UNCORRECTED PROOF OF THE JOURNAL OF THE SENATE.

Wednesday, December 5, 2001.

Met at six minutes before four o'clock P.M.

Distinguished Guests.

There being no objection, the President introduced Melissa Deck and Joshua Silberberg. Melissa and Joshua, juniors at Acton-Boxborough High School, were participating in the Job Shadowing Day with Senator Pamela Resor. They were the guests of Senator Resor.

Senate Standing Committee — Membership.

The President announced the resignation of the Senator from Worcester, Hampden, Hampshire and Franklin, Mr. Brewer, as Chairperson of the Senate committee on Steering and Policy and the appointment of the Senator from Middlesex and Worcester, Ms. Resor, to said position.

PAPERS FROM THE HOUSE.

A Bill making appropriations to fund a certain collective bargaining agreement (House, No. 4780, amended,— on House, No. 4148, in part),— was read.

There being no objection, the rules were suspended, on motion of Mr. Montigny, and the bill was read a second time.

The same Senator moved to amend the bill, in section 2, in item 1599-4013, in line 1, by striking out the words “and 2001” and inserting in place thereof the following:— “, 2001 and 2002”; and by striking out the figure “245,000” and inserting in place thereof the following figure:— “552,148”.

The amendments were adopted.

The bill, as amended, was ordered to a third reading and read a third time.

After debate, the question on passing the bill to be engrossed was determined by a call of the yeas and nays, at one minute before four o'clock P.M., on motion of Mr. Montigny, as follows, to wit (yeas 36 — nays 0):

PAPERS FROM THE HOUSE.

Message from the Acting Governor —

Disapprovals and Reductions in General Appropriation Bill.

A message from Her Honor the Lieutenant-Governor, Acting Governor, returning, with her disapproval of certain items and sections and parts of certain items, and reductions in certain items contained in the engrossed Bill making appropriations for the fiscal year 2002 for the maintenance of the departments, boards, commissions, institutions and certain activities of the Commonwealth, for interest, sinking fund and serial bond requirements and for certain permanent improvements (see House, No. 4800) which, on Wednesday, November 21, 2001 had been laid before the Acting Governor for her approbation,— came from the House, in part, several items and sections having been passed by the House notwithstanding the reduction or disapproval of the Acting Governor.

The message (House, No. 4801) was read; and the Senate proceeded to reconsider several items or sections which had been reduced or disapproved in accordance with the provisions of the Constitution.

Item 4590-0250 (Smoking prevention expansion) was considered, as follows:

“4590-0250 For the continuation of smoking prevention and cessation programs; provided, that said programs shall include the following components: (1) enforcing local ordinances, bylaws and regulations relative to tobacco control; (2) a smoking cessation program, which may include providing smokers with vouchers to be used for counseling and cessation products and low incomes smokers' nicotine replacement therapy; (3) grants to evaluate current anti-tobacco efforts and to pursue scientific and policy research including, but not limited to, smoking prevention, addiction, mortality associated with secondhand smoke, issues unique to minority communities and youth smoking; and (4) increased enforcement efforts and media campaigns by health and community agencies in minority communities which demonstrate a high rate of tobacco use; provided further, that not less than \$158,333 shall be expended for low income smokers' nicotine replacement therapy; provided further, that not less than \$150,000 shall be expended for black male health, for the purposes of decreasing disparities and improving the health conditions of black males and for the purposes of research, education and health awareness programs to be executed by the department; provided further, that said program shall set forth an educational campaign highlighting the importance of preventative health programs that lead to early detection of life threatening diseases; provided further, that \$250,000 shall be expended to the H.E.L.P. program, so called, for black male health; provided further, that not less than \$200,000 shall be obligated for a contract with the women enjoying longer lives program, so-called; provided further, that not less than \$125,000 shall be expended for an environmental and behavioral study of elevated lung cancer rates for the Canal Power Plant, Cape Cod area; provided further, that the research, education, and health awareness programs, executed by the department of public health, are run in conjunction with the University of Massachusetts; provided further, that \$16,140,000 shall be expended for the school health services program, including enhanced school health services, partially funded in 4590-0300; provided further, that said services shall meet standards and eligibility guidelines established by the department of public health in consultation with the department of education; provided further, that funds shall be expended from this item for said services in public and non-public schools; provided further, that services shall include but not be limited to: (1) strengthening the infrastructure of school health services in the areas of personnel and policy development, programming, and interdisciplinary collaboration; (2) developing linkages between school health services programs and community health providers, and (3) incorporating health education programs, including tobacco prevention and cessation activities in school curricula and in the provision of school based health services; provided further, that the department shall report to the house and senate committees on ways and means by not later than October 1, 2002 on the feasibility of including an oral health component to the school health services program, including additional grant money to be awarded to those school districts whose program includes an oral health component; provided further, that \$3,956,025 shall be expended for school based health centers, partially funded in 4590-0300; provided further, that said school health services programs and school based health centers shall include an educational component and campaign on smokeless tobacco and smoking cessation; provided further, that the department of public health and the department of education shall jointly establish standards and criteria for said school health service programs; and provided further, that notwithstanding the provisions of section 72 of chapter 44 of the General Laws, any federal reimbursement collected as a result of the purposes described in this item shall be credited to Tobacco Settlement Fund, established pursuant to section 2XX

