An Act mandating that offenses for which a pardon has been granted be expunged from Criminal Offender Record Information Reports.

*Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:*

1 SECTION 1. Section 172 of chapter 6 of the General Laws, as appearing in the 2010  
2 Official Edition, is hereby amended by inserting at the end thereof the following subsection:-

3 (o) If a petition for a pardon is granted pursuant to section 152 of chapter 127, the board  
4 shall cause such petitioner’s record in the criminal offender record information system to be  
5 expunged of any reference or information, including the granting of a pardon, relative to the  
6 offense for which the petitioner has been pardoned. Upon request, the board shall provide a copy  
7 of such amended report to the recipient of such pardon. Upon a showing that the pardoned  
8 person may be or has been subject to an adverse decision because of the dissemination of a  
9 criminal offender record containing information relative to the offense for which a pardon has  
10 been granted, the board shall provide a copy of the amended criminal offender record to any  
11 person or agency before which a decision is pending or may be reconsidered. If a pardon is  
12 subsequently revoked, pursuant to said section 152 of said chapter 127, the board shall cause the  
13 record of such person to be amended in the criminal offender record information system and  
14 such amended record may be exchanged, disseminated and distributed consistent with this  
15 paragraph.

16           SECTION 2. Notwithstanding any general or special law or rule or regulation to the  
17 contrary, within 180 days after the effective date of this act, the criminal history systems board  
18 shall cause the criminal offender record information of any person pardoned before the effective  
19 date of this act to be expunged of any reference or information, including the granting of a  
20 pardon, from the criminal offender record information system relative to the offense for which  
21 the pardon was granted. Upon request, the board shall provide a copy of such amended report to  
22 the recipient of the pardon. Upon a showing that the pardoned person may be or has been subject  
23 to an adverse decision because of the dissemination of a criminal offender record containing  
24 information relative to the offense for which a pardon has been granted, board shall provide a  
25 copy of the amended criminal offender record to any person or agency before which a decision is  
26 pending or may be reconsidered.
