

JOURNAL OF THE HOUSE.

Wednesday, June 4, 2014.

Met according to adjournment at eleven o'clock A.M., with Mr. Donato of Medford in the Chair (having been appointed by the Speaker, under authority conferred by Rule 5, to perform the duties of the Chair).

Pledge of
allegiance.

At the request of the Chair (Mr. Donato), the members, guests and employees joined with him in reciting the pledge of allegiance to the flag.

Statement Concerning Representative Fox of Boston.

A statement of Mr. Mariano of Quincy concerning Ms. Fox of Boston was spread upon the records of the House, as follows:

Statement
concerning
Ms. Fox of
Boston.

MR. SPEAKER: I would like to call to the attention of the House the fact that one of our colleagues, Representative Fox of Boston, is unable to be present in the House Chamber for today's sitting due to a previously scheduled commitment. Her missing of roll calls today is due entirely to the reason stated.

Special Presentation.

Legislature's
Veteran's
Caucus,—
flag
presentation.

During the session, Mr. Naughton of Clinton took the Chair, declared a brief recess; and along with the Massachusetts Legislature's Veteran's Caucus, presented House Speaker Robert A. DeLeo and the House of Representatives a flag that was flown, on March 29, 2012, by the soldiers of the 2nd Brigade Combat Team, 4th Infantry Division over Camp Nathan Smith in Kandahar, Afghanistan. The flag was presented in anticipation of the 70th anniversary of the D-Day invasion during the Second World War. Representative Naughton noted that the 4th Infantry Division was the first division to land on Normandy Beach on D-Day.

Special Recognition.

Elizabeth and
Kevin Poirier,—
fiftieth
anniversary.

During the session, the Speaker took the Chair, declared a brief recess; and, on behalf of the House, congratulated and presented Resolutions of the House to Representative Elizabeth Poirier of North Attleborough and her husband, former Representative Kevin Poirier of North Attleborough, upon the celebration of their fiftieth anniversary of marriage on Friday, June 6.

Resolutions.

The following resolutions (filed with the Clerk) were referred, under Rule 85, to the committee on Rules:

Timothy
Caves.

Resolutions (filed by Mr. Hill of Ipswich) congratulating Timothy Caves on receiving the Eagle Award of the Boy Scouts of America;

Blake
Denman.

Resolutions (filed by Mr. Hill of Ipswich) congratulating Blake Denman on receiving the Eagle Award of the Boy Scouts of America;

Mary Alice
Sullivan.

Resolutions (filed by Mrs. Poirier of North Attleborough) congratulating and recognizing Reverend Mary Alice Sullivan on her retirement as Pastor of the Grace Episcopal Church in North Attleborough;

Resolutions (filed by Mrs. Ferguson of Holden) congratulating WTAG radio station on its ninetieth anniversary; WTAG radio,— anniversary.

Resolutions (filed by Ms. Garlick of Needham) congratulating Daniel Bradley Barry on receiving the Eagle Award of the Boy Scouts of America; Daniel Bradley Barry.

Resolutions (filed by Ms. Garlick of Needham) congratulating Jay Daukus on receiving the Eagle Award of the Boy Scouts of America; Jay Daukus.

Resolutions (filed by Ms. Garlick of Needham) congratulating Charles Bayne Friesen on receiving the Eagle Award of the Boy Scouts of America; Charles Bayne Friesen.

Resolutions (filed by Ms. Garlick of Needham) congratulating Paul Krusell on receiving the Eagle Award of the Boy Scouts of America; and Paul Krusell.

Resolutions (filed by Ms. Garlick of Needham) congratulating William Simek on receiving the Eagle Award of the Boy Scouts of America; William Simek.

Mr. Binienda of Worcester, for the committee on Rules, reported, in each instance, that the resolutions ought to be adopted. Under suspension of the rules, in each instance, on motion of Mr. Parisella of Beverly, the resolutions (reported by the committee on Bills in the Third Reading to be correctly drawn) were considered forthwith; and they were adopted.

Communications.

Communications

From the Afterschool and Out-of-School Coordinating Council established (see Section 3 of Chapter 254 of the Acts of 2012) to review existing state and local programs and policies on afterschool and out-of-school time programs [copies of said communication were forwarded to the House committee on Ways and Means and the committee on Education]; and Afterschool and out-of-school programs.

From the Massachusetts Life Insurance Community Investment Initiative, LLC (see Section 2(e) of Chapter 259 of the Acts of 1998) submitting its annual report for the year 2011 [copies of said report forwarded to the House committee on Ways and Means and the committees on Financial Services and Revenue]; Severally were placed on file. Life Insurance Community Investment Initiative.

Annual and Special Reports.

The report of the Foreclosure Impacts Task Force established (under Section 4 of Chapter 194 of the Acts of 2012 and revived and continued by Chapter 85 of the Acts of 2014) to make an investigation and study of ways in which the Commonwealth can encourage the prevention of unnecessary vacancies following foreclosures; and Foreclosures.

The annual report of the Commission on the Status of Women (under Section 66 of Chapter 3 of the General Laws) of its activities and findings for the period July 2013 to June 2014; Status of Women.

Severally were placed on file.

Papers from the Senate.

A Bill relative to the financing and construction of a sanitary sewer extension in the town of Hardwick (Senate, No. 2081) (on a petition) [Local Approval Received], passed to be engrossed by the Senate, was Hardwick,— sanitary sewer extension.

read; and it was referred, under Rule 7A, to the committee on Steering, Policy and Scheduling.

Milton,—
liquor
license.

A petition (accompanied by bill, Senate, No. 2166) of Brian A. Joyce (by vote of the town) for legislation to authorize the town of Milton to grant an additional license for the sale of all alcoholic beverages to be drunk on the premises, was referred, in concurrence, to the committee on Consumer Protection and Professional Licensure.

Petitions severally were referred, in concurrence, under suspension of Joint Rule 12, as follows:

Reverend (LT)
Daniel J.
Kennedy
Bridge.

Petition (accompanied by bill, Senate, No. 2170) of Michael F. Rush, Denise C. Garlick and Thomas P. Kennedy for legislation to designate a certain bridge in the town of Needham as the Reverend (LT) Daniel J. Kennedy, USN Memorial Bridge.

Congressman
William Bates
Bridge.

Petition (accompanied by bill, Senate, No. 2171) of Bruce E. Tarr, Leonard Mirra, Kathleen O'Connor Ives, Diana DiZoglio and others for legislation to designate a certain bridge over the Merrimack River as the Congressman William H. Bates Veterans Memorial Bridge.

Severally to the committee on Transportation.

Reports of Committees.

Driver's
licenses,—
photos.