of chapter 29 of the General Laws.....37,867,379

Item 4400-1000 (Transitional Assistance Administration) was considered, as follows:

“4400-1000 For the central administration of the department, including the development and maintenance of automated data processing systems and services in support of department operations, and for the administration of department programs in local transitional assistance offices, including the expenses of operating a food stamp program; provided, that during fiscal year 2002 the department shall maintain two transitional assistance offices in the city of Springfield; provided further, that all costs associated with verifying disability for all programs of the department shall be paid from this item; provided further, that associated expenses of employees whose AA subsidiary payroll costs are paid from item 4400-1100 shall be paid from this item; provided further, that the department shall collect all out-of-court settlement restitution payments; provided further, that the restitution payments shall include, but not be limited to, installment and lump sum payments; provided further, that the department shall file quarterly reports with the house and senate committees on ways and means detailing the total amount of fraudulently obtained benefits identified by the bureau of special investigations of the department of revenue, the total value of

settlement restitution payments, actual monthly collections, and any circumstances that produce shortfalls in collections; provided further, that notwithstanding any general or special law to the contrary, unless otherwise expressly provided, federal reimbursements, other than transitional aid to needy families funds, received for the purposes of the department, including reimbursements for administrative, fringe and overhead costs, for fiscal year 2002 and prior fiscal years, shall be credited to the General Fund; provided further, that pursuant to 21 U.S.C. section 862a(d)(1), the department shall exempt individuals from the eligibility restrictions of 21 U.S.C. section 862a, except that individuals incarcerated for a conviction which would otherwise be disqualifying under 21 U.S.C. section 882a(a) shall not be eligible for cash assistance funded through item 4403-2000 during the first 12 months after release from a correctional institution unless the individual qualifies for an exemption pursuant to subsection (e) of section 110 of chapter 5 of the acts of 1995 or a domestic violence waiver; provided further, that an application for assistance under chapter 118 of the General Laws shall be deemed an application for assistance under chapter 118E; provided further, that if assistance under chapter 118 is denied, the application shall be transmitted by the department to the division of medical assistance for a determination of eligibility under chapter 118E; provided further, that the department shall submit on a monthly basis to the house and senate committees on ways and means and the secretary of administration and finance a status report on program expenditures, savings and revenues, error rate measurements, public assistance caseloads and benefits; provided further, that the report shall comprehensively track statewide use of the emergency assistance program by eligibility category including, but not limited to, caseload, average length of use or stay, and monthly expenditures; provided further, that the department, in consultation with the office of the state auditor and any other appropriate department, shall report to the house and senate committees on ways and means not later than February 15, 2002 on recommendations for appropriate legislative steps and other measures that can be taken to maximize the collection of court-held transitional assistance fraud receivables; provided further, that the department shall adopt policies to increase participation in the food stamp program; provided further, that such efforts shall include but not be limited to prompt review and revision of the application for food stamps; provided further, that the revised application shall be the shortest and simplest necessary to achieve its purpose; provided further, that said application shall be drawn in concise and readily understandable language, such that its completion may require no reading skills beyond the third-grade level; provided further, that the department shall provide a copy of the revised application to the house and senate committees on ways and means not later than January 18, 2002; provided further, that the department shall complete transition to the revised application not later than February 28, 2002; provided further, that the department shall expand its existing pilot program of extended office hours to include all area offices statewide; provided further, that the extended hours shall include one weekday morning and evening and Saturday morning from 9:00 a.m. until 12:00 p.m.; provided further, that nothing in this item shall authorize, require or permit the commonwealth to abrogate, in whole or in part any agreement, including any collective bargaining agreement, negotiated with any employee organization under chapter 150E of the General Laws or to interfere with or detract from the rights of any employee under chapter 31 of the General Laws; provided further, that the department shall accomplish the staffing of these extended office hours to the maximum extent possible through the use of flex-time that will allow workers to modify their working hours to accommodate their specific personal and family needs; provided further, that the department shall begin a program placing workers at community and human service organizations for the purposes of facilitating food stamp applications and re-determinations; provided further, that staff placements shall include, but need not be limited to, shelters, soup kitchens, food pantries, community health centers, hospitals and low-income housing developments; provided further, that the department shall within 30 days after the effective date of this act produce a resource guide describing available benefits and services for low-income families with dependent children; provided further, that for all families receiving such resource guide whose income is determined to be no higher than 200 per cent of the federal poverty level, at least 50 per cent of the costs of such guide shall be charged to the transitional aid to needy families fund or general fund expenditures meeting federal temporary assistance for needy families maintenance of effort requirements in furtherance of 42 U.S.C. sections 601(a)(1) and (2); provided further, that families whose income is no higher than 200 per cent of the federal poverty level shall be considered categorically eligible for food stamps in accordance with 7 CFR section 273.2(j)(2)(i)(B); provided further, that the department shall pursue the option of continuing food stamp benefits for households receiving funds from the transitional aid to families with dependent children program or the supplemental transitional aid to families with dependent children program for the first three months following the termination of the households from either of the programs; provided further, that for the purpose of accomplishing this objective the department shall within 30 days after the effective date of this act submit a request to the United States Department of Agriculture Food and Nutrition Service for a waiver to implement the transitional benefits alternative described in 7 C.F.R. section 273.12(f)(4) for all cases for which transitional benefits may be provided and shall implement such waiver no later than 60 days after approval; provided further, that the department shall submit a request to the United States Department of Agriculture Food and Nutrition Service for a waiver to require reporting, re-certifications and face-to-face interviews for the food stamp program as infrequently and with as few eligibility items as the United States Department of Agriculture may permit and shall implement such waiver not later than 60 days after approval; provided further, that the department shall only implement such waiver upon determination that said request will not result in an increase in error rates that would subject the commonwealth to error rate penalties; provided further, that the department shall report to the house and senate committees on ways and means not later than February 28, 2002 on the programs and policies contained within this item to increase food stamp participation in the commonwealth; provided further, that the report shall include information on the utilization of the extended office hours and of the workers placed at community and human service organizations for food stamp purposes, information on the implementation status of categorical eligibility benefits, information on the implementation of the continuation of food stamp benefits for people terminated from the transitional aid to families with dependent children and supplemental transitional aid to families with dependent children programs, and information on the status of implementing less

