An Act to include the Commonwealth in the Interstate Wildlife Violator Compact.

*Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:*

1 Chapter 131 of the general laws is hereby amended by adding the following appendix:-

2 APPENDIX TO CHAPTER 131 WILDLIFE VIOLATOR COMPACT

3 The governor, on behalf of this commonwealth, is hereby authorized to enter into a  
4 compact, substantially in the following form, with any one or more of the states of Alabama,  
5 Alaska, Arizona, California, Colorado, Florida, Georgia, Idaho, Illinois, Indiana, Iowa, Kansas,  
6 Kentucky, Louisiana, Maine, Maryland, Michigan, Minnesota, Mississippi, Missouri, Montana,  
7 Nevada, New Mexico, New York, North Carolina, North Dakota, Ohio, Oklahoma, Oregon,  
8 Pennsylvania, South Carolina, South Dakota, Tennessee, Texas, Utah, Vermont, Virginia,  
9 Washington, West Virginia, Wisconsin, Wyoming and with such other states as may legally join  
10 therein, and the general court hereby signifies in advance its approval and ratification of such a  
11 compact so entered into, such approval and ratification to be effective upon the filing of a copy  
12 of such compact in the office of the state secretary:--

13 WILDLIFE VIOLATOR COMPACT

14 The Wildlife Violator Compact is created and entered into with all other jurisdictions  
15 legally joining therein in the form substantially as follows:

16 ARTICLE I

17 Findings and Purpose

18 (1) The participating states find that:

19 (a) Wildlife resources are managed in trust by the respective states for the benefit of all  
20 residents and visitors.

21 (b) The protection of the wildlife resources of a state is materially affected by the degree  
22 of compliance with state statutes, laws, regulations, ordinances, and administrative rules relating  
23 to the management of such resources.

24

25 (c) The preservation, protection, management, and restoration of wildlife contributes  
26 immeasurably to the aesthetic, recreational, and economic aspects of such natural resources.

27 (d) Wildlife resources are valuable without regard to political boundaries; therefore,  
28 every person should be required to comply with wildlife preservation, protection, management,  
29 and restoration laws, ordinances, and administrative rules and regulations of the participating  
30 states as a condition precedent to the continuance or issuance of any license to hunt, fish, trap, or  
31 possess wildlife.

32

33 (e) Violation of wildlife laws interferes with the management of wildlife resources and  
34 may endanger the safety of persons and property.

35 (f) The mobility of many wildlife law violators necessitates the maintenance of channels  
36 of communication among the various states.

37 (g) In most instances, a person who is cited for a wildlife violation in a state other than  
38 his or her home state is:

39 1. Required to post collateral or a bond to secure appearance for a trial at a later date;

40 2. Taken into custody until the collateral or bond is posted; or

41 3. Taken directly to court for an immediate appearance.

42 (h) The purpose of the enforcement practices set forth in paragraph (g) is to ensure  
43 compliance with the terms of a wildlife citation by the cited person who, if permitted to continue  
44 on his or her way after receiving the citation, could return to his or her home state and disregard  
45 his or her duty under the terms of the citation.

46 (i) In most instances, a person receiving a wildlife citation in his or her home state is  
47 permitted to accept the citation from the officer at the scene of the violation and immediately  
48 continue on his or her way after agreeing or being instructed to comply with the terms of the  
49 citation.

50 (j) The practices described in paragraph (g) cause unnecessary inconvenience and, at  
51 times, a hardship for the person who is unable at the time to post collateral, furnish a bond, stand  
52 trial, or pay a fine, and thus is compelled to remain in custody until some alternative arrangement  
53 is made.

54 (k) The enforcement practices described in paragraph (g) consume an undue amount of  
55 time of law enforcement agencies.

56 (2) It is the policy of the participating states to:

57 (a) Promote compliance with the statutes, laws, ordinances, regulations, and  
58 administrative rules relating to the management of wildlife resources in their respective states.

59 (b) Recognize a suspension of the wildlife license privileges of any person whose license  
60 privileges have been suspended by a participating state and treat such suspension as if it had  
61 occurred in each respective state.

62 (c) Allow a violator, except as provided in subsection (2) of Article III, to accept a  
63 wildlife citation and, without delay, proceed on his or her way, whether or not the violator is a  
64 resident of the state in which the citation was issued, if the violator's home state is party to this  
65 compact.

