138 the school in the receiving state shall request the student's official education records from the
139 school in the sending state. Upon receipt of this request, the school in the sending state shall

158 the school in the sending state if the courses are offered and space is available. Course placement
159 shall include, but not be limited to, honors, international baccalaureate, advanced placement,
160 vocational, technical and career pathways courses. Continuing the student's academic program
161 from the previous school and promoting placement in academically and career challenging

163 the receiving state from performing subsequent evaluations to ensure appropriate placement and
164 continued enrollment of the student in the courses.

168 shall include, but not be limited to: (i) gifted and talented programs; and (ii) English as a second

174 current individualized education program; (ii) the requirements of section 504 of the
175 Rehabilitation Act, 29 U.S.C.A. section 794; and (iii) title II of the Americans with Disabilities
176 Act, 42 U.S.C.A. sections 12131-12165. The receiving state shall make reasonable
177 accommodations and modifications to address the needs of incoming students with disabilities,
178 subject to an existing 504 or title II plan, to provide the student with equal access to education.

179 This shall not preclude the school in the receiving state from performing subsequent evaluations
180 to ensure appropriate placement of the student.

181 (d) Local education agency administrative officials shall have flexibility in
182 waiving course or program prerequisites or other preconditions for placement in courses or
183 programs offered under the jurisdiction of the local education agency.

184 (e) A student whose parent or legal guardian is an active duty member of the
185 uniformed services and has been called to duty for, is on leave from or immediately returned
186 from deployment to a combat zone or combat support posting, may be granted additional
187 excused absences at the discretion of the local education agency superintendent to visit with that
188 parent or legal guardian on leave or preparing for or returning from deployment.

189 Section 5. (a) The following shall be required to be eligible for enrollment in the
190 receiving state's school:

191 (1) special power of attorney, relative to the guardianship of a child of a
192 military family and executed under applicable law, shall be sufficient to enroll or take any other
193 action requiring parental participation and consent under this compact;

194 (2) a local education agency shall not charge local tuition to a transitioning
195 military child placed in the care of a non-custodial parent or other person standing in loco
196 parentis who lives in a jurisdiction other than that of the custodial parent; and

197 (3) a transitioning military child placed in the care of a non-custodial
198 parent or other person standing in loco parentis who lives in a jurisdiction other than that of the

199 custodial parent, may continue to attend the school in which the child was enrolled while
200 residing with the custodial parent.

201 (b) State and local education agencies shall facilitate the opportunity for
202 transitioning military children's inclusion in extracurricular activities, regardless of application
203 deadlines, to the extent the children are otherwise qualified.

204 Section 6.

205 (a) To facilitate the on-time graduation of children of military families, local
206 education agency administrative officials shall waive specific courses required for graduation if
207 similar course work has been satisfactorily completed in another local education agency or shall
208 provide reasonable justification for denial. Should a waiver not be granted to a student who
209 would otherwise qualify to graduate from the sending school, the local education agency shall
210 provide an alternative means of acquiring required coursework so that graduation may occur on
211 time.

212 (b) To facilitate the on-time graduation of children of military families, receiving
213 states may accept exit or end-of-course exams required for graduation from the sending state or
214 national norm-referenced achievement tests or alternative testing, in lieu of testing requirements
215 for graduation in the receiving state; require the student to take scheduled exit test in the
216 receiving state, if the student is able to take the tests prior to the end of grade 12; or accept
217 evidence or information from the sending or receiving district that demonstrates that the student
218 has met the receiving state's graduation standard, either through a transcript of courses taken and
219 grades received from the sending and or receiving district; a portfolio of work samples for the

220 student that addresses the required high school standards; standardized norm-referenced test
221 results in the subject required by the receiving state for graduation; or other relevant information.

222 (c) To facilitate the on-time graduation of children of military families, should a
223 military student transferring at the beginning or during grade 12 be ineligible to graduate from
224 the receiving local education agency after all alternatives in subsection (b) have been considered,
225 the sending and receiving local education agencies shall ensure the receipt of a diploma from the
226 sending local education agency if the student meets the graduation requirements of the sending
227 local education agency. In the event that either the transferring or receiving state is not a member
228 of this compact, the member state shall use best efforts to facilitate the on-time graduation of the
229 student under subsections (a) and (b).