frequent reporting requirements; and provided further, that the report shall also contain recommendations for any legislative action necessary to fully implement these policies and programs74,552,824

PAPERS FROM THE HOUSE.

Message from the Acting Governor —

Disapprovals and Reductions in General Appropriation Bill.

A message from the Her Honor the Lieutenant-Governor, Acting Governor, returning, with her disapproval of certain items and sections and parts of certain items, and reductions in certain items contained in the engrossed Bill making appropriations for the fiscal year 2002 for the maintenance of the departments, boards, commissions, institutions and certain activities of the Commonwealth, for interest, sinking fund and serial bond requirements and for certain permanent improvements (see House, No. 4800) which, on Wednesday, November 21, 2001 had been laid before the Acting Governor for her approbation, — came from the House, in part, several items and sections having been passed by the House notwithstanding the reduction or disapproval of the Acting Governor.

The message (House, No. 4801) was read; and the Senate proceeded to reconsider several items or sections which had been reduced or disapproved in accordance with the provisions of the Constitution.

Item 4403-2000 (Transitional Aid to Families with Dependent Children Grants Payments) was considered, as follows:

“4403-2000 For a program of transitional aid to families with dependent children, and for a program of supplemental transitional aid to families with dependent children pursuant to the provisions of section 210 of chapter 43 of the acts of 1997; provided, that notwithstanding any general or special law to the contrary, benefits under the program of transitional aid to families with dependent children shall be paid only to citizens of the United States and to non-citizens for whom federal funds may be used to provide benefits; provided further, that benefits under the program of supplemental transitional aid to families with dependent children shall be provided only to persons who are not citizens of the United States, and for whom, pursuant to section 401, 402, or 403 of the federal Personal Responsibility and Work Opportunity Reconciliation Act of 1996, 8 U.S.C. section 1611, 1612, or 1613, federal funds may not be used to provide benefits pursuant to chapter 118 of the General Laws, but who are qualified aliens within the meaning of section 431 of said Personal Responsibility and Work Opportunity Reconciliation Act of 1996, 8 U.S.C. section 1641 or are otherwise permanently residing in the United States under color of law; provided further, that the number of assistance units receiving benefits funded from the supplemental transitional aid to families with dependent children at any one time shall not exceed the number of assistance units comprised of qualified aliens or persons permanently residing under color of law which were receiving benefits provided under item 4403-2000 of chapter 151 of the acts of 1996 on June 1, 1997, plus 640 assistance units; provided further, that notwithstanding any general or special law, or any provisions of this act to the contrary, no benefits under this item shall be made available to illegal or undocumented aliens; provided further, that the need standard shall be equal to the standard in effect in fiscal year 2001; provided further, that the payment standard shall be equal to the need standard; provided further, that the payment standard for families who do not qualify for an exempt category of assistance under the provisions of subsection (e) of section 110 of chapter 5 of the acts of 1995 shall be 2¾ per cent below the otherwise applicable payment standard, in fiscal year 2002, pursuant to the provisions of the state plan required under the Personal Responsibility and Work Opportunity Reconciliation Act of 1996; provided further, that the department shall notify all teen parents receiving benefits from the program of the requirements found in clause 2 of subsection (i) of said section 110 of said chapter 5; provided further, that a \$40 per month rent allowance shall be paid to all households incurring a rent or mortgage expense and not residing in public housing or subsidized housing; provided further, that a non-recurring children's clothing allowance in the amount of \$150 shall be provided to each child eligible under this program in September 2001; provided further, that the children's clothing allowance shall be included in the standard of need for the month of September, 2001; provided further, that benefits under this program shall not be available to those families where a child has been removed from the household pursuant to a court order after a care and protection hearing on child abuse, nor to adult recipients otherwise eligible for transitional aid to families with dependent children or supplemental transitional aid to families with dependent children but for the temporary removal of the dependent child or children from the home by the department of social services in accordance with department procedures; provided further, that notwithstanding section 2 of chapter 118 of the General Laws, or any other general or special law to the contrary, the department shall render aid to pregnant women with no other eligible dependent children only if it has been medically verified that the child is expected to be born within the month such payments are to be made or within the 3-month period following such month of payment, and who, if such child had been born and was living with her in the month of payment would be categorically and financially eligible for transitional aid to families with dependent children or supplemental transitional aid to families with dependent children benefits; provided further, that not less than \$318,074 shall be expended for the purposes of the operation of the transportation assistance program operated by the traveler's aid society of Boston; provided further, that certain families that suffer a reduction in benefits due to a loss of earned income and participation in retrospective budgeting may receive a supplemental benefit to compensate them for such loss; provided further, that no funds from this item shall be expended by the department for child care or transportation services for the employment and training program; provided further, that no funds from this item shall be expended by the department for family reunification

benefits or informal child care; provided further, that the department shall provide oral and written notification to all recipients of their child care benefits on a semiannual basis; provided further, that the notification shall include the full range of child care options available, including center-based child care, so-called, family-based child care, so-called, and in-home relative child care, so-called; provided further, that the notification shall detail available child care benefits for current and former recipients, including employment and training benefits, transitional benefits, so-called, and post-transitional benefits, so-called; provided further, that the department shall work with the office of child care services to ensure that both recipients currently receiving benefits and former recipients during the 1 year period following termination of benefits are provided written and verbal information about child care services; provided further, that the notice shall further advise recipients of the availability of food stamps benefits; provided further, that in promulgating, amending or rescinding its regulations with respect to eligibility for, or levels of, benefits under the program, the department shall take into account the amounts available to it for expenditure by this item so as not to exceed the appropriation; provided further, that notwithstanding any general or special law or of this item to the contrary, 30 days before implementing any eligibility or benefit changes or both, the commissioner shall file with the house and senate committees on ways and means and with the clerks of the house of representatives and the senate a determination by the secretary of health and human services that available appropriations for the program will be insufficient to meet projected expenses and a report setting forth the basis for, and text of, the proposed changes; and provided further, that notwithstanding any special or general law to the contrary, the comptroller shall transfer any unexpended balance remaining in this item at the close of the fiscal year to the

Message from the Acting Governor —

Disapprovals and Reductions in General Appropriation Bill.

A message from Her Honor the Lieutenant-Governor, Acting Governor, returning, with her disapproval of certain items and sections and parts of certain items, and reductions in certain items contained in the engrossed Bill making appropriations for the fiscal year 2002 for the maintenance of the departments, boards, commissions, institutions and certain activities of the Commonwealth, for interest, sinking fund and serial bond requirements and for certain permanent improvements (see House, No. 4800) which, on Wednesday, November 21, 2001 had been laid before the Acting Governor for her approbation,— came from the House, in part, several items and sections having been passed by the House notwithstanding the reduction or disapproval of the Acting Governor.

The message (House, No. 4801) was read; and the Senate proceeded to reconsider several items or sections which had been reduced or disapproved in accordance with the provisions of the Constitution.

