

# Committee on Public Safety and Homeland Security

---

## *Bill Summary*

**Bill Number:** H2606

**Name:** An Act to save lives by distributing Narcan to individuals at risk for an opioid overdose

**Sponsor(s):** Representative Mindy Domb

**Hearing Date:** June 26th at 1PM in A2

**Prior History:** First Time File

### **Summary:**

Amends Section 17c (Re-entry treatment plan for state detainee or prisoner requiring treatment for opioid use disorder) of chapter 127 (OFFICERS AND INMATES OF PENAL AND REFORMATORY INSTITUTIONS). PAROLES AND PARDONS) by inserting at the end: Upon discharge of a detainee or prisoner who has a history of using opioids, been diagnosed with opioid use disorder, and experienced an opioid-related overdose, they must be educated and given instruction on the use of opioid antagonists, where to access them in the community, and dispense no less than 2 doses of an opioid antagonist to the individual or legal guardian by a state or country correctional facility. The commissioner may promulgate rules and regulations necessary to implement this section.
