The fourth matter was amendment #39 to Senate Bill 2127. Had I been present, I would have voted in the negative on the question of adoption of the amendment offered by Senator Antonioni.

Lees, Brian P.	

**The yeas and nays having been completed at fourteen minutes before three o'clock P.M., the resolutions were adopted.**

Mr. Lees then moved that the Senate reconsider the vote by which the Senate had adopted the resolutions.

After remarks, Mr. Lees then moved that the text of the resolutions be printed in the Journal of the Senate and it was seconded by Mr. Tisei. The text of the resolutions is as follows:

**"Honoring International Human Rights Day."**

*Whereas*, On International Human Rights Day, December 10, 2003, tens of thousands of workers and allies will be mobilizing to restore workers' freedom to form unions, one of the basic freedoms guaranteed by the Universal Declaration of Human Rights, crafted in 1948 by Eleanor Roosevelt and ratified by four-fifths of the member countries of the United Nations; and

*Whereas*, Although it has been United States law since 1935 that all persons have the right to form unions, Federal laws are weak and poorly enforced; and

*Whereas*, Even though our laws guarantee America's workers the right to choose for themselves whether to have a union, employers across the nation routinely violate that right, harassing, intimidating, coercing and even firing workers for exercising, or attempting to exercise, this fundamental freedom; and

*Whereas*, When employers violate the right of workers to form a union, wages fall, race and gender pay gaps widen, workplace discrimination increases, and job safety standards disappear; and

*Whereas*, Most employer violations occur behind closed doors; and

*Whereas*, A worker's fundamental right to choose a union is a public issue that requires public policy solutions, including legislative change; now therefore be it

*Resolved*, That the Massachusetts Senate hereby supports the fundamental rights of workers to form and join unions, which is an inalienable economic, social, civil and political right of every human being set forth in the International Declaration of Human Rights and further pledges its support of the December 10, 2003 International Human Rights Day of action and the ongoing struggle for workers' rights; and be it further

*Resolved*, That a copy of these resolutions be transmitted forthwith by the Clerk of the Senate to John Sweeney, President of the AFL-CIO, Robert J. Haynes, President of Massachusetts AFL-CIO and Kathleen A. Casavant, Treasurer of Massachusetts AFL-CIO."

After debate, the question on reconsideration was determined by a call of the yeas and nays, at one minute past three o'clock P.M., on motion of Mr. Lees, as follows, to wit (yeas 9 — nays 30) [**Yeas and Nays No. 366**]:

‘Brand family’, all styles of cigarettes sold under the same trademark and differentiated from one another by means of additional modifiers or descriptors, including, but not limited to, ‘menthol,’ ‘lights,’ ‘kings,’ and ‘100s,’ and includes any use of a brand name, alone or in conjunction with any other word, trademark, logo, symbol, motto, selling message, recognizable pattern of colors or any other indicia of product identification identical or similar to, or identifiable with, a previously known brand of cigarettes.

‘Cigarette’, the same meaning as in chapter 94E.

‘Commissioner’, the commissioner of revenue or the commissioner’s duly authorized representative.

‘Nonparticipating manufacturer’, any tobacco product manufacturer that is not a participating manufacturer.

‘Master settlement agreement’, the same meaning as in chapter 94E.

‘Participating manufacturer’, the same meaning as in the master settlement agreement.

‘Qualified escrow fund’, the same meaning as in chapter 94E.

‘Stamper’, any person authorized by the commissioner to affix the excise stamp on packages or other containers of cigarettes pursuant to chapter 64C.

‘Tobacco product manufacturer’, the same meaning as in chapter 94E.

‘Units sold’, the same meaning as in chapter 94E.

Section 2. (a) Every tobacco product manufacturer whose cigarettes are sold in the commonwealth, whether directly or through a wholesaler, retailer or similar intermediary or intermediaries, shall execute and deliver to the attorney general and to the commissioner, no later than April 30 each year and in a form and manner prescribed by the attorney general, a certification under penalty of perjury that, as of the date of the certification, the tobacco product manufacturer either: is a participating manufacturer; or is in full compliance with the escrow requirements of chapter 94E.