Item 6000-0100 (Secretary of Transportation) was considered, as follows:

“6000-0100 For the office of the secretary of transportation and construction; provided, that the office shall collaborate with efforts of the department of transitional assistance to develop a program of transportation services for current and former recipients of the transitional aid to families with dependent children program pursuant to item 4401-1000; provided further, that said office shall submit to the joint committee on transportation and the house and senate committees on ways and means monthly reports detailing projects funded through the statewide transportation improvement program, so-called, including, but not limited to, the location of the projects, the cost of the projects, the date of advertisement of the projects, the commencement date of the projects, the projected completion date of said projects, and the source of funds for the projects; provided further, that said office shall also provide said committees with quarterly reports detailing construction and reconstruction projects on town and county ways as described in paragraph (a) of clause (2) of the first paragraph of section 34 of chapter 90 of the General Laws for which municipalities are projected to seek, have filed claims, or have been paid state reimbursement; provided further, that a city or town shall comply with the procedures established by said secretary to obtain the necessary information to produce the reports; provided further, that the reports shall include, but not be limited to, the cost of the projects by city or town, the source of funding of the projects by city or town, and the commencement and completion dates of the projects by city or town; provided further, that said office shall submit to the house and senate committees on ways and means quarterly reports detailing all personnel-related expenditures made from capital funds; provided further, that the reports shall delineate for the executive office and for each agency, board, authority or commission under its control, the amounts paid in the prior quarter as compensation for each type of position assigned to capital projects that were charged to each such funding source; provided further, that the reports shall also delineate by funding source any other amounts paid for personnel-related costs that were charged to said funds, including payroll allocations for budgetary employees, fringe recovery and other chargebacks; provided further, that said reports shall identify the number of full time equivalent personnel classified in each position type; provided further, that the reports shall list all employees who are paid from items 6000-0100, 6010-0002, 6010-1000, and 6006-0003 who also receive payments from any capital funds; provided further, that the reports shall include for each of said employees how much money the employees receive from said items and how much money each employee receives from any capital funds; provided further, that the reports shall delineate said information for full time employees, part-time employees and contracted personnel; provided further, that the secretary of the executive office of transportation and construction shall conduct a study of the Middleborough and Plymouth commuter rail lines to include time schedule, rider volume, rider destination, and other information that the secretary deems necessary to determine the impact of the current commuter rail system on the Braintree community; and provided further, that the secretary of the executive office of transportation and construction shall no later than February 1, 2002, submit to the clerk of the house and the senate a report describing the plan to address the backlog of bicycle and pedestrian projects; provided further, that said Executive Office of Transportation and Construction shall conduct a thorough study of ways to encourage pedestrian access to and from the Quincy Adams station; provided further, that said study shall include, but not be limited to, an examination of the feasibility of pedestrian access via Independence Avenue, Federal Street in the city of Quincy and Centre Street in the town of Braintree; provided further, that said study shall also include a comprehensive set of recommendations made by the Executive Office of Transportation and Construction to encourage pedestrian access to said station; provided further, that said study shall also include a vehicular traffic analysis for said station that shall include a study of traffic volume at said station during peak travel hours; provided further, that said study be submitted to the Joint Committee on Transportation no later than February 1, 2002; and provided further that said committee shall forward a copy of said report to the town of Braintree and the city of Quincy196,636

Item 4000-0100 (Executive Office of Health and Human Services — Secretary's Office) was considered, as follows:

