Section 109A. (a) For the purposes of this section, 'audited precinct' shall mean any precinct selected under subsection (c) to conduct audits as provided in this section.

(b) An audit shall be conducted pursuant to this section following any biennial state election, presidential primary or special

general election for senator in Congress or representative in Congress.

(1) Following a biennial state election in which the office of governor is contested, each precinct selected pursuant to subsection (c) shall conduct a hand-counted audit of votes cast on the day of election of races in which more than 1 candidate's name appears on the ballot for: (i) governor, representative in Congress and senator in Congress; (ii) 2 of the following offices chosen by random drawing, including representative in the general court, senator in the general court, state secretary, attorney general, auditor and treasurer, if the office appears on the ballot; and (iii) 1 statewide ballot question, if any appear on the ballot, chosen by random drawing.

(2) Following a biennial state election in which the candidates of each party for president and vice president appear on the ballot, each precinct selected pursuant to subsection (c) shall conduct a hand-counted audit of votes cast on the day of election of: (i) races in which more than 1 candidate's name appears on the ballot for president and vice president, representative in Congress, senator in Congress, representative in the general court and senator in the general court; and (ii) 1 statewide ballot question, if any appear on the ballot, chosen by random drawing.

(3) Following a presidential primary or special general election for representative in Congress or senator in Congress, each precinct selected pursuant to subsection (c) shall conduct a hand-counted audit of each race in which more than 1 candidate's name appears on the ballot in that precinct.

(4) If a valid petition for a recount is made pursuant to section 135 for a race subject to audit by this section, then the votes for that race shall not be audited in any precinct named in the petition; provided, however, that if an audit has commenced in a precinct when the valid petition for a recount is made, the audit in the precinct shall be suspended. The audit of the race in question shall proceed in any precinct selected pursuant to subsection (c) not included in the petition for a recount.

(5) Any random drawing required by this subsection shall be conducted by the state secretary. The drawing shall occur at the same time and place as the drawing required by subsection (c).

(c) The precincts to be audited shall be chosen in a random, publicly verifiable, non-computerized drawing supervised by the state secretary within 48 hours after polls are closed. The drawing shall be fully observable to the public and representatives of each political party and shall use a procedure that can be easily understood to be random by members of the public. Notice of the time and place of the drawing shall be given at least 10 days before the election on the electronic website of the state secretary. The number of precincts selected to be audited in this drawing shall be equal to 3 per cent of all precincts in the commonwealth, rounded up to the next highest whole number; provided, however, that if the audit is prompted by a special general election for representative in congress, the number of precincts selected to be audited in this drawing shall be equal to 3 per cent of all precincts subject to that special election, rounded up to the next highest whole number.

(d) (1) The board of registrars or election commission in a municipality where 1 or more precincts selected to be audited are located shall conduct the audit. The board of registrars or election commission may employ tally clerks to count the ballots. Audits shall begin not later than 2 business days following the random drawing of precincts supervised by the state secretary and shall continue on each successive business day or other day at the discretion of the board or commission in each municipality. The time and place of the audits in a municipality where 1 or more precincts selected to be audited are located shall be publicly announced in advance. The audits shall be performed in full public view and conducted pursuant to the procedures for hand counts of ballots in sections 135 and 135A.

(2) The state secretary shall issue uniform written training materials for audit personnel to each municipality in the commonwealth at least 10 days prior to any election to be audited pursuant to this section.

(3) Notwithstanding any general or special law to the contrary, to conduct the audit the board or commission shall unseal the envelopes or containers containing the ballots. The board or commission shall, when the audit is complete, enclose all the ballots in their proper envelopes or containers, seal each envelope or container with a seal provided and certify upon each envelope or container that it has been opened and again sealed in conformity to law.

(4) Voter intent shall be the standard for counting votes. Individuals charged with tabulating votes during the audit shall disregard the omission or inaccuracy of initials, the omission, inaccuracy or misspelling of given names and the misspelling of surnames, if the intent of the voter to express a preference for any particular individual can be ascertained. The statements of voters shall be counted, tabulated and entered, together with any other votes cast, on official audit report forms provided by the state secretary.