230 Section 7. (a) Each member state shall, through the creation of a state council or
231 use of an existing body or board, provide for the coordination among its agencies of government,
232 local education agencies and military installations concerning the state's participation in and
233 compliance with this compact and interstate commission activities. While each member state
234 may determine the membership of its own state council, the membership shall include at least: (i)
235 the state secretary of education; (ii) a superintendent of a school district with a high
236 concentration of military children; (iii) a representative from a military installation; (iv) 1
237 representative from the legislature; (v) 1 representative from the executive branch; and (vi) other
238 offices and stakeholder groups that the state council deems appropriate. A member state that
239 does not have a school district deemed to contain a high concentration of military children may
240 appoint a superintendent from another school district to represent local education agencies on the
241 state council.

242 (b) The state council of each member state shall appoint or designate a military
243 family education liaison to assist military families and the state in facilitating the implementation
244 of this compact.

245 (c) The compact commissioner responsible for the administration and
246 management of the state's participation in the compact shall be appointed by the governor or as
247 otherwise determined by each member state.

248 (d) The compact commissioner and the military family education liaison
249 designated under this compact shall be ex-officio members of the state council, unless either is
250 already a full voting member of the state council.

251 Section 8. The compacting states hereby create the interstate commission on
252 educational opportunity for military children. The activities of the interstate commission are the
253 formation of public policy and are a discretionary state function. The interstate commission shall:

254 (a) be a body corporate and joint agency of the member states and shall have all
255 the responsibilities, powers and duties set forth in this compact and additional powers as may be
256 conferred upon it by a subsequent concurrent action of the respective legislatures of the member
257 states under the terms of this compact;

258 (b) consist of 1 interstate commission voting representative from each member
259 state who shall be that state's compact commissioner;

260 (c) entitle each member state represented at a meeting of the interstate
261 commission to 1 vote;

267 interstate commission, the governor or state council may delegate voting authority to another
268 person from their state for a specified meeting;

269 (f) allow the by-laws to provide for meetings of the interstate commission to be
270 conducted by telecommunication or electronic communication;

271 (g) consist of ex-officio, non-voting representatives who are members of
272 interested organizations, as defined in the by-laws, which may include, but shall not be limited

274 agency officials, parent and teacher groups, the United States Department of Defense, the
275 Education Commission of the States, the Interstate Agreement on the Qualification of
276 Educational Personnel and other interstate compacts affecting the education of children of

279 additional meetings and upon the request of a simple majority of the member states, shall call
280 additional meetings;

281 (i) establish an executive committee, whose members shall include the officers of
282 the interstate commission and such other members of the interstate commission as determined by
283 the by-laws; provided, that members of the executive committee shall serve a 1-year term and

284 shall be entitled to 1 vote each; provided further, that the executive committee shall have the
285 power to act on behalf of the interstate commission, with the exception of rulemaking during
286 periods when the interstate commission is not in session; provided further, that the executive
287 committee shall oversee the day-to-day activities of the administration of the compact including
288 enforcement and compliance with the compact, its by-laws and rules and other such duties as
289 deemed necessary; and provided further that the United States Department of Defense shall serve
290 as an ex-officio, non-voting member of the executive committee;

292 which the interstate commission shall make its information and official records available to the
293 public for inspection or copying; provided, that the interstate commission may exempt from
294 disclosure the information or the official records that would adversely affect personal privacy
295 rights or proprietary interests;

296 (k) give public notice of all meetings and all meetings shall be open to the public,
297 except as set forth in the rules or as otherwise provided in the compact; provided, that the
298 interstate commission and its committees may close a meeting, or a portion of a meeting, when
299 the commission or committee determines by a two-thirds vote that an open meeting would likely:

300 (1) relate solely to the interstate commission's internal personnel practices
301 and procedures;

302 (2) disclose matters specifically exempted from disclosure by federal and
303 state statute;

304 (3) disclose trade secrets or commercial or financial information which is
305 privileged or confidential;

306 (4) involve accusing a person of a crime or formally censuring a person;

307 (5) disclose information of a personal nature where disclosure would
308 constitute an unwarranted invasion of personal privacy;