"4000-0100 For the operation of the executive office; provided, that the executive office shall provide technical and administrative assistance to agencies under the purview of the secretariat receiving federal funds; provided further, that the executive office shall monitor the expenditures and completion timetables for systems development projects and enhancements undertaken by the department of social services, the division of medical assistance and the department of transitional assistance, and shall ensure that all measures are taken to make such systems compatible with one another for enhanced interagency interaction; provided further, that the executive office shall report to the house and senate committees on ways and means and the secretary of administration and finance on the progress of such projects and enhancements and the measures taken to ensure interagency cooperation not later than January 15, 2002; provided further, that executive office shall continue to develop and implement the common client identifier; provided further, that executive office shall ensure that any collaborative assessments for children receiving services from multiple agencies within the secretariat shall be performed within existing resources; provided further, that not more than \$55,000 shall be expended for the annualized cost of a domestic violence coordinator; provided further, that the secretary of health and human services shall personally approve and sign all contracts entered into by the office of refugees and immigrants to prevent future deficiencies by said office; provided further, that the executive office of health and human services and its agencies, when contracting for services on the islands of Martha's Vineyard and Nantucket, shall take into consideration the increased costs associated with the provisions of goods, services, and housing on said islands; provided further, that the secretary shall explore the possibility of utilizing the Health Insurance Portability and Accountability Act Fund established pursuant to section 2AAA of chapter 29 of the General Laws to provide a grant program to health care providers to defray the portion of their costs related to compliance with the Health Insurance Portability and Accountability Act and attributable to their participation in Medicaid and shall report his conclusions to the house and senate committees on ways and means and to the joint committee on health care by February 1, 2002; provided further, that said executive office shall expend \$50,000 for the purpose of a study of kinship families, so called, to be conducted by the Massachusetts Gerontology Institute; provided further, that not said study shall include, but not be limited to, an estimate of the number of kinship families in the commonwealth, and an identification of available public, nonprofit, and private sources of financial assistance for said families; provided further, that said study shall be submitted to the house and senate committees on ways and means not later than March 20, 2002; provided further, that all agencies within the executive office shall provide sufficient information to the division of medical assistance to enable the division to determine whether any persons receiving health services through such agencies are or could be (1) eligible for medical assistance or benefits under chapter 118E of the General Laws or (2) beneficiaries under any policy of insurance available or in force in the commonwealth; provided further, that notwithstanding any general or special law to the contrary, the department of mental health, the department of public health, the division of medical assistance and the division of health care finance and policy shall take any appropriate action to obtain the maximum amount of federal financial participation available for amounts paid for low-income care costs at mental health and public health facilities determined to be disproportionate share hospitals in accordance with requirements of Title XIX of the Social Security Act; provided further, that the appropriate action may include, but shall not be limited to, the establishment of a separate account within the Uncompensated Care Trust Fund, established by section 18 of chapter 118G of the General Laws, for the purpose of making disproportionate share adjustment payments to such qualifying mental health and public health facilities pursuant to relevant division of health care finance and policy regulations and the related Title XIX state plan amendment submitted by the division of medical assistance to the Health Care Financing Administration; provided further, that the division of medical assistance, the department of public health and the department of mental health may expend amounts transferred to it from the separate account within the Uncompensated Care Trust Fund without further appropriation; provided further, that federal funds

obtained as a result of actions taken pursuant to this section shall be deposited in the General Fund; provided further that the state treasurer and the comptroller shall establish procedures necessary to accomplish the purpose of this section, including procedures for the proper accounting and expenditure of funds pursuant to this section; provided further, that notwithstanding the provisions of any general or special law to the contrary, direct and subcontracted providers of health related services, including so called purchase-of-service providers, financed from appropriation items for said executive office and its agencies shall be required to participate in an initiative to maximize Title XIX and all other federal, state, and private health insurance coverage available to offset costs to the commonwealth; provided further, that providers shall collect client information necessary to determine the extent to which clients may be eligible for medical assistance benefits under chapter 118E of the General Laws or beneficiaries of any insurance policy unless such program has received an exemption from said executive office; provided further, that such data shall be forwarded to the purchasing agency