An Act relative to the conversion of certain disability retirements.

*Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:*

1 SECTION 1. Section 8 of Chapter 32 of the General Laws is hereby amended by  
2 inserting, at the end thereof, the following new section:-

3 Section 8A. A member retired under the provisions of sections 6 or 7 of this chapter,  
4 may, in place of the benefit provided thereunder, upon written application in a form prescribed  
5 by the commission and filed with the board, elect to receive a benefit pursuant to the provisions  
6 of this section.

7 The normal yearly retirement allowance for a member who so elects shall be computed  
8 by multiplying two and one-half percent of the regular compensation upon which the benefit  
9 under section 6 or 7 was based, by the number of years and full months of creditable service in  
10 effect for the member at the time of the member’s retirement plus the number of years and full  
11 months between the date of retirement and the date of election, plus the accrued amount of any  
12 cost of living adjustments granted under section 102 or 103 of this chapter. Such total normal  
13 yearly amount of retirement allowance, as determined in accordance with the provisions of this  
14 section, shall not exceed the total yearly retirement allowance paid to the member at the time of  
15 application for conversion under this section, provided however, that any reduction resulting  
16 from a modification made under clause (3) of section 8 or section 91A of this chapter shall not be  
17 considered in the calculation of the total normal yearly amount of retirement allowance.

18           Upon making the election provided herein, the member and the retirement allowance  
19 shall, for purposes of this chapter, be treated as if retirement had taken place pursuant to section  
20 5, provided, however, that the member shall be subject to the provisions of clause (3) of section 8  
21 or section 91A of this chapter for periods prior to the election under this section.

22           A member electing a benefit under this section may elect to have the allowance paid in  
23 accordance with the terms of option (a), option (b) or option (c) of subdivision (2) of section 12,  
24 provided, however, that in no event shall benefits be paid to the same beneficiary or to separate  
25 beneficiaries, pursuant to the provisions of both said option (b) or option (c) and section 9 of this  
26 chapter. In the event that a member elects not to receive benefits pursuant to this section and was  
27 unable to provide any annual allowance to be paid his widow at the time of his death, such  
28 widow will be entitled to receive benefits under section 9 or 101 of this chapter.