(e) Upon completion of the audit in each municipality, the board of registrars or election commission shall record each race audited in each precinct on a separate audit report form provided by the state secretary. The registrars shall submit the completed audit report forms to the state secretary not later than 14 days following the election. An audit report form shall provide for the entry of:

(1) the number of votes for each candidate or each yes and no vote and the blank votes and over votes as recorded in the audit hand count;

(2) the election night tallies reported for each candidate or each yes and no vote, the blank votes and over-votes for the same ballots that were counted in the audit;

(3) the differences between the audit hand count results and the election night tallies for each candidate, yes and no question and blank votes;

(4) The number of votes for each contest for which voter intent is discernible but that are not marked by the voter according to the instructions provided to the voters under section 48 and any explanatory notes related thereto; and

(5) Any additional notes on perceived causes of discrepancies.

(f) Upon receipt of the results of the audit, the state secretary shall calculate the total number of votes for each candidate and ballot question as recorded in the audit hand count and shall compare this total to the sum of the originally reported votes for each candidate and ballot question in the audited precincts. When the comparison reveals a discrepancy between the hand-counted

audit and the originally reported tally of the audited precincts the discrepancy shall be analyzed to ascertain its cause. The state secretary shall oversee the analysis and shall publish the findings and make the findings available online, along with the factual information on which such findings were based, within 180 days of commencing the analysis.

(g) If there is a discrepancy between the results reached pursuant to an audit and originally reported tallies, the hand count of the official paper ballots conducted pursuant to the audit shall be the official vote of record and the board of registrars or election commission shall amend each precinct tally sheet, official return book and check list delivered to the office of the registrars.

(h) If there is a discrepancy between the results reached in a precinct pursuant to an audit and the originally reported tallies in that precinct in any audited race or any audited ballot question that reasonably leads to doubt about the outcome of the election or systemic failure to accurately count ballots, the state secretary may order audits of additional precincts, offices or ballot questions as shall be necessary to ensure that the outcome of the election is accurate and that the cause of the systemic failure is identified.

(i) (1) Upon receipt of the results of the audit, the state secretary shall make information in the audit reports publicly available on a precinct-by-precinct basis as soon as practicable, but not later than 10 days after receipt of the audit report form, in both human and machine readable formats, such as a spreadsheet or comma-separated-value file. This information shall also be posted on the electronic website of the state secretary.

(2) The state secretary shall publish the results of the audit in the report required by section 133 or in some other document in which the results of the audit can easily be compared with the number of votes received by each candidate for nomination and for election for a state and federal office.

(3) The audit and publication of the results shall be completed prior to the time the commonwealth shall make a final determination concerning the appointment of its presidential electors.

(j) The state secretary shall promulgate rules and regulations to implement the requirements of this section.”; and by adding the following section:-

“SECTION 18A. The first audit under section 109A of chapter 54 of the General Laws shall begin not later than January 1, 2015.”

The amendment was adopted.

Ms. Donoghue and Mr. Richard T. Moore moved that the proposed new text be amended by adding the following item:-

“SECTION XX. (a) Notwithstanding section 1 of chapter 51 of the General Laws, or any other general or special law to the contrary, every citizen seventeen years of age, not being a person under guardianship or incarcerated in a correctional facility due to a felony conviction, and not being temporarily or permanently disqualified by law because of corrupt practices in respect to elections, who is a resident in the City of Lowell where he or she claims the right to vote at the time he or she registers, and who has complied with the requirements of this chapter, may have his or her name entered on a separate list of persons designated to vote therein in any elections of candidates for municipal office in the City of Lowell.

(b) Any such qualified residents of the City of Lowell who are seventeen (17) years of age on the date of any elections of candidates for municipal office in the City of Lowell who chose to register to vote in the City of Lowell local elections shall be designated ‘Special Registered Minors.’