By Mr. Binienda of Worcester, for the committee on Rules and the committees on Rules of the two branches, acting concurrently, that Joint Rule 12 be suspended on the petition of Claire D. Cronin, Thomas P. Kennedy and others relative to photographs used for driver's licenses and identification cards. Under suspension of the rules, on motion of Mr. Cusack of Braintree, the report was considered forthwith. Joint Rule 12 was suspended; and the petition (accompanied by bill) was referred to the committee on Transportation. Sent to the Senate for concurrence.

By Mr. Kafka of Stoughton, for the committee on Steering, Policy and Scheduling, that the following House bills be scheduled for consideration by the House:

Judicial process.
Child sexual
abuse.

Relative to certain judicial procedures (House, No. 4123); and

Extending the statute of limitations in civil child sexual abuse cases (House, No. 4126);

Under suspension of Rule 7A, in each instance, on motion of Mr. Kafka, the bills severally were read a second time forthwith; and they were ordered to a third reading.

Board of
casting
agents.

Report of the committee on Consumer Protection and Professional Licensure, ought NOT to pass (under Joint Rule 10), on the petition (accompanied by bill, House, No. 197) of Tackey Chan for legislation to establish a board of casting agents within the Division of Professional Licensure.

Under suspension of the rules, on a motion of Mr. Howitt of Seekonk, the report was considered forthwith.

Pending the question on acceptance of the report, the petition was recommitted, on motion of Mr. Scibak of South Hadley.

Report of the committee on Consumer Protection and Professional Licensure, ought NOT to pass (under Joint Rule 10), on the petition (accompanied by bill, House, No. 227) of Steven S. Howitt relative to the displaying of motor fuel prices based on the method of payment.

Motor fuel prices.

Under suspension of the rules, on a motion of Mr. Howitt of Seekonk, the report was considered forthwith.

Pending the question on acceptance of the report, the petition was recommitted, on motion of Mr. Scibak of South Hadley.

By Mr. Kocot of Northampton, for the committee on State Administration and Regulatory Oversight, on Senate, Nos. 1459, 1461, 1462, 1467, 1468, 1482, 1483, 1486, 1487, 1489, 1490, 1491, 1493, 1496, 1497, 1500, 1501, 1503, 1504, 1505, 1506, 1509, 1510, 1512, 1513, 1515, 1516, 1518, 1524, 1525, 1528, 1529, 1530, 1534, 1536, 1537, 1538, 1539, 1540, 1541, 1542, 1543, 1544, 1545, 1546, 1547, 1548, 1549, 1550, 1551, 1552, 1553, 1554, 1555, 1556, 1558, 1559 and 1562 and House, Nos. 4, 769, 770, 771, 2772, 2773, 2776, 2777, 2780, 2782, 2785, 2786, 2788, 2789, 2790, 2791, 2795, 2796, 2798, 2799, 2801, 2802, 2803, 2809, 2810, 2811, 2815, 2817, 2818, 2820, 2821, 2823, 2824, 2825, 2826, 2827, 2828, 2829, 2833, 2840, 2848, 2849, 2850, 2851, 2852, 2854, 2855, 2860, 2866, 2867, 2872, 2873, 2875, 2885, 2887, 2888, 2893, 2894, 2896, 2897, 2900, 2903, 2906, 2907, 2908, 2909, 3322, 3365, 3366, 3404, 3405, 3435, 3497 and 3597, an Order relative to authorizing the committee on State Administration and Regulatory Oversight to make an investigation and study of certain Senate and House documents concerning state administration issues (House, No. 4143).

State Administration and Regulatory Oversight,—study.

Referred, under Joint Rule 29, to the committees on Rules of the two branches, acting concurrently.

Mr. Binienda of Worcester, for said committees, reported, asking to be discharged from further consideration of the order; and recommending that the same be referred to the House committee on Rules.

Under Rule 42, the report was considered forthwith; and it was accepted.

By Mr. Costello of Newburyport, for the committee on Financial Services, on a petition, a Bill relative to mastectomies (House, No. 931).

Mastectomies.

By the same member, for the same committee, on House, No. 986, a Bill relative to HIV-associated lipodystrophy treatment (House, No. 4141).

HIV-associated lipodystrophy.

By the same member, for the same committee, on House, No. 989, a Bill relative to Lyme disease treatment coverage (House, No. 4142).

Lyme disease.

Severally referred, under Joint Rule 1E, to the committee on Health Care Financing.

Recess.

At eight minutes after eleven o'clock A.M., on motion of Mr. Frost of Auburn (Mr. Donato of Medford being in the Chair), the House recessed until one o'clock P.M.; and at twenty-seven minutes after two o'clock the House was called to order with Mr. Donato in the Chair.

Recess.

Engrossed Bills.

Engrossed bills

Bills enacted. Designating a certain bridge in the city of Easthampton as the Korean War Veterans Memorial Bridge (see Senate, No. 1675);
 Relative to the financial condition of the city of North Adams (see Senate, No. 2089);
 (Which severally originated in the Senate);
 Authorizing the town of Danvers to grant 6 additional licenses for the sale of alcoholic beverages to be drunk on the premises (see House, No. 4052, amended); and
 Authorizing the city of Peabody to grant 10 additional licenses for the sale of alcoholic beverages to be drunk on the premises (see House, No. 4053);
 (Which severally originated in the House);
 Severally having been certified by the Clerk to be rightly and truly prepared for final passage, were passed to be enacted; and they were signed by the acting Speaker and sent to the Senate.

Engrossed Bill — Land Taking.

Grafton,— land. The engrossed Bill authorizing the Department of Fish and Game to acquire certain parcels of land in the town of Grafton from the Grafton Water District (see House, No. 3775, amended), in respect to which the Senate had concurred in adoption of the emergency preamble, was put upon its final passage.

Bill enacted (land taking),— yea and nay No. 381. On the question on passing the bill to be enacted, the sense of the House was taken by yeas and nays (this being a bill providing for the taking of land or other easements used for conservation purposes, etc., as defined by Article XCVII of the Amendments to the Constitution); and on the roll call 149 members voted in the affirmative and 0 in the negative.

[See Yea and Nay No. 381 in Supplement.]

Therefore the bill was passed to be enacted; and it was signed by the acting Speaker and sent to the Senate.

Motion to Discharge a Certain Matter in the Orders of the Day.

Land, parks and clean energy. The House Bill providing for the preservation and improvement of land, parks and clean energy in the Commonwealth (House, No. 4138) (its title having been changed by the committee on Bills in the Third Reading), reported by said committee to be correctly drawn, was discharged from its position in the Orders of the Day and read a third time forthwith, under suspension of Rule 47, on motion of Ms. Gobi of Spencer.

