The following prayer was offered by Father Bernard McLaughlin, Chaplain of the Senate:

First, I want to thank the Majority Leader for taking my place last week as I sat on the sands of Florida. Let me briefly sketch the genesis of his prayer, however.

Many years ago I was assigned to the great city of Peabody. Part of my task was to be sure a young kid knew his prayers. His name: Fred Berry. He did splendidly except that he reduced everything to AMEN. Young Fred could agree with everyone. Then our lives diverged. In Peabody Fred went into the "numbers". In East Boston I went into the "horses". Then we both met Bobby and we are happy ever after.

Everything went smoothly until I married Senator Jim Timilty.

A few serious words about an interview with Art Buchwald. The interview took place as he is dying from cancer. His epitaph should read, he said: "He was a good person". His advice was don't worry about the past or the future. Focus, everyday, on the good that you can do during that day. Amen.

The President, members, guests and employees then recited the pledge of allegiance to the flag.