on a monthly basis for all clients served during the previous month; provided further, that such data shall only be used to match against available databases for the purpose of identifying all sources of potential payment for services; provided further, that providers shall bill or re-bill all verified third party sources where appropriate so that the commonwealth agency remains the payer of last resort and costs to the commonwealth are minimized; provided further, that said executive office and the operational services division within the executive office for administration and finance shall review the provisions of regulations, contracting forms, service delivery reports, and uniform financial reporting requirements to determine what changes may be necessary for the successful implementation of this initiative; provided further, that the secretary shall develop a comprehensive and ongoing plan to address the community integration needs of qualified disabled persons who are in state institutions or who are at imminent risk of being placed in state institutions and have been determined by treatment professionals to be ready for immediate discharge to an integrated community-based residential setting; provided further, that said plan shall require ongoing assessments of the needs of such qualified disabled persons and the identification of qualified disabled persons who are or may become ready for discharge to an integrated community-based residential setting; provided further, that such plan shall establish a process for transferring such qualified disabled persons to proper treatment settings, which shall include clear and reasonable guidelines and expected timetables for any placement on any waiting list, but only if the affected disabled person does not oppose such transfer; provided further, that such plan shall propose reasonable modifications to existing state programs and services and identify areas in which discharge of such qualified disabled persons to proper treatment settings will entail a fundamental alteration of said existing state programs and services; provided, further, that such plan shall ensure that the commonwealth fulfills its obligations, pursuant to Title II of the Americans With Disabilities Act of 1990, 42 U.S.C. §12132, to avoid discrimination in the area of institutionalization and to distribute its limited resources fairly so that all disabled persons benefit from the allocation of such resources; provided further, that individuals with disabilities and their representatives shall participate in the development of the plan; provided further, that the secretary shall forward said plan to the chairs of the house and senate committees on ways and means and the chairs of the joint committees on health care and human services not later than March 31, 2002 and shall report quarterly thereafter on the ongoing planning process; provided further, that the secretary shall utilize such planning process to analyze the range of state services currently provided to disabled individuals and frail elders and to examine the demographic trends in long-term care, the ability of such state services to adapt to such trends, and the steps required or advisable to implement any necessary adaptation of such state services and shall coordinate with the commission to study the future of long-term care in the commonwealth established pursuant to section 9110-0100 of this act; provided further, that the executive office and its agencies shall not restrict the discretion of any office, agency or vendor program that receives funds from the executive office of its agencies to hire or not hire a candidate with criminal history; provided further, that prior to hiring any candidate the hiring authority has obtained the candidate's criminal record information and, if the candidate has a criminal record, has determined in writing that the candidate does not pose a danger to the program's clients after giving due weight to the time since the conviction, the candidate's age at the time of the offense, the seriousness and circumstances of the offense, the number of offenses, any relevant evidence of rehabilitation or lack thereof, the nature of the work to be performed, and any other relevant information; provided further, that prior to commencement of employment, the director of said office, agency or vendor program shall provide said determination to the head of the state agency with primary funding responsibility for said program, documenting why the candidate is an appropriate candidate; provided further, that said state agency head may disapprove of said hire within five business days of receiving said determination from the director of said program; provided further, that notwithstanding any provisions of this item to the contrary, a candidate who has been convicted of any of the crimes listed in Table A of 101 CMR 15.00 in effect as of July 1, 2001 or who has an outstanding warrant related to any criminal offense shall be presumed ineligible for employment or work as a volunteer or trainee for a position potentially involving unsupervised contact with any executive office client served by any office, agency or vendor program that receives funds from the executive office or its agencies; provided further, that the executive office or its agencies provide any such candidates with a fair opportunity to rebut the presumption that he or she is ineligible for employment; and provided further, that the secretary, in consultation with the departments of public health, mental retardation, mental health and education, shall establish a clearinghouse of information on autism, pervasive developmental disorders, and asperger's syndrome, which shall assist parents and families in accessing available state services, provide information about existing support groups, parents' groups and other community-based supports, compile a resource collection of available studies and other resources about such diagnoses, and maintain a directory of therapists, physicians and specialists who treat individuals with such diagnoses or their families..... 2,066,417."