After remarks on the question on passing the bill to be engrossed (the Speaker being in the Chair), Representatives Basile of Boston and Vincent of Revere moved to amend it in section 2B, in item 2840-7024, in line 686, by inserting after the word "Beach" the following: "; provided further that not less than \$20,000,000 from this item shall be expended for the design and construction of capital projects and equipment identified by the Metropolitan Beaches Commission in Nahant, Lynn, Revere, Winthrop, East Boston, South Boston, Dorchester, Quincy and Hull in consultation with the Department of Conservation and Recreation". After remarks the amendment was adopted.

Mr. Donato of Medford being in the Chair,—

Mr. Pignatelli of Lenox then moved to amend the bill in section 2B, in item 2000-7062, in line 506, by inserting after the word “Brookfield” the following: “; provided that, \$125,000 shall be expended for the final phase restoration of Baker’s pond at Kennedy Park in the town of Lenox”. The amendment was adopted.

Ms. Peake of Provincetown then moved to amend the bill in section 2, in item 2800-7032, by adding the following: “; provided further, that \$900,000 shall be expended for the design completion and construction of the Route 6 stormwater mitigation system in the town of Eastham”. The amendment was adopted.

The same member then moved to amend the bill in section 2, in item 2800-7107 by adding the following: “; provided further, that \$1,800,000 shall be expended for the dredging of Rock Harbor in the towns of Orleans and Eastham”. The amendment was adopted.

Ms. Peake then moved to amend the bill in said item 2800-7107 by adding the following: “; provided further, that \$11,900,000 shall be expended for testing, planning, design and dredging of the areas of Wellfleet Harbor known as the mooring area and marina”. The amendment was adopted.

Ms. Malia of Boston then moved to amend the bill in section 2B, in item 2000-7057, by adding the following: “; provided further that \$100,000 shall be expended for repairs to park pathways and entrances of Franklin Park in the City of Boston”. The amendment was adopted.

Mrs. Ferguson of Holden then moved to amend the bill in section 2, in item 2800-7027, by adding the following: “; provided further, the department of conservation and recreation, in conjunction with the Central Massachusetts Regional Planning Commission, shall conduct a study on the feasibility to repair and reuse an abandoned property, located in Princeton, under the ownership of the department known as the Superintendent’s House; provided further that the study shall evaluate the feasibility to repair and reuse said abandoned property to create a historical, outdoor recreation, cultural, or natural learning center and investigate potential public and private partnerships for funding a repair project; provided further, that not more than \$50,000 be expended for the feasibility study for the Superintendent’s House”. The amendment was adopted.

Mr. O’Day of West Boylston then moved to amend the bill in section 2B, in item 2840-7024, by adding the following: “; and provided further, that \$5,000,000 shall be expended for improvements to Goodale Park in the town of West Boylston”. The amendment was adopted.

The same member then moved to amend the bill in said item 2840-7024 by adding the following: “; and provided further, that \$250,000 shall be expended to install lights at the baseball fields located at Aaron Krock Memorial Field in the city of Worcester”. The amendment was adopted.

The same member then moved to amend the bill in said item 2840-7024 by adding the following: “; and provided further, that \$200,000 shall be expended for improvements to the Vietnam Veterans Memorial in Green Hill Park in Worcester, including, but not limited to, electrical repairs, masonry repairs, and new signage”. The amendment was adopted.

Land, parks
and clean
energy.

Mrs. Haddad of Somerset then moved to amend the bill in section 2, in item 2300-7028, by adding the following: “; provided further, that not less than \$790,000 shall be expended for repairs to the Big Bear-hole Pond Dam in the city of Taunton”, and in said item by striking out the figures “4,000,000” and inserting in place thereof the figures “4,790,000”. The amendments were adopted.

The same member then moved to amend the bill in section 2B, in item 2300-7026, by adding the following: “; provided further, that \$400,000 shall be expended to reconstruct the Sabbatia Lake boat ramp and rebuild the boat ramp parking area in the city of Taunton”, and in said item by striking out the figures “20,000,000” and inserting in place thereof the figures “20,400,000”. The amendments were adopted.

Mr. Linsky of Natick and other members of the House then moved to amend the bill in section 2, in item 2800-7031 by adding the following: “; provided further, that \$500,000 shall be expended for invasive aquatic plant species eradication at Lake Cochituate State Park”. The amendment was adopted.

Ms. Ferrante of Gloucester then moved to amend the bill in section 2A by inserting after item 1100-2510 the following item:

“1100-2511	For a matching grant program for the repair, construction and modernization of equipment and capital improvements of marine industrial infrastructure located in designated port areas or maritime industrial zones; provided, that the secretary of administration and finance shall make available the funds under this item to the Massachusetts Development Finance Agency to administer such a grant program; and, provided further, that each grant shall require a private funding match in an amount not to exceed 25 per cent of the cost of the project	\$7,000,000”.
------------	---	---------------

The amendment was adopted.

Representatives Gobi of Spencer and Frost of Auburn then moved to amend the bill in section 2, in item 2200-7021, in line 43, by inserting after the word “Dighton” the following: “; provided, further, that \$6,000,000 shall be expended as a grant for engineering, planning, construction, and related infrastructure and equipment, to establish and connect to an alternate public water supply source for the town of Charlton, to replace the town’s unsafe and contaminated existing public water supply source”. The amendment was adopted.

Mr. Livingstone of Boston then moved to amend the bill in section 2B, in item 2000-7057, by adding the following: “; provided further that \$1,000,000 shall be expended for the renovation of Parkman Plaza in the Boston Common in the City of Boston”. The amendment was adopted.

Representatives Gobi of Spencer and Ashe of Longmeadow then moved to amend the bill in section 2B, in item 2000-7061, in line 486, by inserting after the word “item” the following: “; provided further, that \$300,000 shall be expended for 2011 tornado related tree replanting in the town of Monson”. The amendment was adopted.

Ms. Gobi then moved to amend the bill in section 2B at the end of item 2300-7020, by striking out the figures “20,000,000” and inserting in place thereof the figures “30,000,000”. The amendment was adopted.

Ms. Campbell of Methuen then moved to amend the bill in section 2B, in item 2840-7024, by adding the following: “; provided further that \$300,000 shall be expended for synthetic turf at Nicholson Stadium at Methuen High School in the City of Methuen”. The amendment was adopted.

Mr. Brodeur of Melrose and other member of the House then moved to amend the bill in said item 2840-7024 by adding the following: “; and provided further, that \$1,200,000 shall be expended for environmental remediation improvements to Pine Banks Park in the Cities of Melrose and Malden”. The amendment was adopted.