309 (6) disclose investigative records compiled for law enforcement purposes;

310 or

311 (7) relate specifically to the interstate commission's participation in a civil
312 action or other legal proceeding;

324 to be collected, the means of collection and data exchange and reporting requirements; provided,
325 that such methods of data collection, exchange and reporting shall, as much as reasonably
326 possible, conform to current technology and coordinate its information functions with the
327 appropriate custodian of records as identified in the by-laws and rules;

328 (n) create a process that permits military officials, education officials and parents
329 to inform the interstate commission of alleged violations of the compact, its rules or when issues
330 subject to the jurisdiction of the compact or its rules are not addressed by the state or local
331 education agency; provided, that this section shall not be construed to create a private right of
332 action against the interstate commission or any member state.

333 Section 9. The interstate commission may:

334 (a) provide for dispute resolution among member states;

335 (b) issue, upon request of a member state, advisory opinions concerning the

395 interstate commission; provided, that subject to the availability of budgeted funds, the officers
396 shall be reimbursed for ordinary and necessary costs and expenses incurred by them in the
397 performance of their responsibilities as officers of the interstate commission.

398 (c) The executive committee shall have such authority and duties as may be set
399 forth in the by-laws, including, but not limited to: (i) managing the affairs of the interstate
400 commission in a manner consistent with the by-laws and purposes of the interstate commission;
401 (ii) overseeing an organizational structure within the interstate commission and establishing
402 appropriate procedures for the interstate commission to provide for the creation of rules,
403 operating procedures and administrative and technical support functions; and (iii) planning,
404 implementing and coordinating communications and activities with other state, federal and local
405 government organizations in order to advance the goals of the interstate commission.

406 (d) The executive committee may, subject to the approval of the interstate
407 commission, appoint or retain an executive director for a period, during which the terms,

408 conditions and compensation shall be set by the interstate commission. The executive director
409 shall serve as secretary to the interstate commission, but shall not be a member of the interstate
410 commission. The executive director shall hire and supervise other personnel when authorized by
411 the interstate commission.

412 (e) The interstate commission's executive director and employees shall be
413 immune from suit and liability, either personally or in their official capacity, for a claim for
414 damage to or loss of property, personal injury or other civil liability caused by, arising out of or
415 relating to an actual or alleged act, error or omission that occurred, or that the person had a
416 reasonable basis for believing occurred, within the scope of interstate commission employment,
417 duties or responsibilities; provided, that the interstate commission's executive director and
418 employees shall not be protected from suit or liability for damage, loss, injury or liability caused
419 by the intentional or willful and wanton misconduct of such person.

420 (f) The liability of the interstate commission's executive director, employees or
421 representatives for acts, errors or omissions that occur while acting within the scope of
422 employment and within the person's state may not exceed the limits of liability set forth under
423 the constitution and laws of that state for state officials, employees and agents. The interstate
424 commission is considered to be an instrumentality of the states for the purposes of any such
425 action. Nothing in this subsection shall be construed to protect the person from suit or liability
426 for damage, loss, injury or liability caused by the intentional or willful and wanton misconduct of
427 such person.

428 (g) The interstate commission shall defend the executive director and its
429 employees and, subject to the approval of the attorney general or other appropriate legal counsel

430 of the member state represented by an interstate commission, shall defend interstate commission
431 representatives in any civil action seeking to impose liability arising out of an actual or alleged
432 act, error or omission that occurred within the scope of interstate commission employment,
433 duties or responsibilities, or that the defendant had a reasonable basis for believing occurred
434 within the scope of interstate commission employment, duties or responsibilities; provided,
435 however, that the actual or alleged act error or omission did not result from intentional or willful
436 and wanton misconduct on the part of such person.

437 (h) To the extent that representatives and employees of the interstate commission
438 are not covered by the state involved, the member state or the interstate commission, that
439 representative or employee shall be held harmless in the amount of a settlement or judgment,
440 including attorney's fees and costs, obtained against such persons arising out of an actual or
441 alleged act, error or omission that occurred within the scope of interstate commission
442 employment, duties or responsibilities, or that such persons had a reasonable basis for believing
443 occurred within the scope of interstate commission employment, duties or responsibilities;
444 provided, however, that the actual or alleged act, error or omission did not result from intentional
445 or willful and wanton misconduct on the part of such persons.