(c) Qualified residents of the City of Lowell who are seventeen (17) years of age shall be registered by completing a ‘Special Registered Minors Registration Form.’ Such form shall be created, maintained, and disseminated by the City of Lowell Election and Census Commission Department. The ‘Special Registered Minors Registration Form’ shall require the applicant to provide his or her full name, former name if applicable, current address, address where the applicant receives mail, date of birth, identification number in the form of a Massachusetts Driver’s license number or the last four digits of the applicant’s social security number, and party enrollment or designation. The applicant may provide a telephone number. The applicant must sign a ‘Special Registered Minors Registration Form’ and affirm that the information provided is true and accurate upon penalty of perjury. If the applicant is unable to sign the ‘Special Registered Minors Registration Form,’ a person helping the applicant will provide his or her name and address on the form. The assister may also provide a telephone number.

(d) ‘Special Registered Minors’ shall have their names placed on a separate election roll list compiled and maintained by the City of Lowell Election and Census Commission, separate and apart from the regular elector roll.

(e) Any such ‘Special Registered Minors’ will, on the applicable local Election Day, be granted a specially prepared ballot that shall contain only those local elections for which ‘Special Registered Minors’ are entitled to vote pursuant to this chapter.

(f) When a ‘Special Registered Minor’ becomes eighteen (18) years of age, his or her name will immediately be stricken from the City of Lowell’s separate election roll list compiled in accordance with section 4. Said former ‘Special Registered Minor’ shall be barred from voting in any state, local or federal election unless he or she registers to vote as required by section 1 of chapter 51 of the General Laws.

(g) The City of Lowell, by and through its Election and Census Commission, shall send notice, by mail, to ‘Special Registered Minors’ when they become eighteen (18) years of age informing them of their removal from the City of Lowell’s separate election roll list compiled in accordance with section 4. Said notice will also provide instructions regarding how to qualify and register as an official voter of Massachusetts.

(h) Notwithstanding any general or special law to the contrary, the provisions of chapters 50 through 54 of the General Laws shall apply to ‘Special Registered Minors’ so far as applicable.

(i) Nothing in this chapter shall be construed to qualify a ‘Special Registered Minor’ any rights, privileges, or titles provided to voters as so referenced under section 1 of chapter 51 of the General Laws, the Massachusetts Constitution, or the Federal Constitution of the United States.

(j) Nothing in this chapter shall be construed to grant a ‘Special Registered Minor’ any right or claim to run or otherwise qualify as a candidate to become any elected official in any local, state, or federal election.

(k) Nothing in this chapter shall be construed to grant any ‘Special Registered Minor’ the right to vote in any election for any office or candidate other than an office or candidate for the Lowell City Council, the Lowell School Committee, or any other body politic in Lowell for which a ‘Special Registered Minor’ becomes qualified to vote after the passage of this act. Nothing in this act shall be construed to enable any ‘Special Registered Minor’ to vote for any state ballot initiative, regional school committee election, or any other regional, state, or federal election.

(l) Nothing in this chapter shall be construed to grant any ‘Special Registered Minor’ enrolled in a public school in Lowell the right to excuse oneself without permission from school authorities to vote or otherwise participate in an election during school hours. Participation is defined as skipping school without permission on an applicable election day to vote, hold, sponsor or attend any election-related event or meeting, distribute campaign literature, transport voters or other ‘Special Registered Minors’ to polling locations, or otherwise participate in said election during school hours.

(m) The provisions of this act shall take effect upon its passage by the voters of the City of Lowell.

(n) The exact question as it would appear on the ballot in the next general election of the City of Lowell is:

Do you approve of a law summarized below, on which a vote was taken by the Senate and the House of Representatives on _____?

Summary:

This proposed law would lower the voting age for all local municipal elections in the City of Lowell to citizens seventeen (17) years of age who register as ‘Special Registered Minors.’ Potential ‘Special Registered Minors’ must still comply with all other state and city electoral requirements before having their name entered on a separate designated election roll list compiled and maintained by the City of Lowell.

‘Special Registered Minors’ are only permitted to vote in any local municipal election and only for such positions pertaining to the governance of the City of Lowell. Nothing in this law would grant ‘Special Registered Minors’ any rights to vote in any other regional, state, or federal election.

When a ‘Special Registered Minor’ becomes eighteen (18) years of age, his or her name will be stricken from the City of Lowell’s designated elector roll list for such ‘Special Registered Minors.’ He or she will be unable to vote in any election unless he or she registers to vote as required by Massachusetts General Laws, c. 51, s.1.