Mr. Straus of Mattapoisett then moved to amend the bill in section 2, in item 2300-7028, by adding the following: “; and provided further, that \$500,000 shall be expended for the Buzzards Bay National Estuary Program for stormwater remediation for areas subject to shellfish closures”. The amendment was adopted.

Ms. Garlick of Needham then moved to amend the bill by adding at the end of section 2A the following item:

“6720-1308 For purposes of protection of the ecological integrity of buffer zones along the highway mitigating the negative impacts of sound, air pollution, storm water drainage and flooding; provided further that not less than \$106,000 shall be expended by the Department of Transportation to purchase certain parcels of land in the town of Needham adjacent to the Route 128 Highway on Greendale Avenue between Brookline Street and Broad Meadow Road \$106,000”.

The amendment was adopted.

Mr. Swan of Springfield then moved to amend the bill in section 2A, in item 2000-7054, by adding the following: “; \$300,000 shall be expended to Prince Hall Grand Lodge in Boston for the modification, removal, and repairs of a brownfield site in the former bottling plant in the rear of 22 Washington Street in Dorchester”. The amendment was adopted.

Mr. Walsh of Framingham then moved to amend the bill in section 2B, by striking out item 2000-7059 and inserting in place thereof the following item:

“2000-7059 For a program to be administered by the secretary of energy and environmental affairs to provide grants to cities, towns, regional planning agencies and the Massachusetts Water Resources Authority for the planning, design, technical assistance, construction and improvement of aqueduct recreational trails on the Cochituate, Weston, Sudbury and Wachusett aqueducts of the Massachusetts Water Resources Authority (“MWRA”), and related road crossing locations on municipally-owned land right-of ways, to include, without limitation, trail crossing safety improvements, access for people with disabilities and directional signage; provided that not more than \$225,000 shall be granted to the Metropolitan Area Planning Council for design and technical assistance as related to Cochituate,

Land, parks
and clean
energy.

Weston and Sudbury aqueduct trails; and provided further, that not more than \$75,000 shall be granted to the Central Massachusetts Regional Planning Commission for design and technical assistance related to Wachusett aqueduct trails; provided further, that the secretary of energy and environmental affairs shall award not more than \$1,700,000 in grants to cities and towns and other public entities for the construction of aqueduct trails and physical improvements on the Weston, Wachusett, Sudbury, and Cochituate aqueducts; Metropolitan Area Planning Council or Central Massachusetts Regional Planning Commission shall approve any grant to a city or town for activities related to the aqueduct recreational trails as described above, that is within that planning agency's respective jurisdiction, subject to the additional approval of the MWRA.. \$2,000,000".

The amendment was adopted.

After remarks on the question on passing the bill, as amended, to be engrossed, Messrs. Jones of North Reading and Speliotis of Danvers moved to amend it by adding the following three sections:

"SECTION 34. Notwithstanding sections 32 to 37, inclusive, of chapter 7C of the General Laws or any general or special law to the contrary, the commissioner of capital asset management and maintenance shall convey 11 certain parcels of state-owned land in the Town of Middleton, to the Middleton Conservation Commission, for the long term protection and enjoyment of the residents of the Town. The parcels are located at: 1.) ± 5.53 acres contained on Bk 5659 Pg 699 Plan Bk 1970 Plan 5 at the Southern Essex Registry of Deeds; 2.) ± 3.4 acres contained on Bk 5659 Pg 700 Plan Bk 1970 Plan 5 at the Southern Essex Registry of Deeds; 3.) ±2.62 acres contained on BK 6598 Pg 1 at the Southern Essex Registry of Deeds; 4.) ± 11.68 acres contained on Bk 6614 Pg 610, No plan of record at the Southern Essex Registry of Deeds; 5.) ± 0.9 acres contained on Bk 6487 Pg 717 at the Southern Essex Registry of Deeds; 6.) ±.25 acres contained on Bk 5737 Pg 138 Plan Bk 1970 Plan 522 at the Southern Essex Registry of Deeds; 7.) ± 12.9 acres contained on Bk 5736 Pg 574 Plan Bk 118 Plan 45 at the Southern Essex Registry of Deeds; 8.) ± 20.7 acres contained on Bk 5659 Pg 701 Plan Bk 1155 Plan 86 at the Southern Essex Registry of Deeds; 9.) ± 11.7 acres contained on Bk 5718 Pg 52 Plan Bk 117 Plan 77 at the Southern Essex Registry of Deeds; 10.) ± 2.58 acres contained on Bk 6363 Pg 385 Plan Bk 143 Plan 87 at the Southern Essex Registry of Deeds; 11.) ± 6.89 acres contained on Bk 6157 Pg 98 at the Southern Essex Registry of Deeds; 12.) ± 10.02 acres contained on Bk 6066 Pg 445 Plan Bk 130 Pl 3 at the Southern Essex Registry of Deeds; 13.) ± 10.47 acres contained on Bk 5935 Pg 65 Plan Bk 124 Pl 83 at the Southern Essex Registry of Deeds; 14.) ± 5.40 acres contained on Bk 5824 Pg 166 Plan Bk 121 Plan 16 at the Southern Essex Registry of Deeds; 15.) ± 3.68 acres contained on Bk 7727 Pg 299 at the Southern Essex Registry of Deeds; and 16.) ± 1.19 acres contained on Bk 574 Pg 451 at the Southern Essex Registry of Deeds. The use of the parcel to be conveyed to the Town shall be

restricted to use for conservation purposes in the town of Middleton. This parcel shall be conveyed by deed without warranties or representations by the commonwealth.

SECTION 35. The consideration for the parcels transferred by section 34 shall be nominal, as determined by the commissioner of capital asset management and maintenance, but not to exceed the amount that the division of capital asset management and maintenance paid to acquire the parcel.

SECTION 36. Notwithstanding any general or special law to the contrary, the town of Middleton shall be responsible for all costs and expenses of the transaction authorized in this act as determined by the commissioner of capital asset management and maintenance including, but not limited to, the costs of any engineering, surveys, appraisals, title examinations, recording fees and deed preparation related to the conveyance of the parcel and all costs, liabilities and expenses of any nature and kind for its ownership. The town of Middleton shall acquire the property therein in its present condition.”.

The amendment was adopted.