(1) A participating manufacturer shall include in its certification a complete list of all of its brand families. The participating manufacturer shall update such list 30 days prior to any addition or modification to its brand families by executing and delivering a supplemental certification to the attorney general and the commissioner.

(2) A nonparticipating manufacturer shall include in its certification a complete list of all of its brand families, with: (i) for each brand family, the number of units sold in the commonwealth during the preceding calendar year; (ii) a designation of all of the brand families that have been sold in the commonwealth at any time during the current calendar year; (iii) a designation of all of the brand families sold in the commonwealth during the preceding calendar year that no longer are being sold in the commonwealth as of the date of such certification; and (iv) the identification by name and address of any other manufacturer of such brand families in the preceding or current calendar year. The nonparticipating manufacturer shall update such list 30 days prior to any addition or modification to its brand families by executing and delivering a supplemental certification to the attorney general and the commissioner.

(3) In the case of a nonparticipating manufacturer, such certification shall further certify:

(i) that such nonparticipating manufacturer is registered to do business in the commonwealth or has appointed an agent for service of process and provided notice thereof as required by section 3;

(ii) that such nonparticipating manufacturer maintains a qualified escrow fund established under and governed by a qualified escrow agreement that has been reviewed and approved by the attorney general;

(iii) that such nonparticipating manufacturer is in full compliance with chapter 94E and this chapter, and any regulations promulgated pursuant thereto; and

(iv) the name, address and telephone number of the financial institution where the nonparticipating manufacturer has established such qualified escrow fund; the account number of such qualified escrow fund and the subaccount number for the

commonwealth; the amount such nonparticipating manufacturer placed in such fund for units sold in the commonwealth during the preceding calendar year; the date and amount of each such deposit and such evidence or verification as may be deemed necessary by the attorney general to confirm them; and the dates and amounts of all withdrawals or transfers of funds made at any time from such qualified escrow fund or from any other qualified escrow fund into which the nonparticipating manufacturer ever made escrow payments pursuant to chapter 94E or this chapter and any regulations promulgated pursuant thereto.

(4) A tobacco product manufacturer may not include a brand family in its certification unless (i) in the case of a participating manufacturer, said participating manufacturer affirms that the brand family is deemed to be its cigarettes for purposes of calculating its payments under the master settlement agreement for the relevant year, in the volume and shares determined pursuant to the master settlement agreement; and (ii) in the case of a nonparticipating manufacturer, said nonparticipating manufacturer affirms that the brand family is deemed to be its cigarettes for purposes of chapter 94E. Nothing in this section shall be construed as limiting or otherwise affecting the commonwealth's right to maintain that a brand family constitutes cigarettes of a different tobacco product manufacturer for purposes of calculating payments under the master settlement agreement or for purposes of chapter 94E.

(5) The tobacco product manufacturer shall maintain all invoices and documentation of sales and other such information relied upon for such certification for a period of 5 years, unless otherwise required by law to maintain them for a greater period of time.

(b) In consultation with the attorney general, the commissioner shall develop a public directory listing all tobacco product manufacturers that have provided certifications conforming to the requirements of subsection (a) of section 2 and all brand families that are listed in such certifications in the directory, subject to the following:

(1) The commissioner shall not include in the directory the name or brand families of a nonparticipating manufacturer that fails to provide the required certification or whose certification the attorney general determines is not complete and accurate and otherwise in compliance with subsection (a) of section 2, unless such violation has been cured to the satisfaction of the attorney general.

(2) The commissioner shall not include in the directory the name or brand families of a nonparticipating manufacturer if the attorney general determines that: (i) all escrow payments required pursuant to chapter 94E for any period for any brand family, whether or not listed by the nonparticipating manufacturer, have not been fully paid into a qualified escrow fund governed by a qualified escrow agreement approved by the attorney general; or (ii) all outstanding final judgments, including interest thereon, for violations of chapter 94E or this chapter have not been fully satisfied for such brand family and such manufacturer.

(3) The commissioner shall take reasonable steps to update the directory as necessary in order to keep the directory in conformity with the requirements of this chapter.

(4) Every stamper shall provide to the commissioner, and update as necessary, an electronic mail address for the purpose of receiving any notices as may be made pursuant to this chapter.

