By inserting after section 37 the following section:

“SECTION 37A. Said chapter 118E is hereby amended by adding the following section:

Section 80. (a) Every 2 years, not later than November 15, the executive office shall review data and report on findings from the review based on data collected for the prior 2 years. The review shall consist of: (i) the available covered medications; (ii) treatments; and (iii) whether health care services were adequate to meet the needs of enrollees collected, including, but not limited to, input received pursuant to subsection (c). Each report shall include, but not be limited to: (i) detailed results of the review; (ii) recommendations, if any, for improvements in the delivery of health care services to enrollees with a diagnosis of sickle cell disease; and (iii) recommendations, if any, on whether the division shall seek to add or facilitate access to additional medications, treatments or services.

(b) Each review pursuant to subsection (a) shall include, but not be limited to:

(1) the extent to which healthcare transitional programs or services for enrollees that are covered by the division prepare, transfer and integrate emerging adults with sickle cell disease into the adult care setting;

(2) the extent to which providers of emergency medical services to enrollees are adequately trained and otherwise prepared to treat and manage sickle cell patients presenting with vaso-occlusive crises, including, but not limited to, the extent to which such providers follow clinically validated algorithms and protocols regarding such treatment and management; and

(3) the number of people with sickle cell disease who had 2 or more hospitalizations or emergency department visits with a vaso-occlusive episode or pain crisis, including the average length of stay for such visits.

(c) When conducting a review pursuant to subsection (a), the executive office shall solicit and consider input from the public, with specific emphasis on receiving input from patients with a sickle cell disease diagnosis as well as persons or groups with knowledge, experience or specialized expertise in the area of sickle cell disease treatment. Not later than April 30 of each year that the review is conducted, the executive office shall hold not less than 1 public hearing to solicit input.

(d) Each report required under this section shall be filed with the clerks of the house of representatives and the senate, the joint committee on health care financing and the house and senate committees on ways and means. The division shall post the report on the division’s website in a manner accessible by the public.”; and

By striking out section 54 and inserting in place thereof the following two sections:

“SECTION 54. Notwithstanding any general or special law to the contrary, the health policy commission established in chapter 6D of the General Laws, shall conduct an analysis and issue a report on the ongoing effects of the COVID-19 pandemic on behavioral health-related boarding in acute care hospital settings, including, but not limited to, boarding in emergency departments, medical surgical units or observation units, in the commonwealth. The study shall consider emergency department visits in the commonwealth classified as mental health, behavioral health, substance use disorder or other alcohol-related diagnosis and shall review: (i) length of stay for boarding; (ii) primary reason for wait; (iii) level of care required; (iv) type of insurance coverage; (v) payer reimbursement to care for boarders in emergency departments, medical surgical units, or observation units; (vi) available data on patient age, race, ethnicity, preferred spoken language, gender and homelessness; (vii)

the ability to facilitate care coordination among health care providers; (viii) effects of COVID-19 on length of stay; (ix) effects of COVID-19 on workforce and any workforce shortages; and (x) other factors related to COVID-19 affecting the: (a) increased burden on acute care hospitals as a result of behavioral health-related boarding; (b) outcomes and quality of care for patients boarded in acute care hospitals; (c) resources provided by health plans to care for boarders. The health policy commission shall also review behavioral health-related boarding in other states and actions taken and any best practices to address the pressure on acute care hospitals as a result of the effects of the COVID-19 pandemic on behavioral health-related boarding. Not later than July 1, 2023 the health policy commission shall submit to the clerks of the house of representatives and the senate, the house and senate committees on ways and means, the joint committee on mental health, substance use and recovery and the joint committee on healthcare financing the report, including recommendations on how to address: (i) the burden on acute care hospitals; (ii) outcomes for patients with behavioral diagnoses; (iii) quality of care for patients boarded in acute care hospitals; and (iv) payer reimbursement to care for boarders in acute care hospitals.