Mr. Dempsey of Haverhill then moved to amend the bill

In section 2

In item 2200-7021 by adding the following: “; provided further, that \$1,500,000 shall be expended for the cleanup of the pond located at the Forestdale Cemetery located in the City of Malden; provided further, that \$431,456 shall be expended for stormwater management efforts along the Crooked Meadow River, Weir River, Hingham Bay, Hull Bay, Hingham Harbor, Accord Brook, and Back River and water quality monitoring in the town of Hingham, including the delineation of drainage catchments to stormwater outfalls, field assessments, water quality sampling, and planning for a Municipal Separate Storm Sewer System using best management practices to address impairments and comply with federal and state requirements; provided further, that \$3,000,000 shall be expended for a water and sewer treatment facility on Route 202 in the town of Granby; provided further, that \$5,380,000 shall be expended for the purchase and installation of filters for the removal of manganese and iron from water in the town of Sharon; provided further, that \$852,000 for a sludge handling improvements at the waste water treatment plant in the town of Hadley; and provided further, that \$500,000 shall be expended for the design, engineering and construction of stormwater quality sampling stations in the city of Cambridge; provided further, that \$2,500,000 shall be expended for the building of a gravity fed sewer system along with a pumping station to serve the Main street and Jacksonville road area and connect it with the sewage treatment plant at the Barnhardt site in the town of Colrain; and provided further, that \$4,000,000 shall be expended for the purposes of evaluating the efficacy of adaptive management measures to reduce nitrogen pollution of coastal waterways undertaken pursuant to an approved area-wide water quality plan adopted pursuant to the federal Clean Water Act and to monitor the water quality of areas subject to said study and further to support further assessment and water quality modeling to further refine said study” and in said item by striking out the figures “40,000,000” and inserting in place thereof the following figures: “62,000,000”;

Land, parks
and clean
energy.

In item 2300-7028 by adding the following: “; and provided further, that \$1,000,000 shall be expended for the purpose of conducting a fishing capacity reduction program for the northeast multispecies fishery”;

In item 2800-7027 by adding the following: “; provided further, that \$1,000,000 shall be expended for a construction, development and conservation easement project at the Hitchcock Center for the Environment”;

In item 2800-7031 by adding the following: “; provided further, that \$250,000 shall be expended to finalize the designs and obtain the permits necessary for implementation of the Mystic River Master plan, including aquatic invasive species control on the Mystic River; provided further, that \$1,500,000 shall be expended for the removal of invasive aquatic species from Treat Pond in the town of Cohasset; and provided further, that \$1,500,000 shall be expended for the removal of invasive aquatic species from Lily Pond and the Aaron River Reservoir in the town of Cohasset”;

In item 2800-7107 by adding the following: “; provided further, that \$3,500,000 shall be expended for the alteration of the Squantum Point Park Pier and breakwater to be Americans with Disabilities Act compliant in the city of Quincy; provided further, that \$75,000 shall be expended for the design and engineering cost for public access and fishing pier at Squaw Rock in the city of Quincy; provided further, that \$250,000 shall be expended to upgrade the state pier at Cashman Park in the city of Newburyport; provided further, that \$75,000 shall be expended for the construction and operation of test wells for hydrogeological investigation of peninsulas abutting the south coast estuaries in the town of Falmouth; provided further, that \$100,000 shall be expended for the installation of oyster reefs in 1 or more estuaries in the town of Falmouth; provided further, that \$1,000,000 shall be expended for the design, permitting, remediation, and reconstruction of the bulkhead wall along the Powwow and Back Rivers at Heritage Park in the city of Amesbury; provided further, that \$500,000 shall be expended to the town of Duxbury for the dredging of Duxbury Harbor and to ensure that there is a safe and efficient evacuation channel; provided further, that \$500,000 shall be expended to Plymouth County for the purposes of the Plymouth County Dredging Program; provided further that \$2,500,000 shall be expended for the restoration of the beach area located between the east bank of the Nashua River and Boylston Street in the town of Clinton; provided further, that \$1,000,000 shall be expended to the town of Pembroke for the dredging of Furnace Pond; provided further, that \$2,000,000 shall be expended for dredging of the harbor around the T-Wharf in the town of Plymouth; and provided further, that \$1,400,000 shall be expended to replace the Bound Brook culverts under Beechwood Street in the town of Cohasset”;

In item 2800-7108 by adding the following: “; provided further, that \$1,000,000 shall be expended to purchase Piscataqua River federally dredged sand for the Salisbury Beach State Reservation as a non-federal participant in the town of Salisbury”;

In section 2A

In item 1100-2510 by adding the following: “; provided further, that not less than \$3,200,000 be expended for central waterfront bulkhead repairs for the Port of Newburyport”;

In item 2000-7028 by adding the following: “; provided further that \$5,600,000 shall be expended on dams in the city of Springfield; provided further, that \$75,000 shall be expended for investigation, engineering and repairs, to prevent seepage and improve dam safety to the Mirror Lake Dam at Coggshall Park in the city of Fitchburg; provided further, that \$375,000 shall be expended for engineering, improvements and repairs to the McTaggart’s Pond Dam in the city of Fitchburg; provided further, that \$75,000 shall be expended for the design and construction of safety improvements to the Ashby Compensating Reservoir Dam in the city of Fitchburg; provided further, that \$7,200,000 shall be expended for the rehabilitation and improvements to the Mill Pond Dam in the town of Wareham; provided further, that \$1,000,000 shall be expended for repairs to the dam at Route 25 in the town of Wareham; and provided further, that \$1,600,000 shall be expended to construct the Blackwater River mitigation floodwall project in the town of Salisbury”;

In item 2000-7054 by adding the following: “; provided further, that \$1,000,000 shall be expended as a grant to the town of Greenfield for environmental remediation and brownfield redevelopment at the former Bendix site; and provided further, that \$600,000 shall be expended for the planning, engineering and construction of the soccer fields at Woodsom Farm in the city of Amesbury”;

In item 2000-7066 by adding the following: “; provided that \$4,000,000 shall be expended to the town of Milton for assistance in the acquisition of certain parcels of land on Hillside street and Ford Ranch road in the town of Milton for the purpose of conservation land”, and in said item by striking out the figures “\$8,000,000” and inserting in place thereof the figures “\$12,000,000”;

In item 6720-1307 by adding the following: “; provided further, that \$35,000,000 shall be expended to mitigate or contribute towards any costs associated with or arising out of the federal navigational and berth dredging in New Bedford Harbor”, and in said item by striking out the figures “\$65,000,000” and inserting in place thereof the figures “\$100,000,000”; and

By adding at the end of said section the following three items:

“EXECUTIVE OFFICE OF EDUCATION.

