JOURNAL OF THE HOUSE.

Monday, April 25, 2022.

Met according to adjournment at eleven o’clock A.M., under emergency rules, with Mr. Donato of Medford in the Chair (having been appointed by the Speaker, under authority conferred by Rule 5, to perform the duties of the Chair).

At the request of the Chair (Mr. Donato), the members, guests and employees joined with him in reciting the pledge of allegiance to the flag.

Silent Tribute.

During the session, Mr. Linsky of Natick took the Chair, declared a brief recess and, at his request, the members, guests and employees stood for a moment of silent tribute in respect to the memory of Officer Michael Mabardy.

Michael Mabardy was a loving father to four young girls, a devoted partner to Elizabeth Morrison and a cornerstone of the Natick community.

As a child, Michael played Natick Comets Hockey, Natick Little League, and enjoyed time spent working on his grandfather’s farm. As an 11-year veteran of the Natick Police Department, and previously a member of the Nantucket Police Department, Michael dedicated his life to serving and protecting the people of Massachusetts. Officer Mabardy was a true example of what leadership looks like in our communities and he will be greatly missed by all those he impacted.

Our thoughts and deepest sympathies are with Michael Mabardy’s family, friends, and the community of Natick today as we mourn his passing.

Therefore a quorum was present.

Orders of the Day.

Mr. Donato of Medford being the Chair,—

The House Bill protecting motorists and emergency personnel (House, No. 3519), reported by the committee on Bills in the Third Reading to be correctly drawn, was read a third time; and it was passed to be engrossed. Sent to the Senate for concurrence.

Ms. Hogan of Stow being in the Chair,—

The House Bill making appropriations for the fiscal year 2023 for the maintenance of the departments, boards, commissions, institutions, and certain
activities of the Commonwealth, for interest, sinking fund, and serial bond
requirements, and for certain permanent improvements (House, No. 4700), was
considered, the main question being on ordering the bill to a third reading.

The rules then were suspended, on motion of Mr. Michlewitz of Boston; and
after debate on the question on ordering the bill to a third reading,

Mr. Boldyga of Southwick and other members of the House then moved to
amend it by adding the following section:

“SECTION 76. Notwithstanding any general or special laws to the contrary,
Section 2A of chapter 65C of the General Laws, is hereby amended by inserting after
the word ‘commonwealth’, in line 3, the following:— ; provided, however, that no
tax shall be imposed on the transfer of an estate valued at or less than $2,000,000.”.

After debate on the question on adoption of the amendment, the sense of the
House was taken by yeas and nays, at the request of Mr. Boldyga; and on the roll call
30 members voted in the affirmative and 126 in the negative.

[See Yea and Nay No. 164 in Supplement.]

Therefore the amendment was rejected.

Representatives Boldyga of Southwick, McKenna of Webster and Gifford of
Wareham then moved to amend the bill by adding the following section:

“SECTION 76. Notwithstanding any laws to the contrary, taxable income
consisting of short-term capital gains, as defined in Section 1 of Chapter 62 of the
General Laws, shall be taxed at the rate of 5 per cent.”.

After debate on the question on adoption of the amendment, the sense of the
House was taken by yeas and nays, at the request of Mr. Boldyga; and on the roll call
29 members voted in the affirmative and 127 in the negative.

[See Yea and Nay No. 165 in Supplement.]

Therefore the amendment was rejected.

The same members then moved to amend the bill by adding the following
section:

“SECTION 76. Paragraph (2) of subsection (k) of section 6chapter 62, as so
appearing, is hereby amended by striking out, in line 447, the figure ‘750’ and
inserting in place thereof the following figure: 1,755.”.

After debate on the question on adoption of the amendment, the sense of the
House was taken by yeas and nays, at the request of Mr. Boldyga of Southwick; and
on the roll call 31 members voted in the affirmative and 125 in the negative.

[See Yea and Nay No. 166 in Supplement.]

Therefore the amendment was rejected.

Mr. Frost of Auburn and other members of the House then moved to amend the
bill by adding the following four sections:

“SECTION 76. Notwithstanding any general or special law to the contrary, the
commissioner of revenue shall hereby suspend enforcement of the collection of the
gasoline excise tax contained in section 4 of chapter 64A of the General Laws, as

SECTION 77. Notwithstanding any general or special law to the contrary, not
more than 30 days following the resumption of the collection of the tax per gallon on
motor vehicle fuel excise, the commissioner of the department of revenue shall certify
to the comptroller of the commonwealth the amount of tax per gallon not collected
and the comptroller shall transfer the certified amount from the general fund to the
state transportation fund.

