Motion to Reconsider.

There being no objection, on motion of Mr. Tisei, the Senate reconsidered the vote by which, at a previous session, it had passed to be engrossed, in concurrence, the House Bill designating Mitochondrial Disease Awareness Week (House, No. 4358). Pending the recurring question on passing the bill to be engrossed, Mr. Moore moved that the bill be amended by adding at the end thereof the following paragraph:—
“Section 15BBBBB. The governor shall annually issue a proclamation setting apart the month of June as ‘Myasthenia Gravis Awareness Month’ in an effort to raise awareness and the need for research among health professionals and the general public of this rear, often misdiagnosed, autoimmune neuromuscular disease that causes weakness of the voluntary muscles which can be controlled by medication and other treatments, but can be fatal if left untreated, and to recognize the need for programs to provide support for victims of this disease and their families, and recommending that the month be observed in an appropriate manner by health professionals and the people of the commonwealth.”.

This amendment was adopted.

The bill was then passed to be engrossed, in concurrence, with the amendment.

Sent to the House for concurrence in the amendment.

Order Adopted.