- [A]7100-3000 For the design, rehabilitation or construction of centers for urban sustainability in Waltham and Dighton; provided further, that \$300,000 shall be expended to the University of Massachusetts, Dartmouth to conduct remaining studies for the Muskeget Tidal Project on Martha’s Vineyard..... \$12,000,000;
- 7100-3001 For technology and space upgrades at the Stockbridge School of Agriculture at the University of Massachusetts, Amherst in the town of Amherst; for the coordination among agricultural schools and institutes of learning in the commonwealth to educate and promote sustainable agriculture and related agricultural issues \$5,000,000;
- 7100-3002 For the design, construction, retrofitting and outfitting of enhanced laboratory space facilities at the UMASS Cranberry Research Station in East Wareham, to include associated equipment and

Land, parks and clean energy.

support to improve research related to water quality and quantity, integrated pest management, pollinator health and minimization of nutrient and pesticide use, and issues related to the reduction of environmental impacts and the enhancement of the sustainability of cranberry production in the commonwealth \$5,000,000”;

In section 2B

In item 2000-7051 by adding the following: “; provided further that \$500,000 shall be expended for urban renewal in the town of Gardner; and provided further, that \$1,000,000 shall be expended for the improvement and preservation of the parcel of land located at 980 Washington Street in the town of Wellesley to maximize recreational use while preserving open space”;

In item 2000-7055 by adding the following: “; provided further, that \$1,000,000 shall be expended for flood mitigation and flood repairs in the Agnes Fox Playground neighborhood, bordered by Church street, in the city of Northampton; provided further, that \$250,000 shall be expended to the town of Millis for flood control projects; provided further, that \$300,000 shall be expended for the Town Creek phase 2 tidal floodgate mitigation project in the town of Salisbury; and provided further, that \$100,000 shall be expended for an assessment of the health, flood control value and climate change vulnerability of the Charles River Natural Valley Storage Area wetlands and said project may be carried out in cooperative agreements or grants to not-for profit organizations and agencies”;

In item 2000-7057 by adding the following: “; provided further, that \$3,000,000 shall be expended to build or upgrade Camp STAR Angelina Administration Lodge, Forest Park Comfort Shelter/Drop-in Center, improve Forest Park Roadways, repair and upgrade Forest Park Erosion, and Blunt Park Roadway Improvements in the city of Springfield; provided further, that \$5,000,000 shall be expended for the purpose to make improvements to the Boyden Park/Conservation Land Acquisition parcel as identified in the 2002 Boyden Park/Conservation Land Master Plan in the city of Taunton; provided further, that \$2,000,000 shall be expended for the redevelopment and modernization of Hopewell Park, Memorial Park, Weir Field, and Whittenton Field in the city of Taunton; and provided further, that \$50,000 shall be expended for the development of a master plan for the Harambee Park in the city of Boston”;

In item 2000-7062 by adding the following: “; provided further, that \$175,000 be expended for Maudslay State Park Pond dredging and restoration in coordination with the Friends of Maudslay State Park; and provided further, that \$75,000 shall be expended to improve water quality and lake restoration at Lake Attitash in the city of Amesbury”;

In item 2300-7025 by adding the following: “; provided further, that \$165,000 shall be expended for the reinstatement of the United States Geological Survey Stream Gauge in the Weir River at Leavitt Street in the town of Hingham for a period of 10 years”;

In item 2300-7026 by adding the following: “; provided further, that \$75,000 shall be expended for the design and engineering cost for a boat ramp in the city of Quincy at the Squantum Point Park; and pro-

vided further, that \$200,000 shall be expended for the repair, enhancement, and associated parking for the Amesbury Boat Ramp in the city of Amesbury”;

In item 2500-7023 by adding the following: “; provided further, that \$2,000,000 shall be expended to support food ventures, primarily in communities of low or moderate income, including but not limited to community kitchens, food truck commissaries, greenhouses, farmers markets, infrastructure for Community Supported Agriculture businesses; and provided further, that not less than \$2,100,000 shall be expended for upgrades to Powers Farm in the town of Randolph”;

In item 2840-7024 by adding the following: “; provided further, that \$5,000,000 shall be expended for the design and construction of female locker rooms at ice rink facilities owned by the department of conservation and recreation; provided further, that \$300,000 shall be expended for improvements to the municipal golf course in the town of Braintree; provided further, that \$20,000,000 shall be expended for the development and support of local efforts to improve water quality on the metropolitan region’s public beaches owned by the commonwealth under the care, custody and control of the department of conservation and recreation, including, but not limited to, convening the public to enhance awareness of and participation in planning, regulatory, and permitting decisions, site specific research and analysis, feasibility and other assessments, plans for water, sewer, storm water, and other infrastructure investments, site specific plans, including, construction documents and architectural blueprints, the development of municipal storm water management plans, the design, construction, restoration, enhancement, reconstruction, rehabilitation or replacement of storm water and sewage system infrastructure, and for outreach, communications, education, and planning to improve water quality in communities that include, but are not limited to, Lynn, Nahant, Revere, Winthrop, East Boston, South Boston, Dorchester, Quincy and Hull; provided further, that \$300,000 shall be expended for improvements to the municipal golf course in the town of Braintree; provided further, that \$100,000 shall be expended for the restoration of the historic brick and limestone walls at Lowell Memorial Park in the city of Cambridge; provided further, that \$250,000 shall be expended for the cleanup and replanting of the Fellsmere Pond area in the city of Malden; provided further, that \$1,000,000 shall be expended for the design and construction of locker room facilities at the Bajko Memorial Rink located in the Hyde Park section of the city of Boston; provided further, that \$625,000 shall be expended for the development and maintenance of a community garden along the current MBTA commuter rail and tracks running west to east in the city of Malden; provided further, that \$500,000 shall be expended for the restoration and repair of the Speaker John F. Thompson Center located in the Hyde Park section of the city of Boston; provided further, that \$150,000 shall be expended for the design of 3 separate overlooks along the Neponset River in the Hyde Park section of Boston; provided further, that not less than \$450,000 shall be expended for the construction and installation of said overlooks in the city of Boston; provided further, that \$1,500,000 shall be expended for design, improvements and repairs to Crocker Field in the city of Fitchburg; provided further, that \$300,000 shall be expended for the

Land, parks
and clean
energy.