66 (d) Report to the appropriate participating state, as provided in the compact manual, any  
67 conviction recorded against any person whose home state was not the issuing state.

68 (e) Allow the home state to recognize and treat convictions recorded against its residents,  
69 which convictions occurred in a participating state, as though they had occurred in the home  
70 state.

71 (f) Extend cooperation to its fullest extent among the participating states for enforcing  
72 compliance with the terms of a wildlife citation issued in one participating state to a resident of  
73 another participating state.

74 (g) Maximize the effective use of law enforcement personnel and information.

75 (h) Assist court systems in the efficient disposition of wildlife violations.

76 (3) The purpose of this compact is to:

77 (a) Provide a means through which participating states may join in a reciprocal program  
78 to effectuate the policies enumerated in subsection (2) in a uniform and orderly manner.

79 (b) Provide for the fair and impartial treatment of wildlife violators operating within  
80 participating states in recognition of the violator's right to due process and the sovereign status of  
81 a participating state.

82 ARTICLE II

131 in a participating state. Species included in the definition of "wildlife" vary from state to state  
132 and the determination of whether a species is "wildlife" for the purposes of this compact shall be  
133 based on local law.

140 resources and the uses thereof.

### 141 ARTICLE III

#### 142 Procedures for Issuing State

143 (1) When issuing a citation for a wildlife violation, a wildlife officer shall issue a citation  
144 to any person whose primary residence is in a participating state in the same manner as though  
145 the person were a resident of the issuing state and shall not require such person to post collateral

146 to secure appearance, subject to the exceptions noted in subsection (2), if the officer receives the  
147 recognizance of such person that he will comply with the terms of the citation.

148 (2) Personal recognizance is acceptable if not prohibited by local law; by policy,  
149 procedure, or regulation of the issuing agency; or by the compact manual and if the violator  
150 provides adequate proof of identification to the wildlife officer.

151 (3) Upon conviction or failure of a person to comply with the terms of a wildlife citation,  
152 the appropriate official shall report the conviction or failure to comply to the licensing authority  
153 of the participating state in which the wildlife citation was issued. The report shall be made in  
154 accordance with procedures specified by the issuing state and must contain information as  
155 specified in the compact manual as minimum requirements for effective processing by the home  
156 state.

157 (4) Upon receipt of the report of conviction or noncompliance pursuant to subsection (3),  
158 the licensing authority of the issuing state shall transmit to the licensing authority of the home  
159 state of the violator the information in the form and content prescribed in the compact manual.

## 160 ARTICLE IV

### 161 Procedure for Home State

162 (1) Upon receipt of a report from the licensing authority of the issuing state reporting the  
163 failure of a violator to comply with the terms of a citation, the licensing authority of the home  
164 state shall notify the violator and shall initiate a suspension action in accordance with the home  
165 state's suspension procedures and shall suspend the violator's license privileges until satisfactory  
166 evidence of compliance with the terms of the wildlife citation has been furnished by the issuing  
167 state to the home state licensing authority. Due-process safeguards shall be accorded.

168 (2) Upon receipt of a report of conviction from the licensing authority of the issuing state,  
169 the licensing authority of the home state shall enter such conviction in its records and shall treat  
170 such conviction as though it occurred in the home state for purposes of the suspension of license  
171 privileges.

172 (3) The licensing authority of the home state shall maintain a record of actions taken and  
173 shall make reports to issuing states as provided in the compact manual.

## 174 ARTICLE V

175

### 176 Reciprocal Recognition of Suspension

177 (1) Each participating state may recognize the suspension of license privileges of any  
178 person by any other participating state as though the violation resulting in the suspension had

179 occurred in that state and would have been the basis for suspension of license privileges in that  
180 state.

181 (2) Each participating state shall communicate suspension information to other  
182 participating states in the form and content contained in the compact manual.

## 183 ARTICLE VI

### 184 Applicability of Other Laws

185 Except as expressly required by provisions of this compact, this compact does not affect  
186 the right of any participating state to apply any of its laws relating to license privileges to any  
187 person or circumstance or to invalidate or prevent any agreement or other cooperative  
188 arrangement between a participating state and a nonparticipating state concerning the  
189 enforcement of wildlife laws.

