JOURNAL OF THE SENATE.

Tuesday, April 10, 2012.

Met at three minutes past eleven o'clock A.M. (Mr. Petrucci in the Chair).

The Chair (Mr. Petrucci), members, guests and staff then recited the pledge of allegiance to the flag.

PAPERS FROM THE HOUSE

A message from His Excellency the Governor recommending legislation relative to certain reforms and corrective changes relative to the Massachusetts Department of Transportation (House, No. 4011),-- **was referred, in concurrence, to the committee on Transportation.**

Petitions were severally referred, in concurrence, as follows:

Petition (accompanied by bill, House, No. 4001) of Peter V. Kocot and Stanley C. Rosenberg (with the approval of the mayor and city council) for legislation to establish a charter for the city of Northampton;

To the committee on Municipalities and Regional Government.

Petition (accompanied by bill, House, No. 4030) of David B. Sullivan, Michael J. Rodrigues and Paul A. Schmid, III (with the approval of the mayor and city council) relative to the chief of the fire department and the board of fire commissioners of the city of Fall River;

To the committee on Public Service.

Motion to Reconsider.

Mr. Downing moved that the Senate reconsider the vote by which, at a previous session, it had passed to be engrossed the Senate Bill relative to competitively priced electricity in the Commonwealth (Senate, No. 2214); and, there being no objection, **the motion to reconsider prevailed.**

Pending the recurring question on passing the bill to be engrossed, Mr. Downing moved that the bill be amended by striking out section 2 and inserting in place thereof the following section:-

“SECTION 2. Section 19 of said chapter 25, as so appearing, is hereby amended by adding the following subsection:-

(d) There shall be a voluntary accelerated rebate pilot program which shall be made available to the 5 largest electric users and 5 largest gas users in each utility service territory. Multiple locations of the same customer shall not be aggregated for purposes of meeting this threshold. Eligible customers electing to participate in the accelerated pilot program shall notify the appropriate program administrator on or before January 31 of each calendar year during the pilot program. Customers electing to participate shall be eligible for financial support of up to 100 per cent of the cost for qualified energy efficiency measures as determined by the program administrator using energy efficiency advisory council criteria. Total rebate levels for participating customers in any year of the pilot program shall not exceed 90 per cent of the amount the customer was charged for energy efficiency programs for calendar year 2012. A participating customer shall not aggregate a rebate from any year in which the customer does not participate in the pilot. Qualified energy efficiency measures shall include cost-effective energy efficiency program measures approved by the applicable program administrator recognized by the department using energy efficiency advisory council criteria

under section 21; provided, however, that up to 15 per cent of any accelerated rebate may be used for other improvements that support energy efficiency improvements made under a program approved by the department or emission reductions, including, but not limited to infrastructure improvements, metering, circuit level technology and software. Customers opting to receive an accelerated rebate shall be ineligible for other energy efficiency program rebates under said section 21 during the period in which they participate in the pilot program. All qualified installations shall be substantially completed by the end of the program, and shall be subject to verification and review by the department. Electric and gas distribution companies shall recalibrate their energy efficiency goals, as reviewed by the energy efficiency advisory council under subsection (c) of said section 21, to reflect the rebates provided to any customer electing to participate in this pilot program.”.

The amendment was adopted.

The bill (Senate, No. 2214, amended) was then again passed to be engrossed.

Sent to the House for concurrence.

Reports of Committees.

By Mr. Berry, for the committees on Rules of the two branches, acting concurrently, that Joint Rule 12 be suspended on the Senate petition of Anthony W. PAPER FROM THE HOUSE

The Senate Bill relative to an exclusive and perpetual easement within Monroe State Forest (Senate, No. 1988, amended),-- came from the House passed to be engrossed, in concurrence, with an amendment striking out all after the enacting clause and inserting in place thereof the text of House, No. 3755, amended; and by striking out the title and inserting in place thereof the following title: "An Act authorizing the Commissioner of Capital Asset Management and Maintenance to grant easements within Monroe State Forest."

The rules were suspended, on motion of Mr. Ross, and the House amendment was considered forthwith.

Mr. Downing presented a motion that the Senate concur with the House amendment with a further amendment, by striking out section 1 and inserting in place thereof the following section:-

"Section 1. Notwithstanding sections 40E to 40J, inclusive, of chapter 7 of the General Laws or any other general or special law to the contrary, the commissioner of capital asset management and maintenance, in consultation with the commissioner of conservation and recreation, may grant permanent easements over, under and through portions of certain parcels of land in the Monroe State Forest in the town of Monroe, to Iberdrola Renewables, LLC and Massachusetts Electric Company d/b/a National Grid, their successors and assigns, for the purposes of clearing vegetation and the installation, operation, and maintenance of poles, guy wires, anchors, and equipment in connection with the construction, operation and maintenance of an electrical tie line for a wind power facility, subject to sections 3 and 4, and subject to such reasonable additional terms and conditions consistent with this act as the commissioner of capital asset management and maintenance, in consultation with the commissioner of conservation and recreation, may prescribe. The parcels are more particularly described in a deed to the Commonwealth of Massachusetts recorded in the Franklin county registry of deeds in book 690, page 231. The permanent easements to be granted shall apply to 6,400 square feet of land in the aggregate, more or less, as more fully described on certain plans titled 'Hoosac Wind Project/Distribution Line Tie-In,' prepared by Westwood Professional Services, Inc., numbered Sheets 1 through 5 of 5, and dated 12/15/11, as filed with the department of conservation and recreation; provided, however, that the plans shall also indicate certain clearing mitigation areas which are not part of the permanent easement. Modifications to the easement description set forth in the plans described above may be made in order to conform with a final land survey, as accepted by the division and the department, before any grant of easements to carry out this act."

The motion was accepted; and the amendment was adopted.

Sent to the House for concurrence in the further amendment.

Order Adopted.

On motion of Mr. Ross,--

Ordered, That when the Senate adjourns today, it adjourn to meet again on Thursday next at one o'clock P.M., in a full formal session with a calendar.

On motion of the same Senator, at fourteen minutes past eleven o'clock A.M., the Senate adjourned to meet again on Thursday next at one o'clock P.M.