446 Section 11. (a) The interstate commission shall promulgate reasonable rules in
447 order to effectively achieve the purposes of this compact. In the event the interstate commission
448 exercises its rulemaking authority in a manner that is beyond the scope or the powers granted in
449 this act, then that action by the interstate commission shall be invalid and have no force or effect.

450 (b) Rules shall be made pursuant to a rulemaking process that shall substantially,
451 or as much as possible, conform with the Model State Administrative Procedure Act of 1981,
452 uniform laws annotated, vol. 15, p.1 (2000) as amended.

453 (c) Not later than 30 days after a rule is promulgated, any person may file a
454 petition for judicial review of the rule; provided, that the filing of such a petition shall not stay or
455 otherwise prevent the rule from becoming effective unless the court finds that the petitioner has a
456 substantial likelihood of success. The court shall give deference to the actions of the interstate
457 commission consistent with applicable law and shall not find the rule to be unlawful if the rule
458 represents a reasonable exercise of the interstate commission's authority.

459 (d) If a majority of the legislatures of the compacting states reject a rule by
460 enactment of a statute or resolution, then such rule shall have no further force and effect in any
461 compacting state.

462 Section 12. (a) All courts shall take judicial notice of the compact and the rules in
463 any judicial or administrative proceeding in a member state pertaining to the subject matter of
464 this compact which may affect the powers, responsibilities or actions of the interstate
465 commission.

466 (b) The interstate commission shall be entitled to receive all service of process in
467 any such proceeding and shall have standing to intervene in the proceeding for all purposes.
468 Failure to provide service of process to the interstate commission shall render a judgment or
469 order void as to the interstate commission, this compact or promulgated rules.

470 (c) If the interstate commission determines that a member state has defaulted in
471 the performance of its obligations or responsibilities under this compact, the by-laws or the
472 promulgated rules, the interstate commission shall:

473 (1) provide written notice to the defaulting state and other member states,
474 of the nature of the default, the means of curing the default and any action taken by the interstate
475 commission; provided, that the interstate commission shall specify the conditions by which the
476 defaulting state must cure its default;

477 (2) provide remedial training and specific technical assistance regarding
478 the default; and

479 (3) terminate a defaulting state from the compact if the defaulting state
480 fails to cure the default and upon an affirmative vote of a majority of the member states, all
481 rights, privileges and benefits conferred by this compact shall be terminated from the effective
482 date of termination; provided that a cure of the default shall not relieve the offending state of
483 obligations or liabilities incurred during the period of the default.

484 (d) Suspension or termination of membership in this compact shall be imposed
485 only after all other means of securing compliance have been exhausted. Notice of intent to
486 suspend or terminate shall be given by the interstate commission to the governor and the
487 majority and minority leaders of the defaulting state's legislature and each of the member states.

488 (e) The state which has been suspended or terminated shall be responsible for all
489 assessments, obligations and liabilities incurred through the effective date of suspension or
490 termination including obligations that require performance beyond the effective date of
491 suspension or termination.

492 (f) The interstate commission shall not bear any costs relating to any state that has
493 been found to be in default or which has been suspended or terminated from the compact, unless
494 otherwise mutually agreed upon in writing between the interstate commission and the defaulting
495 state.

496 (g) The interstate commission shall attempt, upon the request of a member state,
497 to resolve disputes which are subject to the compact and which may arise among member states
498 and between member and non-member states. The interstate commission shall promulgate a rule
499 providing for both mediation and binding dispute resolution for disputes as appropriate.

500 (h) The interstate commission, in the reasonable exercise of its discretion, shall
501 enforce this compact.

502 (i) The remedies in this section shall not be the exclusive remedies of the
503 interstate commission. The interstate commission may avail itself of any other remedies
504 available under state law or the regulation of a profession.

505 Section 13. (a) The interstate commission shall pay, or provide for the payment
506 of, the reasonable expenses of its establishment, organization and ongoing activities.