SECTION 54A. (a) Notwithstanding any general or special law to the contrary, the secretary of health and human services, in collaboration with the commissioner of public health, shall conduct or provide for an examination of the prescribing and treatment history, including court-ordered treatment or treatment within the criminal legal system, of persons in the commonwealth who suffered fatal overdoses in calendar years 2019 to 2021, inclusive, and annually thereafter, and shall report in an aggregate and de-identified form on trends discovered through the examination. The secretary of health and human services may contract with a non-profit or educational entity to conduct data analytics on the data set generated in the examination; provided, that the executive office shall implement appropriate privacy safeguards consistent with state and federal law.

(b) To facilitate the examination pursuant to subsection (a), the department of public health shall request, and the relevant offices and agencies shall provide, information necessary to complete the examination from the division of medical assistance, the executive office of public safety and security, the center for health information and analysis, the office of patient protection, the department of revenue and the chief justice of the trial court, which may include, but shall not be limited to, data from the: (i) prescription drug monitoring program, established in section 24A of chapter 94C of the General Laws; (ii) all-payer claims database, established in section 12 of chapter 12C; (iii) criminal offender record information database, established in section 172 of chapter 6; and (iv) court activity record information system, established in section 9 of chapter 258E. To the extent feasible, the department of public health shall request data from the Massachusetts Sheriffs Association, Inc. relating to treatment within houses of correction.

(c) Not later than July 1, 2023, and annually thereafter, the secretary of health and human services shall publish a report on the findings of the examination, including, but not limited to: (i) the overall prescription history of the individuals, including both agonist and antagonist medications for opioid use disorder; (ii) the mental and behavioral health and substance use treatment history of the individuals, including an outcomes comparison of voluntary versus involuntary treatment, controlling for other factors; (iii) structural factors that contribute to heightened risk of overdose, including, but not limited to, employment status, housing status, criminal legal involvement, income, medical comorbidities, including, but not limited to, bacterial or viral infections and substance use sequelae and other demographic

markers, including, but not limited to, race, ethnicity, age, gender identity, sexual orientation and immigration status; (iv) trends in the substances observed in overdose events; (v) whether the individuals had attempted to enter but were denied access to mental or behavioral health or substance use treatment; (vi) whether the individuals had received past treatment for a substance overdose; and (vii) whether any individuals had been previously detained, committed or incarcerated and, if so, whether they had received treatment and treatment type during the detention, commitment or incarceration.

The reports shall be filed with the clerks of the house of representatives and senate, the house and senate committees on ways and means, the chairs of the joint committee on mental health, substance use and recovery, the chairs of the joint committee on public health and the chairs of the joint committee on health care financing.”.

After debate on the question on adoption of the consolidated amendments, Ms. Gouveia of Acton moved to amend the consolidated amendments [at “A”] by inserting after the figures: “20,191,196” the following: “that the bill be amended in section 2 by inserting after item 4590-0250 the following item:

‘4590-0251 For the establishment of a fund that would increase access to gender affirming clothing and supplies, as well as gender affirming procedures, including the offsetting of copays for such procedures.....\$250,000’.”.

After remarks the further amendment was rejected.

On the question on adoption of the consolidated amendments, the sense of the House was taken by yeas and nays, as required under the provisions of House Rule 33F; and on the roll call (Mr. Donato of Medford being in the Chair) 155 members voted in the affirmative and 0 in the negative.

[See [Yea and Nay No. 175](#) in Supplement.]

Therefore the consolidated amendments (public health, mental health and disability services) were adopted.

Consolidated amendments adopted,— yea and nay No. 175.

Recess.

At nine o’clock P.M. (Tuesday, April 26), on motion of Mr. Jones of North Reading (Mr. Donato of Medford being in the Chair), the House recessed until the following day at eleven o’clock A.M.; and at that time, the House was called to order with Mr. Donato in the Chair.

Recess.
