SUMMARY:

This bill directs the Massachusetts teachers' retirement board to credit Heather Leger with not more than 2 years of creditable service for her part-time work at the non-public Applewild school in the city of Fitchburg. This additional time will be taken into account when calculating her retirement allowance. Before any retirement allowance becomes effective, she must pay into the annuity savings fund of the Massachusetts teachers' retirement system the amount equal to what would have been withheld from her regular compensation for the previous service plus buyback interest.
