Sales tax holiday.

Mr. Dempsey of Haverhill, for the committee on Ways and Means, that the House Bill establishing a sales tax holiday in 2015 (House, No. 3659), ought to pass with an amendment by inserting before the enacting clause the following emergency preamble:

“Whereas, The deferred operation of this act would tend to defeat its purpose, which is to provide forthwith for a certain exemption from the sales tax, therefore it is hereby declared to be an emergency law, necessary for the immediate preservation of the public convenience.”

Referred, under Rule 7A, to the committee on Steering, Policy and Scheduling, with the amendment pending.

Mr. Nangle of Lowell, for said committee, then reported that the matter be scheduled for consideration by the House.

Under suspension of Rule 7A, motion of Mr. Dempsey of Haverhill, the bill was read a second time forthwith.

The amendment recommended by the committee on Ways and Means, was adopted; and the bill, as amended, was ordered to a third reading.

Subsequently under suspension of the rules, on motion of Mr. Wagner of Chicopee, the bill (reported by the committee on Bills in the Third Reading to be correctly drawn) was read a third time.

After debate on the question on passing the bill to be engrossed, Mr. Hill of Ipswich moved to amend it by adding the following two sections:

“SECTION 7. Notwithstanding any general or special law to the contrary, for the days of August 15, 2015 and August 16, 2015, the tax imposed upon meals pursuant to chapter 64H of the General Laws, as appearing in the 2014 Official Edition, shall be suspended.

SECTION 8. Notwithstanding any general or special law to the contrary, for the days of August 15, 2015 and August 16, 2015, a restaurant in the commonwealth shall not add to the sales price or collect from a customer an excise upon sales of meals. The commissioner of revenue shall not require any restaurant to collect and pay excise upon sales of meals purchased on the days of August 15, 2015 and August 16, 2015. An excise erroneously or improperly collected during the days of August 15, 2015 and August 16, 2015 shall be remitted to the department of revenue.”

Mr. Puppolo of Springfield thereupon raised a point of order that the amendment offered by the gentlemen from Ipswich was improperly before the House for the reason that it was beyond the scope of the pending bill.

Point of order.

The Chair (Mr. Donato of Medford) stated that an examination of the bill currently before the House (House, No. 3659), and its basis (Senate, No. 236), appear to limit this so-called “tax holiday” to “tangible personal property”. To add anything beyond the tangible personal property identified within the bill and its basis, including food purchased in restaurants, would be beyond the scope of the original petitions upon which the bill is based. The Chair therefore ruled that the point of order was well taken, and the amendment was laid aside accordingly.

On the question on passing the bill to be engrossed, the sense of the House was taken by yeas and nays, at the request of Mr. Wagner of Chicopee; and on the roll call 136 members voted in the affirmative and 20 in the negative.

Bill passed to be engrossed,—yea and nay No. 102.