A YES VOTE would lower the voting age in all local municipal elections in the City of Lowell to all qualified citizens seventeen (17) years of age or older.

A NO VOTE would make no change in the voting age for local municipal elections in the City of Lowell.”

"SECTION __. There is hereby established an independent redistricting commission, herein referred to as the commission, which shall divide the commonwealth into congressional districts, state representative districts, state senatorial districts, and councilor districts. The federal census shall be the basis for determining congressional districts for the ten year period beginning with the first Wednesday of the third January following the commencement of the taking of said census. All districts shall comprise

contiguous territory, shall be equal in population to the extent required by law, and shall comply with federal constitutional and statutory requirements. No district shall be drawn for the purpose or with the effect of diluting the voting strength of any group based on race, ethnicity or language minority status, or for the purpose of augmenting or diluting the voting strength of a political party, or any individual. In drawing district lines, the commission shall not consider residential address, party affiliation, or partisan voting history of any individual or groups of individuals, except to the extent necessary to avoid dilution of voting strength based on race, ethnicity or language minority status. In addition, to the maximum extent possible, district boundaries shall be drawn so as to: (1) maintain the unity of well-defined municipal neighborhoods; (2) observe municipal boundaries; (3) establish senatorial districts that follow representative district boundaries; (4) establish councilor districts that follow representative district boundaries and (5) promote geographic compactness of districts. If it is not possible to draw district boundaries that fully comply with these criteria while also complying with the mandatory requirements set forth herein, then districts shall be drawn to optimize the criteria in the order of priority set forth hereinabove. The commission shall also consider communities of interest in determining which cities, towns, or neighborhoods thereof to aggregate into a single district. Within 30 days following the reporting of federal census figures, the following offices shall each appoint one member of the commission: the governor of the commonwealth, who shall appoint a dean or professor of law or political science or government at an institution of higher learning in the commonwealth; the attorney general of the commonwealth, who shall appoint a retired justice who resides in the commonwealth; and the secretary of the commonwealth, who shall appoint an expert in civil rights law who is a resident of the commonwealth.

By the same date, the house speaker, the house minority leader, the senate president, and the senate minority leader shall each nominate three individuals. The appointees chosen by the governor, attorney general, and secretary of the commonwealth shall then select one of the three nominees named by each said official within 7 days of their nomination.

If nominations or appointments are not made within said 30 days following the reporting of federal census figures, the office responsible for making the appointment or nominations shall forfeit its rights under this section and the remaining direct appointees shall then make an appointment to fill the vacancy within 7 days. Nominations and appointments shall reflect the geographic, racial, ethnic, gender and age diversity of the commonwealth to the maximum extent feasible and shall be selected on the basis of civic involvement and knowledge of redistricting policy, civil rights, political science, demographics or statistics, election expertise, voting rights, community organizing, or law. No person nominated or appointed to the commission, in the five years preceding such nomination or appointment, shall have held Congressional, state legislative or statewide elective office, or shall have served as mayor or city councilor of a city in the commonwealth, governor's councilor, or shall have been elected to a state or federal party committee; or shall be a current employee, agent or family member of any of the above; or, in the two years preceding such nomination or appointment, shall have been a legislative agent. The commissioners shall agree: (1) not to stand for election to the general court, congress, or the governor's council until districts are redrawn following the next census; (2) to apply the provisions of this article in an honest, independent, and impartial fashion; and (3) to act at all times so as to uphold public confidence in the integrity of the redistricting process.

The commission shall be convened no later than 60 days following the reporting of federal census figures. The commission shall disband only upon final adoption and exhaustion of judicial review of challenges to representative, councilor, and senatorial districts.

The commission shall hire staff and may retain experts to assist it in the performance of its duties. The commission shall establish rules governing its operation and procedures. Commissioners may receive compensation for actual time spent on commission duties and shall be reimbursed for reasonable and necessary expenses. The budget of the commonwealth shall provide adequate funding for the operation of the commission.

A member of the commission or an appointing authority may petition the supreme judicial court to remove a commissioner on the grounds of neglect, misconduct, or inability to perform the duties of a commissioner. A vacancy so created shall be filled by the office which appointed the removed commissioner or by the nomination and selection process set forth in section 6, as applicable.

