HOUSE No. 2989

By Mr. Walsh of Framingham, a petition (accompanied by bill, House, No. 2989) of Chris Walsh and others for legislation to direct the Department of Public Utilities to promulgate rules and regulations relative to the development of underground utility infrastructure. Telecommunications, Utilities and Energy.

The Commonwealth of Massachusetts

In the Year Two Thousand Thirteen

An Act relative to underground infrastructure .

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1 SECTION 1. Chapter 164 of the General Laws is hereby amended by inserting after
2 section 71 the following section:-

3 Section 71A. The department shall promulgate rules and regulations in relation to the
4 development of utility infrastructure systems that shield such infrastructure from transmission or
5 distribution interruptions or failures including but not limited to storm damage, vandalism,
6 security breaches, maintenance neglect, or system overload due to inadequate design capacity
7 limits. The department shall make it a priority to create incentives for unobtrusive, hardened,
8 shielded, underground electrical utility transmission and distribution systems wherever
9 physically feasible. The department is required to promulgate rules and regulations in relation to
10 the development of infrastructure upgrade plans and hold public hearings once every 2 years to
11 review the status, accuracy and technical feasibility of such plans.