(c) It shall be unlawful for any person: (1) to affix an excise stamp to a package or other container of cigarettes of a tobacco product manufacturer or brand family not included in the directory; or (2) to sell, offer or possess for sale in the commonwealth, cigarettes of a tobacco product manufacturer or brand family not included in the directory.

Section 3. (a) Any nonresident or foreign nonparticipating manufacturer that has not registered to do business in the commonwealth as a foreign corporation or business entity shall, as a condition precedent to having its brand families listed or retained in the directory, appoint and continually engage without interruption the services of an agent in the Commonwealth to act as agent for the service of process on whom all process, and any action or proceeding against it concerning or arising out of the enforcement of chapter 94E and this chapter, may be served in any manner authorized by law. Such service shall constitute legal and valid service of process on the nonparticipating manufacturer. The nonparticipating manufacturer shall provide the name, address, phone number and proof of the appointment and availability of such agent to and to the satisfaction of the attorney general.

(b) In the event that the nonparticipating manufacturer terminates the authority of an agent, the nonparticipating manufacturer shall provide notice to the attorney general 30 calendar days prior to the termination and shall further provide proof to the satisfaction of the attorney general of the appointment of a new agent no less than 5 calendar days prior to the termination of the existing agent appointment. In the event that an agent terminates an agency appointment, the nonparticipating manufacturer shall notify the attorney general of said termination within 5 calendar days and shall include proof to the satisfaction of the attorney general of the appointment of a new agent.

(c) Any nonparticipating manufacturer whose products are sold in the commonwealth, without appointing or designating an agent as herein required, shall be deemed to have appointed the secretary of state as such agent and may be proceeded against in courts of the commonwealth by service of process upon the secretary of state; however, the appointment of the secretary of state as such agent shall not satisfy the condition precedent under subsection (a) of section 2 to having the brand families of the nonparticipating manufacturer listed in the directory.

Section 4. (a) Not later than 20 days after the end of each calendar quarter, and more frequently if so directed by the commissioner, each stamper shall submit such information as the commissioner requires to facilitate compliance with this chapter. The stamper shall maintain, and make available to the commissioner and the attorney general, all invoices and documentation of sales of all nonparticipating manufacturer cigarettes and any other information relied upon in reporting to the commissioner, for a period of 5 years.

(b) The commissioner is authorized to disclose to the attorney general any information received under this chapter and requested by the attorney general for purposes of determining compliance with and enforcing the provisions of this chapter and chapter 94E. The commissioner and the attorney general may share with each other information received under this chapter and chapter 94E, and may share such information with other federal, state or local agencies for purposes of enforcement of this chapter, chapter 94E and the corresponding laws of other states.

(c) The attorney general may require at any time, from the nonparticipating manufacturer or from the financial institution at which the nonparticipating manufacturer has established a qualified escrow fund for the purpose of compliance with chapter 94E, information and documents relating to such fund, including proof of the amount of money in such fund being held on behalf of the commonwealth and the dates and amounts of deposits and withdrawals.

(d) In addition to such other information as may be required, the commissioner and the attorney general may require a stamper or tobacco product manufacturer to submit information including, but not limited to, samples of the packaging and labeling of each brand family, as may be necessary to enable the commissioner and the attorney general to determine whether a stamper or a tobacco product manufacturer is in compliance with this chapter and chapter 94E.

(e) To promote compliance with the provisions of this chapter and chapter 94E, the commissioner may promulgate regulations requiring a tobacco product manufacturer subject to the requirements of paragraph (2) of subsection (a) of section (2) to make the required escrow deposit in quarterly installments. The commissioner and the attorney general may require production of information sufficient to enable the commissioner and the attorney general to determine the adequacy of the amount of the installment deposit.

Section 5. (a) It shall be unlawful for a person to: (i) sell or distribute cigarettes in violation of said subsection (c) of section 2; or (ii) acquire, hold, own, possess, transport, import or cause to be imported cigarettes that the person knows or should know are intended for distribution or sale in the commonwealth in violation of said subsection (c). A violation of this section shall be punished by a fine of not more than \$1,000 or by imprisonment in the house of corrections for not more than 1 year, or both.
