JOURNAL OF THE HOUSE.

Thursday, March 22, 2018.

Met at six minutes after two o'clock P.M., with Mrs. Haddad of Somerset in the Chair (having been appointed by the Speaker, under authority conferred by Rule 5, to perform the duties of the Chair).

Prayer was offered by Father Rick Walsh of the Paulist Center of Boston, Chaplain of the House, as follows:

God of Truth, we pray for our elected members of this House and their staff. We pray for their continual efforts in crafting just and fair legislation.

Prayer.

God of Power and Might, we pray in a spirit of thanksgiving for our Commonwealth having dodged yet another powerful March storm. We are thankful as we have grown weary of unrelenting wintry weather.

We are aware that unseasonable weather has long been a characteristic of our region. In fact, we remember that this week marks the 82nd anniversary of the worst flooding in the state's history.

Cities and towns along the Connecticut River, including the city of Springfield, found their downtown precincts devastated. The Great Flood of 1936 killed 10 people, left 50,000 homeless and caused damage in Massachusetts that totaled over \$200 million- about \$5 billion dollars in today's money.

The one silver lining was to be found in the flood's aftermath as the federal government's Works Project Administration or WPA employed many citizens who had been unemployed since the start of the Great Depression. Clean up operations, the re-opening of mills that produced needed clothing and the establishment of a series of dams along the Connecticut River helped lead to an economic recovery for that part of the Bay State.

May God continue to bless our Commonwealth.

At the request of the Chair (Mrs. Haddad), the members, guests and employees joined with her in reciting the pledge of allegiance to the flag.

Pledge of
allegiance.

Silent Prayer.

At the request of Representatives Golden of Lowell, Arciero of Westford, Atkins of Concord and Nangle of Lowell, the members, guests and employees stood in a moment of silent tribute to the memory of Dennis J. Ready, 75, of Chelmsford.

Dennis J.
Ready.

At the request of Representative Thomas A. Golden, Jr., Representative James Arciero, Representative Cory Atkins, and Representative David M. Nangle, will members, guests and employees please stand in a moment of silent tribute to the memory of Dennis J. Ready, 75, of Chelmsford.

Dennis, known by many as "Mr. Chelmsford" or the "Father of Chelmsford", passed away unexpectedly on Friday, March 16th. He was the beloved husband of Donna (Gile) Ready for over 45 years.

He poured his heart and soul into making the town a wonderful place for his children and grandchildren to grow up. In his later career, he and his wife Donna

worked as a team in real estate at Landmark Realty for over 25 years before joining their son, Joseph, in 2010, to found a family business, Ready Real Estate.

Local politics was his passion. He and his brother, Bernard, known together as “The Ready Boys”, were a fixture at Town Meeting from the time they could vote. He served over 25 years as a Town Meeting Representative and 12 years as a Selectman, serving 4 times as Chairman. His public service to the Town of Chelmsford also included serving on the Sewer Commission, Historic District Commission, and Conservation Commission. A dedicated lifelong Democrat, he sat on the Democratic Town Committee and often served as a delegate at state conventions.

In addition to his wife, Dennis is survived by his daughter and son-in-law, Robert and Karen (Ready) Uttecht of Chelmsford; his two sons and daughters-in-law, Kevin and Holley (Cain) Ready of Chelmsford and Joseph and Amy (Martel) Ready of Chelmsford; Michele Martel, who he thought of as a daughter; his sister and brother-in-law Jeff and Rosemary (Ready) Moulton; his brother and sister-in-law Bernard and Carol Ready and his eight grandchildren: Drema, Jackson, Ashley, Connor, Ryan, Brent, Andrew, and Mary. He was also the brother of the late Keith Ready and brother-in-law of the late Arthur and Drema (Gile) Main.

Except as otherwise specifically provided in this section, the provisions of this chapter shall be applicable to the fund. The trust shall hold the fund in an account or accounts separate from other funds of the trust. Proceeds of the fund shall not be used to offset or otherwise replace contract assistance funds nor shall they be used to offset or otherwise replace reserve funds used for pool financing. The trust shall apply and disburse amounts credited to the fund, without further appropriation, to provide additional subsidies and other assistance, which may include principal forgiveness, to local

governmental units and other eligible borrowers in the payment of debt service costs on loans and other forms of financial assistance made by the trust for water pollution abatement projects in Barnstable, Dukes and Nantucket counties upon approval of an areawide waste management plan under section 208 of the federal Clean Water Act in said counties that is certified, on or after June 1, 2015, by the governor or the governor's designee, referred to in this section as a 208 plan, or a suitable equivalent as established by the department of environmental protection, respectively, for each county. From amounts deposited in the fund, the trust shall transfer to the department of environmental protection ten per cent of the annual revenue deposited into the fund, for the purposes of contracting with a single regional planning agency or non-profit corporation to evaluate and report on the efficacy of adaptive management measures to reduce nitrogen pollution of coastal waterways undertaken pursuant to a 208 plan, to monitor the water quality of areas subject to said study and to support further assessment and water quality modeling to further refine said study. Any amounts remaining in the fund at the end of a fiscal year shall be carried forward into the following fiscal year and shall remain available for application and disbursement without further appropriation. Any municipality included in the fund under this section may opt to withdraw from the fund no sooner than one year after the effective date of this act by a majority vote of its legislative body; provided, however, that a municipality may not withdraw from the fund during the term of any financial assistance award from the fund to said municipality.