construction of the historic brick and limestone walls at Lowell Memorial Park in Cambridge; provided further, that \$350,000 shall be expended to the town of Auburn to expand the parking lot at the West Street state boat ramp access at Dark Brook Reservoir, and further to relocate the adjacent fire tower training facility and construct a new fire tower training facility within the town of Auburn to allow for said expansion; provided further, that \$4,714,285 shall be expended to reconstruct and resurface Nantasket avenue from Kenberma street to Spring street in the town of Hull; provided further, that \$500,000 shall be expended to reimburse the town of Auburn for the construction of the Dr. Arthur and Dr. Martha Pappas Recreation Complex; provided further, that \$12,000,000 shall be expended for the rehabilitation and improvement of the Leo J. Martin golf course; provided further, that \$7,000,000 shall be expended for the design, improvement, and reconstruction of the Brighton-Allston Swimming Pool located at 360 North Beacon street in the Allston-Brighton section of the city of Boston; provided further, that \$225,000 shall be expended for the maintenance and expansion of the conservation properties for pedestrian and bike paths in the town of South Hadley; provided further, that \$2,500,000 shall be expended for the completion of design and construction of the Inlet Bridge connecting the North Point Park to the O'Brien Highway in the city of Cambridge; provided further, that \$1,400,000 shall be expended to the town of Salisbury for a bathhouse and lifeguard station at Salisbury Beach in conjunction with the department of conservation and recreation; provided further, that \$1,000,000 shall be expended for the design and construction of capital projects and equipment at the Salisbury Beach State Reservation in consultation with town of Salisbury beach task group; provided further, that \$3,000,000 shall be expended for the purpose of erecting sound proof fencing along the MBTA right-of-way abutting and in the area of Curtis Park in the city of Revere with said fencing extending along said right-of-way from its intersection with Route 145 to its intersection with Shirley avenue; provided further, that \$800,000 shall be expended for the development of a regional indoor ice skating rink and recreation center in the town of Norwood; provided further, that \$750,000 shall be expended for design, permitting and construction of parklands on the former General Services Administration site along Greenough Boulevard in the town of Watertown; provided further, that \$1,500,000 shall be expended for Phase II of the Riverfront Park project in the town of Watertown; provided further, that \$2,000,000 shall be expended for design and construction of Phase II of the Watertown Greenway multi-use path from Arlington street in the town of Watertown to Fresh Pond Reservation in the city of Cambridge; provided further, that \$100,000 shall be expended for a dog park in the Dorchester section of the city of Boston; provided further, that \$250,000 shall be expended for improvements to Tenen Beach in the city of Boston; and provided further, that \$250,000 shall be expended for improvements to the Toohig Park in the city of Boston; provided further, that \$3,210,000 shall be expended for the purchase, planning, design and construction of a scenic pedestrian river walk and bicycle pathway from South Main street in the town of Athol to West River street in the town of Orange; provided further, \$50,000 shall be expended for improvements to Stockwell

Road in the town of Royalston, including barrier gates and other associated costs; provided further, \$300,000 shall be expended to improve public access to the Millers River in the town of Erving; provided further, that \$200,000 shall be expended for the final phase of the Riverfront Park Project, including equipment to provide universal access to the community boathouse in the town of Orange; provided further, that \$10,000 shall be expended for the acquisition, design, engineering and construction of a whitewater kayaking park along the Millers River in the town of Orange; provided further, that \$500,000 shall be expended for the acquisition, design and construction of a river crossing in the town of Orange; provided further, that \$50,000 shall be expended for the construction of a roadway turnaround for emergency vehicles and for improvements to the causeway at Erving State Forest in the town of Erving; provided further, that \$500,000 shall be expended the refurbishment of fishing areas at Lake Mattawa in the town of Orange; provided further, that \$30,000 shall be expended to the towns of Athol, Erving, Orange and Wendell for the construction of signage and informational kiosks along the Millers River; provided further, that \$100,000 shall be expended for the design and construction of a park on East Main Street in the town of Orange; provided further, that \$400,000 shall be expended for the restoration of Town Forest on Andover Street in the town of Wilmington”;

In section 2C, in item 2890-7020 by adding the following: “; provided further, that \$100,000 shall be expended to the Natick Trails Committee to develop and maintain walking trails in the town of Natick; provided further, that \$70,000 shall be expended for the completion of phase 5 of the North Central Pathway; provided further, that \$900,000 shall be expended for the design and construction of improvements to the SNETT trail where it crosses Prospect Street in the city known as the town of Franklin; provided further, that \$300,000 shall be expended for improvements to the Bradford Rail Trail in the city of Haverhill; provided further, that \$1,000,000 shall be expended for bicycle and pedestrian safety, signal improvements and traffic calming measures on Alewife Brook Parkway and Fresh Pond Parkway between Rindge avenue and the Elliott Bridge in the city of Cambridge; and provided further, that \$100,000 shall be expended for trail and signage improvements on the Middlesex Fells Reservation”;

In section 2D, in item 9300-7918 by adding the following: “; provided further that \$7,800,000 shall be expended for the installation of energy conservation measures in Springfield including boiler replacement, vending misers, skim traps and motors; provided further, that \$500,000 shall be expended for the development and installation of a solar energy farm on the town landfill in the town of Hingham; and provided further, that \$3,471,000 shall be expended for design, engineering, permitting, closure and monitoring of the town landfill, and construction of a municipal transfer station on the same site in the town of Hull”; and

In section 2G, in item 2000-7026 by adding the following: “; provided further, that \$2,000,000 shall be expended to improve and raise seawalls located along Cohasset Harbor in the town of Cohasset; provided further, that \$3,000,000 shall be expended for repair and improvements to existing seawalls located along the Whitney, Kimball,

Land, parks
and clean
energy.

Barnes and Steamboat Wharves in the town of Hingham; and provided further, that \$1,200,000 shall be expended to repair the Nantasket Avenue Seawall between Stoney Beach and Point Allerton in the town of Hull”.

After remarks on the question on adoption of the amendments, Mr. Dempsey of Haverhill moved to amend them by striking out [at “A”] proposed item 7100-3000 (in section 2A) and inserting in place thereof the following item:

“7100-3000 For the design, rehabilitation or construction of a research and extension building of approximately 20,000 square feet, at the University of Massachusetts Center for Urban Sustainability in the city of Waltham for the purpose to conduct research and advance urban sustainable agriculture through public-private partnerships, to include, without limitation, urban agricultural issues related to food security, safety and access, environmental stewardship and workforce development; provided further, that \$300,000 shall be expended to the University of Massachusetts, Dartmouth to conduct remaining studies for the Muskeget Tidal project on Martha’s Vineyard \$20,300,000”.

The further amendment was adopted.

On the question on adoption of the amendments, as amended, the sense of the House was taken by yeas and nays, at the request of Mr. Lombardo of Billerica; and on the roll call 128 members voted in the affirmative and 16 in the negative.

[See Ye and Nay No. 382 in Supplement.]

Therefore the amendments, as amended, were adopted.