507 (b) The interstate commission may levy on and collect an annual assessment from
508 each member state to cover the cost of the operations and activities of the interstate commission
509 and its staff which must be in a total amount sufficient to cover the interstate commission's
510 annual budget as approved each year. The aggregate annual assessment amount shall be allocated
511 based upon a formula determined by the interstate commission, which shall promulgate a rule
512 that is binding upon all member states.

513 (c) The interstate commission shall not incur obligations of any kind prior to
514 securing the funds adequate to meet that obligation; nor shall the interstate commission pledge
515 the credit of any of the member states, except by and with the authority of the member state.

516 (d) The interstate commission shall keep accurate accounts of all receipts and
517 disbursements. The receipts and disbursements of the interstate commission shall be subject to
518 the audit and accounting procedures established under its by-laws. All receipts and
519 disbursements of funds handled by the interstate commission shall be audited yearly by a
520 certified or licensed public accountant and the report of the audit shall be included in and become
521 part of the annual report of the interstate commission.

522 Section 14. (a) Any state shall be eligible to become a member state.

523 (b) The compact shall become effective and binding upon legislative enactment of
524 the compact into law by no less than 10 states. The effective date shall be no earlier than
525 December 1, 2007. Thereafter it shall become effective and binding as to any other member state
526 upon enactment of the compact into law by that state. The governors of non-member states or the
527 designees of non-member states shall be invited to participate in the activities of the interstate
528 commission on a non-voting basis prior to adoption of the compact by all states.

529 (c) The interstate commission may propose amendments to the compact for
530 enactment by the member states. No amendment shall become effective and binding upon the
531 interstate commission and the member states unless it is enacted into law by unanimous consent
532 of the member states.

533 Section 15. (a) Once effective, the compact shall continue in force and remain
534 binding upon each and every member state; provided, that a member state may withdraw from
535 the compact by specifically repealing the statute that enacted the compact into law.

536 (b) Withdrawal from this compact shall be by the enactment of a statute repealing
537 this compact, but shall not take effect until 1 year after the effective date of such statute.

538 (c) The withdrawing state shall immediately notify the chairperson of the
539 interstate commission in writing upon the introduction of legislation repealing this compact in
540 the withdrawing state. The interstate commission shall notify the other member states of the
541 withdrawing state's intent to withdraw within 60 days of receiving notice.

542 (d) The withdrawing state shall be responsible for all assessments, obligations and
543 liabilities incurred through the effective date of withdrawal, including the performance of
544 obligations which extend beyond the effective date of the withdrawal.

545 (e) Reinstatement following withdrawal of a member state shall occur upon the
546 withdrawing state reenacting the compact or upon such later date as determined by the interstate
547 commission.

548 Section 16. (a) This compact shall dissolve upon the date of the withdrawal or
549 default of the member state which reduces the membership in the compact to 1 member state.

550 (b) Upon the dissolution of this compact, the compact shall become null and void
551 and shall be of no further force or effect. The business and affairs of the interstate commission
552 shall be concluded and surplus funds shall be distributed in accordance with the by-laws.

553 Section 17. (a) This compact shall be severable and if any phrase, clause, sentence
554 or provision is deemed unenforceable, the remaining provisions of the compact shall be
555 enforceable.

556 (b) This compact shall be liberally construed to effectuate its purposes.

557 (c) Nothing in this compact shall be construed to prohibit the applicability of
558 other interstate compacts to which the states are members.

559 Section 18. (a) Nothing in this compact shall prevent the enforcement of any other
560 law of a member state that is not inconsistent with this compact.

561 (b) All member states' laws conflicting with this compact are superseded to the
562 extent of the conflict.

563 Section 19. (a) All lawful actions of the interstate commission, including all rules
564 and by-laws promulgated by the interstate commission, shall be binding upon the member states.

565 (b) All agreements between the interstate commission and the member states shall
566 be binding in accordance with the terms of the agreement.

567 (c) In the event any provision of this compact exceeds the constitutional limits
568 imposed on the legislature of any member state, such provision shall be ineffective to the extent
569 of the conflict with the constitutional provision of that member state.

591 mayor, with the approval of the city council in a city, may establish a program to allow veterans,
592 as defined in clause Forty-third of section 7 of chapter 4, to volunteer to provide services to that
593 city or town. In exchange for such volunteer services, the city or town shall reduce the real
