

SENATE No. 2250

The Commonwealth of Massachusetts

In the Year Two Thousand Twelve

An Act authorizing the Massachusetts Department of Transportation to acquire certain parcels of land in the city of Worcester.

Whereas, The deferred operation of this act would tend to defeat its purpose, which is to authorize the Massachusetts Department of Transportation to acquire certain parcels of land in the city of Worcester to facilitate bridge construction, therefore, it is hereby declared to be an emergency law, necessary for the immediate preservation of the public convenience.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1 SECTION 1. Notwithstanding sections 40E to 40J, inclusive, of chapter 7 of the General
2 laws or any other general or special law to the contrary, the commissioner of capital asset
3 management and maintenance, in consultation with the commissioner of conservation and
4 recreation, may convey to the Massachusetts Department of Transportation certain parcels of
5 land in the city of Worcester described in section 2. The parcels shall be diverted from their
6 present use as conservation and recreation land to a highway use.

7 SECTION 2. The parcels referenced in section 1 are as follows, subject to verification
8 and approval by the commissioner of capital asset management and maintenance:

9 Parcel 61-1: A parcel of land dedicated to conservation and recreation use owned by the
10 commonwealth, under the care and control of the department of conservation and recreation,

11 adjoining the northerly sideline of the City Layout of Belmont Street (Route 9) and bounded as
12 follows: Beginning on the northerly line of said City Layout at the southwesterly corner of the
13 parcel hereinafter described; thence continuing along said City Layout northeasterly a distance of
14 about 39.9 feet to the southeasterly corner of the property supposed to be owned by the
15 Commonwealth of Massachusetts, under the care and control of the department of conservation
16 and recreation; thence continuing along the easterly sideline of said property along a curve to the
17 left with a radius of about 56.6 feet, a distance of about 24.2 feet; thence leaving said sideline
18 and continuing northwesterly a distance of about 53.8 feet; thence southeasterly a distance of
19 about 25.3 feet to the point of beginning. The parcel contains about 1,095 square feet;

20 Parcel 61-3-C: A parcel of land dedicated to conservation and recreation use owned by
21 the commonwealth, under the care and control of the department of conservation and recreation,
22 adjoining the easterly sideline of the City Layout of Lake Avenue North and bounded as follows:
23 Beginning on the easterly line of said City Layout at the northwesterly corner of the parcel
24 hereinafter described; thence southeasterly a distance of about 3.0 feet; thence southwesterly a
25 distance of about 29.0 feet; thence along a curve to the left having a radius of about 47.0 feet, a
26 distance of about 66.3 feet to a point on the northerly sideline of the City Layout of Belmont
27 Street (Route 9); thence continuing southwesterly along said City Layout a distance of about
28 61.0 feet to a point on the easterly sideline of the City Layout of Lake Avenue North; thence
29 continuing northeasterly along said City Layout a distance of about 86.3 feet to the point of
30 beginning. The parcel contains about 1,252 square feet;

31 Parcel 61-WD-1: A parcel of land dedicated to conservation and recreation use owned by
32 the Commonwealth of Massachusetts, under the care and control of the department of
33 conservation and recreation, adjoining the northerly sideline of the City Layout of Belmont

34 Street (Route 9) and bounded as follows: Beginning on the northerly line of said City Layout at
35 the southwesterly corner of the parcel hereinafter described; thence northwesterly a distance of
36 about 34.5 feet; thence northeasterly a distance of about 46.1 feet; thence southeasterly a distance
37 of about 60.2 feet; thence southeasterly a distance of about 25.3 feet to a point on the northerly
38 sideline of the City Layout of Belmont Street (Route 9); thence continuing southwesterly a
39 distance of about 105.9 feet to the point of beginning. The parcel contains about 3,222 square
40 feet.

41 SECTION 3. The parcels of land described in section 2 are shown on a plan entitled