Mr. Dempsey of Haverhill then moved to amend the bill

In section 2

In item 2800-7027, in lines 158, 159 and 160, by striking out the words “, stewardship and costs associated with the defense of eminent domain takings for the purpose of protecting significant natural and cultural resources of the commonwealth and enhancing the department’s system of forests, parks and reservations” and inserting in place thereof the words “and stewardship”, and in line 169 by striking out the figures “6,600,000” and inserting in place thereof the figures “3,820,000”;

In item 2800-7029, by adding the words “in the executive office of energy and environmental affairs”;

In item 2800-7107, in line 118, by striking out the figures “9,300,000” and inserting in place thereof the figures “5,200,000”;

By striking out item 2800-7108 (as previously amended) and inserting in place thereof the following item:

“2800-7108 For the purpose of all non-federal costs associated with the dredging and the disposal of dredged materials from the commonwealth’s coastal public harbors channels, anchorages and waterways, and publicly-owned berths within designated port areas and approach channels thereto, and other public tidewaters, non-tidewaters, tidal flats and waterways as set forth in section 10 of chapter 91 of the General Laws, collectively

Amendments
adopted,—
yea and nay
No. 382.

referred hereinafter as ‘designated port area dredging projects’, including, but not limited to, maintenance dredging projects as defined under 310 CMR 9.00 and maintenance dredging projects with a subsidiary improvement dredging component; provided that the department shall recommend the allocation and priority of funding for designated port area dredging projects based upon a designated port area dredging plan and consisting of those projects that are qualified by (i) having received all applicable dredging permits and other required environmental approvals, and (ii) demonstrating the availability of other funding or written commitments for such other funding or financial assistance necessary to complete the project; provided further, that the department may recommend funds be allocated sooner when in an emergency it finds that certain designated port area dredging projects should be undertaken prior to the completion of the designated port area dredging plan, if the project is otherwise qualified; provided further, that a portion of the funds authorized under this item may be used for the proper disposal of dredged materials as determined necessary through the course of environmental review and related expenses to mitigate any adverse environmental impacts; provided further, that such funds may be used for any associated costs as related to this item to include, without limitation, design, engineering inspections, audits and legal services; provided further, that grants for coastal dredging projects may be made to cities and towns.....

\$30,000,000”;

In item 2840-7027, in line 174, by inserting after the word “department” the words “of conservation and recreation”; and

In item 9300-7919, in line 199, by striking out the word “under” and inserting in place thereof the words “established by”, and in lines 203 and 204, by striking out the words “and the deployment of renewable resources at public facilities”;

In section 2A

In item 1100-2510 by adding the following: “; provided further, that \$4,100,000 shall be expended for the rehabilitation of and improvements to the state pier in New Bedford Harbor”;

In item 2000-7028 by striking out the figures “50,000,000” and inserting in place thereof the figures “60,000,000”; and

In item 2500-7011 by striking out the figures “10,000,000” and inserting in place thereof the figures “20,000,000”;

In section 2B

In item 2000-7051, in lines 404, 405 and 406, by striking out the words “; and provided further, that funds may be expended from this item for the costs of services rendered by agency employees or by consultants”;

In item 2300-7026 by adding the following: “; provided further, that \$2,780,000 shall be expended for the study of an extension of the north terminal bulkhead in New Bedford Harbor”; and

Land, parks
and clean
energy.

In item 2840-7024, in line 691, by inserting after the word "Bay" the words "in the city of Boston", and by striking out the figures "150,000,000" and inserting in place thereof the figures "185,000,000";

In section 2C, in item 2890-7020, by adding the following: "; provided further, that \$7,000,000 shall be expended for the design and construction of 3 pedestrian underpasses adjacent to the Boston-side of the Charles river at the River street, Western avenue and Anderson bridges; provided further, that the pathway leading to these underpasses shall not extend laterally toward the center of the Charles river further than the new underpass finished tunnel bores; provided further, that the pathway leading to these underpasses shall not extend over the watershed of the Charles river any further than the minimum distance required to achieve the required slope and grade specifications for the pathways to comply with the Americans with Disabilities Act; and provided further, that the pathway structures and tunnels shall not alter the existing arches of said River street or Western avenue bridges or hinder or impede any navigable waterway through the existing arches of said bridges;

In section 2D

In item 9300-7031, in lines 744, 745 and 746, by striking out the words "and provided further, that amounts expended for department employees may include the salary and salary-related expenses of these employees to the extent that they work on or in support of these projects"; and

In item 9300-7918, by striking out the figures "10,000,000" and inserting in place thereof the figures "25,000,000";

In section 18, in line 962, by striking out the figures "258,625,000" and inserting in place thereof the figures "283,625,000";

In section 19, in line 974, by striking out the figures "420,000,000" and inserting in place thereof the figures "516,300,000";

In section 20, in line 986, by striking out the figures "381,000,000" and inserting in place thereof the figures "426,000,000";

In section 22, in line 1010, by striking out the figures "15,000,000" and inserting in place thereof the figures "30,000,000"; and

By striking out section 31.

The amendments were adopted.

Bill passed to
be engrossed,—
yea and nay
No. 383.

On the question on passing the bill, as amended, to be engrossed, the sense of the House taken by yea and nays, at the request of Ms. Gobi of Spencer; and on the roll call 138 members voted in the affirmative and 5 in the negative.

[See Yea and Nay No. 383 in Supplement.]

Therefore the bill (House, No. 4150, published as amended) was passed to be engrossed. Sent to the Senate for concurrence.

Orders of the Day.

Quincy
College.

The Senate amendment to the House Bill relative to Quincy College (House, No. 3814, amended), reported by the committee on Bills in the Third Reading to be correctly drawn, was adopted, in concurrence.

The Senate Bill providing for recall elections in the town of Lancaster (Senate, No. 2040, changed and amended), reported by the committee on Bills in the Third Reading to be correctly drawn, was read a third time; and it was passed to be engrossed, in concurrence.

Third
reading
bill.

The House Bill authorizing the use of bow and arrows for Sunday deer hunting (House, No. 4114), reported by the committee on Bills in the Third Reading to be correctly drawn, was read a third time.

Sunday
deer hunting,—
bow and
arrows.

Pending the question on passing the bill to be engrossed, Mr. Madden of Nantucket moved to amend it by adding the following section:

“SECTION 4. Any city or town may opt-out of provisions of this act by sending a certified letter to the director of fisheries and wildlife and the fisheries and wildlife board.”

The amendment was rejected.

The bill then was passed to be engrossed. Mr. Frost of Auburn moved that this vote be reconsidered and the motion to reconsider was considered forthwith; and it was negatived. The bill (House, No. 4114) then was sent to the Senate for concurrence.

Order.

On motion of Mr. DeLeo of Winthrop,—

Ordered, That when the House adjourns today, it adjourn to meet tomorrow at eleven o'clock A.M.

Next
sitting.

Accordingly, without further consideration of the remaining matters in the Orders of the Day, at three minutes before eight o'clock P.M., on motion of Mr. Frost of Auburn (Mr. Donato of Medford being in the Chair), the House adjourned, to meet the following day at eleven o'clock A.M., in an Informal Session.
