PAPER FROM THE HOUSE

Engrossed Bill.

An engrossed Bill relative to a water storage facility in the city of Fall River (see Senate, No. 1764) (which originated in the Senate), having been certified by the Senate Clerk to be rightly and truly prepared for final passage, was passed to be enacted and signed by the Acting President (Mr. Rosenberg) and laid before the Governor for his approbation.

Matter Taken Out of the Notice Section of the Calendar.

There being no objection, the following matter was taken out of the Notice Section of the Calendar and considered as follows:

The House Bill exempting the positions of police chief and fire chief in the city of Peabody from the civil service law (House, No. 3449),-- **was read a second time, ordered to a third reading, read a third time and passed to be engrossed, in concurrence.**

Report of a Committee.

By Mr. Brewer, for the committee on Ways and Means, that the residue of the House Bill making appropriations for the fiscal year 2013 to provide for supplementing certain existing appropriations and for certain other activities and projects (House, No. 3522),-- **ought to pass, with an amendment striking out all after the enacting clause and inserting in place thereof the text of Senate document numbered 1813.**

Order Adopted.

Ordered, That notwithstanding Senate Rule 7 or any other rule to the contrary, the House Bill making appropriations for the fiscal year 2013 to provide for supplementing certain existing appropriations and for certain other activities and projects (House, No. 3522) (the committee on Ways and Means having recommended that the bill be amended by substituting a new text, Senate, No. 1813) shall be placed in the Orders of the Day for a second reading on Thursday, June 27, 2013.

All amendments shall be filed electronically in the office of the Clerk of the Senate by 10:00 A.M., on Thursday, June 27, 2013. All such amendments shall be second-reading amendments to the recommended Senate Ways and Means new text (Senate, No. 1813) but further amendments in the third degree to such amendments shall be in order. The Clerk shall further specify the procedure and format for filing all amendments, consistent with this order.

After the bill as amended is ordered to a third reading, it shall immediately be read a third time and the question shall then immediately be on passing it to be engrossed, and no amendments shall be in order at the third reading of the bill unless recommended by the committee on Bills in the Third Reading.

Under the rules, referred to the committee on Ethics and Rules.

Subsequently, Mr. Rosenberg, for the said committee, reported, recommending that the order ought to be adopted.

The rules were suspended, on motion of Ms. Flanagan, and the order was considered forthwith and adopted. The bill (House, No. 3522) was placed in the Orders of the Day for Thursday, June 27, 2013 for a second reading with the amendment pending.

Orders of the Day.

The Orders of the Day were considered as follows:

The House Bill implementing the Affordable Care Act and providing further access to affordable care (printed in House, No. 3452, amended),-- **was read a second time.**

After debate, the amendment previously recommended by the committee on Ways and Means that the pending new text be amended in section 20, by striking out, line 135, the words “cannot purchase a qualified health plan” and inserting in place thereof the following words:- “are not eligible for federal advanced premium tax credits”;

In section 36, by striking out, in line 189 to 191, inclusive, the words “and for the administration of the fair share employer contribution requirement pursuant to section 188 of chapter 149”;

In section 73, by striking out, in line 525, the word “designated”, and inserting in place thereof the following words:- “office of patient protection, established by section 16 of chapter 6D or, if applicable, the designated”; and

By inserting, after section 102, the following section:-

SECTION 102A. The commonwealth, by and through the governor or the governor’s designee, shall formally request a federal waiver to avoid the adverse effects of rating and rule changes to the Massachusetts merged market, to protect consumers and businesses in the commonwealth and in an effort to maintain current Massachusetts rating and rule requirements. All negotiations with any federal agency concerning this waiver shall be conducted in consultation with a member of the house of representatives as appointed by the speaker of the house and a member of the senate as appointed by the senate president. The governor, or the governor’s designee shall file a detailed report describing the waiver application and waivers received, along with all documentation, including, but not limited to, all related written and verbal responses from the Department of Health and Human Services, with the clerks of the senate and house not later than October 1, 2014. The governor shall report monthly to the joint committee on health care financing and the house and senate committees on ways and means on the status of the waiver request under this section,-- was considered.