All meetings of the commission shall be open to the public, consistent with the laws of the commonwealth concerning open meetings as of the date of the adoption of this Article. All documents produced by or for the commission shall be public. The commission shall hold public hearings in at least five geographically disbursed counties. The public shall be afforded the opportunity to submit proposed maps for consideration by the commission and the commission shall make map-making software available for public use. The commission shall take all steps necessary to ensure that the public can exercise its right to review and comment on proposed district maps before they are approved and shall publish all preliminary and final plans in publicly accessible forums that are free of charge and that ensure wide public distribution. Proposed districts shall be presented in both graphic and narrative form.

No later than the third Wednesday of April in the year following the release of the federal census, the commission shall prepare and publish for public comment a preliminary plan for representative, councilor, and senatorial districts. The public shall have a three-week period to comment on the preliminary district plan. The commission may revise the preliminary district plan in response to public comment and shall, no later than the third Wednesday in May, submit the revised plan to the special joint committee on redistricting, as created by order of the general court, which shall vote on the revised plan. If the plan is rejected by either the committee or the general court, the commission shall prepare, publish, revise, and submit a second-round preliminary district plan in the same manner as the first within 30 days of the rejection of the initial plan. Following the three-week period for public comment, the commission may revise the preliminary district plan in response to public comment and shall submit the revised plan to the joint committee for a vote no later than the third Wednesday in July.

With respect to each plan the commission submits to the joint committee for a vote, the vote must be taken within two weeks of

submission. No amendments to the plan as submitted may be made. If the plan is approved by a majority of the joint committee present and voting, or if no vote is taken within the two-week period, it shall be submitted to the general court for a vote. With respect to each plan the joint committee submits to the general court for a vote, the vote of the general court must be taken within two weeks of submission. No amendments to the plan as submitted may be made. If the plan is approved by a majority of the members of the house of representatives and the senate present and voting or if no vote is taken within the two-week period, then the plan as submitted shall become law.

Original jurisdiction is hereby vested in the supreme judicial court upon the petition of any voter of the commonwealth for judicial relief relative to the establishment of the congressional districts. The general court may by law limit the time within which judicial proceedings may be instituted to challenge any redistricting map.”

Adjourn In Memory of the Honorable Robert H. Quinn

The Senators from Norfolk, Bristol and Plymouth, Mr. Joyce, Suffolk and Middlesex, Mr. Petruccelli, and Suffolk, Ms. Forry, moved that when the Senate adjourns today, it do so in memory of the Honorable Robert H. Quinn.

The Honorable Robert H. Quinn passed away on Sunday, January 12th, 2014 at age 85. Born in Boston, Attorney General Quinn was the youngest of seven children. He received a scholarship to attend Boston College High School, and went on to attend Boston College on a football scholarship. While at Boston College, Attorney General Quinn battled life-threatening tuberculosis. He survived, and thrived, finishing his undergraduate education and then graduating from Harvard Law School in 1955.

Attorney General Quinn dedicated his life to serving the people of the Commonwealth. He was elected to the House in 1957 and served as a State Representative for 12 years, leading the body as Speaker of the House from 1967 to 1969. The Legislature then appointed him as Massachusetts Attorney General in 1969, and the voters elected him to a full term in 1970. A champion for increased access to higher education, Attorney General Quinn played an instrumental role in the passage of 1970 legislation, now known as "the Quinn Bill," which provided financial incentives for law enforcement officers to pursue higher education. He was also instrumental in the founding of UMass-Boston. The University recognized his commitment to public service and higher education by naming their most prestigious award for community service the Robert H. Quinn Award in 1987.

Throughout his life, Attorney General Quinn never wavered in his commitment to his family and friends. He was a devoted husband to wife Claudina, a loving father to Andrea, Michael, Elaina, and Stephanie, and a caring grandfather to Annabel, Ralph, Patrick, India, Quentin, Henry, and Nora.

Accordingly, as a mark of respect in memory of the Honorable Robert H. Quinn, at fourteen minutes before five o'clock PM, on motion of Ms. Chang-Diaz, the Senate adjourned to meet again on Tuesday next at eleven o'clock A.M.