## 190 ARTICLE VII

### 191 Compact Administrator Procedures

192 (1) For the purpose of administering the provisions of this compact and to serve as a  
193 governing body for the resolution of all matters relating to the operation of this compact, a board  
194 of compact administrators is established. The board shall be composed of one representative  
195 from each of the participating states to be known as the compact administrator. The compact  
196 administrator shall be appointed by the head of the licensing authority of each participating state  
197 and shall serve and be subject to removal in accordance with the laws of the state he or she  
198 represents. A compact administrator may provide for the discharge of his or her duties and the  
199 performance of his or her functions as a board member by an alternate. An alternate is not  
200 entitled to serve unless written notification of his or her identity has been given to the board.

201 (2) Each member of the board of compact administrators shall be entitled to one vote. No  
202 action of the board shall be binding unless taken at a meeting at which a majority of the total  
203 number of the board's votes are cast in favor thereof. Action by the board shall be only at a  
204 meeting at which a majority of the participating states are represented.

205 (3) The board shall elect annually from its membership a chairman and vice chairman.

206 (4) The board shall adopt bylaws not inconsistent with the provisions of this compact or  
207 the laws of a participating state for the conduct of its business and shall have the power to amend  
208 and rescind its bylaws.

209 (5) The board may accept for any of its purposes and functions under this compact any  
210 and all donations and grants of moneys, equipment, supplies, materials, and services, conditional  
211 or otherwise, from any state, the United States, or any governmental agency, and may receive,  
212 use, and dispose of the same.

213 (6) The board may contract with, or accept services or personnel from, any governmental  
214 or intergovernmental agency, individual, firm, corporation, or private nonprofit organization or  
215 institution.

216 (7) The board shall formulate all necessary procedures and develop uniform forms and  
217 documents for administering the provisions of this compact. All procedures and forms adopted  
218 pursuant to board action shall be contained in a compact manual.

## 219 ARTICLE VIII

### 220 Entry into Compact and Withdrawal

221 (1) This compact shall become effective at such time as it is adopted in substantially  
222 similar form by two or more states.

223 (2)

224 (a) Entry into the compact shall be made by resolution of ratification executed by the  
225 authorized officials of the applying state and submitted to the chairman of the board.

226 (b) The resolution shall substantially be in the form and content as provided in the  
227 compact manual and must include the following:

228 1. A citation of the authority from which the state is empowered to become a party to this  
229 compact;

230 2. An agreement of compliance with the terms and provisions of this compact; and

231 3. An agreement that compact entry is with all states participating in the compact and  
232 with all additional states legally becoming a party to the compact.

233 (c) The effective date of entry shall be specified by the applying state, but may not be less  
234 than 60 days after notice has been given by the chairman of the board of the compact  
235 administrators or by the secretariat of the board to each participating state that the resolution  
236 from the applying state has been received.

237 (3) A participating state may withdraw from participation in this compact by official  
238 written notice to each participating state, but withdrawal shall not become effective until 90 days  
239 after the notice of withdrawal is given. The notice must be directed to the compact administrator  
240 of each member state. The withdrawal of any state does not affect the validity of this compact as  
241 to the remaining participating states.

## 242 ARTICLE IX

### 243 Amendments to the Compact

244 (1) This compact may be amended from time to time. Amendments shall be presented in  
245 resolution form to the chairman of the board of compact administrators and shall be initiated by  
246 one or more participating states.

247 (2) Adoption of an amendment shall require endorsement by all participating states and  
248 shall become effective 30 days after the date of the last endorsement.

249 ARTICLE X

250 Construction and Severability

251 This compact shall be liberally construed so as to effectuate the purposes stated herein.  
252 The provisions of this compact are severable and if any phrase, clause, sentence, or provision of  
253 this compact is declared to be contrary to the constitution of any participating state or of the  
254 United States, or if the applicability thereof to any government, agency, individual, or  
255 circumstance is held invalid, the validity of the remainder of this compact shall not be affected  
256 thereby. If this compact is held contrary to the constitution of any participating state, the compact  
257 shall remain in full force and effect as to the remaining states and in full force and effect as to the  
258 participating state affected as to all severable matters.