SECTION 78. Sections 76 of this act is hereby repealed.

SECTION 79. Section 78 of this act shall take effect 60 days from the effective
date of this act.”.
After debate on the question on adoption of the amendment, the sense of the House was taken by yeas and nays, at the request of Mr. Frost; and on the roll call 32 members voted in the affirmative and 124 in the negative.

[See Yea and Nay No. 167 in Supplement.]

Therefore the amendment was rejected.

Mr. Durant of Spencer and other members of the House then moved to amend the bill adding the following section:

“SECTION 76. Section 12 of chapter 64A of the General Laws, as appearing in the 2010 Official Edition, is hereby amended by adding the following paragraph:—

Any sale of fuel for automotive use, including but not limited to unleaded gasoline and diesel fuel, by a distributor to any public or private entity, or private person in the commonwealth shall be exempt from the tax per gallon contained in this chapter until such time as the average price of a gallon of unleaded gasoline, as calculated in the Commonwealth of Massachusetts by the U.S. Energy Information Administration, is less than three dollars and seventy cents. This provision shall expire unless extend, six months following passage.”.

After remarks the amendment was rejected.

Mr. Boldyga of Southwick and other members of the House then moved to amend the bill by adding the following section:—

SECTION 76. Notwithstanding any general or special law to the contrary, Section 12 of chapter 64A of the General Laws, is hereby amended by adding the following paragraph:— “Any sale of fuel for automotive use, including but not limited to unleaded gasoline and diesel fuel, by a distributor to any public or private entity, or private person in the commonwealth shall be exempt from the tax per gallon contained in this chapter beginning July 1, 2022 through December 31, 2022.”.

Mr. Cusack of Braintree thereupon raised a point of order that the amendment offered by the gentleman from Southwick was improperly before the House for the reason that the House, by rejecting amendment numbers 1039 and 1474, had already voted to refuse to suspend the gasoline excise tax contained in Chapter 64A.

In answer to the point of order, the Chair (Ms. Hogan of Stow) stated that the House, by voting to reject amendment numbers 1039 and 1474, which both called for the suspension of the enforcement of the collection of the gasoline excise tax contained in Chapter 64A of the General Laws, had already spoken and voted in the negative on this issue.

The Chair (Ms. Hogan) therefore ruled that the point of order was well taken; and the amendment was laid aside accordingly.

Mr. Donato of Medford being in the Chair,—

Mr. Boldyga of Southwick and other members of the House then moved to amend the bill by adding the following section:

“SECTION 76. Notwithstanding any general or special laws to the contrary, farms, as defined under MGL Chapter 128 Section 1A, shall be eligible for a rebate of fuel taxes paid for the operation of farm equipment. Farm equipment means all machines and tools that are used in the production, harvesting, and care of agricultural or horticultural products and processes, and includes trailers that are used to transport agricultural produce or agricultural production materials between a local place of storage or supply and the farm and to the end markets, agricultural tractors, Trucks, ATVs, threshing machinery, hay-baling machinery, corn shellers, hammermills, and machinery used in the production of horticultural, agricultural, and vegetable products. The Commissioner shall publish a list of equipment eligible for a fuel tax rebate and shall prescribe the process by which a farm as defined herein shall file for a rebate. No rebate shall be processed until the farm owner or operator shall furnish
evidence, on such forms as shall be prescribed by the commissioner, that any tax due under the provisions of this chapter 64 has been paid. The farm owner or operator will be required to keep and submit receipts as proof that said taxes were paid. In no case shall the reimbursement to farms under this section take longer than three months. No interest will be paid on rebates. The Commissioner shall report on the impact of this rebate program including the revenue cost, the economic impact on Massachusetts farms and mechanics of a rebate program. The report shall be sent to the Committees on Ways and Means, the Joint Committee on Revenue and the Joint Committee on the environment, Natural Resources and Agriculture. The report shall be sent no later than March 1, 2023. This rebate program shall be in effect from July 1, 2022-December 31, 2022.”.

After debate on the question on adoption of the amendment, the sense of the House was taken by yeas and nays, at the request of Mr. Boldyga; and on the roll call 29 members voted in the affirmative and 127 in the negative.

[See Yea and Nay No. 168 in Supplement.]

Therefore the amendment was rejected.

On the question on ordering the bill to a third reading, the sense of the House was taken by yeas and nays, at the request of Mr. Michlewitz of Boston; and on the roll call (Ms. Hogan of Stow having taken the Chair) 156 members voted in the affirmative and 0 in the negative.

[See Yea and Nay No. 169 in Supplement.]

Therefore the bill was ordered to a third reading.