Pending the question on adoption of the amendment, Mr. Tarr moved that the pending amendment (Ways and Means) be further amended by inserting after the word “requirements” the following language:- including, but not limited to, the number of ratings factors and number of annual rate settings.

After remarks, the further amendment was adopted.

"SECTION XX. Section 12 of Chapter 12C is amended by striking subsection (b) in its entirety and inserting in place thereof the following:

(b) The center shall permit providers, provider organizations, public and private health care payers, government agencies and authorities and researchers access to de-identified data collected by the center for the purposes of lowering total medical expenses, coordinating care, benchmarking, quality analysis and other research, administrative or planning purposes, provided, however, that the data shall not include information that would allow the identification of the health information of an individual patient, except to the extent necessary for a government agency or authority to accomplish the public purposes for which access was given. The center shall also permit providers, provider organizations, and public and private health care payers access to data with patient identifiers solely for the purpose of carrying out treatment and coordinating care among providers. In providing any access to data under this section, the center, through its rules and regulations under Section 5, may do so under conditions that: (i) protect patient privacy; (ii) prevent collusion or anti-competitive conduct; and (iii) prevent the release of data that could reasonably be expected to increase the cost of health care. The center may limit access to data based on its proposed use, the credentials of the requesting party, the type of data requested or other criteria required to make a determination regarding the appropriate release of the data. The center may also limit the requesting party's use and release of any data to which that party has been given access by the center. Access to data authorized under this section shall be deemed to comply with the requirements of chapter 66A. The center shall charge user fees sufficient to defray the center's cost of providing such access to non-governmental entities."

The amendment was *rejected*.

Mr. Tarr moved that the pending new text be amended by inserting after section __, the following new section:-

"SECTION __. The secretary of the executive office of health and human services shall study the feasibility of the commonwealth utilizing the less restrictive rating bands allowed under the federal Affordable Care Act, including but not limited to equitable cost-sharing based on an individual's earning potential and other factors. The secretary shall report the findings to the joint committee on health care financing and the clerks of the house and senate within 60 days of the effective date of this act."

The amendment was *rejected*.

There being no objection during consideration of the Orders of the Day, the following matter was considered, as follows:

Matter Taken Out of the Notice Section of the Calendar.

The House Bill relative to documents of title and secured transactions (House, No. 28, amended),-- **was read a third time.**

The House Bill implementing the Affordable Care Act and providing further access to affordable care (House Bill, printed in House, No. 3452, amended),-- **was considered, the main question being on ordering the bill to a third reading.**

Mr. Tarr moved that the proposed new text be amended by inserting after section __, the following new section:-
 “SECTION_. Notwithstanding any general or special law to the contrary, to the maximum extent permitted by federal law, all applicants and recipients of MassHealth, as defined in section 9A of chapter 118E, shall have their income, asset, and identity verified by a computerized integrated eligibility system that meets all applicable federal and state privacy and security requirements, to acquire, assimilate and utilize data necessary to verify income, assets, and identity when determining an applicant’s eligibility for assistance, prior to the distribution of benefits and during eligibility reviews, in order to eliminate the duplication of assistance and deter fraud.

The verification system shall include a statewide document imaging system to track applicant and recipient eligibility documents,

including the costs of ensuring said documents are properly categorized and accessible in a secure centralized location. Prior to awarding, continuing, or reissuing MassHealth assistance, the integrated eligibility system shall be used to match the social security number of each applicant for or recipient of MassHealth against, at minimum, information provided by the following public records data sources:

- (1) a nationwide public records data source of physical asset ownership such as real property, automobiles, watercraft, aircraft and luxury vehicles;
- (2) the department of revenue;
- (3) undisclosed depository account information and account balances of disclosed accounts at national and local financial institutions;
- (4) a nationwide public records data source of incarcerated individuals;
- (5) outstanding default or arrest warrant information maintained by the criminal history systems board, the criminal justice information system, and the warrant management system;
- (6) a nationwide best-address and driver's license data source to verify individuals are residents of the commonwealth;
- (7) the registry of motor vehicles;
- (8) the department of elementary and secondary education;
- (9) a comprehensive public records database that identifies potential identity fraud or identity theft that can closely associate name, social security number, date of birth, phone and address information; and
- (10) a database which is substantially similar to or a successor of a database mentioned in this section.

