INSERT REMARKS OF SENATOR BONCORE

On motion of Ms. Chandler, the above remarks were ordered printed in the Journal of the Senate.

Senator O'Connor briefly addressed the Senate as follows:

It is an honor and a privilege to be a member of the Great and General Court.

I'd like to say a few personal thank yous.

To my family. My mother who is a NICU nurse at St. Elizabeth's and my father who is a Plumber at the McCormick Courthouse and my sister Erin and her husband Brian. You taught me the value of hard work and have been my side thru it all. I love you guys, thank you.

My aunts, uncles, cousins, and other extended family here today. I'm nothing without you guys and I love you all very much.

My campaign team. You guys are amazing. Becky Haugh, Greg Denton, Daria Afshar, Fred Happel, and Thomas McCabe... wouldn't be here without you. To the volunteers and organizations who got behind our campaign, many of whom are here today. A big thank you.

After attending college in London, England, I came back to Weymouth and saw a different community from the one I left.

Our major high school sports field was a pile of dirt from the construction of Greenbush, the former South Weymouth Naval Air Station had been closed for ten years, and the prescription drug epidemic had started to have its effect on many people I went to school with.

So, at 21, I put my name in the hat, worked hard, and was elected to serve 55,000 residents in my hometown as a Councilor at Large.

Before I got sworn in, my great uncle, Ed McCann, who was the Scituate Town Administrator, handed me a book with an inscription that read: "To make public life honorable and productive, one must possess, principle, honesty, and bravery. These are neither Democrat nor Republican qualities, but qualities the electorate deserves from the elected"

I have lived my public life by these words.

Shortly after getting elected I started working up here for former Senator Hedlund as his legislative director. Having watched this body handle the housing crisis, our returning veterans, the opioid crisis, and a host of other issues inspires me and I commend you for all your hard work and collaboration.

I am honored to have the opportunity to work under the leadership of Senate President Stan Rosenberg and Minority Leader Bruce Tarr, who are nationwide examples of how a model state legislature should function and progress.

A few years ago I was honored to be elected by 8 Democrats, 1 unenrolled, and 2 Republicans to serve as President of the Weymouth Town Council. My first action was to create a mental health and substance abuse committee because too many people are suffering in silence with mental illness and far too many are losing their battle with substance abuse. That field that was a pile of dirt is now the recreational gem of our community. And the former Weymouth Naval Air station, known as SouthField, is scheduled to become 3,855 housing units, 3M square feet of commercial real estate, a 10,000 seat stadium, generate hundreds of millions of dollars in tax revenue, and create 8-10k permanent jobs.

I have always been a firm believer that no matter if you're a republican, democrat, unenrolled, conservative, liberal, or moderate... there will always be more issues that we agree on than those that we disagree on.

Things such as creating more good paying permanent jobs, making education more affordable, making sure no child is lost in our states care, growing our local economies, ending the drug epidemic that is indiscriminately killing a generation, and the list goes on.

For too long partisan divide has weakened the middle class and strengthened special interests. To me, an idea is an idea, a problem is a problem, and a solution is a solution.

I truly look forward to working with all of you to make our Commonwealth and even better place to live, work, and raise a family.

On motion of Ms. Chandler, the above remarks were ordered printed in the Journal of the Senate.

Seat Assignments.

The President announced the assignment of Senator Joseph A. Boncore to seat number 16 on the President's right. He was escorted to his seat by Senators Chandler and Chang-Diaz.

The President announced the assignment of Senator Patrick M. O'Connor to seat number 6 on the President's right. He was escorted to his seat by Senators Tarr and Ross.

The Sergeant-at-Arms then proceeded to escort His Excellency the Governor, the Constitutional Officers and the Honorable Council from the Chamber.

Adjourn In Memory of Ryan Scott Shaw

The Senator from Worcester and Middlesex, Ms. Flanagan, moved that when the Senate adjourns today, it adjourn in memory of Ryan Scott Shaw of Wakefield.

Ryan Scott Shaw, of Wakefield passed into eternal peace on Monday, May 9, at the age of 18 after contracting bacterial meningitis. Born on May 29, 1997, Ryan was the beloved son of Scott and Joanne (Warchol) Shaw and the very dear brother of Connor and Madison Shaw, who will all miss him immeasurably. He was a member of St. Joseph Parish and attended St. Joseph School in Wakefield. Ryan graduated from St. John's Preparatory High School in Danvers, Class of 2015. He had just completed his first year at Northeastern University in Boston, where he studied Finance.

Ryan was an amazing and blessed young man and son who packed more accomplishments into his 18 years than most people do in a lifetime. He was kind and gentle, witty, creative, vibrant, and a visionary. He made lasting friendships in all stages of his rich life and impacted all who came in contact with him in some positive way - friends growing up in Wakefield and Cape Cod and classmates from the Prep, NU and pals and new brothers at Northeastern. He won an Entrepreneur competition and started his own company at age 16, had paintings that won Boston Globe Gold and Silver medals, traveled the country, volunteered helping children with disabilities in Jamaica, and studied last fall in Dublin, Ireland. He was a great student and recently became a brother of Pike fraternity. He cherished his summers on the Cape and loved the beach, cruising on the water, researching exotic cars, snowboarding, basketball, soccer, spike ball and any game that his siblings, cousins and friends wanted to challenge him in. He never refused an invite for a meal with family or friends. But mostly he loved his family where he was an ever present positive light to an incredible big brother he admired; a phenomenal sister he cherished, and was truly "in heaven" spending time with his Mom and Dad. Countless accolades and tributes have been shared by Ryan's friends over the last few days. The family is comforted and proud reading their expressions of what Ryan meant in their lives and takes solace knowing that so many people are helping them through this difficult time despite the reality that life without Ryan will never be the same.

Ryan leaves behind his maternal grandmother, Barbara (Lynch) Warchol, predeceased by Ryan's grandfather Richard, of Naples, Florida, and his paternal grandparents Donna Brown of Hilton Head Island, South Carolina, Robert Brown of Leominster, and William and Carol Shaw of Bedford, New Hampshire. The loss of Ryan will also be deeply felt by his many aunts, uncles, cousins, and friends.

Accordingly, as a mark of respect in memory of Ryan Scott Shaw, at nineteen minutes past two o'clock P.M., on motion of Mr. Tarr, the Senate adjourned to meet again on Monday next at ten o'clock A.M.
