeting protected by another exemption?

1229 6. Are there multiple exemptions for the same type of record or meeting that it would be
1230 appropriate to merge?

1231 (b) An exemption may be created, revised, or maintained only if it serves an identifiable
1232 public purpose, and the exemption may be no broader than is necessary to meet the public
1233 purpose it serves. An identifiable public purpose is served if the exemption meets one of the
1234 following purposes and the Legislature finds that the purpose is sufficiently compelling to
1235 override the strong public policy of open government and cannot be accomplished without the
1236 exemption:

1237 1. Allows the state or its political subdivisions to effectively and efficiently administer a
1238 governmental program, which administration would be significantly impaired without the
1239 exemption;

1240 2. Protects information of a sensitive personal nature concerning individuals, the release
1241 of which information would be defamatory to such individuals or cause unwarranted damage to
1242 the good name or reputation of such individuals or would jeopardize the safety of such
1243 individuals. However, in exemptions under this subparagraph, only information that would
1244 identify the individuals may be exempted; or

1245 3. Protects information of a confidential nature concerning entities, including, but not
1246 limited to, a formula, pattern, device, combination of devices, or compilation of information
1247 which is used to protect or further a business advantage over those who do not know or use it, the
1248 disclosure of which information would injure the affected entity in the marketplace.

1249 (6) Records made before the date of a repeal of an exemption under this section may not
1250 be made public unless otherwise provided by law. In deciding whether the records shall be made
1251 public, the Legislature shall consider whether the damage or loss to persons or entities uniquely
1252 affected by the exemption of the type specified in subparagraph (6)(b)2.or subparagraph (6)(b)3
1253 would occur if the records were made public.

1254 (7) Notwithstanding any other law, neither the state or its political subdivisions nor any
1255 other public body shall be made party to any suit in any court or incur any liability for the repeal
1256 or revival and reenactment of an exemption under this section. The failure of the Legislature to
1257 comply strictly with this section does not invalidate an otherwise valid reenactment.