Prior to awarding, continuing, or reissuing public assistance, MassHealth shall use the integrated eligibility system to match the social security number of each applicant and recipient of public assistance against information provided by the following data sources, to the extent such data sources are available:

- (1) unearned income information maintained by the Internal Revenue Service;
- (2) employer quarterly reports of income and unemployment insurance payment information maintained by the department of labor and workforce development;
- (3) earned income information maintained by the Social Security Administration;
- (4) immigration status information maintained by the United States Citizenship and Immigration Services;
- (5) death register information maintained by the Social Security Administration;
- (6) prisoner information maintained by the Social Security Administration;
- (7) public housing and Section 8 Housing Assistance payment information maintained by the Department of Housing and Urban Development and the Massachusetts public housing authorities;
- (8) national fleeing felon information maintained by the Federal Bureau of Investigation;
- (9) wage reporting and similar information maintained by states contiguous to this State;
- (10) beneficiary records and earnings information maintained by the Social Security Administration in its Beneficiary and Earnings Data Exchange (BENDEX) database;
- (11) earnings and pension information maintained by the Social Security Administration in its Beneficiary Earnings Exchange Record System (BEERS) database;
- (12) employment information maintained by the department of labor and workforce development and the department of unemployment assistance;
- (13) employment information maintained by the United States Department of Health and Human Services in its National Directory of New Hires database;
- (14) supplemental Security Income information maintained by the Social Security Administration in its SSI State Data Exchange (SDX) database;
- (15) workers compensation information maintained by the department of industrial accidents;
- (16) veterans' benefits information maintained by the United States Department of Health and Human Services, in coordination with the Massachusetts department of health and human services and department of veterans' affairs, in the federal Public Assistance Reporting Information System (PARIS) database;
- (17) child care services information maintained by the department of children and families;
- (18) utility payments information maintained by the department of housing and community development under the low income home energy assistance program;
- (19) emergency utility payment information maintained by local cities and towns or councils on aging;

DiDomenico, Sal N. – 2.

The yeas and nays having been completed nine minutes past seven o'clock P.M., the amendment was *rejected*.

Mr. Montigny moved that the proposed new text be amended by inserting after section 4, the following section:-
 “SECTION 4A. Section 18 of chapter 15A of the General Laws, as appearing in the 2010 Official Edition, is hereby amended by striking out the first paragraph and inserting in place thereof the following paragraph:-
 Every full-time and part-time student enrolled in a public or independent institution of higher learning located in the commonwealth shall participate in a qualifying student health insurance program. For the purposes of this section, ‘part-time student’ shall mean a student participating in at least 75 per cent of the full-time curriculum. Such an institution may allow students to waive participation in its student health insurance program or any part thereof; provided, however, that such an institution shall require students waiving participation to certify in writing prior to any academic year in which the student will not participate in the institution's plan that such student is a participant in a health insurance program providing comparable coverage; and provided further, that such institution shall allow students to waive participation in its student health insurance program if: the student is currently enrolled in MassHealth, the student continues to meet all relevant MassHealth eligibility criteria under state and federal law and: (i) the student has been enrolled in MassHealth for at least 1 year prior to becoming eligible for the institution’s student health insurance program or (ii) the student has been enrolled in MassHealth for at least 6 months and the student provides documentation, as required by the commonwealth health insurance connector in consultation with MassHealth, that participation in the qualifying student health insurance program would be financially prohibitive.”; and
 By adding the following section:-
 "SECTION 106. Section 4A shall take effect on July 1, 2014."

After remarks, the amendment was adopted.

The Ways and Means amendment, as amended, was then adopted.

The bill, as amended, was then ordered to a third reading.

Subsequently, the bill was released from the Notice Section of the Calendar and read a third time.

Mr. Downing, for the committee on Bills in the Third Reading, reported recommending that the same ought to pass with an amendment striking out all after the enacting clause and inserting in place thereof the text of Senate document numbered 1812.

After remarks, the report was accepted.

The question on passing the bill to be engrossed, in concurrence, with the amendment, was determined by a call of the yeas and nays, at twenty-eight minutes past seven o'clock P.M., on motion of Mr. Brewer, as follows, to wit (*yeas 38 — nays 1*) [**Yeas and Nays No. 97**]:
