##### *Message from the Governor — Disapproval and Reductions in General Appropriations Bill.*

A message from His Excellency the Governor, returning, with his disapproval of certain items and sections and parts of certain items, and reductions in certain items contained in the engrossed Bill making appropriations for the fiscal year 2014 for the maintenance of the departments, boards, commissions, institutions and certain activities of the Commonwealth, for interest, sinking fund and serial bond requirements and for certain permanent improvements (see House, No. 3538), which on Tuesday, July 2, 2013, had been laid before the Governor for his approbation,— came from the House, in part, several items and sections having been passed by the House notwithstanding the reduction or disapproval of the Governor.

The message (House, No. 3566) was read; and the Senate proceeded to reconsider several items, which had been reduced or disapproved in accordance with the provisions of the Constitution.

SECTION 3 (Local Aid) was considered as follows:

SECTION 3. Notwithstanding any general or special law to the contrary, for the fiscal year ending June 30, 2014 the distribution to cities and towns of the balance of the State Lottery Fund, as paid from the General Fund in accordance with clause (c) of the second paragraph of section 35 of chapter 10 of the General Laws, and additional funds from the General Fund shall be \$920,230,293 and shall be apportioned to the cities and towns in accordance with this section.

Notwithstanding section 2 of chapter 70 of the General Laws or any other general or special law to the contrary, except for section 12B of chapter 76 and section 89 of chapter 71 of the General Laws, for fiscal year 2014 the total amounts to be distributed and paid to each city and town from item 7061-0008 of section 2 shall be as set forth in the following lists. The specified amounts to be distributed from said item 7061-0008 of said section 2 shall be in full satisfaction of the amounts due under chapter 70 of the General Laws.

For fiscal year 2014, the foundation budget categories for each district shall be calculated in the same manner as in fiscal year 2013. The target local share shall be calculated using the same methodology used in fiscal year 2013. Preliminary local contribution shall be the municipality's fiscal year 2013 minimum required local contribution, increased or decreased by the municipal revenue growth factor; provided, that if a municipality's preliminary contribution as a percentage of its foundation budget is more than 5 percentage points lower than the target local share, the preliminary contribution shall be recalculated using the municipality's revenue growth factor plus 1 percentage point; and if a municipality's preliminary contribution as a percentage of its foundation budget is more than 10 percentage points lower than the target local share, the preliminary contribution shall be recalculated using the municipality's revenue growth factor plus 2 percentage points. Minimum required local contribution for fiscal year 2014 shall be, for any municipality with a fiscal year 2014 preliminary contribution greater than its fiscal year 2014 target contribution, the preliminary local contribution reduced by 15 per cent of the gap between the preliminary local contribution and the target local contribution. Required local contribution shall be allocated among the districts to which a municipality belongs in direct proportion to the foundation budgets for the municipality's pupils at each of those districts. For fiscal year 2014, "prior year aid" shall be fiscal year 2013 state-appropriated chapter 70 aid. For fiscal year 2014, the "foundation aid increment" shall be the difference between: (1) the positive difference between a district's foundation budget and its required district contribution; and (2) prior year aid. For fiscal year 2014, chapter 70 aid shall be: (i) for any district that: (A) has a target aid percentage greater than the sum of a district's prior year aid and foundation aid increment as a percentage of foundation

budget; and (B) has a combined effort yield as a percentage of foundation budget of not more than 140 per cent; the sum of prior year aid and 25 per cent of the difference between the district's target aid amount and the sum of prior year aid and the district's foundation aid increment; (ii) for any district with a positive foundation aid increment not included in (i), the sum of the district's prior year aid plus the district's foundation aid increment; and (iii) for all other districts: the sum of foundation enrollment multiplied by 25 plus prior year aid. Combined effort yield as a percentage of foundation for districts shall be determined by dividing the district's combined effort yield by the district's total foundation budget. Combined effort yield as a percentage of foundation for regional school districts shall be determined by allocating a member municipality's combined effort yield among the districts to which said municipality belongs in direct proportion to the foundation budgets for the municipality's pupils at each of those districts. No non-operating district shall receive chapter 70 aid in an amount greater than the district's foundation budget. If there is a conflict between the language of this section and the distribution listed below, the distribution below shall control.

No payments to cities, towns or counties maintaining an agricultural school pursuant to this section shall be made after November 30 of the fiscal year until the commissioner of revenue certifies acceptance of the prior fiscal year's annual financial reports submitted pursuant to section 43 of chapter 44 of the General Laws. Advance payments shall be made for some or all of periodic local reimbursement or assistance programs to any city, town, regional school district or independent agricultural and technical school that demonstrates an emergency cash shortfall, as certified by the commissioner of revenue and approved by the secretary of the executive office for administration and finance, pursuant to guidelines established by the secretary.