[The Acting Governor disapproved of the following wording: “; provided further, that the secretary of health and human services shall personally approve and sign all contracts entered into by the office of refugees and immigrants to prevent future deficiencies by said office”

and

“; provided further, that the secretary shall explore the possibility of utilizing the Health Insurance Portability and Accountability Act Fund established pursuant to section 2AAA of chapter 29 of the General Laws to provide a grant program to health care providers to defray the portion of their costs related to compliance with the federal Health Insurance Portability and Accountability Act and attributable to their participation in Medicaid and shall report his conclusions to the house and senate committees on ways and means and to the joint committee on health care by February 1, 2002”

and

“; provided further, that the secretary shall develop a comprehensive and ongoing plan to address the community integration needs of qualified disabled persons who are in state institutions or who are at imminent risk of being placed in state institutions and have been determined by treatment professionals to be ready for immediate discharge to an integrated community-based residential setting; provided further, that said plan shall require ongoing assessments of the needs of such qualified disabled persons and the identification of qualified disabled persons who are or may become ready for discharge to an integrated community-based residential setting; provided further, that such plan shall establish a process for transferring such qualified disabled persons to proper treatment settings, which shall include clear and reasonable guidelines and expected timetables for any placement on any waiting list, but only if the affected disabled person does not oppose such transfer; provided further, that such plan shall propose reasonable modifications to existing state programs and services and identify areas in which discharge of such qualified disabled persons to proper treatment settings will entail a fundamental alteration of said existing state programs and services; provided, further, that such plan shall ensure that the commonwealth fulfills its obligations, pursuant to Title II of the Americans With Disabilities Act of 1990, 42 U.S.C. §12132, to avoid discrimination in the area of institutionalization and to distribute its limited resources fairly so that all disabled persons benefit from the allocation of such resources; provided further, that individuals with disabilities and their representatives shall participate in the development of the plan; provided further, that the secretary shall forward said plan to the chairs of the house and senate committees on ways and means and the chairs of the joint committees on health care and human services not later than March 31, 2002 and shall report quarterly thereafter on the ongoing planning process; provided further, that the secretary shall utilize such planning process to analyze the range of state services currently provided to disabled individuals and frail elders and to examine the demographic trends in long-term care, the ability of such state services to adapt to such trends, and the steps required or advisable to implement any necessary adaptation of such state services and shall coordinate with the commission to study the future of long-term health care in the commonwealth established pursuant to section 9110-0100”].

