

JOINT COMMITTEE ON TRANSPORTATION
House of Representatives

Bill Summary

Bill Number: H.3765

Bill Name: An Act relative to obstructed views while driving

Sponsor(s): Rep. Orlando Ramos

Hearing Date: June 3rd, 2025 (**Reporting Date:** August 2nd, 2025)

Bill History: (2023-2024) H.4737; Received a favorable report from committee.

Current Law: Amends MGL Chapter 90 §13, regarding safety precautions for proper operation of a motor vehicle (including a violation for allowing equipment on or in the vehicle to impede such proper operation.)

**Summary of
Proposed Law:**

§1 Stipulates, in the case of a violation in which equipment impedes with the proper operation of a motor vehicle and when said equipment constitutes one or more small items hanging from a rearview mirror, that such a violation shall only be enforced when the operator has already been stopped for another offense.
