The Commonwealth of Massachusetts

In the Year Two Thousand Thirteen

An Act relative to municipal safety zones.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

- 1 Chapter 211B of the General Laws is hereby amended by adding the following new 2 section:-
- 3 Section 22. Municipal Safety Zones
- 4 (a) A municipality, after consultation with the Trial Court and local District Attorney,
 5 may designate an area within a municipality where a courthouse is located as a municipal safety
 6 zone, the boundaries of which should be specifically described by streets and landmarks. The
 7 zone should be outlined on an official municipal map of the area and published in municipal
 8 notices, bulletins and official records as well as local publications and media.
- 9 (b) A civil action may be brought to enjoin a specific gang activity within a municipal safety zone by a criminal gang, a criminal gang member or any person who knowingly acts in the capacity of an agent for or accessory to a criminal gang or is accountable for or voluntarily associates with or engages in the following criminal gang related activity (1) the intimidation of witnesses and victims or their relatives (2) the unlawful possession of a pistol, revolver, or other firearm capable of being concealed upon the person (3) the illegal sale, delivery, or transfer of a firearm (4) the sale, possession for sale, transportation, manufacture, offer for sale of
- 16 controlled substances, or offer to manufacture controlled substances (5) discharging or 17 permitting the discharge of a firearm from a motor vehicle (6) threats to commit crimes resulting 18 in death or great bodily injury.
- 19 (c) Proceedings under this chapter shall be filed, heard and determined in the superior 20 court department of the trial court or the Boston municipal court department or respective

divisions of the district court department of the trial court having venue over the location of the municipal safety zone. Said action may seek, and a court may order, any such relief that may be necessary to abate and enjoin the intimidation or threatening of witnesses or victims or other individuals participating in matters at the courthouse within the municipal safety zone and other activity in subsection (b). The court may order monetary damages and the forfeiture of property received as it deems necessary. No filing fee shall be charged for the filing of any complaint under the provisions of this chapter. Any relief granted by the court shall be for a fixed period of time of not less than 1 year and not more than 3 years. Upon motion by either party, the court may modify its order at any subsequent time. An action filed under this chapter shall not preclude any other civil or criminal actions. Each order issued by a court shall contain the following statement: "VIOLATION OF THIS ORDER IS A CRIMINAL OFFENSE".

(d) Notwithstanding any law, rule or regulation to the contrary, any violation of a court order under this chapter shall be punishable by not more than 1 year in a jail or house of correction.

35 A civil action for damages may be brought against a criminal gang or against any 36 member, associate, leader, officer, agent, or organizer of a criminal gang who intimidates or threatens witnesses or victims or authorizes, causes, orders, ratifies, requests or suggests the 38 intimidation or threatening of witnesses. An action brought under this section shall also name as defendants the criminal gang and any gang members that participated in the pattern of criminal 39 gang activity. An action brought under this section may name, as a class of defendants, all 40 41 unknown criminal gang members. A civil action may be brought under this section regardless of 42 whether there has been a criminal action related to or in connection with the threatening or 43 intimidation of witnesses, or any injury or damage resulting there from and regardless of the 44 outcome of any such criminal action. (e) A summons and complaint may be served individually upon any member, associate, agent, officer, leader, or organizer of a criminal gang by service as provided for in Rule 4 of the Massachusetts Rules of Civil Procedure. Any judgment, order or decree rendered by the court after service under this section shall constitute a binding adjudication against the entire criminal gang.

- orders as it deems necessary to protect the community within the safety zone, including relief as provided in section (c). If the plaintiff demonstrates a substantial likelihood of immediate danger, the court may enter such temporary relief orders without notice as it deems necessary to protect the individual and public and shall immediately thereafter notify the defendant that the temporary orders have been issued. Notice shall be made by the appropriate law enforcement agency. The court shall give the defendant an opportunity to be heard on the question of continuing the temporary order and of granting other relief as requested by the plaintiff no later than 10 court business days after such orders are entered. If the defendant does not appear at such subsequent hearing, the temporary orders shall continue in the effect without further order of the court.
- (g) Initial public notice of any municipal safety zone shall be given at least 30 days prior to any civil action being commenced under this chapter. Said notice shall be given wide and diverse publication throughout the area of the municipal safety zone and in accordance with generally accepted municipal notice procedures as well as those methods enumerated in subsection (a).