Section 13 (Consolidated Net Surplus) was considered, as follows:—

“SECTION 13. (A) Section 2H of chapter 29 of the General Laws, as appearing in the 2000 Official Edition, is hereby amended by striking out, in line 28, the figure ‘7.5’ and inserting in place thereof the following figure:— 10.

B. Said chapter 29 is hereby further amended by inserting after section 2AAA the following 2 sections:—

Section 2BBB. There shall be set up on the books of the commonwealth a separate fund to be known as the One-Time Capital Projects Improvement Fund. All expenditures from the fund shall be subject to appropriation. There shall be credited to this fund all revenues or other financing sources directed to it in accordance with section 5C and any income derived from the investing of all amounts credited to the fund. Said fund shall at no time during the fiscal year have a negative fund balance. Said fund may be credited with other appropriations, grants, gifts or other contributions explicitly made to said fund. Income derived from the investment of amounts credited to said fund shall remain in said fund and be subject to appropriation.

Section 2CCC. There shall be set up on the books of the commonwealth a separate fund to be known as the Open Space Acquisition Fund. There shall be credited to this fund all revenues or other financing sources directed to it in accordance with section 5C and any income derived from the investing of all amounts credited to the fund. Monies credited to the fund shall be allocated by the executive office of environmental affairs, without further appropriation, to agencies under the jurisdiction of said executive office for the acquisition of open space. Agencies in receipt of an allocation shall expend funds in accordance with existing programs and regulations governing open space.

C. Section 5C of said chapter 29, as appearing in the 2000 Official Edition, is hereby amended by striking out clauses (b) and (c) and inserting in place thereof the following 4 clauses:—

(b) the comptroller shall transfer 5 per cent of the amount remaining of the consolidated net surplus after amounts made available in clause (a) to the One-Time Capital Projects Improvement Fund established in section 2BBB;

(c) the comptroller shall transfer 15 per cent of the amount remaining of the consolidated net surplus after amounts made available in clause (a) to the Open Space Acquisition Fund established in section 2CCC;

(d) for any fiscal year for which the comptroller determines on or before October 31 of the succeeding fiscal year that there is a negative balance in the funds created pursuant to section 49 as reported in his annual financial report, the comptroller may transfer funds up to 20 per cent of the amount remaining of the consolidated net surplus after amounts made available in clauses (a), (b) and (c) to an account established pursuant to the comptroller's authority under sections 8 and 9 of chapter 7A for the purposes specified in said section 49; and

(e) 60 per cent of any remaining amount of such consolidated net surplus shall be transferred to the Commonwealth Stabilization Fund from the General Fund and 40 per cent of any remaining amount of such consolidated net surplus shall be transferred to the Commonwealth Stabilization Fund from the Local Aid Fund.”.

[The Acting Governor disapproved the section.]

The message (House, No. 4801) was read; and the Senate proceeded to reconsider several items or sections which had been reduced or disapproved in accordance with the provisions of the Constitution.

Section 28 (Hospital data collection) was considered, as follows:

“SECTION 28. Chapter 118G of the General Laws is hereby amended by inserting after section 6 the following section:—

Section 6A. (a) In fulfillment of its duties pursuant to clause (a) of the second paragraph of section 2, the division shall collect and analyze such data as it deems necessary in order to better protect the public's interest in monitoring the financial conditions of acute hospitals. Such information shall be analyzed on an industry-wide and hospital-specific basis and shall include, but not be limited to: (1) gross and net patient service revenues; (2) sources of hospital revenue, including revenue excluded from consideration in the establishment of hospital rates and charges pursuant to section 12; (3) private sector charges; (4) trends in inpatient and outpatient case mix, payor mix, hospital volume and length of stay; and (5) other relevant measures of financial health or distress.

(b) The division shall publish annual reports and establish a continuing program of investigation and study of financial trends in the acute hospital industry, including an analysis of systemic instabilities or inefficiencies that contribute to financial distress in the acute hospital industry. Such reports shall include an identification and examination of hospitals that the division considers to be in financial distress, including any hospitals at risk of closing or discontinuing essential health services, as defined by the department of public health pursuant to section 51G of chapter 111, as a result of financial distress.

(c) The division may modify uniform reporting requirements established pursuant to section 6 and may require hospitals to report required information quarterly to effectuate the purposes of this section.”.

[The Acting Governor disapproved the section].
